. What is the Express Send transaction limit of my GCash account? {#-what-is-the-express-send-transaction-limit-of-my-gcash-account?}

GCash Account Express Send Transaction Limit

. What is the Express Send transaction limit of my GCash account?

Your GCash Account has a monthly limit of 550 send transactions and 500 receive transactions (“Express Send Transaction Limit”).

2. How does this differ from my wallet limit?

The Express Send Transaction Limit refers to the maximum number of send and receive transactions using GCash’s Express Send service while your wallet limit refers to the maximum amount you can send and receive within a given month.

3. How is the Express Send Transaction Limit applied?

Your transaction count resets at the start of each month. Once the limit is reached, you must wait until the next month to create another transaction.

4. What will happen if I reach the Express Send Transaction Limit?

Once you reach the Express Send Transaction Limit, you will not be able to make send or receive transactions through GCash’s Express Send service until your limit resets the following month.

5. What other options do I have if I keep reaching my Express Send Transaction Limit?

If you are a merchant, and frequently exceed Express Send Transaction Limit, consider upgrading to a GCash Pera Outlet (GPO) account. Learn more about GPO and its benefits here.

1. BIR-stamped received Sworn Declaration (SD) of Gross Remittances (format below) {#1-bir-stamped-received-sworn-declaration-sd-of-gross-remittances-format-below}

25 April 2024

Dear Valued GCash Merchant,

We are pleased to inform you of an important update related to the trade letter dated 12 March 2024 i.e., withholding taxes on “gross remittances” of Merchants received through the GCash platform, pursuant to Revenue Regulation (RR) No. 16-2023 and Revenue Memorandum Circular (RMC) No. 8-2024.

The Bureau of Internal Revenue (BIR), through RMC No. 55-2024, deferred the start date of imposition of the tax to 15 July 2024, previously 15 April 2024.

In this regard, we would like to reiterate that Merchants are required to upload the following documents via the Partner Document Submission Form:

1. BIR-stamped received Sworn Declaration (SD) of Gross Remittances (format below)

For GCash not to withhold EWT (Expanded Withholding Tax) on Merchants who will not exceed the \$500\mathsf{k} threshold on gross remittances, these Merchants are required to submit their BIR-stamped received Sworn Declaration. In case of failure to submit the prescribed SD, regardless of the actual total income or gross remittance, the EWT imposed by the RR No. 16-2023 shall automatically be deducted by GCash.

2. Certification of Tax Exemption / of Entitlement to a lower tax rate, if applicable

For GCash not to withhold EWT on Merchants who are exempt from Income Tax or are subject to a lower Income Tax rate, these Merchants are required to submit their unexpired Certification of Exemption or any other document as proof of entitlement to the said exemption/lower income tax rate.

3. BIR Form No. 2303 (Certificate of Registration)

All Merchants shall ensure that their business is registered with the BIR.

For further details, kindly refer to the Partner Document Submission Form and the abovementioned trade letter we sent last 12 March 2024.

W GLOBAL CENTER

30th Street corner 9th Avenue, BGC, The Fort, Taguig City

Your compliance with the above steps is vital to our continued partnership and would be greatly appreciated. For year 2024, complete the Form on or before Friday, 31 May 2024.

Should you have any questions, kindly reach out to your designated Account Manager.

www.GCash.com [Hello@GCash.com](mailto>Hello@GCash.com) GCashOfficial \$\\aircircled{8}\$\$ 2882

Sincerely,

GCASH SERVICE MANAGEMENT TEAM

SWORN DECLARATION OF GROSS REMITTANCES (For Sellers/Merchants Engaged in Business within Electronic Marketplaces)

I, of legal age with business address (Name of BIR Registered Seller/Merchant) located at and Taxpayer Identification Number (TIN) , after having been duly sworn in accordance with law hereby depose and state:

1. That I derive my income from sale of goods and services from Electronic Marketplace and/or Digital Financial Services Provider (indicate the names of electronic marketplace operators or digital financial services providers).
2. That for the period , the gross remittances from the sale of goods and services by Electronic Marketplace Operators and Digital Financial Services Providers

Do not exceed Five Hundred Thousand Pesos (₱500,000.00).

Exceed Five Hundred Thousand Pesos (₱500,000.00).

3. That if at any time during the taxable period, the gross remittances exceed ₱500,000.00, the Electronic Marketplace Operator and Digital Financial Services Provider/withholding agents shall automatically withhold the rate of one percent \$(1%)\$ on the one-half \$(\frac{1}{2})\$ of gross remittances for the goods and services sold/paid through their platform/facility.
4. That I duly execute this SWORN DECLARATION in compliance with the implementing guidelines of Revenue Regulations No. 16-2023.
5. That I declare, under the penalties of perjury, that this declaration has been made in good faith, and to the best of my knowledge and belief to be true and correct.

IN WITNESS WHEREOF, I have hereunto set my hand this day of 20 at , Philippines.

SUBSCRIBED AND SWORN to before me this day of 20 in . Applicant exhibited to me his/her issued (Government Issued ID and No.) at on

NOTARY PUBLIC

Doc No.: Page No.: Book No.: Series of

(To be filled-out by the withholding agent/lone payor)

Date Received: (MM-DD-YYYY-00001)

Received by: Signature over Printed Name of the Withholding Agent / Payor or Authorized Officer Designation / Position of Authorized Officer Name of Withholding Agent / Lone Payor

1. BIR-stamped received Sworn Declaration (sD) of Gross Remittances {#1-bir-stamped-received-sworn-declaration-sd-of-gross-remittances}

18 July 2024

Dear Valued GCash Merchant

We are pleased to inform you of an important update related to the trade letter dated 12 March 2024 i.e., withholding taxes on "gross remittances" of Merchants received through the GCash platform, pursuant to Revenue Regulation (RR) No. 16-2023 and Revenue Memorandum Circular (RMC) No. 8-2024.

The Bureau of Internal Revenue (BIR), through RMC No. 79-2024, deferred the start date of imposition of the tax on payments made through digital financial services providers (e.g. GCash) to 13 October 2024, previously 15 July 2024.

In this regard, we would like to remind the Merchants who have not submitted the following documents (if applicable), to upload these via the Partner Document Submission Form:

1. BIR-stamped received Sworn Declaration (sD) of Gross Remittances

For GCash not to withhold EWT (Expanded Withholding Tax) on Merchants who will not exceed the PHP 500k threshold on gross remittances, these Merchants are required to submit their BIR- stamped received SD. In case of failure to submit the prescribed SD, regardless of the actual total gross remittance, the EWT imposed by RR No. 16-2023 shall automatically be deducted by GCash.

2. Certification of Tax Exemption / of Entitlement to a lower tax rate, if applicable

For GCash not to withhold EWT on Merchants who are exempt from Income Tax or are subject to a lower Income Tax rate, these Merchants are required to submit their unexpired Certification of Exemption or any other document as proof of entitlement to the exemption/lower income tax rate.

W GLOBAL CENTER

30th Street corner 9th Avenue, BGC, The Fort, Taguig City www.GCash.com
Hello@GCash.com ↗ GCashOfficial \$\\aircircled{8} 2882

3. BIR Form No. 2303 (Certificate of Registration)

All Merchants shall ensure that their business is registered with the BIR.

Additionally, in line with the RMC No. 79-2024 that extends the transitory period, any withheld amount will be refunded to the enrolled merchant's settlement bank account at the soonest.

For further details, kindly refer to the Partner Document Submission Form and GCash Help Center.

Your compliance with the above steps is vital to our continued partnership and would be greatly appreciated. For calendar year 2024, complete the Form on or before Friday, 30 August 2024.

Should you have any questions, kindly reach out to your designated Account Manager.

Sincerely,

GCASH SERVICE MANAGEMENT TEAM

Learn which government IDs are allowed and the other requirements to get Fully Verified on GCash for Filipino citizens and minors, foreign nationals, and overseas Filipinos.

When verifying your GCash account, please ensure your ID meets the following requirements:

- **NOT expired** – The ID must be **valid and within the expiry date**.
- **NOT damaged** – The ID should be **clear and in good condition**.
- **Actual ID** – A physical ID is required. Scanned or photocopied IDs are not allowed.
 - Except for National ID, then it is allowed

Select the scenario that applies to you to know which IDs are accepted:

Filipino Citizen 18+ years old with a PH SIM

- National ID (Card Type)
- National ID (Paper Type) / Digital National ID
- Passport

- HDMF (Pag-Ibig Loyalty Plus)
- Driver's License
- Philippine Postal ID
- PRC ID
- UMID
- SSS ID

Minor (Filipino, 7-17 years old with PH SIM)

To have a Fully Verified GCash Jr. account, please ensure the following:

- The minor must have a **parent who has a Fully Verified GCash account**
- Submit a photo of the minor's **original or copy of the Birth Certificate issued by the National Statistics Office (NSO) or Philippine Statistics Authority (PSA)**
- Submit one of the following IDs in-app:
 - National ID (Card Type)
 - National ID (Paper Type) / Digital National ID
 - Passport
 - Student ID

Foreign National with a PH SIM

- Philippine Driver's License
- Alien Certificate of Registration (ACR)
- Special Resident Retiree's Visa (SRRV)
- DFA/Diplomat ID
- Alien Employment Permit

Foreign Nationals above 18 years old can submit any of the accepted IDs above to get Fully Verified in GCash.

GCash Overseas - Filipino residing in a foreign country with a non-PH SIM

- National ID (Card Type)
- National ID (Paper Type) / Digital National ID
- Passport
- HDMF (Pag-Ibig Loyalty Plus)
- Driver's License
- Philippine Postal ID
- PRC ID
- UMID
- SSS ID

What to do if you don't have any of the IDs accepted

We only accept the IDs listed in this article above. If you don't have any of these, we recommend registering for a **National ID**. Visit the PSA's official website for registration centers and required documents.

If you've applied for a National ID but haven't received your physical or paper National ID, you can download your Digital National ID via the PSA website or the eGov PH app.

Get started with your GCash verification by tapping **Profile > Verify Now.**

Some iPhone 14, 15, and 16 users may experience issues and errors when using the Express Send feature. Our team is actively working to resolve this.

What you can do

In the meantime, you may turn off access to your contacts as a temporary workaround. Here's how:

- **Go to your phone settings.**
- Search for **GCash** in the app list.
- Turn off access to **Contacts**.
- Reopen the GCash app and try using Express Send again.

By following these steps, you should be able to use the Express Send feature.

If you wish to grant GCash access to your contacts, you may encounter delays or temporary disruptions in using Express Send. As an alternative, you can:

- **Manually copy and paste** the recipient's mobile number.
- **Scan or upload** the recipient's QR code.

- iPhone 8 / 8 Plus
- iPhone 7 / 7 Plus
- iPhone SE (1st Gen)
- iPhone 6s / 6s Plus

To update your iPhone to the latest iOS available for your device, please follow the steps below:

1. On your homepage, tap **Settings** > General, then tap Software Update.
2. Select **General**
3. Tap **Software Update**
4. Tap **Install Now** or **Download and Install**

If you have issues with updating your iOS, please visit [Apple Support](#).

Need more help?

Rest assured that the GCash account and funds of affected users are safe and intact.

If you can't access your GCash account and have existing loans or accounts in GInvest or GSavve, you may check out these alternative options:

- Should there be any outstanding balances to settle with GLoan, GCredit, and GGives, GCash users may pay via our GCash payment partners
- For your GFunds, GStocks PH, and GCrypto accounts, please use a mobile device with iOS 14 and up
- For your GSave account/s, you may refer below:

Tap to view guidelines for GSave

To deposit and withdraw funds from your GSave account, please see the table below:

 Deposit and Withdraw Options Bank Over the Counter (OTC) Bank ATM*
Other channels --- --- --- --- BPI MySaveUp Deposit and Withdraw
Withdraw GSave by CIMB Deposit and Withdraw Withdraw
Maybank EzySave+ Deposit and Withdraw Withdraw Deposit via Cliqq and 7-Eleven #UNORReady by UNO

Starting **October 13, 2024**, GCash will be carrying out Revenue Regulation (RR) No. 16-2023, which states that **digital financial services providers such as GCash must withhold 1% tax on one-half of the total gross remittances** to sellers for goods or services sold by or paid to the Merchant through GCash.

Who are affected?

All merchants currently registered with GCash, except those who will not derive or have not derived an annual cumulative gross remittance of PHP 500,000. A BIR-stamped Sworn Declaration is among the bases to determine whether the merchant meets said threshold and is subject to withholding.

Customers will not be affected.

What to do next

To ensure swift compliance with the regulation, **all merchants must submit** the following:

1. BIR Certificate of Registration (BIR Form No. 2303 / COR)
2. Certificate of Tax Exemption or Proof of Lower Income Tax, if applicable
3. Sworn Declaration stamped received by the BIR

The Sworn Declaration will be used to properly determine if the merchant will be subject to the RR No. 16-2023.

Partner Merchants may submit their requirements to GCash via this [link](#).

For more information, please refer to the [full text of RR No. 16-2023](#) from the BIR's website.

Refund Information

According to [RMC No. 79-2024](#), which extends the transition period of Revenue Regulation 16-2023, any withheld amounts due to the delay in notification will be promptly refunded to the merchant's settlement bank account. We ask for the merchants' patience as GCash processes the refunds.

Ang pag-proseso ng inyong application upang maging GCash Pera Outlet partner ay karaniwang inaabot ng **7-15 na araw**. Pwede pa itong tumagal kung hindi naipasa ang tamang impormasyon sa application tulad ng kulang na dokumento o hindi malinaw na litrato.

Paano malalaman ang status ng Pera Outlet application

Pumunta sa GCash app at hanapin ang GCash Pera Outlet para makita ang status ng inyong application. Makikita ang sumusunod na status:

| Status | Definition || --- | --- || **Returned** | Ang mga naipasang requirements ay may malayo o kulang. Sundin ang instructions mula sa iyong Pera Outlet profile upang ayusin at kumpletuhin ito. || **Pending** | Ang iyong application ay under review. Maghintay ng 7-15 working days. Makakakuha kayo ng SMS o text message kapag nagbago ang status ng inyong application. || **Rejected** | Hindi pasok ang minimum requirements ng GPO bilang isang Pera Outlet Retailer. || **Activated** | Approved ang iyong application at pwede na kayong magsimula ng mga transaksyon sa Pera Outlet mini app. |

Need more help?

Kung ang iyong application bilang GCash Pera Outlet Retailer ay na-reject sa unang pagkakataon ng pag-apply, **pwede pang makapag-apply ulit.**

Maaring sa loob ng 7-15 araw bago maging eligible sa pag-apply ulit mula ng ma-reject ang inyong application. Makikita sa Pera Outlet mini app ang mensahe kung kailan-kayo maaring mag-apply.

Basahin at unawain ang mga instruction sa pag-apply. Ang pag-approve ng application ay base sa **tama at kumpletong mga dokumento**.

- [How do I send money to another GCash account?](#)

You can request a cancellation or refund of your GGives loan IF:

- The merchant's refund or cancellation policy allows you to return or refund the item/s you purchased
- You are able to initiate your request before your GGives loan due date and within 30 calendar days from the date of your transaction
- 100% of the transaction amount must be for cancellation

To cancel a GGives loan, here's what you can do:

1. Coordinate with the partner merchant for your refund/GGives payment cancellation request
2. Once everything is settled with the merchant, they can contact GCash via the dedicated support channels given to them

If your loan cancellation request is **beyond 30 calendar days from the transaction or the request is for a partial refund only**, the amount for refund (equal to your loan amount) will be counted as **an advance payment to your GGives loan**. You will receive any excess amount to the remaining loan in your GCash wallet.

You are qualified for GLoan Sakto if you meet the following basic requirements:

- You are 21 to 65 years old
- You are a Filipino Citizen
- Your GCash account is **Fully Verified**
- You have a good credit record and good GScore
- You don't have any history of fraudulent transactions

If GLoan Sakto is **unavailable** for you, it means that:

- You do not meet the basic requirements GLoan Sakto
- You are eligible for a regular GLoan
- You already have an ongoing GLoan Sakto loan

Note:

- Eligible users may only avail of **one(1) GLoan Sakto or one (1) GLoan at a time**
- You may pay for your ongoing GLoan Sakto loan to avail another loan
- For users with multiple mobile numbers registered with GCash, only one (1) mobile number may be used to avail of a GLoan Sakto loan

Ang DoubleSafe ay isang security feature ng GCash na **gumagamit ng selfie scan para protektahan ang account mo** laban sa unauthorized access.

Before taking your selfie scan, please make sure to:

- Take a photo in a well-lit room
- Do not cover your full face and make sure you are recognizable
- Ensure that there are no people in the background
- Wear proper attire

For your security, **maaaring ma-lock ang account mo ng 24 horas pagkatapos ng 5 mali na attempts.**

Alamin ang mga requirements at proseso para maging Fully Verified ang GCash account mo sa loob ng 3 araw. Sundin ang mga sumusunod:

Ano ang mga requirements para sa verification?

Kailangan mo lang ng isang valid government ID. Siguraduhin na ang ID mo ay **hindi sira o expired**.

Para sa mga minors at foreign nationals, kailangan mag-submit ng karagdagang dokumento.

Paano mag-verify ng GCash account?

Sundin ang mga sumusunod na steps depende kung ikaw ay Filipino Citizen, Minor, at Foreign National.

Filipino Citizen, 18+ years old, gamit ang PH Sim

1. Sa GCash app mo, pumunta sa **Profile > Verify Now**.
2. Pindutin ang **Get Started**.
3. Basahin ang mga reminders at requirements, tap **Next**.
4. I-enter ang 6-digit authentication code na sinend sa mobile number mo, i-tap ang **Next**.
5. Ilagay ang birthday mo at i-confirm kung Filipino citizen ka, pindutin ang **Next**.
6. Piliin ang government ID na gagamitin mo para sa verification, at i-tap ang **Select ID**.
7. I-scan ang ID mo at mag-selfie scan.
8. I-review ang account information mo at pindutin ang **Submit**.

Makikita mo ang page na successful ang pag-apply mo para maging Fully Verified.

Minor (Filipino o Non-Filipino), 7-17 years old, gamit ang PH Sim

Paalala: Dapat Fully Verified GCash user ang magulang o guardian mo.

1. Sa GCash app mo, pumunta sa **Profile > Verify Now**.
2. Pindutin ang **Get Started**.
3. Basahin ang mga reminders at requirements, i-tap ang **Next**.

4. I-enter ang 6-digit authentication code na sinend sa mobile number mo, pindutin **Next**.
5. Ilagay ang birthday mo at i-confirm kung Filipino citizen ka, i-tap **Next**.
6. Piliin ang government ID na gagamitin mo para sa verification, i-tap ang **Select ID**.
7. I-scan ang ID mo at mag-selfie scan.
8. I-review ang account information mo at pindutin ang **Confirm**.
9. I-upload ang selfie ng parent o guardian mo habang hawak ang ID mo, at ang photo ng original o copy ng PSA Birth Certificate mo.
10. I-review ang lahat ng impormasyon at i-tap ang **Submit**.

Makikita mo ang page na successful ang pag-apply mo para maging Fully Verified.

Foreign National gamit ang PH Sim

Paalala: Para magpatuloy sa verification, siguraduhin na meron kang Alien/Immigrant Certificate of Registration.

1. Sa GCash app mo, pumunta sa **Profile > Verify Now**.
2. I-tap ang **Get Started**.
3. Basahin ang mga paalala at requirements, i-click ang **Next**.
4. I-enter ang 6-digit authentication code na sinend sa mobile number mo, i-tap **Next**.
5. Ilagay ang birthday mo at ang nationality mo, pindutin ang **Next**.
6. Piliin ang Alien Certificate of Registration bilang government ID na gagamitin mo, i-tap **Select ID**.
7. I-scan ang ID mo at mag-selfie scan.
8. I-review ang account information mo at pindutin ang **Submit**.

Makikita mo ang page na nagko-confirm ng application mo para maging Fully Verified.

Makakatanggap ka ng SMS update tungkol sa verification status mo sa loob ng **3 araw**.

Para sa Filipino GCash users na gumagamit ng non-Philippine-issued SIM, [click here para malaman kung paano maging Fully Verified](#).

Your cash dividends earned in GStocks PH will automatically go to your trading wallet as required under the existing rules of the Philippine Stock Exchange.

Here are some of the stocks listed on GStocks PH that offer dividends:

- 1. Globe Telecom (GLO)**
- 2. Ayala Land (ALI)**
- 3. Jollibee Foods Corporation (JFC)**
- 4. Universal Robina Corporation (URC)**
- 5. Bank of the Philippine Islands (BPI)**
- 6. SM Prime Holdings (SMPH)**
- 7. Puregold Price Club (PGOLD)**

These companies are among the 280+ listed on the PSE that you can invest in through GStocks PH.

How Dividends Work on GStocks PH

Automatic Credit

Dividends earned from these stocks will automatically be credited to your GStocks PH Wallet as per the existing rules of the PSE.

Withdrawal

If you wish to withdraw your cash dividends, you can do so from your GStocks PH dashboard by selecting Withdraw. You will receive your dividends in your GCash Wallet from your GStocks PH Wallet.

Once you earn dividends, you will receive an email in your GStocks PH registered email.

- [How do I send money to another GCash account?](#)

Dividends are **payments a fund or company gives to its investors as a way to share profits**. Think of it as a bonus for investing your money. These payments can give you extra income besides your investment's value.

If you invest in a fund that makes money, it might share some of its profit with you as dividends. **However, not all funds pay dividends.**

Here's what you should know about dividends:

- **Not guaranteed** The amount you get may change each month. Some months might have higher payouts, while others might have none.
- **Non-cumulative** If you don't get dividends in a certain month, the fund won't make up for it later. Each month's payout is separate.

Sample of how dividends are computed:

The number of fund units you have as of Record date x Unit Dividend x NAVPU as of Record date

= Dividends Received

Note: The number of units and NAVPU considered are only the ones received during the record date, not during the settlement date. The fund manager determines the record date and NAVPU.

The unit dividend is rounded to **4 units**.

See a sample dividend computation below:

Item Value	--- ---	Number of Units (as of Record Date) 10,000 units	Unit Dividend 0.0035	NAVPU (as of Record Date) PHP 120.50	Dividends Received PHP 4,217.50
--------------	-----------	--	------------------------	--	-----------------------------------

If you don't get your dividends **2–3 days** after the expected date, [click here to ask for help.](#)

No, you can only use GCash through the mobile app. You can use either a mobile phone or tablet, but you can't access GCash on a computer, PC, laptop, or browser.

Your GCash account is linked to your mobile number, so you need to log in with that number on your phone. You can't use your email address or social media accounts to log in to GCash.

The BPI MS Compulsory Third Party Liability (CTPL) Insurance will protect you from financial obligations in the event of an injury or death of a third party arising from an accident involving your covered vehicle. CTPL is a requirement of the Land Transportation Office (LTO) before your vehicle can be registered.

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Benefits](#)
- [Apply for BPI MS Compulsory Third Party Liability Insurance](#)
- [Claims](#)
- [Cancellation and Refund](#)
- [Contact BPI](#)

Eligibility

You can purchase the policy if you are:

- 18 years old and above
- A fully verified GCash user
- A Filipino citizen or a foreigner who is a legal resident of the Philippines

Coverage

Your coverage under this insurance product will include the following:

- Accidental Death and Disablement
- Burial and Funeral Expenses
- Bodily Injury

Benefits

This insurance cover will answer for the death, disablement, and medical expenses of a person injured because of an accident involving your vehicle with a limit of PHP 100,000.

The following Schedule of Indemnities shall be observed in the settlement of claims for death, bodily injuries, and professional fees and hospital charges for services rendered to traffic accident victims under the Compulsory Motor Vehicle Liability Insurance Coverage:

| **Death** | | --- | | **Type** | **Amount** | | --- | --- | | Death Indemnity | PHP 70,000 | | Burial and Funeral Expenses | PHP 30,000 |

| **Bodily Injuries & Fractures** | | --- | | **Types of Accommodation or Professional Attendance Extended** | **Services Rendered** | **Maximum Reimbursable Fees and/or Charge (PHP)** | | --- | --- | --- | | Hospital Rooms | Maximum of 45 days per accident
Laboratory Examination fees, X-rays | 500/day
2,000 | | Surgical Expenses | Major Operation
Medium Operation
Minor Operation | 7,500
5,000
1,500 | | Anesthesiologist's Fee | Major Operation
Medium Operation
Minor Operation | 2,500
2,000
500 | | Operating Room | Major Operation
Medium Operation
Minor Operation | 1,500
1,000
500 | | Medical Expenses | For Daily visit of Practitioner or Specialist Total Amount of medical expenses must not exceed (For a single period of confinement) | 400/day
5,000 | | Drugs and Medicine | Actual value of drugs and medicine used but not to exceed | 20,000 | | Ambulance Charge | Actual amount charged for ambulance expenses but not to exceed | 1,500 |

| **Permanent Disablement** | | --- | | **Loss of or Loss of use of -** | **Amount (PHP)** | | --- | --- | | Two Limbs | 50,000 | | Both Hands or All Fingers & Both Thumbs | 50,000 | | Both Feet | 50,000 | | One Hand and One Foot | 50,000 | | Sight of Both Eyes | 50,000 | | Injuries resulting in being permanently bedridden | 50,000 | | Any other injury causing permanently total disablement | 50,000 | | Arm at or above elbow | 20,000 | | Arm between elbow and wrist | 15,000 | | Hand | 15,000 | | Four Fingers and Thumb of one hand |

15,000 || Four Fingers | 12,000 || Leg at or above knee | 20,000 || Leg below knee |
 15,000 || One Foot | 15,000 || All toes of one foot | 10,000 || Index Finger | 6,000 || Sight
 of One Eye | 20,000 || Hearing – Both Ears | 30,000 || Hearing – One Ear | 15,000 |

Other Incidental Expenses

The Company will pay all pertinent and reasonable expenses incurred in connection with the accident not provided under this Schedule of Indemnities (A), (B) and (C), subject to a maximum amount of PHP 10,000 but in no case shall the company's aggregate payment exceed the overall Limits of Liability under Sections I and II.

Apply for BPI MS Compulsory Third Party Liability Insurance

Note: Please make sure that your account is Fully Verified before proceeding.

To apply for the policy, follow these steps:

1. On the GCash App, tap **GInsure**
2. Tap **Vehicle** and then select **Compulsory Third Party Liability (CTPL) product by BPI MS**
3. Read the brief of the policy and check the FAQs below the screen, then tap **Proceed**
4. Answer the questions assessing the vehicle you own. Tap **Next**
5. The amount covered will appear on your screen. Please input the desired effective date of your policy and tap **Next**
6. Review the premium and charges related to your policy and tap **Next**
7. Input all the customer details being asked
8. Review all the inputs provided and the policy being offered. Then tick the box if you agree to the terms and conditions. Tap **Confirm** once done
9. Tap **Agree** to confirm the payment
10. Your ePolicy and Authenticated Confirmation of Cover (COC) will be sent to your registered email address

Note: The payment will be deducted from your GCash balance.

Claims

In case of a claim, please inform us as soon as possible or within 60 days from the date of accident.

In case of an accident, please call a traffic enforcer or go to the nearest police station to have the accident reported and investigated. If a third party is involved, it would be necessary to get the following details and documents:

- Name of the driver and registered owner of the vehicle
- Address and contact numbers
- Insurance company and photocopy of policy
- Brand/Type of vehicle
- Plate number

If possible and safe to do so, take photos of the accident scene and vehicle/s involved for proper documentation.

In case you need Loss Adjuster's Assistance, you may refer to the **BPI/MS LOSS ADJUSTER ASSISTANCE LIST:**

Filing a claim

To file a claim, you may call BPI MS claims hotline at (+63 2) 8840-9999 / (+63 2) 8840-9966 or email our Claims Department at bpimsclaims@bpi.com.ph and have the following information ready:

- Date and Time of the incident
- Policy Number
- Policyholder's Name
- Nature of Claim
- Your contact details

Documents/requirements needed:

- Any of the following: - Accident Report Form, or
 - Affidavit on the circumstances of the accident; or
 - Police Report (if any)
- Photocopy of insured Vehicle's Registration Certificate and current Official Receipt • Photocopy of insured Driver's License and Official Receipt
- Medical Certificate
- Hospital Statement of Account
- Original Medical/Hospital Receipts
- Original Funeral/Burial Receipts (death claim)
- Death Certificate and evidence sufficient to establish payee (e.g. Birth Certificate, Marriage Certificate et. al)
- Valid ID of insured party
- Quit Claim (if settled immediately). Quitclaim is not required if settlement is under Section 2 (No Fault)

Provided that claims documentation is completed and approved, below is the turn-around time:

For Regular Motor Claims:

- PHP 30,000.00 and below – within 24 hours
- PHP 30,001.00 to PHP 100,000.00 – within 48 hours

For Claims requiring an Adjuster:

- PHP 100,000.00 and below – within 3 working days

For Claims Payment:

The proceeds may be available within two (2) working days upon receipt of the conforme to the approved amount.

To claim your insurance, Call the BPI MS Claims Department (02) 8840-9000 or visit any of the 13 BPI MS Branches nationwide and submit your complete claims documents:

- [BPI Metro Manila Branches](#)
- [BPI Luzon Branches](#)
- [BPI Mindanao Branches](#)

Cancellation and Refund

Cancellation

To cancel your policy, please contact BPI MS at (+63 2) 8840-9000.

Refund

You can get a premium refund for the cancellation. However, the premium refund excluding Documentary Stamp Tax (DST), will be computed on a pro-rata basis if the cancellation would be made from the first day of the following month.

Kung may lumabas na prompt na nagsasabing “Your account is on hold,” posibleng dahil sa mga sumusunod:

1. **Inactive ang account mo** Kung ang GCash Basic account mo ay hindi na-Fully Verify sa loob ng 12 buwan, made-deactivate ito.
2. **Maling personal information** Maaaring hindi tama o hindi totoo ang impormasyon o dokumentong sinubmit mo para sa verification.
3. **Illegal use** Puwedeng sangkot ang account mo sa ilegal na aktividad, kahinalang transaksyon, o baka ginagamit ito ng iba nang walang pahintulot.
4. **Ordered by the government** Posibleng may natanggap na order ang GCash mula sa gobyerno o korte para i-hold ang account mo.
5. **Inactive ang GCash Wallet** Kung walang laman o hindi nagagamit ang wallet mo sa loob ng 6 na buwan, ituturing itong inactive.

Ano’ng dapat gawin kapag na-hold ang GCash account?

1. **I-check ang email mo** Tignan ang inbox at spam folder ng email na nakarehistro sa GCash account mo. Kung may natanggap kang email tungkol sa “Account Deactivation,” i-click ang link doon para mag-request na ma-unblock ang account.

Kapag na-unblock, kailangan mong [i-Fully Verify ang account mo](#).

Paalala: Kung hindi ito ma-Fully Verify sa loob ng **48 hours**, maho-hold ulit ang account.

2. **I-check ang SMS para sa routine verification** Kung walang email, tingnan kung may natanggap kang SMS mula sa GCash. Ang mensahe ay maaaring ganito:

“Hi! Your GCash account was put on hold due to routine verification. This is following GCash's Terms and Conditions.”

Para ma-access ulit ang account mo, kailangan mong ipasa ang sumusunod na mga dokumento:

- Larawan ng harap at likod ng dalawang (2) valid government-issued IDs
- Larawan ng pirma mo sa papel
- Proof of income (halimbawa: income tax return o payslip kung employed; business registration kung self-employed)
- Proof of billing (halimbawa: utility bill o rental statement)

3. Mag-Chat with Gigi para sa tulong Kung walang email o SMS, i-chat si Gigi. I-type ang “Account on Hold” para matulungan ka niyang i-check ang account mo.

Siguraduhing handa ang mga sumusunod:

- Larawan ng dalawang (2) valid government-issued IDs
- Isang selfie kasama ang IDs
- Screenshot ng Phone/SIM Settings na nagpapakita ng GCash-registered number mo

Get **FREE health insurance coverage** when you purchase mobile or broadband load with your registered GCash number via Buy Load. The insurance is provided at NO cost and will expire at the end of the coverage period WITHOUT any renewal or additional charges.

Note:

Buy Load Insurance is currently available to a select number of eligible users.

Eligibility:

- Must be 18 to 65 years old
- Filipino Citizen
- Foreigners or tourists (even without permanent residence, as long as using a Philippine local telco SIM)
- With a Fully Verified GCash account
- With a purchase of mobile or broadband load using your personal GCash account Buy Load feature

Note:

You can't transfer the insurance and its coverage to others.

Insurance Coverage and Benefits

||| --- | --- || **Benefits | Limit per policy** || Accidental Death | PHP 10,000 ||
 Disablement/Dismemberment | Up to PHP 10,000*
 *depending on the body part (see table below) || Daily Hospital Income (Accident or
 Illness) (max. of 5 days) | PHP 500/day
 (max. total PHP 2,500) |

Tap on the dropdown to learn more about the insurance coverage.

Accidental death

Get payment of up to **PHP 10,000** in the event of death due to an accident. Accidental death refers to a death caused by an accident and not due to natural causes, illness, or other reasons.

Disablement or Dismemberment

This coverage includes the loss of a limb, sight, hearing, or any severe disability caused by an accident. The Disablement/Disability benefit is based on the computation listed in the table below:

||| --- | --- || **Description of Disablement | Percentage of the Sum specified in the benefit** || Loss of two limbs | 100% || Loss of both hands, or of all fingers and both thumbs | 100% || Total loss of sight of both eyes | 100% || Total paralysis | 100% || Loss of both feet | 100% || Injuries resulting in being permanently bedridden | 100% || Any other injury causing permanent total disablement | 100% || Loss of arm at or above elbow | 50% || Loss of arm between elbow and wrist | 50% || Loss of hand at wrist | 50% || Loss of four fingers and thumb of one hand | 50% || Loss of Leg - at hip | 70% || - between knee and hip | 60% || - below knee | 50% || Loss of hearing - both ears | 50% |

Daily Hospital Income (Due to Accident or Illness)

Receive a daily payment of up to **PHP 500 per day** if you are hospitalized due to an accident or illness, with a maximum benefit of 5 days (PHP 2,500 maximum benefit). This coverage applies only if the policy conditions are met.

Insurance Exclusions:

Motorcycling injuries are covered, **except** for accidents that violate traffic rules or LTO regulations. The following are **not covered**:

- **Pre-existing conditions**, including but not limited to: Asthma, Diabetes, Tuberculosis (TB), Thyroid problems, and other chronic conditions such as Heart disease, Kidney issues, and High blood pressure. Bronchial Asthma and Systemic Allergies, Chronic Obstructive Pulmonary Disease (COPD), Diabetes Mellitus, Tuberculosis, Thyroid diseases, Systemic allergies, Dysfunctional Uterine Bleeding, Chronic EENT conditions that may require surgery, Cardiovascular diseases, Chronic Cholecystitis/Cholelithiasis, Benign or malignant new growth, Endometriosis, Stroke/ Paralysis/Epilepsy, Hernia, Hemorrhoids and Fistula, Gastric or Duodenal Ulcers, Liver Cirrhosis, Kidney diseases, Blood Dyscrasias, Immunologic and Collagen diseases, Hallux Valgus and Lithiasis, Urolithiasis and Glomerulonephritis, Hypertension of whatever etiology.

- **Communicable diseases** declared by the government.

Insurance Validity:

The validity of this insurance will start on the day the load is applied and will end based on the load amount as shown in the table below:

GCASH BUY LOAD AMOUNT (PESO)	PERIOD OF COVERAGE
1.00 - 65.00	3 days 66.00 - 150.00 7 days 151.00 - 450.00 15 days 451.00 & up 30 days

Insurance Stackability

You can combine the benefits of FPG Insurance, as long as you qualify for each one according to the table below:

GCASH BUY LOAD AMOUNT PERIOD OF COVERAGE (DAYS)	ACCIDENTAL DEATH COVERAGE
1 to 65 3 PHP 10,000.00	66 to 150 7
151 to 450 15	451 and above 30

- You are allowed up to three (3) eligible load purchases with corresponding insurance coverages. Accidental life benefits are stackable up to three times (max. PHP 30,000), while the disablement/dismemberment and hospital confinement benefits are non-stackable
- You are only allowed a maximum of three (3) insurance policies at any given time
- You may only get a new insurance cover through a new buy load purchase once your active policies is less than 3
- The maximum amount you can receive for accidental death is PHP 30,000. **(Maximum of 3 active policies per user)**
- The Hospital Confinement benefit provides PHP 500 per day, lasting up to 5 days (PHP 2,500 max. benefit) under one insurance coverage.
- The Disablement/Disability benefit depends on the lost body part, insured can get up to PHP 10,000.

Example of Stackability

Check the example below to know how you may be able to stack your benefits:

Scenario A

You purchased a prepaid load using your personal GCash account **five (5) times within 24 days.**

- **Transaction 1 (September 1)** – You bought a load worth PHP 99. This transaction comes with free insurance valid for seven (7) days.
- **Transaction 2 (September 8)** – You bought a load worth PHP 299. This includes free insurance valid for fifteen (15) days.
- **Transaction 3 (September 8)** – On the same day, you bought PHP 50 worth of load. Your purchase comes with free insurance valid for three (3) days.
- **Transaction 4 (September 16)** – You bought a load worth PHP 99 again. This transaction qualifies for free insurance that is valid for seven (7) days.
- **Transaction 5 (September 18)** – You bought PHP 99 worth of load. This transaction qualifies for free insurance valid for seven (7) days **since your previous free insurance expired on September 10.**

Benefits that can be claimed for Scenario A:

You were confined in the hospital due to illness from September 15 to September 17. If, unfortunately, you passed away due to an accident on September 18:

- Hospital Confinement Benefit: You will receive a 3-day hospital confinement benefit equivalent to PHP 1,500 for illness-related confinement.
- Accidental Death Benefit: You will receive PHP 30,000 due to accidental death.
- Total Benefit: Your beneficiary will then receive a total amount of **PHP 31,500 from the free insurance.**

Scenario B

In a different scenario, you bought a prepaid load using your personal GCash account five (5) times within 24 days.

- **Transaction 1 (September 1)** – You bought a load worth PHP 99. This transaction comes with free insurance valid for seven (7) days.
- **Transaction 2 (September 8)** – You bought a load worth PHP 299. This includes free insurance valid for fifteen (15) days.
- **Transaction 3 (September 8)** – On the same day, you made another purchase of PHP 299 load. This transaction also comes with free insurance valid for fifteen (15) days.
- **Transaction 4 (September 16)** – You bought a load worth PHP 99 again. This qualifies for free insurance valid for seven (7) days.
- **Transaction 5 (September 18)** – You purchased PHP 99 worth of load, **but this transaction is no longer eligible for free insurance since you already have three (3) active policies from Transactions 2, 3, and 4.**

Note: Your free insurance is dependent on your number of active policies.

Benefits that can be claimed for Scenario B:

You were confined in the hospital due to an accident on September 18 and passed away on September 21.

- Hospital Confinement Benefit: You will receive a 4-day hospital confinement benefit amounting to PHP 2,000.
- Accidental Death Benefit: You will receive an additional PHP 30,000 due to death.
- Total Benefit: Your beneficiary will receive a total amount of PHP 32,000 from the free insurance.

How to process your claims:

Various benefits (for example, hospitalization leading to disability) can be claimed simultaneously as long as you qualify for each benefit according to the terms and conditions of the policy.

To file and process your claims, follow the steps below:

1. Go to the [FPG Claims Portal](#) and directly submit your claim
2. Complete the required details for your claim on the FPG Insurance claims notification page. Make sure all required documents are complete (claim notification must be given **15 days from time of accident**).

Claims requirements:

Please submit complete claims documents within **60 days** from time of accident

A. General Requirements

- Duly Accomplished Personal Accident Claim Notification Form A & B (Required)
- Accident Report (in the absence of accomplished PA Claim Notification Form)
- Police/Investigation Report (for Vehicular Accident, Unprovoked Murder & Assault, Acc. Death) (if necessary)
- Affidavit of Accident (if necessary)
- Medical Certificate (if Form B of PA Claim Form is not accomplished)

B. Death Claim

- Death Certificate
- Birth Certificate
- Certified True Copy of Marriage Certificate (if applicable)
- Certified True Copy of Birth Certificate of Children (if applicable)
- Admitting History, operating room record, discharge summary & other Diagnostic/Laboratory Results
- Autopsy report (if necessary)

C. Disability/ Disablement Claim

- Accomplished Disability Form
- MRI/CT Scan Result (if applicable/necessary)
- Hospital Admitting History and Physical Examination
- Certified Clinical Summary

D. Daily Hospital Income

- Hospital Admitting History stating number of days of confinement and diagnosis
3. Once your claim is evaluated, you will receive your filed claim status through SMS or email notification.

Claim benefit pay-out will reflect in your GCash Wallet within **8 working days** from filing.

Enjoy more from your savings! With the **CIMB PH – Earn More Promo**, you can earn a base interest of **3% to 12% interest per annum** on your **GSave by CIMB Bank** account when you grow your Average Daily Balance.

Promo Period:

April 1 to April 30, 2025

Who can join?

You're eligible to join the CIMB PH - Earn More Promo if:

- You have an **active and unblocked** UpSave or GSave account with CIMB Bank PH.
- You're a **new or existing** CIMB Bank PH customer.

Note: Other CIMB accounts are **not** eligible for this promo.

How to join:

1. Make sure you have an eligible account (UpSave or GSave).
2. Grow your ADB during the promo period.
3. That's it! Interest is **automatically credited** if you qualify.

There's no cap on ADB growth – the more you save, the more you earn!

How Do I Calculate My Interest with the CIMB PH – Earn More Promo?

To estimate how much you'll earn from the promo, you'll need to understand how your **Average Daily Balance (ADB)** works and how the interest is applied.

Step-by-step guide:

1. **Calculate your ADB:**

- Add your daily balances for the month.
 - Divide by the number of days in that month.

2. Apply the interest rates:

- You'll earn a **base rate** of 3% p.a.
 - If you **grow your ADB**, you'll receive **additional interest** on top.

Check out the table below for more information:

Applies to all Balances (No Cap and condition) | *3.00% p.a. | Interest will be applied on the customer's total ADB || Grow ADB by at least PHP 1,000 (No Cap) | +1.00% p.a. | Interest will only be applied on the customer's total ADB growth for each campaign month, NO ADB GROWTH CAP! || Grow ADB by at least PHP 5,000 (No Cap) | +2.00% p.a. || Grow ADB by at least PHP 10,000 (No Cap) | +2.50% p.a. || Grow ADB by at least PHP 50,000 (No Cap) | +3.50% p.a. |

Example:

- ADB: PHP 10,000 → Earns 3% p.a. (base)
 - Grew ADB vs. previous month by PHP 5,000 → Earns additional 3% p.a.

Your total interest will be calculated based on these figures.

Why Hasn't My Interest Been Credited Yet?

Please wait **up to 14 business days** after the promo month ends for your interest to be credited.

Why is My Interest Lower Than Expected?

If the interest you received seems lower than what you were expecting, here are a few common reasons:

- Your **ADB** was calculated incorrectly.
 - You used **non-qualifying cash-in methods** (Bank Transfers within account of customer or within CIMB Bank Accounts).

Need more Help?

If you have any other questions about the promo, please contact CIMB directly at #2462. Support hours are from 6:00 AM to 10:00 PM daily.

YES, Fully Verified GCash users can use GCash QR for payments in select countries outside the Philippines if the merchant is a partner of Alipay+.

Here's an example of a QR code where you can pay with your GCash outside of the Philippines.

Tap here to see the full list of countries that accept GCash QR payments

Note: Before paying, please make sure that the merchant is a partner of Alipay+

1. Australia
2. Austria
3. Belgium
4. Bulgaria
5. Cambodia
6. China
7. Croatia
8. Cyprus (Republic of Cyprus)
9. Czech Republic
10. Denmark
11. Estonia
12. Finland
13. France
14. Germany
15. Greece
16. Hong Kong

GCash can deliver the GCash Card only to specific serviceable areas.

If you cannot find your address in the Card Order Form, it means that your area is not serviceable by our courier. Please choose a different delivery address.

Note: The list is subject to change without prior notice.

GCredit is a **pre-qualified credit limit** via GCash app that allows users to purchase and make payment even with zero wallet balance. Your GCredit offer is subject to regular evaluation and is **not guaranteed**.

How to be qualified for GCredit

You may be eligible for GCredit if you are:

- 21-65 years old
- A Filipino Citizen
- A Fully Verified GCash user
- Using GCash services

How to be qualified for GCredit

On the GCash homepage, tap **Borrow > GCredit**. If you're qualified, you'll see the credit limit available to you. But if you're not qualified, you'll see some tips on how to unlock GCredit.

If not qualified for GCredit

You will be led to this screen once you tap **Borrow > GCredit** from the GCash homepage.

To unlock GCredit, keep using GCash features like Pay Bills, Buy Load, Cash In, Send Money, GInsure, and GInvest. GCash checks your eligibility every week, so you could qualify to apply for GCredit as soon as the next week.

Note: Once you become qualified for GCredit, you will receive an SMS from GCash.

If you are eligible for GCredit

If you are eligible for GCredit, you will receive an SMS. You will be led to this screen once you tap **Borrow > GCredit** from the GCash homepage.

Follow the steps below to start using GCredit:

1. On your GCash app, tap **Borrow > GCredit**
2. Confirm your email address > tap **Next**
3. Check your personal information and complete all additional details.
4. Select **Next**
5. Review your application > tap **Submit**

You will be directed to a page that confirms the activation of your GCredit.

Once you finish your application, you'll get a confirmation through SMS and your registered GCash email.

If you have more questions or concerns with eligibility, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

GLoan is a **pre-qualified loan** offered to **select users only**, allowing to borrow money and **receive loan in your GCash wallet within 24 hours** after your application.

To unlock GLoan, keep using GCash services such as Pay Bills, Buy Load, Cash In, Send Money, GInsure, and GInvest.

GCash checks your eligibility **weekly**, pwede kang mag-qualify sa susunod na linggo.

Other GLoan Requirements:

- ✓ A Fully Verified GCash user
- ✓ Filipino citizenship
- ✓ Valid government ID
- ✓ At least 21 years old
- ✓ Verified GCash email address

GLoan offers and approvals are **subject to evaluation** and are not guaranteed, even if you fulfill the minimum requirements above.

How to know if you're eligible

On the GCash homepage, tap **Borrow > GLoan**. If you're eligible, you'll see a loan offer amount available to you. But if you're not eligible, you'll see some tips on how to unlock GLoan.

If not eligible for GLoan

Once you tap **Borrow > GLoan** from the GCash homepage, you will be led to this screen.

To unlock GLoan, keep using GCash features like Pay Bills, Buy Load, Cash In, Send Money, GInsure, and GInvest. GCash checks your eligibility every week, so you could qualify to apply for GLoan as soon as the next week.

If you are eligible for GLoan

If you are eligible for GLoan, you will receive an SMS. Once you tap **Borrow > GLoan** from the GCash homepage, you will be led to this screen. Select **Get Started** at the bottom of your screen to start your loan application.

Steps to avail of a GLoan

Follow the steps below to start using GLoan:

1. Read through the GLoan information > **Get Started**
2. Input your loan amount, select your purpose of loan, and tap **Get this Loan**
3. Review your loan terms, then tap **Continue**
4. Complete your personal information and tap **Next**
5. Review your GLoan application, then tap **Continue**
6. Agree to the Disclosure Statement and the Terms and Conditions of the Loan. Tap **Continue**
7. Check the amount you will receive from GCash. Select **Continue**
8. Enter the **6-digit authentication code** sent to your GCash-registered mobile number.

Once you finish your application, you'll receive your loan in your GCash wallet within **24 hours**. You'll get a confirmation through SMS and your registered GCash email.

If you have more questions or concerns with eligibility, [click here to ask for help](#). A customer service representative will contact you within 1-2 working days.

GLoan Eligibility FAQs

Q: I've been using GCash for many years already and yet, I am not eligible. Why is that? **A:** Thank you for being a loyal GCash user! GLoan offers are based on several factors such as your GSscore, overall account activity, and system evaluation. While long-term usage is valuable, it does not automatically guarantee eligibility. Your account is reviewed regularly, and eligibility may change over time.

Q: I was eligible before, but now I'm not. Why? **A:** GLoan availability can change depending on your latest system assessment. This does not mean you are permanently ineligible — your eligibility is reviewed regularly, and the offer may return.

Q: My GSscore is high, but why am I still not eligible? **A:** GSscore is only one of the many factors considered in evaluating your GLoan eligibility. The system also reviews your usage patterns, repayment history, and other internal criteria. A high GSscore does not guarantee an offer. GLoan is currently offered only to pre-selected users. You'll know you're eligible if you receive an SMS from us.

Q: Is there a way to unlock GLoan eligibility faster? **A:** GLoan offers are system-generated and cannot be manually unlocked or expedited. The best way to increase your chances is to stay active on GCash and keep your account information updated.

Q: Why do others have a lower GSscore than I do, but they are eligible and I'm not? **A:** Every user has a different profile. GLoan eligibility considers more than just GSscore — including various other system-evaluated factors. Rest assured, your account is reviewed regularly.

Q: Why is my GLoan limit low? Can I request to increase it? **A:** Your GLoan credit limit is auto-generated based on your account profile and system evaluation. It cannot be manually adjusted. However, good repayment behavior and continued account activity may help your limit increase over time.

Q: Why did my GLoan credit limit change or not increase even though I pay on time? **A:** Thank you for paying on time! While repayment behavior is important, your credit limit is affected by several other factors evaluated by the system. Your profile is reviewed periodically, so your limit may still improve.

Q: I have multiple GCash mobile numbers. Why can't I apply for GLoan using my other numbers? **A:** GLoan is limited to one active account per user. If you have multiple GCash numbers, you can only access or apply for GLoan through the number linked to your current loan. If you're getting an error when using another number, it may be because you still have an active GLoan tied to a different account. To apply using a new number, please fully settle your existing loan first.

Q: I've been using GCash actively, so why is it still hard to become eligible for GLoan? **A:** We understand your concern. GLoan eligibility is determined by multiple dynamic factors beyond app usage duration. Remaining active and maintaining good account standing increases your chances of being selected.

GCash Borrow Load allows you to get prepaid load promos for mobile or broadband even with zero balance. It's **available only to selected GCash users** and is **payable in 14 days** with a small processing fee.

Who are qualified to use GCash Borrow Load

Currently, GCash Borrow Load is available to select users only. Below are the minimum qualifications:

- You are 21 to 65 years old
- You are a Filipino citizen
- You are a Fully Verified GCash user
- You do **not** have an active Borrow Load promo. If you have an active Borrow Load promo, **you need to settle it first** before you can avail of another one.

You will receive an SMS if GCash Borrow Load is available to you. Keep using GCash products and services to increase your chances of unlocking GCash Borrow Load.

How to Activate GCash Borrow Load

To activate your GCash Borrow Load, follow the steps below:

1. On your GCash app, tap **Load > Borrow Load**
2. Select **Activate**
3. Review your personal details
4. Agree to the Terms and Conditions
5. Tap **Start Borrowing**

You'll be led to a page to confirm your successful activation of your Borrow Load.

Your eSIM (embedded SIM) can let you switch between different network providers making it ideal for travel. You can purchase your eSIM via the GCash app and set it up without going to a physical store.

Non-Philippine eSIMs from GCash are **data-only** and work with eSIM-enabled iOS and Android phones. They won't work on SIM-locked devices.

To buy an eSIM and set it up easily on your GCash app, follow the steps below:

1. On your GCash app, tap **Load**

2. Select the **country** > **eSIM** > **Next**
3. Select your load > **Buy Now**

Once you've made your eSIM purchase, you will receive an SMS about how to set it up.

You'll get an SMS when your balance drops to 10% and when you run out of data.

No, you cannot cash in to your GCash Wallet using a debit/credit card.

You can cash in or top up your GCash wallet through linked Philippine bank accounts, online bank apps via Instapay or PESONet, GCash Over-the-counter Partner Outlets, Remittance Centers, and GCash Pera Outlets.

No, you cannot create a GCash account without registering your SIM. To create a GCash account, your mobile number must be **registered and verified**. This is necessary for account security and to comply with regulations as well as receiving an OTP for your GCash transactions.

To register your SIM, please visit your telco's official website for more information.

You can create multiple GCash accounts with different mobile numbers, and your accounts are automatically **consolidated/linked into one main customer profile** for easy access.

What happens when your accounts are linked:

- The highest wallet and transaction limits will reflect across all accounts
- Your GScore will be the same for all accounts
- Your wallet and transaction limits will NOT be added for a bigger sum

Example: If you have one account with a PHP 100,000 limit and another with a PHP 500,000 limit, your shared limit across both accounts is PHP 500,000.

You'll receive an SMS when your accounts have been linked. You can use our [Profile Limit Calculator](#) to understand how your limits work.

CIMB Grow is a savings account powered by CIMB Bank that you can open directly in the GCash app. This account offers a higher **4% base interest rate per year**, compared to the **2.6%** for a regular **GSave by CIMB** account.

CIMB Grow is currently available to **pre-selected GCash users** only. If you are not eligible, you can still [open a regular GSave by CIMB account](#) through the GCash app.

Who are eligible to open a GSave by CIMB account

You are eligible to open a savings account with GSave by CIMB if you are:

- At least 18 years old
- A Filipino Citizen
- An owner of a valid government-issued ID
- A [Fully Verified](#) GCash user
- Pre-selected by CIMB Bank based on their eligibility criteria

If you meet all the requirements, you can upgrade to a CIMB Grow account on the GCash app. Simply follow these steps:

1. On your GCash app, tap **GSave > Start** to proceed onboarding
2. Tap **GSave by CIMB**
3. A confirmation screen for CIMB Grow upgrade/onboarding will be shown, tap **Upgrade to CIMB Grow**

You will be led to a page that confirms that your GSave by CIMB account is now successfully upgraded to CIMB Grow.

GCrypto is a feature that lets you buy, sell, and manage cryptocurrency easily via the GCash app. It's a simple and secure way to explore digital assets as you build your portfolio using your GCash account.

Who are qualified to open a GCrypto account

You are qualified to open a GCrypto account if you are:

Before registering to GCrypto, make sure you meet all of the requirements below:

- You are at least 18 years old
- You are a Fully Verified GCash user
- You have updated your user profile information within the last 3 years
- You have a verified email address

Note:

As stated in the Terms and Conditions, each user is allowed only one GCrypto account. If your email address is already linked to an existing GCrypto account, you won't be able to register for a new one.

How to create a GCrypto account

If you meet the requirements above, you may proceed with creating a GCrypto account. Here's how:

1. On the GCash App, tap on **GInvest > GCrypto**
2. Tap **Get Started**
3. If applicable, enter the 6-digit authentication code and tap **Submit**
4. Tap **I Agree**
5. Fill out the Risk Profile questionnaire and tap **Submit**
6. Read through all the agreements (e.g. Terms and Conditions, Privacy Policy, etc.)
7. Tap **I have read and agree to all of the following** and tap **Go to GCrypto**

Your GCrypto application will be approved immediately if there are no errors or issues.

If there are any errors or issues, you will receive a notification with details. Please review the provided information, correct any errors, and resubmit your application.

GSave is a savings account by CIMB Bank and GCash that you can open directly in the GCash app. It has **no initial deposit, no maintaining balance, and no lock-in period**.

Who are qualified to open a GSave by CIMB account

You are qualified to open a savings account with GSave by CIMB if you are:

- At least 18 years old
- A Filipino Citizen
- A Fully Verified GCash user
- Using a PH or non-PH-based SIM

Note:

GSave by CIMB is available in select countries outside the Philippines for GCash Overseas users with non-PH-based SIMs.

If you meet the basic requirements above, follow these steps below to get started:

1. On your GCash app, tap **GSave > GSave by CIMB**
2. Select **Open a Savings Account**
3. Agree on the **terms and conditions > Open a Savings Account**

You will be led to a page that confirms that you have successfully opened your GSave by CIMB account.

Note:

A deposit of **at least PHP100** is needed to qualify for a GCash wallet and transaction limit increase to PHP500,000.

For Filipino citizens residing overseas

GSave Overseas CIMB account is now available to Filipino citizens residing overseas where GCash is available. [Click here](#) to know if you are qualified and to know how to open an account.

GStocks PH is an online trading services platform powered by GCash that lets users invest in stocks listed on the Philippine Stock Exchange. When you open a GStocks PH account, you will be given a Basic Account.

A **Basic** GStocks PH account has a maximum top-up limit of **PHP 50,000**, while a **Full** GStocks PH account has **no top-up limit**.

Who is qualified to open a GStocks PH account

You are qualified to open a GStocks PH account if you are:

- At least 18 years old
- A Filipino citizen living in the Philippines
 - If you are NOT a Filipino resident (e.g. OFW, Seaman, etc.), you can still apply if you have a **Social Security Number (SSS)** and **Taxpayer's Identification Number (TIN)**
 - If you are a Foreigner, you can still apply if you submit your **Passport** as your valid Government ID
- A Fully Verified GCash user
- With updated GCash information in the last 2 years
- With at least one (1) active and valid government ID

If you're an ABCSI Online client or using Broker-Assisted services, you still need to register for GStocks PH in the GCash app because it follows a different set of terms and conditions.

You will **NOT** be able to access your existing ABCSI accounts on the GCash app.

#MySaveUp by BPI is an all-digital savings account offered by BPI exclusively through the GCash app. It has a **PHP 1 minimum deposit, no maintaining balance, and no lock-in period.**

Who are qualified to open a #MySaveUp by BPI account

You are eligible to open a savings account with #MySaveUp by BPI if you are:

- At least 18 years old
- A Filipino Citizen
- A Fully Verified GCash user
- With at least one (1) active and valid government ID
- Using a PH-based SIM

If you meet the basic requirements above, you can open an account either via your **current BPI Online account** or using your **GCash profile**. Follow the steps below to get started:

Open an account via your BPI Online account

1. On your GCash app, tap **GSave > #MySaveUp by BPI**
2. Select **Open Savings Account** > Proceed with your BPI Online account
3. Input your BPI username and password > **Accept**

You will be led to a page that confirms that you have successfully opened your #MySaveUp by BPI account in GSave.

Open an account via your GCash profile

1. On your GCash app, tap **GSave > #MySaveUp by BPI**
2. Select **Open Savings Account** > Proceed using your BPI Online account
3. Read and agree to the terms and conditions. Tap **Confirm**
4. Complete the details needed > **Submit**

You will be led to a page that confirms that you have successfully opened your #MySaveUp by BPI account in GSave.

#UNOready@GCash by UNOBank is a digital savings account available through the GCash app. It lets you earn interest with at least PHP 0.01 minimum deposit and requires no maintaining balance.

Who are qualified to open a #UNOready@GCash by UNOBank account

You are qualified to open a savings account with #UNOready@GCash by UNOBank if you are:

- At least 18 years old
- A Filipino Citizen
- A Fully Verified GCash user
- With at least one (1) active and valid government ID
- Using a PH-based SIM
- WITHOUT an existing UNOBank account

If you meet the basic requirements above, follow these steps below to get started:

1. On your GCash app, tap **GSave > #UNOready@GCash by UNOBank**
2. Tap **Apply Now > Apply Now**
3. Read and agree to all the Terms and Conditions > **Continue**
4. Complete the details > **Continue**

A confirmation screen will appear once you've successfully opened a #UNOready@GCash by UNOBank account in GSave.

Once you have created an account, **you are also automatically qualified for free life insurance worth PHP 50,000** as long as you maintain at least **PHP 10,000** average daily balance.

Note: Insurance age is from 18 to 65 years old and is still subject to the insurance provider's acceptance criteria.

EzySave+ is a digital savings account powered by Maybank and GCash that lets you conveniently open your account and earn interest on your savings via your GCash App. Enjoy a free Save n' Protect life insurance coverage of up to PHP1,000,000 with a minimum balance.

Who are qualified to open an EzySave+ by Maybank account

You are qualified to open a savings account with EzySave+ by Maybank if you are:

- At least 18 years old
- A Filipino Citizen

- A Fully Verified GCash user
- With at least one (1) active and valid government ID
- Using a PH-based SIM
- Able to submit an image of a piece of paper with three (3) specimen signatures
- **WITHOUT** an existing Maybank EzySave+ account

You don't need to verify in person to open an account. However, Maybank will need to verify your EzySave+ account before increasing your deposit limit to more than PHP 100,000.

If you meet the basic requirements above, follow these steps below to get started:

1. On your GCash app, tap **GSave > EzySave+ by Maybank**
2. Tap **I agree > Open EzySave+ Account**
3. Submit a photo with three (3) specimen signatures > **Next**
4. Complete details, agree to the Terms and Conditions of Maybank > **Confirm**
5. Input the 6-digit authentication code sent to your GCash-registered mobile number > **Confirm**

A confirmation screen will appear once you've successfully opened a EzySave+ by Maybank account in GSave.

You can transfer stockholdings to another Philippine stock brokerage firm in GStocks PH by doing the following:

1. Fill up the [Letter to Transfer from Broker to Broker](#) form with your instructions to transfer your existing stockholdings to ABCSI
2. Email the request with the attached letter to transfer to gcashcs@ABCapital.com.ph

Make sure to inform ABCSI by providing them with a copy of the transfer. They will coordinate the transfer of your stock holdings with your current stockbroker.

If your stock holdings are in a "street name" (e.g., lodged with the Philippine Depository and Trust Corporation or PDTC), the transfer will be processed electronically.

 - a. the use or threat of force, violence and/or
 - b. harm or damage to life or to property (or the threat of such harm or damage) including, but not limited to, nuclear radiation and/or contamination by chemical and/or biological agents,
 by any person(s) or group(s) of persons, committed for political, religious, ideological or similar purposes, express or otherwise, and/or to put the public or any section of the public in fear; or
3. any action taken in controlling, preventing, suppressing or in any way relating to 1 or 2 above.

If the Company alleges that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured.

SANCTION LIMITATION AND EXCLUSION CLAUSE

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

INSTITUTE RADIOACTIVE CONTAMINATION, CHEMICAL, BIOLOGICAL, BIOCHEMICAL AND ELECTROMAGNETIC WEAPONS EXCLUSION CLAUSE

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith; 1. In no case shall this insurance cover loss damage liability or expense directly or indirectly caused by or contributed to by or arising from:

- 1.1 ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel
- 1.2 the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof
- 1.3 any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter
- 1.4 the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter. The exclusion in this sub-clause does not extend to radioactive isotopes, other than nuclear fuel, when such isotopes are being prepared, carried, stored, or used for commercial, agricultural, medical, scientific or other similar peaceful purposes
- 1.5 any chemical, biological, bio-chemical, or electromagnetic weapon.

COMMUNICABLE DISEASE EXCLUSION

1. Notwithstanding any other provision of this policy to the contrary, this policy does not cover all actual or alleged loss, liability, damage, compensation, injury, sickness, disease, death, medical payment, defence cost, cost, expense or any other

amount, directly or indirectly and regardless of any other cause contributing concurrently or in any sequence, originating from, caused by, arising out of, contributed to by, resulting from, or otherwise in connection with a Communicable Disease or the fear or threat (whether actual or perceived) of a Communicable Disease.

2. For the purposes of this endorsement, loss, liability, damage, compensation, injury, sickness, disease, death, medical payment, defence cost, cost, expense or any other amount, includes, but is not limited to, any cost to clean-up, detoxify, remove, monitor or test for a Communicable Disease.
3. As used herein, a Communicable Disease means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:

3.1. the substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation hereof, whether deemed living or not, and

3.2. the method of transmission, whether direct or indirect, includes but is not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between organisms, and

3.3. the disease, substance or agent can cause or threaten bodily injury, illness, emotional distress, damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property insured hereunder.

This endorsement applies to all coverage extensions, additional coverages, exceptions to any exclusion and other coverage grant(s).

All other terms, conditions and exclusions of the policy remain the same.

WHEREAS you made to the Insurer a written proposal and declaration which together with any other statement made in writing by you for the purpose of this Policy shall be the basis of and deemed to be incorporated in this contract.

NOW THIS POLICY WITNESSETH that in consideration of you having paid to the Insurer the Premium subject to the Terms, Exceptions and Conditions contained herein or endorsed hereon the Insurer will indemnify you in the manner and to the extent hereinafter provided in respect of events occurring during the Period of Insurance.

I. COVERAGE

Electronic Fund Transfer Fraud

We shall reimburse you for your financial loss arising directly from a cyber event, which you first discovered during the policy period.

Provided, with respect to each of the above Insuring Agreements, as a condition precedent to coverage under this policy, you shall give us notice of the claim as set forth in General Conditions 5.1 (Claims Notification).

If you do not pay the premium within the timescale advised to you by the insurance intermediary who sold you this policy, it may render your cover invalid.

Our maximum liability for each and every loss and all loss in the aggregate under this policy shall not exceed the Sum Insure stated in the Schedule.

II. GENERAL DEFINITIONS

The following terms wherever they appear in this policy in bold, shall have the meanings specified below:

II.1 Abnormal Condition means any civil unrest, riot, epidemic, pandemic, earthquake, tsunami, major storm, landslide, avalanche or other similar event;

II.2 Accidental damage means non-deliberate physical or liquid damage to the product from an external and unexpected event that causes it to no longer perform its intended function;

II.3 Cyber event means:

(a) the fraudulent electronic transfer of funds or property from your personal account with a financial institution by:

a third party; or

(ii) the financial institution acting in good faith upon a fraudulent incoming electronic communication purporting to have been sent but which was not sent by you;

(b) you acting in good faith upon any fraudulent incoming electronic communication request and transferring funds or property from your personal account with a financial institution, to the account of a third party;

(c) fraudulent unauthorized use of or electronic transfer of funds stored in your personal digital wallet held with an online merchant; or

(d) the fraudulent unauthorized online purchases by a third party that are charged to your plastic card.

(e) fraudulent charges made by a third party against your lost or stolen plastic card, incurred only within twelve (12) hours prior to your reporting of the loss to the issuers of your plastic card (where applicable) and/or the financial institution where your personal account is held.

II.4 Digital assets means software, programs, your personal electronic data, digital photos, digital music and digital video stored on your computer systems.

II.5 Digital wallet is an e-wallet associated with a user's account with an online merchant and is intended for effecting payment for the purchase of goods and services through the online merchant's website.

II.6

Electronic communication means:

(a) electronic mails; (b) instructions given via the online banking or trading platform of a financial institution; or (c) instructions given via the mobile application software (App) of a financial institution.

Electronic data means information stored or transmitted in a digital format.

Financial loss means:

- (a) loss of funds from your personal account with a financial institution or from your digital wallet with an online merchant; (b) any associated fees, penalties or interest incurred by you which have been levied by the financial institution or onlin merchant;
- (c) plastic card charges that you have incurred, including any penalties or interest which have been levied by the financi institution
- (d) Fraudulent charges made by a third party against your lost or stolen plastic card, incurred only within twelve (12) hours prior to your reporting of the loss to the issuers of your plastic card (where applicable) and/or the financial institution where your personal account is held.

II.9

Financial Loss does not include any taxes, the loss of tax benefits, or fines and penalties imposed by law.

II.10 Incident Responder means XXX and/or other service providers nominated by them. Contact with an Incident Responder does not on its own constitute notice of claim under this policy.

II.11 Insured means the person named in the Schedule as Insured.

II.12 Online merchant means a Third Party retail business registered with a valid business license according to the jurisdiction of the country which it is situated in and which accepts payment for goods and services through a secured online payment gateway.

II.13 Loss means:

Financial loss for the purpose of Insuring Agreement 1.1

Loss does not include any taxes, the loss of tax benefits, or fines and penalties imposed by law.

II.14 Personal information means information or data relating to your personal identity, which publicly documents, authenticates or proves your genuine identity or good standing.

.15 Plastic card means any credit, debit, charge or store card that is registered to your name.

Policy means this insurance document and the Schedule, including any endorsements.

Policyholder refers to the named owner of this policy as shown in the Schedule.

II.18 Policy period means the period set forth in the Schedule.

I.19 Third party means any natural person or entity other than you, acting on their own accord, without your knowledge onsent, assistance or participation.

.20 Time element loss means business interruption, contingent business interruption or any other consequential losses

II.21 Your computer system means:

- (a) any home computer network, router, hardware, digital assets therein and all associated input and output devise, whic is owned by you and used mainly by you for personal purposes, and which is located at your home; or
- (b) mobile phones, laptops, notebook or tablets, which are owned by you and used mainly by you for personal purposes.

2.31 Insured means those persons/card holders to be specifically listed and declared by the Policyholder to be covered unde this policy.

2.32 You / your means the Policyholder or Insured.

2.33 We / us / our / insurer means BPI/MS Insurance Corporation.

III. EXCLUSIONS

This policy does not cover:

III.1 Abnormal Conditions/ State of Emergency / Mass Cyber-Attack Any loss based upon, arising from or as consequence of any abnormal conditions or state of emergency as declared by the local authorities (whether physical or otherwise) or mass cyber-attack except to the extent that you shall prove that such loss

happened independently of such abnormal conditions or state of emergency as declared by the local authorities or mass cyberattack.

III.2 Business Activities

Any loss based upon, arising from or as a consequence of any activities carried out by you for trade, business or professional purposes, including any loss connected to an account with a financial institution that is used for trade, business or professional purposes.

III.3 Confidence Scams

Any loss based upon, arising from or as consequence of a confidence trick involving feigned intentions towards you, such as romantic intentions, investments, contracts, loans and the like, gaining your confidence or affections, and then using that goodwill to commit fraud.

III.4 Currency

Any loss involving unregulated digital currency of any kind, unregulated virtual currency of any kind or unregulated cryptocurrenc of any kind.

III.5

Dishonest Acts

Any loss based upon, arising from or as a consequence of any dishonest, criminal, malicious or fraudulent acts if you willingly participated in or directed such acts.

III.6

Indirect or Consequential Loss

Any indirect or consequential loss of any nature, except as expressly provided for in this policy.

III.7 Infrastructure Failure

Any loss based upon, arising from or as consequence of any outage in or disruption of electrical power or telecommunications services operated by a third party service provider.

III.8 Lost or Stolen Plastic Cards

Any loss based upon, arising from or as consequence of lost or stolen plastic cards (unless specifically covered by this Policy)

III.9 Nuclear Risks

- (a) loss or destruction of or damage to any property whatsoever or any loss or expense whatsoever resulting or arising therefrom or any consequential loss; or
- (b) legal liability of whatsoever nature directly or indirectly caused by or contributed to by or arising from:
 - (i) ionising radiations or contamination by radioactivity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel; or
 - (ii) the radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof.

3.10 Prior Matters

Any loss based upon, arising from or as a consequence of any fact, circumstance, act, threat or event which you were aware of prior to the inception date of this policy.

3.11 Property Damage

Any physical loss or damage to tangible property.

3.12 Terrorism

any loss based upon, arising from or as a consequence of:

(a) any act of terrorism, notwithstanding any provision to the contrary within this policy or any endorsement thereto; or (b) any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

3.13 Voluntary Disclosure

Any loss based upon, arising from or as a consequence of voluntary disclosure by you of any code or other security information to someone who subsequently commits or colludes with you in an identity theft, cyber event, non-delivery, accidental damage or theft.

3.14 War, Invasion and Civil Commotion

Any loss based upon, arising out of or a consequence of:

(a) war, invasion, act of foreign enemy, hostilities or warlike operations (whether war be declared or not), civil war; or (b) civil commotion assuming the proportions of or amounting to a popular uprising, military rising, mutiny, insurrection, rebellion, revolution, military or usurped power, martial law or state of siege or any of the events or causes which determine the proclamation or maintenance of martial law or state or any act of any person acting on behalf of or in connection with any organization with activities directed towards the overthrow by force of the government de jure or de facto or to the influencing of it by terrorism or violence.

3.15 Wear and Tear

Any loss based upon, arising from or as a consequence of any ordinary wear and tear, drop in performance, progressive or gradual deterioration.

3.16 Police Report

Any loss based upon, arising out of or a consequence of non-reporting of the identity theft, cyber event, or theft to the police and/or you do not have a police reference number.

3.17 Corporate Cyber Liability Exclusion

Any losses related to corporate cyber liability or arising from a commercial cyber-attack and any losses where a legal corporate entity of any sort is the subject of a cyber-attack. Legal corporate entities here are in reference to but not limited to NGOs or any registered or unregistered business entity.

3.18 Infectious / Communicable Disease Exclusion

Notwithstanding any provision of this Agreement including any exclusion, extension or other provision included herein which would otherwise override a general exclusion, all losses, damage, resultant time element losses, and costs in connection with or arising directly or indirectly from infectious and/or communicable diseases is excluded.

IV. GENERAL CONDITIONS

Claims Notification

(a) As soon as you become aware during the policy period of any fact or circumstances that is reasonably likely to result in a loss covered under this policy, you must notify us as soon as possible, but, in any event, you liaise with our incident responder within seventy-two (72) hours after it was first discovered.

(b) You shall provide us with all information, assistance and cooperation which we reasonably request and

shall;

take all reasonable steps to mitigate or avoid a loss under this policy;

(ii) provide full co-operation and compliance with the incident responder's process in order to mitigate any loss under this policy.

(iii) Co-operate with the incident responder's attempts and assistance to recover loss relating to a claim under Insuring Agreement from a financial institution or online merchant (as applicable) that may be responsible for all or part of the loss; and

do nothing that may prejudice our potential or actual rights of recovery with respect to a loss.

(c) With respect to Insuring Agreement 1.1, you must report to the police as well as the issuers of your plastic card (where applicable) and/or the financial institution where your personal account is held (where applicable) or the online merchant holding your digital wallet (where applicable) as soon as practicable but no later than twenty-four (24) hours after your discovery of an cyber event.

(d) With respect to lost or stolen plastic cards as part of Insuring Agreement 1.1, you must report the loss or theft of the plastic card to the police as well as the issuers of the plastic card (where applicable) and/or the financial institution where our personal account is held (where applicable) within twelve (12) hours of the loss

5.2 Duty of Care

You must:

a) make sure that your computer system is used and maintained as recommended by the manufacturer or supplier;

(b) take reasonable measures to safeguard your computer system, including the installation of anti-malware software. It is recommended that you update your anti-malware software regularly in accordance with the manufacturer's recommendation and regularly back-up your digital assets;

take reasonable measures when disposing of and destroying your computer system to protect your digital assets; (d) take reasonable measures to safeguard your personal information, plastic cards and details of your accounts with financial institutions;

(e) take reasonable measures to authenticate and verify the identity of the sender of an electronic communication to you, requesting the transfer of funds including the sender's entitlement to request and receive such funds, prior to such funds being transferred from your personal account with a financial institution to an account of a third party.

(f) take all necessary reasonable action against the seller to send replacement product or refund the purchase amount to you; and

(g) have informed the seller in writing of the non-delivery of the product and demanded replacement product or a full refund; and the product have not been delivered. In the event that a claim for non-delivery is paid to you, and the original product eventually arrived, you should pay back any indemnity received to us.

5.3 Renewal Clause

Unless the Insurer at least for forty-five (45) days in advance of the end of policy period mails or delivers to the Insured at the address shown in the policy notice of its intention not to renew, or to condition its renewal upon reduction of the limits or elimination of coverages, you shall be entitled to renew the policy upon payment of the premium due on the effective date of renewal.

5.4

Cancellation

(a) By you, no refund for any cancellation of this policy.

- (b) By us, we may cancel the policy at any time by giving the policyholder at least seven (7) days prior notice in writing to the policyholder address on file, and in accordance with the law, including where the policyholder has:
- i. made a misrepresentation to us before the policy was entered into;
 - ii. failed to comply with policyholder's duty of disclosure;
 - iii. failed to comply with a provision of policyholder's policy including failure to pay the premium;
 - iv. made a fraudulent claim under the policy or any other policy during the time the policy has been in effect; v. failed to notify us of a specific act or omission as required under the policy; or
 - vi. failed to tell us about any changes in the circumstances of the risk during the policy period.

In the event of cancellation under b. i, ii, iv to vi, we will return promptly any premium actually paid by the policyholder

5.5 Fraud

If you make any claim knowing the same to be false or fraudulent, as regards amount or otherwise, this policy shall become void from the beginning and all claims hereunder shall be forfeited.

5.6 Geographical Coverage Worldwide

5.7 Interpretation

The construction, interpretation and meaning of the terms, conditions, exclusions and limitations of this policy shall be determined in accordance with the laws of Philippines and in accordance with the English text as it appears in this policy.

Notice of Trust or Assignment

We shall not accept or be affected by notice of any trust or assignment or the like which relates to this policy.

5.9

Other Insurance

This policy shall apply in excess of any other valid and collectible insurance policy available to you, including any retention or deductible portion thereof, unless such other insurance is written only as specific excess insurance over the Sum Insured under this policy.

5.10 Sanctions

We shall not be deemed to provide cover nor shall we be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of European Union, United States of America, United Kingdom and/or any other applicable national economic or trade sanction law or regulations.

5.11 Subrogation

In the event of any payment under this policy, the Insurer shall be subrogated to all your rights of recovery therefor against any person or organization and you shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. You shall do nothing after loss to prejudice such rights.

5.12 Arbitration

If any difference or dispute may arise with respect to the amount of the Insurer's liability under this Policy the same shall be referred to the decision of a single arbitrator to be agreed upon by both parties or failing such agreement of a single arbitrator to the decision of two arbitrators one to be appointed in writing by each of the parties within one (1) calendar month after having been required in writing so to do by either of the parties and in case of disagreement between the arbitrators to the decision of a third arbitrator who shall have been appointed in writing by the arbitrators before entering on the reference and the costs of and incidental to the reference shall be dealt with in the award. And it is hereby expressly stipulated and declared that it shall be a condition precedent to any right of action or suit upon this Policy that the award by such arbitrator or arbitrators of the amount of the Insurer's liability hereunder if disputed shall be first obtained.

If a claim be made and rejected and an action or suit be not commenced within twelve (12) months after such rejection or (in case of an arbitration taking place as provided herein) within twelve (12) months after the arbitrator or arbitrators shall have made their award then the claim shall for all purposes be deemed to have been abandoned and shall not thereafter be recoverable hereunder.

5.13 Governing Law

This policy will be governed by and interpreted in accordance with the laws of the Philippines.

5.14 Mediation

In the event of any controversy or claim arising out of or relating to this contract, or breach thereof, the parties hereto agree first to try and settle the dispute by mediation, administered by the Insurance Commission or any recognized mediation institution under its Mediation Rules, before resorting to arbitration, litigation or some other dispute resolution procedure.

5.15 Settlement of Claim Clause

The amount of any loss or damage for which the Insurer may be liable, under this policy shall be paid within thirty (30) days after proof of loss is received by the Insurer and ascertainment of the loss or damage is made either by agreement between you and the Insurer or by arbitration; but if such ascertainment is not had or made within sixty (60) days after such receipt by the Insurer of the proof of loss, then the loss or damage shall be paid within ninety (90) days after such receipt. Refusal or failure to pay the loss or damage within the time prescribed herein will entitle the assured to collect interest on the proceeds of the policy for the duration of the delay at the rate of twice the ceiling prescribed by the Monetary Board, unless such failure or refusal to pay is based on the grounds that the claim is fraudulent.

5.16 Civil Code Article 1250 Waiver Clause

It is hereby further declared and agreed that the provision of Article 1250 of the Civil Code of the Philippines (Republic Act No. 386) which reads: "...In case an extraordinary inflation or deflation of the currency stipulated should supervene, the value of the currency at the time of the establishment of the obligation shall be the basis of payment..." shall not apply in determining the extent of liability under the provisions of this Policy.

5.17 Data Privacy Clause

You allow the representatives, officers, assignees, subsidiaries or affiliates of the Insurer to process your personal information which may be confidential or sensitive in nature to proceed with the conduct of business. All documents and records furnished by you shall be afforded with protection as dictated by the industry standards. You hold the Insurer, its

representatives, officers, assignees, subsidiaries or affiliates free and harmless from any liability for disclosures done within reasonable conduct of business or upon lawful order of the court or regulatory agencies.

Short Period Rate Scale

The following scale of rates shall apply to Policies issued or renewed for less than one year and shall also be used in calculating return premiums on Policies cancelled and not replaced:

IN WITNESS WHEREOF, the Insurer has caused this Policy to be signed by its duly authorized officer/representative.

Documentary Stamps to the value stated in the Schedule have been affixed and properly cancelled on the office copy of this Policy.

II. Privacy Notice

CARD PROTECT PRIVACY NOTICE

GCash, values and respects the privacy as well as the security and protection of its stakeholders' personal data including the personal data of its partners, suppliers, merchants and employees.

Fully verified GCash users can now enjoy the GCash Card—a prepaid debit card linked to your GCash account that stores and secures your funds with added convenience and security features. You can use your linked GCash Cards to pay for online purchases from merchants who accept GCash cards and withdraw funds from any BancNet or GCash card-affiliated Automated Teller Machines (“ATM”). As a testament to its commitment to offer you financial security and protection, GCash has included a 30-day Personal Cyber Insurance coverage with your GCash Card free of charge. In this regard, GCash may process your personal data.

As part of this commitment and in accordance with Republic Act 10173 or the Data Privacy Act of 2012 (“DPA”) to ensure the implementation of the reasonable and appropriate security measures it has previously set in place, GCash would like to notify you that by activating your GCash Card in accordance with the Card Protect Terms, you acknowledge, understand and authorize GCash to:

1. Share your Full Name (First Name, Middle Name, Last Name), Email Address, GCash mobile number and Virtual Account Number (collectively known as “GCash Card Information”) to BPI MS Insurance Corporation (“BPI MS”) to process your free 30- day Personal Cyber Insurance, and/or reach out to you for sales and marketing offers. Please note that with respect to your insurance policy, you may exercise your right to be informed of the processing of your personal data, to access or correct your personal data, to object to the processing, to request the erasure or

blocking of your personal data through the Data Protection Officer of BPI MS. Your Cyber Insurance Policy is available here, while the Privacy Policy of BPI MS is available here.

2. Process your GCash Card Information for purposes stated in the Card Protect Terms. “Processing” refers to any operation or any set of operations performed upon personal data including, but not limited to, the collection, recording, organization, storage, updating or modification, retrieval, consultation, use, consolidation, blocking, erasure or destruction of data;
3. Share the GCash Card Information to its employees, representatives and/or partner organizations for the specified purpose provided above; and
4. Keep a copy of your personal data for a period of five (5) years after expiration of the policy, unless otherwise required by law and relevant rules and regulations.

GCash respects the rights of data subjects under the DPA. As a data subject, you may exercise your right to be informed of the processing of your personal data, to access or correct your personal data, to object to the processing, to request the erasure or blocking of your personal data obtained in the course of this engagement.

You may communicate any request for the exercise of your data privacy rights or concerns regarding your personal data to its Data Protection Officer at gxi.dataprivacy@mynt.xyz.

For more information on how GCash manages your privacy, please refer to GCash’s Privacy Notice.

III. Disclaimer

The GCash User/Insured acknowledges and agrees that GCash is not a product/service owner, agent or representative of BPI MS Insurance Corporation. GCash only makes its BPI MS Insurance Corporation’s products and services accessible to GCash Users through the GCash app and/or GCash card. As such, GCash is not responsible for the acts and/or omissions of the BPI MS Insurance Corporation and shall not be liable for any damages arising or may arise from the transaction of the GCash User/Insured and the BPI MS Insurance Corporation.

Coverage {#coverage}

March 12, 2024

Dear Valued GCash Merchant,

Starting 15 April 2024, the BIR requires digital financial services providers $\left(\text{D F S P S}^{\prime\prime}\right)$ such as GCash to withhold taxes on “gross remittances” of Merchants received through the GCash platform. This is pursuant to recently issued Revenue Regulations No. 16-2023 and Revenue Memorandum Circular No. 8-2024 (“RR” and “RMC”).

Coverage

“Gross remittances” as defined in the RR refers to the total amount received by emarketplace operators and DFSPs (i.e., GCash) for the goods and/or services sold by or paid to the Merchant through the platform/facility of the e-marketplace operator or DFSP.

- The withholding tax (“EWT”) rate is 1% multiplied to one-half of the gross remittances. This EWT on gross remittances is in addition to existing taxes that GCash is required to withhold from Merchants, pursuant to Tax Code and other applicable tax rules.

We present sample computations in Annex A of this Memo.

In general, the gross remittances of all Merchants selling goods and/or services through the online platform/facility are subject to the tax. Merchants who are exempt from the EWT prescribed in the new RR and RMC are as follows:

[A] Merchants with annual gross remittances that will not exceed 500k AND submitted a BIR-stamped Sworn Declaration of Gross Remittances stating such fact. (Note: For these merchants, once the $500k$ threshold is breached, any gross remittance in excess of such threshold will be subjected to the EWT on gross remittances.) OR

[B] Merchants with Income Tax exemptions or are subject to a lower Income Tax rate OR

[C] Foreign merchants

W GLOBAL CENTER

30th Street corner 9th Avenue, BGC, The Fort, Taguig City www.GCash.com
Hello@GCash.com GCashOfficial [\\$aircircled{8}\\$ 2882](#)

Full text of the RR and RMC are provided here: RR No. 16-2023 | RMC No. 8-2024

What to expect from GCash

- GCash will withhold taxes of \$1% multiplied to one-half of the total “gross remittances” of all Merchants who do not meet any criteria for exemption. For covered Merchants, settlements from GCash will be net of the EWT withheld by GCash and remitted to the BIR. The EWT will not affect the customers.
- GCash will provide to the Merchant BIR Form No. 2307s as proof of withholding and remittance of the prescribed EWT. GCash will provide these Forms pursuant to existing rules of the BIR. The Merchant may use the BIR Form No. 2307 as tax credit to reduce the Merchant’s Income Tax liability, subject to the rules of the Tax Code.

What is needed from the Merchant

To facilitate proper computation and withholding of the tax, the BIR emphasized that Merchants are not allowed to receive payments through their individual/personal accounts. All payments/remittances/transfers covered by the RR shall be under the BIR registered trade name of the Merchant.

In addition, Merchants are required to submit the following documents and information to GCash, where applicable, on or before 25 March 2024. We explain the process through which Merchants can submit these to GCash in Annex B of this Memo.

W GLOBAL CENTER

30th Street corner 9th Avenue, BGC, The Fort, Taguig City www.GCash.com
[Hello@GCash.com](mailto>Hello@GCash.com) GCashOfficial \$\\aircircled{8} 2882

Should you have any further concerns or questions regarding this, kindly reach out to your designated Account Manager.

ANNEX A – Sample computation of the tax

As mentioned above, “gross remittances” refers to the total amount received by GCash for the goods and/or services paid to the Merchant through GCash platform. The BIR excludes the following from the computation of such gross remittances: Value-Added Tax (“VAT”), platform fees, sales returns and discounts, and separately billed delivery/shipping fees.

Sample 1

VAT-registered Merchant submitted to GCash the Sworn Declaration showing that its gross sales will not exceed the 500k threshold. Actual gross sales of the Merchant through GCash is at Php 900,000.

Note: GCash computed and withheld EWT even with the Sworn Declaration because the gross sales of the Merchant exceeded the 500k threshold. Merchant is expected to submit to GCash the revised BIR-stamped received Sworn Declaration showing that it will exceed the threshold for the year.

Sample 2

VAT-exempt Merchant did not submit the Sworn Declaration to GCash.

Actual gross sales of the Merchant through GCash is at Php 400,000.

W GLOBAL CENTER

30th Street corner 9th Avenue, BGC, The Fort, Taguig City www.GCash.com
[Hello@GCash.com](mailto>Hello@GCash.com) GCashOfficial \$\\aircircled{8} 2882

Note: GCash computed and withheld EWT although the Merchant did not meet the 500k threshold, because the Merchant did not submit a Sworn Declaration.

ANNEX B – Guidelines on submission of required documents

To further orient you on the new regulations, the following are guidelines for compliance:

1. How will I submit the required documents to GCash?

Covered merchants may submit the documents through this Google Form. We ensure that the documents submitted will be kept confidential and in a secure repository.

2. Am I able to re-submit documents in case of incorrect submission?

Yes, you will be able to submit another Google Form entry. Additionally, any documents deemed invalid by the GCash service management team will be brought to attention and will garner a request of resubmission from the merchant.

3. How do I know which documents I have to submit?

In reference to the first Trade Letter, if you are a merchant that is exempt from Income Tax or are subject to a lower tax rate, you are required to submit a valid and subsisting Certification of Exemption. Otherwise, you are required to submit a Sworn Declaration of Gross Remittances duly received by the BIR.

4. When is the deadline of document submissions to GCash? March 25, 2024.
5. How do I register my business with the BIR? The merchant may register via the New Business Registration (NewBizReg) Portal of the BIR.
6. I have already registered my business with the BIR and previously submitted to GCash a Certificate of Registration. Do I have to resubmit this? Yes.

Please see below additional BIR-provided resources to further help Merchants with the registration process via NewBizReg:

1. Instructional video
2. Step-by-step procedures

GCash Jr. is an e-wallet designed for youth ages 7 to 17 years old. Below are the services available for GCash Jr. accounts:

| FEATURES AVAILABLE | --- | Basic GCash Jr. | Fully Verified GCash Jr. | Not Applicable for GCash Jr. | --- | --- | --- | - Buy Load

- Pay QR
- Online Payments
- Pay Bills | Services under Basic GCash Jr., plus the following:
- Send Money
- Bank Transfer
- Online Bank Cash-in
- International Remittance
- Order and Link GCash Card | - GSave
- GInvest
- GInsure |

The corresponding [GCash wallet and transaction limits](#) apply to a GCash Jr. account.

Requirements for verification of Minors/GCash Jr.

To fully verify your GCash Jr. account, your parent must give consent in the form of requirements and must agree to GCash's Terms and Conditions.

You must have the following requirements:

- A valid ID (passport, student ID, or national ID)
- A parent that is Fully Verified on GCash with the following details:
 - Your Parent's full name
 - A Fully Verified GCash number
 - A picture of your parent holding your ID used in verification
- An original copy of your birth certificate

Note: GCash Jr. users who turn 18 years old will be prompted upon login to **accept the new Terms and Conditions of GCash**. Users will not be able to make transactions until they accept the new T&C; their wallet will not be moved or touched.

The features of the GCash Jr. card are the same as the standard GCash card. The GCash Jr. card is managed within the GCash Jr. account.

Verify your GCash Jr. account

Maglagay ng pondo sa inyong GCash Pera Outlet wallet. Ito ay pwedeng manggaling sa inyong GCash wallet o kung hindi sapat ang pera sa inyong GCash wallet, pwedeng gamitin ang GGives.

Sundan ang sumusunod para mag-dagdag ng pondo sa GPO wallet.

Ang pagpasok ng pondo sa GCash Pera Outlet ay **real-time upon completion of transaction.**

Need more help?

Kung hindi pumasok o nag-reflect ang pondo sa iyong GPO wallet **sa loob ng 1 oras**, sundin ang sumusunod na steps:

- I-check ang inyong GCash wallet kung nabawasan. Kung GGives naman ang ginamit sa pagdagdag ng pondo, i-tap ang Borrow > GGives para makita kung may existing GGives loan
- Siguraduhin na malakas ang internet connection nung nag dagdag pondo
- Maghintay ng 2 araw para mag-reflect ang transaksyon
- Kapag nabawasan ang GCash wallet at GGives, pero wala pa ring pumapasok na pondo sa GCash Pera Outlet pagkatapos ng 2 araw, [click here para mag-file ng report](#) at ma-validate ng GCash support ang iyong transaction

Protecting your device is important in keeping your personal and financial data safe from malicious threats that may misuse your information or funds.

GCash is implementing security measures to secure your account, and one of these is ensuring that **the GCash app cannot be accessed through a modified/ jailbroken or rooted device.**

However, this security feature **does not block your account**. You can safely log in on an unmodified device to continue using our services.

To protect you and your account, there are some steps you may need to take to make sure you can log in to GCash safely.

Our system detected that your device is jailbroken or rooted (Ref:01)

Jailbroken or rooted devices have their default security settings changed, and using such may put your personal information, including your social media and financial services access details, at risk.

We highly recommend using a **device that is not jailbroken nor rooted to continue using the GCash app**. We listed down some ways to find out if your device is jailbroken.

Android/iOS

To check if your Android device is rooted, please follow the steps below:

1. On your home screen, tap **Settings**
2. Select **About Phone**
3. Tap **Status Information**
4. If the Status Information indicates **OFFICIAL**, this means your device is **not rooted**

On your home screen, search if you have a third-party application for jailbreaking that is installed on your device.

If the above steps are not applicable to you, it is best to **reach out to the accredited service provider** of your mobile device to have your device checked.

Our system detected that your device has modified phone settings (Ref:02/ Ref:03)

Having modified system settings such as allowing installations from “Unknown Sources” and “Developer Options” may cause vulnerabilities to your security and should be turned off.

Disable installs from Unknown Sources

Allowing downloads and installations from “Unknown Sources” may allow hacking or other threats to your personal information.

Disable installations from Unknown Sources in your phone settings by following the steps below:

1. Go to your phone Settings and search for “**Unknown Sources/Apps**” or “**Untrusted Sources**”. The location may vary depending on the device brand and model.
2. For all apps, toggle the button to disable this setting
3. Once disabled, force restart and try to open the GCash app again.

Disable Developer Options

Developer Options enables you to adjust and configure your operating system for testing and applications. This setting is only applicable for Android devices.

Follow these steps to turn off Developer Options:

1. Go to your phone Settings and look for Developer Options

2. Toggle the button to turn off and disable Developer Options
3. Once disabled, force restart and try to open the GCash app again.

If the above steps are not applicable to you, it is best to reach out to the accredited service provider of your mobile device to have your device checked.

Our system detected that your device is not secure (Ref:04/ Ref:05/ Ref:06)

Your device may be at risk due to a new security threat/issue. This was detected by a certified security feature that prevents unauthorized access to GCash accounts through modified or compromised devices.

You may have encountered this prompt due to, including but not limited to:

- The system detected that your device could be jailbroken or rooted
- The system detected that your settings allow installation via untrusted sources or developer options
- There could have been applications installed that made your device not secure.

You may refer to the previous steps to try resolving this issue or reach out to the accredited service provider of your mobile device to have your device checked.

To protect your account, you cannot access GCash on the device that experienced this error. To use GCash, **open the GCash app through a secure and unmodified mobile or tablet device.**

Using GCash gives you many ways to send and receive money to and from your GCash Wallet. To maximize your GCash experience, get to know the differences between Send Money, Bank Transfer, Cash In, Top Up, and Cash Out.

Send Money via Express Send

Send Money lets you quickly **transfer money from your GCash wallet to another GCash user's wallet**.

Bank Transfer

Bank Transfer allows you to **transfer money from your GCash wallet to a bank account.**

Cash In

Cash In means **adding money to top up your GCash wallet from sources like a linked bank account, from a Bank App (via Instapay or PesoNet), an e-wallet, over-the-counter partners, or remittance centers.**

Cash Out

Cash Out lets you **withdraw money from your GCash wallet using your GCash Card through:**

- GCash Card via ATM
- Over-the-Counter Partners
- Remittance Centers
- GCash Pera Outlets

- [How do I send money to another GCash account?](#)

The Career Path Navigator, found in the GCash app under "Enrich Yourself", is a tool that helps you improve your skills and grow your career. In partnership with TESDA, it offers access to various courses that come with **government certification upon completion**.

To get started, open the GCash app > **View All > Earn Money > Enrich Yourself**

Eligibility

You are eligible to use the Career Path Navigator if:

- You are a GCash user
- You have internet access to open the TESDA course website

How to use Career Path Navigator

Here's how you can use the Career Path Navigator through the GCash app:

1. Open the **GCash app**.
2. Navigate to the **Career Path Navigator** section.
3. Browse and select a course you want to enroll in.
4. You will be redirected to an external browser to access the course on the TESDA website.
5. Sign up or log in to your TESDA account to start learning.

How can I enroll in a course?

To enroll in a TESDA course, follow these steps:

1. **Select a Course:** Choose a course from the Career Path Navigator in the GCash app.
2. **Redirect:** You'll be redirected to the TESDA website.
3. **Sign Up or Log In:** Create a TESDA account or log in to your existing account.
4. **Start Learning:** Begin your course on the TESDA platform

If you can't enroll in a TESDA course via the Career Path Navigator, follow these steps to resolve common enrollment problems:

1. **Check Internet Connection:** Ensure you have a stable internet connection.
2. **Browser Compatibility:** Use a compatible browser such as Chrome or Firefox for the best experience on TESDA's website.
3. **Verify Login Credentials:** Make sure you are using the correct login credentials for your TESDA account.
4. **Enrollment Difficulties:** Double-check the steps you're taking to enroll and ensure you're following the correct steps.
5. **Login Problems:** If you cannot log in, try resetting your password through the TESDA website.

Need more Help?

For course content-specific queries, you can reach TESDA support through email via tesdaonlineprogram@tesda.gov.ph.

Express Send Scam Insurance is a personal cyber insurance product that secures your GCash Express Send Money transfers to another GCash Account for up to Php 15,000.00 in total for scams if you're tricked into transferring money to an imposter or buying from a fake seller.

Important Note:

NO COVERAGE FOR TRANSFERS TO THE WRONG ACCOUNT OR FOR ANY SCAMS WHERE YOU ARE PROMISED A JOB, OR SIGNIFICANT AMOUNT OF MONEY IN RETURN FOR AN UP-FRONT PAYMENT (INCLUDING INVESTMENTS, LOANS OR TASK SCAMS) BUT RECEIVE NOTHING.

Express Send Scam Insurance Group Policy is underwritten by our insurance partner, Insurance Company of North America (a Chubb Company), hereafter “Chubb”.

Jump to:

- [Coverage](#)
- [Exclusion from Coverage](#)
- [Eligibility](#)
- [Enroll Payment in Express Send Scam Insurance](#)
- [Claims](#)
- [Contact Chubb](#)

Coverage of Express Send Scam Insurance

Express Send Scam Insurance provides coverage for your GCash transactions for PHP30 for up to PHP15,000.

Note: Express Send Scam Insurance is **not an added fee or refund feature** in Express Send transfers in GCash. Any refund for a transaction with a merchant or seller depends on the decision between the customer and merchant/seller only.

Once your claim is approved, our insurance partner, Chubb, will reimburse the **amount that you were tricked into transferring via GCash Express Send (up to the benefit amount)**. Any review and approval of claims by Chubb is subject to submission of relevant supporting information and documents.

Cover is provided in the event that you are a victim of the following types of fraud:

Social Engineering

This is where you have opened messages from false entities and/or individuals and were tricked into transferring funds to them via the GCash Express Send money transfer feature.

Examples of Social Engineering incidents include, but are not limited to, phishing, malware phishing, spear phishing, smishing, vishing, and pharming.

Some Examples:

- You were convinced to Send Money to a legitimate contact from the user's GCash account without knowledge that the account had been hacked.
- You were tricked into making a Send Money transfer from your GCash account to a scammer who was impersonating a reputable charitable organization.
- You were tricked into authorizing a transfer of funds to a scammer who was impersonating a GCash representative. The scammer requested an OTP 'verification' and then used the information you provided to make a fraudulent Send Money transfer from your GCash account.

Account Take Over

This refers to an attack where a third-party gains unauthorized access to your GCash Account and makes unauthorized transactions. Account Take Over Fraud usually occurs via phishing, spyware, malware scams or other similar scams.

Some Examples:

- You disclosed personal information such as your password/s to someone pretending to be a known contact or entity, who then accessed your GCash account and made unauthorized Send Money transaction(s).
- You received an email containing a fraudulent link. After clicking on the link, malware was installed on your device, allowing unauthorized access to your GCash account.
- You downloaded a rogue app with malware that scans and reads log-in details, which allowed unauthorized access to your GCash account.

Online Shopping Fraud

This refers to where you paid for an item you purchased online using Express Send money transfer, however, the website, platform or individual you purchased from turned out to be fraudulent or fake.

Some Examples:

- You performed an Express Send money transfer to buy an item from an online marketplace but did not receive the item or scheduled service. The seller was then uncontactable. You purchased an item online, no receipt or proof of purchase was provided after you made your Send Money payment. The webpage or merchant then disappeared.
- You performed a Send Money transaction to book a scheduled cleaning service from an online advertisement, however no service was provided and all contact details on the advertisement were fake.

Exclusions from Coverage

What's not covered:

- Any GCash Express Send money transfer made by you where you accidentally sent money to the wrong account.
- Any GCash Express Send money transfer made to a potential employer or recruiter in respect of a job opportunity.
- Any claim relating to crypto-currency, jewellery, watches, precious metals/gemstones, antiques or collectible items.
- Any claim relating to loss of employment, accident, sickness or injury.
- Any GCash Express Send money transfer from a Business Account, or any business-related transaction.
- Any loss arising from, or in connection with, your employment such as any corporate-related transactions.
- Any incident prior to the start date or after the end date of your insurance cover.

Additional exclusions under the following benefits:

||| --- | --- || **Benefit | Exclusions** || Social Engineering | - Any advance fee fraud where you are promised goods, services, employment and/or financial gains, in return for an upfront payment including payment by GCash Express Send money transfer.

- Any loss resulting from gambling, lottery, contest, promotional game, or other games of chance.
- Losses which are recoverable from GCash;
- An enterprise-wide cyber-attack on GCash; || Account Takeover | - Unauthorized transactions made on your GCash account resulting from loss or theft of your Electronic Device(s) connected to your GCash Account.
- Unauthorized transactions made on your GCash Account more than two (2) weeks prior to your first reporting of the incident to the relevant authorities.
- Charges incurred by a relative or a member of your family, or by a person you authorized to use your GCash Account.
- Any GCash Express Send transaction(s) made or authorized by you using a One-Time Password || Online Shopping Fraud | - Where a genuine online merchant becomes insolvent
- Where a genuine online merchant fails to deliver the eligible items/service |

For the full list of policy exclusions, please refer to the [Express Send Scam Insurance Group Policy](#).

Eligibility to Enroll in Express Send Scam Insurance

You can be covered under Express Send Scam Insurance if you are:

- 18 years old and above
- A Filipino citizen or foreigner who is a legal resident of the Philippines.
- A Fully Verified GCash user

The coverage period of Express Send Scam Insurance insurance is **effective for 30 calendar days**, which is valid for all Express Send transfers within the coverage period. The insurance coverage will **start on the day you enroll and make your premium payment of PHP30** via GCash. When your policy expires after 30 calendar days, you can buy the insurance again.

Note: You cannot enroll to Express Send Scam Insurance on behalf of someone else. The Insured will be the GCash account owner who has successfully performed a Send Money transaction, enrolled to Express Send Scam Insurance, and paid the premium via their GCash account.

Payment for Express Send Scam Insurance

The premium for Express Send Scam Insurance is a one-time payment of PHP 30. For PHP 30, you are covered for 30 calendar days. This will begin on the day of your enrolment to Express Send Scam Insurance with successful payment of premium.

PAALALA: One-time payment lang ang PHP 30. Hindi mo kailangan magbayad ng PHP 30 sa bawat Express Send transaction na gagawin mo. Once enrolled ka na sa Express Send Scam Insurance, 30 days na ang coverage mo. Pagkatapos mag-expire ng coverage, maaaring mag-enroll ulit for another 30 days for another PHP 30.

Note: The amount of the premium payment will be automatically deducted from your GCash Wallet upon enrolment. Please make sure you have sufficient balance in your GCash Wallet to enroll to Express Send Scam Insurance.

You can enroll to the insurance while making an Express Send money transfer in the GCash app following the steps below:

1. On your GCash App, tap **Send > Express Send**
2. Input the GCash number you are sending money to and tap on the offer button to opt-in.
3. Review the details of your Express Send Transaction
4. Tap **Send**

You will be led to a transaction receipt that shows you availed of the Express Send Scam Insurance.

You will receive a **Confirmation of Cover** from our insurance partner, Chubb, within **24-48 hours** after successful enrolment to Express Send Scam Insurance as part of your GCash Express Send transaction.

You can also visit the MyGInsure page in the GCash app to check your policies.

- Select GInsure > select My GInsure and under > Active Policies select your Express Send Scam Insurance policy. Take note of your policy number.
- Visit Chubb MyAccount and log in using your policy number and the OTP received via SMS or email. Click "Download" under Policy Details to download a copy of your Confirmation of Cover.

Claims

Requirements para mag-file ng claim for Express Send Scam Insurance

- You must file a police report within 24 hours of the discovery of the fraud
- You must notify GCash within 24 hours of the discovery of fraud to stop further fraudulent activities or suspend your account in the event of an account takeover fraud. [Click here to file a report](#)
- You must make reasonable attempts to recover the funds
- You must retain documentary evidence of the fraud
- Once you have fulfilled the above requirements, you may proceed to file a claim by visiting the “My GInsure” tab in your GCash app, select your Express Send Scam Insurance policy which will lead you to “My Policies”. Select “Submit a claim” under the “Quick Actions” tab, and follow the instruction prompts to completion.

Documents needed to file a claim for Express Send Scam Insurance

- Copy of the original police report(s) or police reference number
- Statement detailing the discovery of the fraud or unauthorized transaction(s) from your GCash Account.
- Documentary proof that the Express Send Money transaction was made:
 - Screenshot of the GCash transaction receipt with reference no.
 - GCash transaction activity history in-app
- Copy of any chat communication, SMS, call logs, email, fraudulent website, or other method of digital communication that led to the Express Send money transaction(s) or request for fund(s)
- Copy of any chat communication, SMS, call logs, email, fraudulent website, or other method of digital communication showing reasonable attempts to recover the funds back from the third party.
- Any additional supporting documents proving that you are a victim of fraud.

How to file a claim for Express Send Scam Insurance

1. Prepare your Express Send Scam Insurance Policy ID. This is sent to your GCash-registered email within 24-48 hours after a successful enrollment
2. Visit the “My GInsure” tab in your GCash app, select your Express Send Scam Insurance policy which will lead you to “My Policies”. Select “Submit a claim” under the “Quick Actions” tab, and follow the instruction prompts to completion. You will be asked by the Chubb Claims Assessor to submit supporting documents and undertake the steps under each benefit.
3. Upon submission of the complete documents, you should receive an **email within the next 48 hours** with your claim number, claim information, and a PDF attachment/s of all information you have submitted. If you do not receive an email within 48 hours, please contact Chubb.
4. Please allow **5-7 working days** for the end-to-end claims process from filing of claim to release of claims decision.
5. If your claim is in order and approved, a settlement letter will be sent to you.
6. You will receive the settlement via bank transfer using your provided bank details.

Cancellation of Policy

Pwede ko bang i-cancel ang aking policy?

Oo, maaaring i-cancel ang iyong policy. Gayunpaman, pinapayuhan naming panatilihin ang insurance coverage. Lalo't dumadalas ang mga cyber attacks, mas maigi na magkaroon ng peace of mind para sa iyong GCash account.

Can I cancel my policy?

You may cancel your policy; however, we strongly suggest you keep the insurance cover. Cyber attacks are becoming more frequent and it's good to have peace of mind for your GCash account.

If you cancel your policy **within 7 days after enrolling to Express Send Scam Insurance**, we will refund the PHP 30 premium paid to your GCash account unless you have already made a claim under the policy.

To cancel your policy, visit this [link](#) to submit a Help Center ticket.

Contact Chubb

If you have questions about your policy, filing of claims, or status of claims filed:

- You may call the Chubb hotline +63277565410, Monday to Friday, 9:00am – 5:00pm, excluding public holidays.

You may also email gcashcustomerinquiries@chubb.com

Express Send Scam Insurance Group Policy

CHUBB

Group Policy Number :

Express Send Scam Insurance Group Policy

Contents

PLEASE READ THIS POLICY .

SECTION 1 – INSURING AGREEMENT.. 3 SECTION 2 – ELIGIBILITY .

SECTION 3 - DEFINITIONS.

SECTION 4-BENEFITS 6 SECTION 5 – GENERAL EXCLUSIONS. 8 SECTION 6 – CLAIMS

SECTION 7 – GENERAL CONDITIONS.. 10 Privacy Statement. 14 Contact Us . 15 About Chubb in the Philippines.. 15

Please review this Group Policy and return immediately to Insurance Company of North America (a Chubb Company), hereinafter called the “Company”, if any errors are found.

SECTION 1 – INSURING AGREEMENT

In consideration of the statements in the policy application, which shall be the basis of this contract and whose original copy or proof is filed with the Company, and made a part of this Group Policy, upon the payment of premium and subject to all the exclusions, provisions and other terms of this Group Policy, the Company hereby insures the persons named, hereinafter called the “Insured”, against loss indicated as covered in the Policy Schedule occurring during the term of this Group Policy.

IN WITNESS WHEREOF, the Company has caused this Group Policy to be executed and commenced on the Effective Date stated in the Policy Schedule, provided that no insurance shall be in force unless the Policy Schedule is signed by an authorized representative of the Company.

Insurance Company of North America A Chubb Company

Authorized Signatory

(The Insurance Commission of the Philippines, with offices in Manila, Cebu, and Davao, is the government office in charge of the faithful execution and enforcement of all laws relating to insurance and has supervision over insurance companies. It is ready at all times to render assistance in settling any controversy between an Insurance Company and an Insured relating to insurance matter.)

To be eligible for cover, the Insured must be a Filipino citizen or a Philippine permanent resident and at least eighteen (18) years old on the start date specified in the Confirmation of Cover.

SECTION 3 – DEFINITIONS

The following terms when used with capital letters in this Group Policy shall have the meaning set forth below:

1. Business Account means a GCash Wallet that is used for business purposes rather than personal finances. The business account may be in the Insured's name or the name of the business.
2. Claim means a request by the Insured for any of the entitlements and benefits under Section 4 of this Group Policy.
3. Company means Insurance Company of North America (a Chubb Company).
4. Confirmation of Cover means the document in PDF copy issued by the Company to the Insured which describes in general the insurance protection to which the Insured is entitled to under the Group Policy. The Confirmation of Cover will be sent to the Insured's registered email address using the platform of the Company or the Policyholder. Any Confirmation of Cover in effect when the Group Policy is cancelled, non-renewed or otherwise terminated shall continue to be in effect for the period of coverage specified in the Confirmation of Cover.
5. Day or Days means calendar days.

6. Digital Contents means data that is produced and supplied in a digital form. Examples of this include but are not limited to software, games, apps, ringtones, e-books, online journals, and digital media such as music, film and television. Digital contents may be supplied to the Insured in a tangible form (for example disk or pen drives), or intangible form such as downloaded, streamed or accessed on the web.
7. Effective Date means the date on which this Group Policy commences as stated in the Policy Schedule.
8. Expiry Date means the date on which insurance under this Group Policy expires or ends as stated in the Policy Schedule.
9. Electronic Device(s) means any personal network connected devices including, but not limited to, desktop computer, laptop, smartphone, tablets, and router(s) which are not associated or connected to the Insured's business.
10. Eligible Item(s)/Service(s) means an any items, services, or Digital Contents which are:
 - (a) Not counterfeit or fake goods; (b) Not stocks, shares, bonds, currencies or digital assets, such as unregulated digital currency, unregulated virtual currency of any kind, non-fungible tokens (NFTs), or virtual real estate;
 - (c) Not confiscated or illegally declared by any government, customs, or public body; (d) Not jewellery, watches, precious metals/gemstones, art, antiques, or collectable items; and (e) Not cash or its equivalents, traveller's cheques.
11. Excess means the amount payable by the Insured towards each successful Claim, where applicable.
12. GCash Account means the e-money wallet account issued by the Policyholder that stores electronic money online accessible through Electronic Device(s).
13. Group Policy means this policy wording, the policy application, the Policy Schedule and the Confirmation of Cover describing the insurance contract between the Policyholder and the Company. It shall also include, after this Group Policy has taken effect, any amendment, rider, clause, warranty, endorsement or any other document attached to this Group Policy, and which has been endorsed by an executive officer of the Company and countersigned by the Policyholder.
14. Insured means the GCash Account user who has enrolled in the Express Send Scam Insurance program through the Policyholder's payment platform.
15. Mass Cyber-attack means an act intended to affect multiple persons due to any kind of single system-wide failure, malware, theft, misuse, mishandling and/or data hack of any data and/or databases and/or other forms of storage under the control of private and public sector organisations for which they are responsible and/or liable and/or have relevant corporate insurance protection in place.
16. Online Marketplace means a digital platform where individuals or businesses come together to buy and sell products or services. An online marketplace must have licenses and certificates issued by the Department of Trade & Industry (DTI), Securities & Exchange Commission (SEC) and/or any other competent authority.
17. Period of Insurance means the start date and end date of the individual insurance coverage of the Insured as stated in the Confirmation of Cover.

18. Policyholder means Globe Fintech Innovations Inc., doing business as Mynt.
19. Policy Schedule means the relevant policy schedule attached to this Group Policy issued by the Company to the Policyholder.
20. Third Party means anyone other than the Insured.
21. Unauthorized Transactions means transactions which are carried on the Insured's GCash Account that are not authorized by the Insured.

A. Social Engineering

Cover

In the event the Insured is a victim of a Social Engineering Incident during the Period of Insurance, the Company will reimburse the Insured for the amount of funds he/she has transferred, up to the maximum benefit amount as stated in the Policy Schedule.

For the purpose of this benefit, Social Engineering Incident means an incident where the Insured is duped into transferring funds from the Insured's GCash Account to a Third Party upon receiving the request through an electronic means such as emails, instant messages, text messages, and websites, appearing to be coming from entities or people whom the Insured trusts and/or knows. Examples of Social Engineering Incident include, but are not limited to, phishing, malware phishing, spear phishing, smishing, vishing, and pharming.

In the event the Insured is a victim of Social Engineering Incident:

1. The Insured must report the fraud to the police authorities within twenty-four (24) hours of the discovery and obtain a police report; and
2. The Insured must notify the Policyholder within twenty-four (24) hours of the discovery of fraud, so it can make attempts to stop the transaction from going through or to trace where the funds have gone.

There may be instances when the Policyholder may reimburse the Insured for these transactions. But if the Policyholder has refused to accept liability in writing and the Insured has complied with the terms and conditions of this Group Policy, then the Company will reimburse the Insured for these transactions.

Additional Exclusions under A. Social Engineering

The Company will not pay any compensation for:

1. any transfer from a Business Account; or 2. any advance fee fraud where the Insured is promised an employment, or significant amount of money without any item(s), or services(s) received, in return for an up-front payment.

Excess applicable to Social Engineering

An Excess may be deducted for each and every successful Claim. The Excess due is shown in the Policy Schedule and Confirmation of Cover if it applies.

B. Account Take Over Fraud

Cover

In the event the Insured is a victim of an Account Take Over Fraud during the Period of Insurance, the Company will reimburse the Insured up to the maximum benefit amount as stated in the Policy Schedule for any subsequent unauthorized transactions that appear on the Insured's GCash Account.

For the purpose of this benefit, Account Take Over Fraud means a Third Party gaining unauthorized access to the Insured's GCash Account and making unauthorized transactions. Account Take Over Fraud usually occurs via phishing, spyware, malware scams or other similar scams.

In the event the Insured is a victim of Account Take Over Fraud:

1. The Insured must report the fraud to the police authorities within twenty-four (24) hours of the discovery and obtain a police report; and
2. The Insured must notify the Policyholder within twenty-four (24) hours of his/her discovery of fraud, so it can make attempts to stop the transaction from going through or to trace where the funds have gone.

There may be instances when the Policyholder may reimburse the Insured for these transactions. But if the Policyholder has refused to accept liability in writing and the Insured has complied with the terms and conditions of this Group Policy, then the Company will reimburse the Insured for these transactions.

Additional Exclusions under B. Account Take Over Fraud

The Company will not pay any compensation for:

1. Unauthorized Transactions made on the Insured's GCash account resulting from loss or theft of the Insured's Electronic Device(s) connected to the Insured's GCash Account;
2. Unauthorized Transactions made on the Insured's GCash Account more than two (2) weeks prior to the Insured's first reporting of the incident to the police authorities or the Policyholder;
3. Charges incurred by a relative or a member of the Insured's family, or by a person the Insured has authorized to use his/her GCash Account;
4. Losses that result from, or are related to, business pursuits including the Insured's work or profession; or
5. Transaction made or authorized by the Insured or the Insured's authorized user using One Time Password (OTP), PIN, password, and similar e-money account security services.

Excess applicable to Account Takeover Fraud

An Excess may be deducted for each and every successful Claim. The Excess due is shown in the Policy Schedule and Confirmation of Cover if it applies.

C. Online Shopping Fraud

Cover

The Company will reimburse the Insured for the amount he/she has paid for Eligible Item(s)/Service(s) purchased online from an online retailer or Online Marketplace, up to the maximum benefit amount stated in the Policy Schedule, if the transaction or online trading platform is fraudulent. Payment must have been made using the Insured's GCash Account.

For the avoidance of doubt, the Company will not indemnify the Insured for online transactions which are completed on genuine websites/trading platforms or with genuine sellers on the Online Marketplace, where:

1. the online retailer/seller becomes insolvent; and/or
2. the online retailer/seller fails to deliver the item(s) or service(s); and/or
3. the item(s)/service(s) is/are delivered damaged or faulty.

In the above circumstances, the Insured should raise his/her issue with the online retailer/seller or refer to the consumer law/rights that protect the Insured.

In the event the Insured is a victim of Online Shopping Fraud:

1. The Insured must report it to the police authorities within twenty-four (24) hours of the discovery of fraud and obtain a police report; and
2. The Insured must notify the Policyholder within twenty-four (24) hours of the discovery of fraud to minimize further losses from this fraud.

There may be instances when the Policyholder may reimburse the Insured for these transactions. But if the Policyholder has refused to accept liability in writing and the Insured has complied with the terms and conditions of this Group Policy, then the Company will reimburse the Insured for these transactions.

Excess applicable to Online Shopping Fraud

An Excess may be deducted for each and every successful Claim. The Excess due will be shown in the Policy Schedule and Confirmation of Cover if it applies.

Maximum Benefit Amount Applicable to Benefit A, Benefit B and Benefit C under this Section The Company's maximum limit of liability shall be the amount in total as stated in the Policy Schedule.

SECTION 5 – GENERAL EXCLUSIONS

This Group Policy does not provide cover for losses under any sections which are recoverable from the Policyholder, or any loss:

1. Arising from any incident prior to the start date of the Insured's insurance cover or after the cancellation;
2. Before or after the incident, if the Insured has wilfully concealed or misrepresented any material fact or circumstance concerning this insurance or provided fraudulent information to the Company;
3. Resulting from war, invasion, act of foreign enemy hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection or military or usurped power, nationalisation, confiscation, requisition, seizure or destruction by the government or any public authority;
4. Arising directly or indirectly from, or in connection with, the Insured's employment such as any corporate related transactions or any transactions via any Business Account;

5. Resulting from gambling, lottery, contest, promotional game, or other games of chance;
6. Resulting from illegal activity engaged in by the Insured whether knowingly or unknowingly;
7. Arising from a Mass Cyber-attack incident where losses and/or unauthorized charges is a result of any kind of system, malware and/or data hacks and/or any losses incurred because of the theft or misuse of any data or databases under the control of financial institutions, merchants, retailers, or payment system providers; or
8. Comprising consequential loss or damage as a result of the incident.

Sanctions Exclusions Applicable to this Group Policy

This Group Policy does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit the Company from providing insurance, including, but not limited to, the payment of claims. The Company is a branch of a US company and Chubb Limited, a New York Stock Exchange (NYSE) listed company.

Consequently, the Company is subject to certain US laws and regulations in addition to EU, UN and local sanctions restrictions which may prohibit it from providing cover or paying claims to certain individuals or entities or insuring certain types of activities related to certain countries such as Cuba.

SECTION 6 – CLAIMS

How to make a claim

1. On the happening of any event which could lead to a claim, the Insured must notify the Company within seven (7) days of the discovery of incident.
2. The Insured can notify the Company by visiting My GInsure tab in the GCash app that will lead to MyAccount of the Company.
3. For documents needed to file a claim, the Insured may visit GCash Help Centre for details.

All information and evidence required by the Company shall be furnished at the Insured's expense and shall be in such form and nature as the Company may prescribe to process the claim.

If the Insured fails to comply with the terms and conditions of this Group Policy, the Company may be entitled to refuse to pay or reduce the claim that may be payable.

Proof of Loss

Written proof of loss including the original receipts, invoices and all other relevant documents must be furnished to the Company within ninety (90) days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and not later than one (1) year from the date of loss.

Time of Payment of Claim

Indemnities payable under this Group Policy will be paid within thirty (30) days after receipt by the Company of due written proof of such loss and after ascertainment of the loss is made by the agreement between the Company and the Insured or by arbitration; but if such ascertainment is not made within sixty (60) days after such receipt by the Company of the proof of loss, then the loss shall be paid within ninety (90) days after such receipt. Refusal or failure to pay the loss within the periods prescribed herein will entitle the Insured to collect interest on the proceeds of the Group Policy for the duration of the delay at the rate of twice the ceiling prescribed by the Monetary Board, unless such refusal or failure to pay is based on the ground that the claim is fraudulent.

Making Claims after this Group Policy is Cancelled

If this Group Policy is cancelled, this does not affect the Insured's rights to make a claim under this Group Policy if the event occurred before the date of cancellation or during the period of coverage specified in the Confirmation of Cover.

Any Confirmation of Cover in effect when the Group Policy is cancelled, non-renewed or otherwise terminated shall continue to be in effect for the period of coverage specified in the Confirmation of Cover. If the ground for cancellation is non-payment of premium no cover will be provided.

Fraudulent Claims

If any claim under this Group Policy is fraudulent or if the Insured or anyone on the Insured's behalf used any fraudulent means or devices to obtain benefit under this Group Policy, the Company shall have no liability in respect of such fraudulent claim and shall be entitled to terminate this Group Policy immediately.

Fraud Warning

Section 251 of the Amended insurance Code imposes a fine not exceeding twice the amount claimed and/or imprisonment of two (2) years, or both, at the discretion of the court, to any person who presents or causes to be presented any fraudulent claim for the payment of a loss under a contract of insurance, and who fraudulently prepares, makes or subscribes any writing with intent to present or use the same, or to allow it to be presented in support of any claim.

SECTION 7 – GENERAL CONDITIONS

Where does this Group Policy apply?

This Group Policy insures the Insured twenty-four (24) hours a day anywhere in the world.

Enrolment Declaration

The daily/weekly/monthly declaration of Eligible Insureds shall be submitted by the Policyholder to the Company.

Breach of Conditions

If the Policyholder or the Insured is in breach of any of the conditions or provisions of this Group Policy (including a claims condition), the Company may decline to pay a claim, to the extent permitted by law.

Conditions Precedent to Liability

The Company's liability for any benefit under this Group Policy is conditional upon the:

1. truth of the statements and information as provided to the Company by the Policyholder and all Insured(s); and
2. due observance and fulfilment of the terms and conditions of this Group Policy insofar as they relate to anything to be done or complied with by the Policyholder and all Insured(s).

Premium Payment

This Group Policy shall not be valid and binding unless and until the premium has been paid by the Policyholder.

Review of Premium Rate

The Company and the Policyholder agree to review the performance of this Group Policy three (3) months after Effective Date and every three (3) months thereafter. If upon such review, there is a need to change the premium rate, the said change in premium rate shall be effected subject to the mutual agreement of the Company and the Policyholder; provided that the change in premium rate shall apply only to new enrollees under this Group Policy. If the Company and the Policyholder fail to agree on a new premium rate, the existing premium rate shall continue to apply to those who are currently enrolled under this Group Policy. In case of non-agreement as to the new premium rate, the Company may notify the Policyholder that thirty (30) days from date of such notice, no additional new enrollees will be enrolled under this Group Policy.

Grace Period

A grace period of thirty-one (31) days will be granted for the payment of each premium falling due after the first premium during which time this Group Policy shall continue in force, unless this Group Policy has been cancelled, terminated or has not been renewed in accordance with the provisions of this Group Policy. However, if loss occurs within the Grace Period for which the Company shall be obligated to pay benefits under this Group Policy, any premium then due and unpaid will be deducted in settlement.

Due Diligence

The Insured will exercise due diligence in doing all things to avoid or reduce any loss under this Group Policy.

Misstatement of Age

If the age of the Insured has been misstated, all amounts payable under this Group Policy shall be such as the premium paid would have purchased at the correct age. In the event the age of the Insured has been misstated, and if according to the correct age of the Insured, the coverage provided by this Group Policy would not have become effective, or would have ceased prior to the acceptance of such premium or premiums, then the liability of the Company during the period the Insured is not eligible for coverage shall be limited to the refund of all premiums paid for the period not covered by this Group Policy.

Right to Return

In the event the Policyholder/Insured is not satisfied with this Group Policy/Confirmation of Cover for any reason, the Policyholder/ Insured may cancel this Group Policy/Confirmation of Cover by advising the Company in writing within seven (7) days after receipt of this Group Policy/Confirmation of Cover. Any premium paid will be refunded during this period. The Policyholder/Insured will not be entitled to a refund if an Insured has made a claim during this period.

Cancellation by the Company

This Group Policy/Confirmation of Cover shall not be cancelled by the Company except upon prior written notice thereto to the Policyholder/Insured, and no notice of cancellation shall be effective unless it is based on the occurrence, after the Effective Date of this Group Policy/Period of Insurance of the Confirmation of Cover, of one or more of the following:

1. non-payment of premium;
2. conviction of the Insured of a crime arising out of acts increasing the hazards insured against;
3. discovery of fraud or material misrepresentation;
4. discovery of wilful or reckless acts of omissions increasing the hazards insured against;
5. physical changes in the property insured which result in the property becoming uninsurable;
6. discovery of other insurance coverage that makes the total insurance in excess of the value of the property insured; or
7. a determination by the Insurance Commissioner that the continuation of this Group Policy would violate or would place the company in violation of the Amended Insurance Code.

All notices of cancellation shall be in writing, mailed or delivered to the Policyholder/Insured at the address shown on the Policy Schedule/Confirmation of Cover and shall state (i) which of the grounds set forth in this provision is relied upon, and (ii) that, upon written request of the Policyholder/Insured, the Company will furnish the facts on which the cancellation is based.

The Policyholder shall inform the Insured of the impending cancellation of this Group Policy by the Company upon its receipt of the notice.

Clerical Error

A clerical error by the Company shall not invalidate insurance otherwise validly in force, nor continue insurance otherwise not validly in force.

Complying with Policy Conditions

The due observance and fulfillment of the terms of this Group Policy insofar as they relate to anything to be done or complied with by the Policyholder/Insured and the truth of the statements and answers in the policy application and of evidence required from the Insured in connection with this Group Policy shall be conditions precedent to any liability of the Company to give any payment due under this Group Policy.

Renewal Conditions

This Group Policy may be renewed for further consecutive periods by the payment of premium on the Effective Date of the renewal at the Company's premium rate in force at the time of renewal, subject to its right to decline renewal of this Group Policy on any anniversary date of the Group Policy upon giving forty-five (45) days prior written notice, mailed or delivered to the Policyholder at the address shown in this Group Policy, of the Company's intention not to renew this Group Policy, or to condition its renewal upon reduction of limits or elimination of coverages. The Company's acceptance of premium shall constitute its consent to renew. Unless renewed as herein provided, this Group Policy shall terminate at the expiration of the grace period for which premium has not been paid.

Entire Contract

This Group Policy, including endorsements and attached papers of which the descriptive title is mentioned in this Group Policy, if any, the policy application on file with the Company or attached herewith, the Policy Schedule and the Confirmation of Cover, constitute the entire contract of insurance. No change in this Group Policy shall be valid until approved by an authorized executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this Group Policy or to waive any of its provisions. None of the provisions, conditions and terms of this Group Policy shall be waived or altered except in accordance with the pertinent provisions of Section 50 of the Amended Insurance Code.

Any rider, clause, warranty or endorsement issued after the Effective Date of this Group Policy shall be countersigned by the Policyholder, which countersignature shall be taken as the Policyholder's agreement to the contents of such rider, clause, warranty or endorsement.

Governing Law

This Group Policy shall be governed by and interpreted in accordance with the laws of the Philippines.

Mediation

In the event of any controversy or claim arising out of or relating to this Group Policy, or a breach hereof, the Company and the Policyholder/Insured shall first endeavor to amicably settle the matter by mediation administered by the Insurance Commission or any recognized institution under the Mediation Rules, before resorting to arbitration, litigation or some other alternative dispute resolution procedure.

Legal Action

Unless the claim has been denied, no action or suit shall be brought either to the Insurance Commission or any court of competent jurisdiction to recover on this Group Policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this Group Policy. In any event, no legal action shall be brought after the expiration of one year from notice of the denial of the claim.

Civil Code 1250 Waiver Clause

It is hereby declared and agreed that the provision of Article 1250 of the Civil Code of the Philippines (Republic Act No. 386) which reads:

“In case an extraordinary inflation or deflation of the currency stipulated should supervene, the value of the currency at the time of the establishment of the obligation shall be the basis of payment.”

shall not apply in determining the extent of liability under the provisions of this Group Policy.

Availability of the Group Policy

This Group Policy shall be kept in the main office of the Policyholder in the custody of its authorized officer and shall be available at the Policyholder's website:
<https://www.gcash.com/> This Group Policy shall be available to the Insured for inspection during the regular office hours of the Policyholder.

Privacy Statement

In this Privacy Statement “We”, “Our” and “Us” means Insurance Company of North America (a Chubb Company). This Statement is a summary of Our Privacy Policy and provides an overview of how We collect, disclose and handle the Insured's personal

information, which may include sensitive personal information. Our Privacy Policy may change from time to time and where this occurs, the updated version will be posted to Our website.

Why We Collect the Insured's Personal Information

The primary purpose for Our collection and use of the personal information of the Insured is to enable Us to provide Our services (e.g. policy administration, inquiries, claims processing).

How We Obtain the Insured's Personal Information

We collect personal Information (which may include sensitive personal information) at various points including but not limited to when We are issuing, changing or renewing an insurance policy or cover with Us or when We are processing a claim. Personal information is usually obtained directly from the Insured or through an insurance intermediary or a group policyholder. Please refer to Our Privacy Policy for further details.

When information is provided to Us via a third party, We use that information on the basis that the Insured consented or would reasonably expect Us to collect the Insured's personal information in this way. We take reasonable steps to ensure that the Insured has been made aware of how We handle his/her personal information.

How We Disclose the Insured's Personal Information

We may disclose the information We collect to third parties, including service providers engaged by Us to carry out certain business activities on Our behalf (such as claims assessors and call centers). In some circumstances, in order to provide Our services, We may need to transfer personal information to other entities within the Chubb group of companies or third parties with whom We (or the Chubb Group of Companies) have subcontracted to provide a specific service for Us, which may be located outside of the Philippines. These entities and their locations may change from time to time. Please contact Us, if you would like a full list of the countries in which these third parties are located. In the circumstances where We disclose personal information to the Chubb Group of Companies, third parties outside the Philippines, We take steps to protect personal information against unauthorized disclosure, misuse or loss.

Where access to Our products has been facilitated through a third party (e.g. insurance broker) We may also share Your information with that third party.

Access to and Correction of the Insured's Personal Information

If the Insured would like to request access to, update or correct the personal information held by Us, please contact Our Data Protection Officer.

About Chubb in the Philippines

Chubb is a world leader in insurance. With operations in 54 countries and territories, Chubb provides commercial and personal property and casualty insurance, personal accident and supplemental health insurance, reinsurance and life insurance to a diverse group of clients. As an underwriting company, we assess, assume and manage risk with insight and discipline. We service and pay our claims fairly and promptly. The company is also defined by its extensive product and service offerings, broad distribution capabilities, exceptional financial strength and local operations globally. Parent company Chubb Limited is listed on the New York Stock Exchange (NYSE: CB) and is a component of the S&P 500 index. Chubb maintains executive offices in Zurich, New York, London, Paris and other locations, and employs approximately 40,000 people worldwide.

Chubb, via acquisitions by its predecessor companies, has been present in the Philippines for more than 70 years. Chubb in the Philippines is a branch of Insurance Company of North America, which has been assigned a financial rating of AA by Standard & Poor's. The company provides specialized and customized coverages for Property, Casualty, Marine, Financial Lines, as well as Accident & Health. It leverages global expertise and local acumen to tailor solutions to mitigate clients' risks. With a focus on building strong relationships with its clients by offering responsive service, Chubb in the Philippines has become one of the leading providers of Specialty Personal Lines, Accident & Health insurance through direct marketing.

Got questions about the GCash Express Send Transaction Limit? Check out the fast FAQS below:

How do the Express Send Transaction Limits work?

At the beginning of every month, you will **receive a maximum of 550 Send & 500 Receive transactions for Express Send** that you can perform within that given month

You will no longer be able to perform Express Send transactions for the remainder of the given month once you have hit **BOTH** the allotted amount of transactions.

Your **limits will reset to 0 at the beginning of the following month**. You can perform Send & Receive transactions again until you hit the maximum limit allotted for that month.

Can I remove my Express Send Transaction Limits?

It is **not possible to remove the Express Send Transaction Limits** on your GCash account.

If you are a merchant and want to use GCash without transaction limits, we encourage you to sign up for a [GCash Pera Outlet account](#).

Coverage

The CTPL covers **Death Indemnity**, **Bodily Injuries and Fractures**, and **Permanent Disablement**. Please see the tables below for more information.

Death Indemnity

||| --- | --- || **Amount (PHP)** || **Death Indemnity** | 70,000 || **Burial and Funeral Expenses** | 30,000 |

Bodily Injuries and Fractures

|||| --- | --- | --- || **Types of Accommodation or Professional Attendance Extended | Service Rendered | Maximum Reimbursable Fees and/or Charges (PHP)** || **Hospital Rooms** | Max of 45 days per accident | 500/per day || Laboratory examinations fees, X-Rays | 2,000 || **Surgical Expenses** | Major Operation | 7,500 || Medium Operation | 5,000 || Minor Operation | 1,500 || **Operating Room** | Major Operation | 1,500 || Medium Operation | 1,000 || Minor Operation | 500 || **Medical Expenses** | For Daily visits of Practitioners or Specialist | 400/per day || The total amount of medical expenses must not exceed (for a single period of confinement) | 5,000 || **Drug and Medicine** | Actual value of drugs and medicine used but not to exceed | 20,000 || **Ambulance Charge** | Actual value of ambulance transport used but not to exceed | 1,500 |

Permanent Disablement

|||| --- | --- || **Loss of or Loss of use of | Amount (PHP)** || Two Limbs | 50,000 || Both hands or All Finger or Both Thumbs | 50,000 || Both Feet | 50,000 || One Hand and One Foot | 50,000 || Sight of Both Eyes | 50,000 || Injuries resulting in being permanently bedridden | 50,000 || Any Other injury causing permanent total disablement | 50,000 || Arm at or above the elbow | 20,000 || The arm between the elbow and wrist | 15,000 || Hand | 15,000 || Four Fingers and Thumb of One Hand | 15,000 || Four Fingers | 12,000 || Leg at or above the knee | 20,000 || Leg below knee | 15,000 || One Foot | 15,000 || All Toes of one foot | 10,000 || Thumb | 8,000 || Index Finger | 6,000 || The sight of One Eye | 20,000 || Hearing - Both Ears | 30,000 || Hearing - One Ear | 15,000 |

Eligibility

You are eligible to apply for FPG Insurance CTPL if you are:

- An owner of a registered vehicle in the Philippines
- A Fully Verified GCash user
- A Filipino citizen or foreigner who is a legal resident of the Philippines

Purchase FPG Insurance CTPL

You cannot buy a policy for someone else directly. You can only buy one (1) policy within the year.

Note: The amount for the annual premium payment will be automatically deducted from your GCash Wallet upon purchase. Please make sure you have enough balance in your GCash Wallet to make a successful transaction. If you are unable to pay for your premium due to insufficient funds in your GCash Wallet, FPG Insurance may terminate your policy. However, you still have a grace period of 30 days to pay for your premium.

To comply with the Land Transportation Office (LTO) requirement, your coverage will start with your vehicle unit's plate ending.

1 | 1 | --- | --- | **Plate Number | Start Date** | Ending in one (1) | February 1 | Ending in two (2) | March 1 | Ending in three (3) | April 1 | Ending in four (4) | May 1 | Ending in five (5) | June 1 | Ending in six (6) | July 1 | Ending in seven (7) | August 1 | Ending in eight (8) | September 1 | Ending in nine (9) | October 1 | Ending in zero (0) | November 1 |

Claims and Cancellation

Claims

To file a claim for FPG Insurance Compulsory Third Party Liability (CTPL), send an email to the FPG Claims Service Desk at ph-claimservicedesk@fpgins.com and attach the following required claim documents:

- Copy of Car Registration and Official Receipt
- Copy of Driver's License and Official Receipt
- Police Report and/or Affidavit of Loss or Accident Report Form
- Third-Party Bodily Injury Claim
 - Receipts of Medicine of the Victim
 - Hospital Bills
 - Birth Certificate (if minor)
- Third-Party Death Claim
 - Death certificate of the victim
 - Funeral expense receipts
 - Marriage Contract (if married)
 - Birth Certificate (if minor or single)

The review of the claim will only start once you have submitted all the required claim documents. FPG Insurance will contact you if they require any additional information and/or document(s).

Approved claims will have the settlement amount disbursed in the GCash account or nominated bank account of the third-party claimant.

To follow up on your claims, please [contact FPG Insurance](#)

Cancellation of Policy

You may cancel your policy within **fifteen (15) days** after you receive your policy. Please email FPG Insurance Customer Care at phcustomercare@fpgins.com to cancel your policy. FPG Insurance will process your premium refund exclusive of Documentary Stamps within **fifteen (15) business days**.

Contact FPG Insurance

FPG Insurance Home Fire Protection is a policy that insures the contents of your home from damage or accidental loss due to a fire incident.

Jump to:

- [Coverage](#)
- [Eligibility](#)
- [Purchase Standard Insurance Home Fire Protection](#)
- [Claims and Cancellation](#)
- [Contact and FPG Insurance](#)

Coverage

The coverage of Standard Insurance Home Fire Protection gives you the benefit of helping you pay up to a maximum of PHP 50,000 in damages or loss of contents in your declared house address due to a Fire or Lightning incident.

Eligibility

You are eligible to apply for Home Fire Protection if you are:

- A [Fully Verified](#) GCash user
- A Filipino citizen or foreigner who is a legal resident of the Philippines

Note: You can use your own GCash account to buy a Home Fire Protection policy for someone else. You can only buy one (1) policy per property location for every three-month coverage.

Purchase FPG Insurance Home Fire Protection

Note: The amount for the annual premium payment will be automatically deducted from your GCash Wallet upon purchase. Please make sure you have enough balance in your GCash Wallet to make a successful transaction. If you are unable to pay for your premium due to insufficient funds in your GCash Wallet, FPG Insurance may terminate your policy. However, you still have a grace period of 30 days to pay for your premium.

FPG Insurance will issue an e-Policy and send it to your registered email address **within 24 hours** after you have completed the application process and payment. You may also view your policy on the Policy Page of your GInsure home page.

Your coverage will start the day after you enroll and make your first payment via the GCash app.

Claims and Cancellation

Claims

To file a claim for FPG Insurance Compulsory Third Party Liability (CTPL), send an email to the FPG Claims Service Desk at ph-claimsservicedesk@fpgins.com and attach the following required claim documents:

- Incident Report and/or Affidavit detailing the circumstances of the loss
- Certification from the Bureau of Fire
- Properly labeled colored photos showing the damage to affected contents
- A detailed list of the affected items showing the cost price of each item and the date of acquisition

The review of the claim will only start once you have submitted all the required claim documents. FPG Insurance will contact you if they require any additional information and/or document(s).

Approved claims will have the settlement amount disbursed in the GCash account or nominated bank account of the third-party claimant.

To follow up on your claims, please [contact FPG Insurance](#).

Cancellation of Policy

You may cancel your policy within **fifteen (15) days** after you receive your policy. Please email FPG Insurance Customer Care at phcustomercare@fpgins.com to cancel your policy. FPG Insurance will process your premium refund exclusive of Documentary Stamps within **fifteen (15) business days**.

Your Personal Accident Protection by FPG Insurance provides the quickest and easiest way to give you peace of mind with comprehensive cover for Accidental Death and Disablement, Natural Death, and protection of your house against a fire-related incident.

Jump to:

- [Coverage](#)
- [Eligibility](#)
- [Purchase FPG Insurance Personal Accident Protection](#)
- [Claims and Cancellation](#)
- [Contact](#)

Coverage

Note: You are covered even when the accident occurs while you are outside of the Philippines. The benefit amount will be payable in Philippine pesos.

||||---|---|| **Accidental Death Benefit** | Pays for the accidental bodily injury if death occurs within twelve calendar months of bodily injury and is directly attributed to accidental bodily injury. || **Permanent and Total Disablement** | Payable once the Insured becomes disabled permanently, totally, and absolutely from engaging in each and every occupation or employment for compensation within twelve calendar months of bodily injury and not followed within twelve calendar months of the said bodily injury by death. || **Murder and Unprovoked Assault** | Pays for 100% of the benefit for accidental bodily injury sustained as a direct result of the insured being a victim of Murder and Unprovoked Assault. Incidents that occurred in the following geographical areas, including their cities, towns, barrios, and barangays are excluded || **Accident Burial Benefit** | Pays for the funeral expenses upon the death of the insured person as a result of accidental bodily injury. || **Cash Assistance Benefit** | Pays for fixed financial assistance in the event of death due to illness. || **Fire Assistance Benefit** | Pays for the loss and damages incurred to the Insured's house or contents due to fire and lightning. |

The following are the locations that are **excluded** from the **Murder and Unprovoked Assault Benefit**:

- Lanao Del Norte
- Lanao del Sur
- North Cotabato
- South Cotabato
- Zamboanga Del Norte
- Zamboanga Del Sur
- Maguindanao
- Sultan Kudarat
- Sulu Archipelago
- Basilan

Eligibility

Note: You cannot purchase Personal Accident Protection on behalf of someone else. You can buy only **one (1) policy for yourself** for every three (3) months of coverage.

You can avail of this product if you are:

- At least 18-65 years old
- A Filipino citizen or foreigner who is a legal resident in the Philippines at the time of application
- A Fully Verified GCash user

Purchase FPG Insurance Personal Accident Protection

Note: The amount for the annual premium payment will be automatically deducted from your GCash Wallet upon purchase. Please make sure you have enough balance in your GCash Wallet to make a successful transaction. If you are unable to pay for

your premium due to insufficient funds in your GCash Wallet, FPG Insurance may terminate your policy. However, you still have a grace period of 30 days to pay for your premium.

Your Policy Contract and other Policy Documents are sent within **twenty-four (24) hours** to the Policy owner's email address.

The coverage of Personal Accident Protection is effective for three months and is renewable after the said duration. The insurance cover will commence the day after you enroll and make your first payment via GCash.

Claims and Cancellations

Claims

To file a claim, please secure all the required documents. Once you have secured all the necessary requirements, please send the documents by visiting the FPG Claims Service desk.

Below are the documents needed depending on the type of claim you will be availing:

| LIVING CLAIM | DEATH CLAIM | FIRE CASH ASSISTANCE | | --- | --- | --- | --- | -
Copy of your policy
- Duly Accomplished Claim
- Medical Certificate
- Incident Report | - Copy of your policy
- Duly Accomplished Claim
- Death Certificate
- Police Report
- Autopsy Report
- Proof of Beneficiary's Identity (Birth Certificate and Marriage Certificate) | - Copy of your policy
- Barangay Certificate
- Bureau of Fire Certificate
- Pictures showing the Damages caused by the fire |

Note: Processing of claims will only start once requirements are completely submitted.

FPG Insurance will notify the third-party claimant via email. Settlement shall be disbursed to the GCash account or nominated bank account of the third-party claimant.

Cancellation

You may cancel your policy within 15 days after you receive your policy. Please email phcustomercare@fpugins.com to cancel your policy. We shall process your premium refund exclusive of Documentary stamps within 15 business days.

BIG 3 Critical Illness Insurance is a protection plan that covers the top 3 most common critical illnesses in the Philippines: Cancer, Heart Attack, and Stroke.

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Purchase FWD BIG 3 Critical Illness Insurance](#)
- [Cancellation and Claims](#)
- [Contact FWD](#)

Eligibility

You can avail of this product if you are:

- At least 18-55 years old
- A Fully Verified GCash user
- In good health, able to work and do daily activities without any help
- A Filipino citizen or a foreigner who is a legal resident of the Philippine

Note:

You cannot buy this policy for someone else directly.

Coverage

With FWD BIG 3 Critical Illness Insurance, you are provided with the following benefits:

- **Cash Benefit:** Receive a cash payout if you're diagnosed with cancer, heart attack, or stroke.
- **100% Coverage:** Get 100% of the benefit amount upon diagnosis, whether it's early or late-stage cancer, heart attack, or stroke.
- **Early to Late-Stage Cancer:** Receive the full benefit amount for both early and late-stage cancer diagnoses.
- **Multiple Policies:** You can buy multiple policies with a combined benefit amount of up to ₱2 million.
- **Annual Coverage:** Be protected for one year, with the option to renew every year until you turn 79.

Note:

You are covered while you are outside of the Philippines except for COVID-19. The cash benefit payable will be in Philippine pesos.

Purchase FWD BIG 3 Critical Illness

To purchase FWD BIG 3 Critical Illness follow the steps below:

1. On your GCash app, tap **GInsure > Health**
2. Select the FWD BIG 3 Critical Illness Insurance product.
3. Fill out the application form with the required details and agree to the health declarations.
4. Complete the payment process.

You will receive a confirmation page of the successful payment of your chosen policy.

FWD will send your e-policy within **24 hours** of completing the application and payment. You'll receive it via your registered email, which will also be accessible on the Policy Page in the GCash app.

You can also check a copy in the app Omne by FWD.

Premium payments will be **automatically deducted** from your GCash e-wallet on the due dates. Make sure your GCash balance is sufficient to keep your policy active.

Cancellation and Claims

Cancellation

You are entitled to a free-look period which will run for 15 days upon issuance of the policy. During this period, you may review the policy provisions, inclusions, and exclusions.

If you decide to cancel your policy within the free-look period, you may do so on our Omne by FWD app, contact our 24/7 Customer Connect at **+632 8888 8388**, or email **CustomerConnect.ph@fwd.com**, to get a full refund.

Claims

To file a claim, you can reach FWD through any of the following:

- **24/7 Customer Connect:** Call +632 8888 8388
- **Email:** CustomerConnect.ph@fwd.com or claimsconnect.ph@fwd.com
- **Omne by FWD App:** Submit your claim directly through the app

A dedicated Claims Ambassador will be assigned to assist you personally.

The FWD The One Life InsuranceCover lets you choose a plan, add-on benefits, and coverage amount that suits your needs and lifestyle. It offers customizable coverage for every phase of life, from Gen Z to those up to 70 years old.

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Purchase FWD The One Life InsuranceCover](#)
- [Cancellation and Claims](#)
- [Contact FWD](#)

Eligibility

You can avail of this product if you are:

- At least 18-70 years old
- A [Fully Verified](#) GCash user
- In good health, able to work and do daily activities without any help
- A Filipino citizen or a foreigner who is a legal resident of the Philippines for at least 6 months

Note:

You cannot buy this policy for someone else directly.

Coverage

With FWD The One Life Insurance Cover, you are provided with the following benefits **until age 79**:

FWD The One for Life Insurance Cover Benefits:

- Death Benefit
- Accidental Death Benefit
- Critical Illness Benefit

You can choose a plan that includes one, two, or all three of these benefits:

- **Death Benefit** Your beneficiaries will receive a Death Benefit if you pass away.
- **Accidental Death Benefit** Add this to your plan to provide a cash benefit to your beneficiaries if you pass away due to an accident.
- **Critical Illness Benefit** Add coverage for critical illness and claim a benefit amount if you're diagnosed with any of the 42 covered major critical illnesses.

Plan Variants:

- Death, Accidental Death, & Critical Illness Benefits
- Death & Accidental Death Benefits
- Death & Critical Illness Benefits
- Death Benefit

Note:

You are covered while you are outside of the Philippines except for COVID-19. The cash benefit payable will be in Philippine pesos.

Purchase FWD The One Life Insurance Cover

Note: You can buy multiple plans, but the total benefit amount cannot exceed Php 2,000,000 for Critical Illness (CI) and Php 5,000,000 for Digital products.

To purchase FWD The One Life insurance product follow the steps below:

1. On your GCash app, tap **GInsure > Life**
2. Select the The One Life Insurance product.
3. Fill out the application form with the required details and agree to the health declarations.
4. Complete the payment process.

You will receive a confirmation page of the successful payment of your chosen policy.

FWD will send your e-policy within **24-42 hours** of completing the application and payment. You'll receive it via your registered email, which will also be accessible on the Policy Page in the GCash app.

You can also check a copy in the app Omne by FWD.

Premium payments will be **automatically deducted** from your GCash e-wallet on the due dates. Make sure your GCash balance is sufficient to keep your policy active.

Cancellation and Claims

Cancellation

You are entitled to a free-look period which will run for 15 days upon issuance of the policy. During this period, you may review the policy provisions, inclusions, and exclusions.

If you decide to cancel your policy within the free-look period, you may do so on the Omne by FWD app, contact their 24/7 Customer Connect at +632 8888 8388, or email CustomerConnect.ph@fwd.com, to get a full refund.

Claims

When can claims not be paid? [dropdown]

For Death Benefit

You cannot claim if death is due to attempted suicide or deliberate self-harm while the insured is sane within 2 years from the policy's effective date. In such cases, FWD will return all paid premiums to the beneficiaries.

For Accidental Death Benefit

FWD will not pay any benefit if the claim arises from committing an illegal or unlawful act (including a terrorist act), failure to act, war or any act of war (whether declared or not), or any civil or military uprising.

For Critical Illness Benefit

No major critical illness benefit will be paid if signs of the condition appear within the no-claim period, even if the condition is diagnosed after the period by a medical practitioner. FWD also do not pay for claims arising from pre-existing conditions. Claims related to drug or alcohol abuse, HIV, psychiatric-related causes, suicide, self-inflicted acts, unlawful acts, and war are also excluded.

To file a claim, you can reach FWD through any of the following:

- **24/7 Customer Connect:** Call +632 8888 8388
- **Email:** CustomerConnect.ph@fwd.com or claimsconnect.ph@fwd.com
- **Omne by FWD App:** Submit your claim directly through the app

A dedicated FWD Claims Ambassador will be assigned to assist you personally.

The Funds Disbursement Service (FDS) is a self-service disbursement solution that enables partners to **disburse non-payroll funds to existing GCash accounts in real-time**. The FDS also has a system in place to have approvers confirm the disbursement before it is released to the payees.

This service is accessible on the online platform called the **GCashBiz Portal**.

Jump to:

- [How to apply](#)
- [Requirements](#)
- [Use the Funds Disbursement Service](#)

How to apply

1. Fill out [this application form](#) with the required details
2. Click Submit
3. Once you submit the form, you will receive an email confirmation along with a list of required documents to be submitted. You may also view the list of requirements below to prepare beforehand
4. A representative from GCash will get in touch with you within 1 to 14 days after your submission

Requirements

After your initial application, prepare the following documents for submission to GCash for review and start processing your application:

- GXI Non-Disclosure Agreement (NDA)
- Business documents depending on your business structure/entity type (refer to the table below)

|||| --- | --- || **Type of Business | Requirements** || Sole Proprietorship | - DTI Certificate of Registration

- BIR Certificate of Registration (BIR 2303) or Bureau of Internal Revenue Certificate of Tax Exemption (CTE)
- Valid ID of Authorized Signatory/ies
- Three (3) Specimen Signatures of the Authorized Signatory/ies
- Secondary License, if applicable

If the business owner assigns someone to sign on their behalf, a notarized Special Power of Attorney (SPA) should be submitted. || Partnership and Corporation | - SEC Certificate of Registration

- Articles of Partnership (AOP)
- Notarized Partnership Certificate
- BIR Certificate of Registration (BIR 2303) or Bureau of Internal Revenue Certificate of Tax Exemption (CTE)
- Valid ID of the Partnership Secretary
- Three (3) Specimen Signatures of the Partnership Secretary
- Valid ID of Authorized Signatory/ies
- Three (3) Specimen Signatures of the Authorized Signatory/ies
- Secondary License, if applicable
- Provisional Certificate of Registration (PCOR) and/or AMLC Certificate of Registration, if applicable || Corporation (Stock) | GOCC | - SEC Certificate of Registration

- Articles of Incorporation (AOI)
- Notarized Secretary Certificate
- Latest General Information Sheet (GIS)
- BIR Certificate of Registration (BIR 2303) or Bureau of Internal Revenue Certificate of Tax Exemption (CTE)
- Valid ID of the Corporate Secretary
- Three (3) Specimen Signatures of the Corporate Secretary
- Valid ID of Authorized Signatory/ies
- Three (3) Specimen Signatures of the Authorized Signatory/ies
- Secondary License, if applicable
- Provisional Certificate of Registration (PCOR) and/or AMLC Certificate of Registration, if applicable || Corporation (Non-Stock) | Foundation | NGO | NPO | - SEC Certificate of Registration

- Articles of Incorporation (AOI)
- Notarized Secretary Certificate
- Latest General Information Sheet (GIS)

- Valid ID of the Corporate Secretary
- Three (3) Specimen Signatures of the Corporate Secretary
- Valid ID of Authorized Signatory/ies

- Three (3) Specimen Signatures of the Authorized Signatory/ies
- Secondary License, if applicable
- Philippine Council for NGO Certification (PCNC) or SEC Mandatory Disclosure Form I

Use the Funds Disbursement Service

Note: You will be charged a fee of PHP 5 for every successful disbursement.

There is no minimum maintaining balance or average daily balance required. You may pre-fund your disbursement wallet as needed

Prefund disbursement wallet

To prefund your disbursement wallet, kindly deposit the desired amount to any of the bank accounts which will be shared with you after your onboarding.

Kindly note the following prefunding **Cut-off and Turnaround Times**:

||||| --- | --- | --- || **Cut-off Time*** | **Pre-funding Transaction Type** | **Turnaround**

Time** || Monday to Saturday (excluding Philippine holidays):

9:00 AM to 4:00 PM | - Cash Deposit

- Online Fund Transfer

- On-Us Check Deposit | Two (2) hours || - Local Check Deposit

- Off-Us Check Deposit

- Regional Check Deposit (*regardless if On-Us or Local*) | One (1) banking day ||

*Requests received beyond the schedule will be processed on the next banking day.

**Processing starts upon GXI's receipt of the completely accomplished request via Smartsheet. |

Note: It will take **4 hours** for the funds to successfully enter your disbursement wallet after submission of proof deposit in the smart sheets.

Disbursement limit

Note: Please make sure that your payee is within their GCash Wallet Limits to receive your disbursement. There is no limit; however, the amount is decided by your payee's wallet and transaction limits at the time of disbursement. If the payee's wallet limit has been exceeded for the month, the disbursement will not push through.

Additionally, for Funds Disbursement Service, there are thresholds that you may set for payees within each calendar month:

- Maximum Monthly Disbursement Count Per Payee - manage the **number of times** a mobile number will receive
- Maximum Monthly Disbursement Amount Per Payee - manage the **total amount** a mobile number will receive

The running amount and the count of disbursements **resets at the end of the calendar month**. These thresholds do not replace the wallet balance limits and incoming transaction limits of a GCash Account based on the account's verification level (e.g. Basic, Fully Verified).

Should you require an increase of either of these thresholds, kindly send a Customer Relationship Form (CRF) with updated limits to partnersupport@gcash.com.

Need more Help?

I used the same Borrow product twice. Why didn't I qualify for the reward?

To be part of the Summer User Loyalty Program, you need to use two **different** GCash Borrow products. Using the same product twice doesn't count.

Examples:

- **Qualified:** Booking a flight with GGives and a hotel with GCredit.
- **Not Qualified:** Booking both a flight and a hotel using GGives.

Pre-existing illnesses shall include, but are not limited to Bronchial Asthma and Systemic Allergies, Chronic obstructive pulmonary disease (COPD), Diabetes Mellitus, Tuberculosis, Thyroid diseases, Systemic allergies, Dysfunctional uterine bleeding, Chronic EENT conditions that may require surgery, Cardiovascular diseases, Chronic cholecystitis/cholelithiasis, Benign or malignant new growth, Endometriosis, Stroke / paralysis/epilepsy, Hernia, Hemorrhoids and fistula, Gastric or duodenal ulcers, Liver cirrhosis, Kidney diseases, Blood dyscrasias, Immunologic and collagen diseases, Hallus valgus and lithiasis, Urolithiasis and glomerunephritis, Hypertension of whatever etiology.

IT IS HEREBY DECLARED AND AGREED that the following provisions shall form part of this Policy:

1. This Policy covers all insured members (including tourist foreigner with or without permanent residence in the Phils.) who are between 18 to 65 years old (Fully Verified Gcash users only). Coverage of the insured member shall immediately terminate on the Insured's 66th birthday upon expiry of the policy.
2. The insurance duration is determined by the amount of load purchased by the users, providing continuous protection until the policy expires up to three (3) active policies. Policy will take effect on the day and time of the load purchase.
3. In the event of a claim, the maximum sum claimable for accidental death is Php30,000, regardless of having more than three (3) insurance purchases. Other benefits in the policy schedule are restricted to one insurance limit per insured individual, regardless of the number of insurance policies purchased.
4. Motorcycling related injuries or fatality shall not be covered if the insured person was established to have violations at the time of accident as follows :
 - a) Driving an expired or invalid driver's license
 - b) Driving an expired vehicle registration
 - c) Driving under the influence of alcohol or prohibited drugs
 - d) Have been violating traffic laws and regulation
5. Injuries arising out of the Insured engaging in hunting, racing (except foot racing), steeple chasing, polo playing, mountaineering, scuba diving, hand gliding, winter sports, all professional sports like ice hockey, football or rugby, basketball, volleyball or any other contact sports that require to sign a waiver are NOT COVERED under this policy.
6. Enrollment cancellations or deletions are not allowed.
7. Subject to below condition.

BREAK AND REVIEW CLAUSE

It is hereby declared and agreed that in consideration of the agreement to issue Policy No. . It is hereinafter refer to Insurance Programme for a period of 4 months, coverage shall be continuous subject to the premium payable in accordance with the premium warranty.

FPG Insurance Co.,Inc.

Insurers reserve the right to review and amend the Insurance Programme's terms and conditions at each renewal and extension date in the event of the following:

- i) Any adverse material change in insured's operation, activities or exposures.
- ii) Any new or amended Philippine legislation or law that may have a material effect on the exposures and/or coverage that are covered and/or granted under this policy.

- iii) The incurred loss ratio exceeding \$40%\$ at the renewal and extension date.
- iv) Any negative change in (Insurer's name)'s reinsurance capacity that affects (Insurer's name)'s ability to provide capacity.

INCURRED LOSS RATIO: Amount of Loss PAID to Insured (after application of policy deductible) over Premiums paid.

The following Clauses and Endorsements apply to this Policy :

ACCIDENTAL FOOD POISONING ENDORSEMENT

It is hereby declared and agreed that this Policy is extended to cover death, permanent disablement or medical expenses incurred as a result of accidental food poisoning.

ACTS OF NATURE ENDORSEMENT

It is hereby declared and agreed that death, permanent disablement or medical expenses incurred resulting from natural perils are covered under this Policy.

AMATEUR AND SOCIAL SPORTS

In the event of bodily injury resulting to playing or participating in amateur and/or social sports (Excluding Professional Sports) and during recognized competition time or approved training period, the Policy will pay for the benefit stated in the Schedule.

Definition:

Amateur sports are typically organized and governed by sports organizations or governing bodies. These sports may include Olympic sports such as athletics, swimming, and gymnastics, as well as other sports such as tennis, golf, and cycling. Insured may compete individually or as part of a team, and may train and compete at a high level while still maintaining other commitments such as work or school.

Social sports, on the other hand, are generally more relaxed and recreational in nature. These sports are often played for fun and fitness, rather than for competitive reasons, and may be organized by groups of friends or community organizations.

ANIMAL BITES

It is hereby declared and agreed that this Policy is extended to cover death, permanent disablement or medical expenses incurred as a result of limited to cat, dog and snake bites only. Mosquito/insect bites are not covered.

COMMERCIAL FLYING COVERAGE

It is hereby declared and agreed that coverage as respect to flying is limited to loss occurring while the Name Insured is riding solely as a passenger not as an operator or crew member. In boarding or alighting from a certified passenger aircraft provided by a commercial airline, on any regular, scheduled or non-scheduled, special or chartered flight.

DROWNING AND SUFFOCATION

Accidental bodily injury sustained as a result of drowning and suffocation by poisonous fumes , gas or smoke will be covered provided that such injury did not arise out of or in connection with the Insured's own willful or intentional act .

MOTORCYCLE COVERAGE ENDORSEMENT

Pays for an amount specified in the schedule as a financial assistance in the event of death whilst riding/driving a two wheeled motorized vehicle, EXCEPT for professional racing and sports related activities .

TRIKES, RIOTS, CIVIL COMMOTION AND WAR RISK ENDORSEMENT

It is hereby declared and agreed that the indemnity provided by this Policy shall be extended to cover loss or damage due to strike, riot and civil commotion which for the purpose of this endorsement shall mean loss of or damage to the Property Insured directly caused by:

- A. The act of any person taking part together with others in any disturbance of the public peace (whether in connection with a strike or lock-out or not);
- B. The action of any lawfully constituted authority in suppressing or attempting to suppress any such disturbance or in minimizing the consequences of any such disturbance;

C. The willful act of any striker or locked-out worker done in furtherance of a strike or in resistance to a lock-out;

D. The action of any lawfully constituted authority in preventing or attempting to prevent such act or in minimizing the consequences of any such act.

Provided that the Company shall not be liable for loss or damage resulting from total or partial cessation of work or the retarding or interruption or cessation of any process or operation.

Provided further that the Company shall not be liable for loss, damage or liability occasioned directly or indirectly by or through or in consequence of any of the following occurrences namely: i. War, invasion, act of foreign enemy, hostilities or war-like operations (whether war be declared or not, civil war or acts of terrorism;

FPG Insurance Co.,Inc.

ii. Mutiny, civil commotion assuming the proportion of or amounting to a popular uprising, military uprising, insurrection, rebellion, revolution, military or usurped power;

iii. Acts or persons operating on behalf of or in connection with any political organization, martial law or state of seige or any events or causes which determine the proclamation or maintenance of martial law or state of seige;

iv. Permanent or temporary dispossession resulting from confiscation, commandeering or requisition by any lawfully constituted authority or by permanent or temporary dispossession of any building resulting from the unlawful occupation by any person of such building .Provided that the Company is not relieved of any liability to the Insured in respect of physical damage to the Property Insured occurring before dispossession or during temporary dispossession.

In any action, suit or other proceeding where the Company alleges that by reason of the provisions of this condition, any loss or damage is not covered by this Insurance. The burden of proving that such loss or damage is covered shall be upon the Insured.

Subject otherwise to the terms, exceptions, conditions and limitations of the Policy.

The additional premium for this extension has been included in the provisional premium shown in the schedule.

TWENTY-FOUR (24) HOURS ON OR OFF THE JOB COVERAGE

It is hereby declared and agree that the plan provides protection to an insured person twenty -four (24 hours a day, on or out of office throughout one (1) calendar year but not to exceed twelve (12) months.

Exclusions: COMMUNICABLE DISEASE EXCLUSION

1. Notwithstanding any provision to the contrary within the insurance agreement, this insurance agreement excludes any loss, damage, liability, claim, cost or expense of whatsoever nature, directly or indirectly caused by, contributed to by, resulting from, arising out of, or in connection with a Communicable Disease or the fear or threat (whether actual or perceived) of a Communicable Disease regardless of any other cause or event contributing concurrently or in any other sequence thereto.
2. As used herein, a Communicable Disease means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:
 - a. the substance or agent includes, but not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not, and
 - b. the method of transmission, whether direct or indirect, includes but not limited to, airborne transmission, bodily fluid transmission, transmission from any surface or object, solid, liquid or gas or between organisms, and
 - c. the disease, substance or agent can cause or threaten damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property.

CYBER AND DATA EXCLUSION

1. Notwithstanding any provision to the contrary within this Policy or any endorsement thereto this Policy excludes any:
 - 1.1 Cyber Loss;
 - 1.2 loss, damage, liability, claim, cost, expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any Data, including any amount pertaining to the value of such Data; regardless of any other cause or event contributing concurrently or in any other sequence thereto.
2. In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.
3. This endorsement supersedes and, if in conflict with any other wording in the Policy or any endorsement thereto having a bearing on Cyber Loss or Data, replaces that wording.

Definitions

4. Cyber Loss means any loss, damage, liability, claim, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any Cyber Act or Cyber Incident including , but not limited

to, any action taken in controlling, preventing, suppressing or remediating any Cyber Act or Cyber Incident .

5. Cyber Act means an unauthorised, malicious or criminal act or series of related unauthorised, malicious or criminal acts, regardless of time and place, or the threat or hoax thereof involving access to, processing of, use of or operation of any Computer System.

6. Cyber Incident means:

6.1 any error or omission or series of related errors or omissions involving access to, processing of, use of or operation of any Computer System; or

6.2 any partial or total unavailability or failure or series of related partial or total unavailability or failures to access,

process, use or operate any Computer System.

7. Computer System means:

7.1 any computer, hardware, software, communications system, electronic device (including, but not limited to, smart phone, laptop, tablet, wearable device), server, cloud or microcontroller including any similar system or any configuration of the aforementioned and including any associated input, output, data storage device, networking equipment or back up facility, owned or operated by the Insured or any other party.

8. Data means information, facts, concepts, code or any other information of any kind that is recorded or transmitted in a form to be used, accessed, processed, transmitted or stored by a Computer System.

LMA5401

11 November 2019

FPG Insurance Co.,Inc.

TERRORISM & SABOTAGE EXCLUSION CLAUSE

Notwithstanding any provision to the contrary within this Insurance or any Endorsement thereto it is agreed that this Insurance excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this Endorsement an act of terrorism means an act, including but not limited to the use of force or violence and /or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organization (s) or government(s), which from its nature or context is done for or in connection with political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This Endorsement also excluded loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism. If the Underwriters allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this Insurance the burden of proving the contrary shall be upon the Assured.

In the event any portion of this Endorsement is found to be invalid or unenforceable the remainder shall remain in full force and effect .

TOTAL ASBESTOS EXCLUSION CLAUSE

This Policy excluded all claims and losses based upon, arising out of, directly or indirectly resulting from or in consequence of, or

any way involving: - Asbestos, or - Any actual or alleged Asbestos related injury or damage involving the use, presence, existence, detection, removal, elimination or avoidance of Asbestos or exposure or potential exposure to Asbestos.

In Witness Whereof, the Company has caused this Policy to be signed by its duly authorized officer in Makati City, Philippines.

Documentary Stamps to the value stated above have been affixed to the policy.

FPG INSURANCE CO., INC.

It is understood that upon the issuance of the policy, no payment for Documentary Stamps will be refunded as a result of the cancellation or endorsement of the policy or a reduction in the premium due to whatever reason.

JANICE B. TUANZON

Authorized Signatory

WHEREAS the Insured described in the Schedule hereto following the profession or occupation stated in the Schedule (hereinafter called "the Insured") being desirous of insuring the Persons described in the said Schedule (hereinafter called "the Insured Persons") in the manner hereinafter mentioned with FPG INSURANCE CO., INC. (hereinafter called "the Company") has made a proposal and signed a declaration dated as stated in the said Schedule which proposal and declaration together with the declarations made by the Insured Persons it is agreed shall be the basis of the contract for the Insurance hereby intended to be made and incorporated herein and only after payment to the Company of the First Premium stated in the said Schedule as a consideration for the said Insurance for the period stated herein.

NOW THIS POLICY OF INSURANCE WITNESSETH that if during the currency thereof that is to say at any time before the expiration of the said period or during any further period for which the Company may agree to renew the Insurance of any of the Insured Person shall sustain bodily injury caused by violent accidental external and visible means which injury shall result in his death or disablement as hereinafter defined or necessitate medical and surgical treatment as hereinafter defined the Company will subject to the terms, provisos and conditions of, and endorsed on this Policy pay to the Insured the sums or sums of money specified in the Table of Compensation in accordance with the Scale of Benefits allocated to the said Insured Person in the Schedule hereto and the receipt of the Insured shall in all respects be an effective discharge to the Company. It is hereby understood and agreed that all provisions of this MASTER POLICY shall be incorporated in the Certificate of Insurance.

BASIS OF INDEMNIFICATION

1. This Policy shall not extend to cover:

(a) Death or disablement occasioned by or happening through: –

(i) War, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, mutiny, military or usurped power, civil commotion, riots, strikes, military or popular rising. (ii) Suicide or attempted suicide or willful exposure to needless peril except in an attempt to save human life, pregnancy or childbirth, the effect or influence (temporary or otherwise) of alcohol or of drugs not prescribed by a qualified medical practitioner, venereal disease or insanity. (iii) Earthquake, volcanic eruption or tidal wave. (iv) Any weapon or instrument employing atomic fission or radioactive force, whether in time of peace or war. (b) Death or disablement occurring whilst any Insured Person is traveling in an aircraft other than one licensed for public passenger service and operated by a regular Airline on a published schedule flight over a regular air route between two definitely established airports and in which the Insured Person is traveling as a ticket holding passenger provided that compensation shall not be payable in respect of death or disablement occurring whilst a number of lives insured are to the Insured's knowledge traveling in the same aircraft at the same time and the aggregate sums in respect of the said lives insured is in excess of the Accumulated Limit stated in the Schedule or its equivalent in any other currency unless otherwise agreed and endorsed hereon. (c) Death or disablement consequent upon the Insured engaging in hunting, racing of all kinds, steeple chasing, polo playing, motorcycling, mountaineering, winter sports, ice hockey, football or yachting or using wood-working machinery driven by mechanical power. (d) Death or disablement caused while the Insured is performing or attempting the performance of an unlawful act.

2. Compensation shall be payable only when the entire amount of the claim shall have been proved to the satisfaction of the Company.

3. It is agreed that this Policy extends to cover death or disablement of a life Insured caused by murder or unprovoked assault or any attempt thereat provided such murder or assault shall not have been occasioned by or shall not have been happened through any of the circumstances specified in Proviso 1(a)(i) above.

TABLE OF COMPENSATION – PART I

BODILY INJURY caused by violent accidental external and visible means which injury sha

RESULT IN

LIMITS OF LIABILITY

Death occurring within twelve calendar months of bodily injury as aforesaid

A.

B. Permanent disablement occurring within twelve calendar months of bodily injury as aforesaid and not followed within twelve calendar months of the said bodily injury by the death of the Insured person: Compensation for such disablement in accordance with the percentages as stated in Part II of this Table of this adjacent basic sum of

C.1. Total disablement temporarily from engaging in or giving attention to profession or occupation: Compensation for such disablement at the rate per week of ...

C.2. Partial disablement temporarily from engaging in or giving attention to profession or occupation: Compensation for such disablement at the rate per week of

OR NECESSITATE

FPG Insurance Co.,Inc.

D. Expenses of Medical and Surgical treatment for such injury: Indemnity for the expenses of such treatment incurred subject to a limit in respect of any one accident of

Compensation under Sections C.1 and C.2 either separately or together shall not be payable in respect of any one Insured Person for a longer period than 104 weeks in respect of any one injury calculated from the date the Insured Person was first examined by a duly qualified Medical Practitioner.

TABLE OF COMPENSATION – PART II

PERMANENT DISABLEMENT

Total permanent loss of the use of a member shall be treated as loss of such member. The loss of the first joint of the thumb or any other finger or of any toe shall be considered as equal to the loss of one-half of the thumb or finger or toe and the benefit shall be one-half of the benefit above specified for the loss of the thumb or finger or toe. The loss of more than one phalange of the thumb or any other finger or of any toe shall be treated as loss of

the entire thumb or finger or toe. Where, however, there is loss of two or more parts of the hand, the percentage payable shall not be more than the loss of the whole hand. Where the injury is not specified the Company will adopt a percentage of disablement which in its opinion is not inconsistent with the provisions of this table.

The aggregate of all percentages payable in respect of any one accident shall not exceed \$100%\$.

This contract shall terminate only in the event of accidental death as provided therein or upon their expiry.

In any policy year, the total benefits payable under this contract in respect of any one accident resulting in loss(es) within 365 days from date of accident(s) shall be the principal sum (e.g. loss of life, loss of both hands and feet, loss of sight of both eyes and either hand or foot, etc.)

In any policy year, the aggregate benefits payable under the Dismemberment/Disability Benefit of this contract in respect of one or more accident(s) resulting in loss(es) within 365 days from the date of accident(s) shall be principal sum, i.e. for subsequent accident resulting in any loss, the amount(s) payable under the Dismemberment/ Disability Benefit shall be the principal sum less the amount(s) paid for previous loss(es). However, the payment of all benefits under the Dismemberment/Disability that equal the principal sum shall terminate such benefits except with respect to death coverage.

In any policy year, the amount of benefit payable for loss of life arising from independent/unrelated accident/event shall always be the principal sum.

Any partial benefit already paid for any loss(es) shall not be carried over in the subsequent policy year, (i.e. the amount of benefits to be paid in the succeeding year shall not be reduced by any amount paid in the preceding policy year).

CONDITIONS

1. Written notice of claim must be given to the Company within thirty (30) days after the date of accident causing the loss covered by this policy or as soon thereafter as is reasonably possible. In the event of death, immediate notice thereof must be given to the Company.
2. All certificates, information and evidence required by the Company shall be furnished at the expense of the Insured and shall be in such form and of such nature as the Company may prescribe. The Insured Person as often as required shall submit to medical examination on behalf of the Company at its own expense in respect of any alleged bodily injury. The Company shall in case of the death of an Insured Person be entitled to have a post mortem examination at its own expense. The Insured Person shall as soon as possible after the occurrence of any injury obtain and follow the advice of a duly qualified medical practitioner and the Company shall not be liable for any consequences arising by reason of the Insured Person's failure to obtain and follow such advice and use such appliances or remedies as maybe prescribed.

3. The Insured shall give notice in writing to the Company of any change in the Insured's address or profession or occupation or of the effecting or other insurances except Coupon against accident disease or sickness and on tendering any premium for the renewal of this Policy shall give notice in writing to the Company of any sickness, disease, physical defect or infirmity with which any of the Insured Person has become affected or of which the Insured or the Insured Person has become aware since the payment of the preceding premium.
4. Written notice of claim must be given to the Company within thirty (30) days after the date of accident causing the loss covered by this policy or as soon thereafter as is reasonably possible. In the event of death, immediate notice thereof must be given to the Company.
5. All certificates, information and evidence required by the Company shall be furnished at the expense of the Insured and shall be in such form and of such nature as the Company may prescribe. The Insured Person as often as required shall submit to medical examination on behalf of the Company at its own expense in respect of any alleged bodily injury. The Company shall in case of the death of an Insured Person be entitled to have a post mortem examination at its own expense. The Insured Person shall as soon as possible after the occurrence of any injury obtain and follow the advice of a duly qualified medical practitioner and the Company shall not be liable for any consequences arising by reason of the Insured Person's failure to obtain and follow such advice and use such appliances or remedies as maybe prescribed.
6. The Insured shall give notice in writing to the Company of any change in the Insured's address or profession or occupation or of the effecting or other insurances except Coupon against accident disease or sickness and on tendering any premium for the renewal of this Policy shall give notice in writing to the Company of any sickness, disease, physical defect or infirmity with which any of the Insured Person has become affected or of which the Insured or the Insured Person has become aware since the payment of the preceding premium.
7. During the course of the employment of the Persons Insured by him the Insured shall take reasonable precautions to prevent accidents and shall comply with all statutory obligations relating to such employment.
8. This Policy may be renewed from term to term, subject to the consent of the Company, by issue of the renewal certificate by the Company and by payment of the premium in advance at the Company's premium rate in force at time of renewal. The Policy shall not be renewable after the end of the period of insurance during which the Insured Person attains the age of 65 years.
9. This Policy together with the endorsements, if any, certificates of insurance and the application constitute the entire contract of insurance. Any rider, clause , warranty or endorsement purporting to be part of the contract of insurance and which is pasted or attached to this Policy is not binding on the Insured, unless the descriptive title or name of the rider, clause, warranty or endorsement is also mentioned and written on the blank spaces provided in the Policy. Unless applied for by the Insured, any rider clause, warranty or endorsement, issued after the original Policy shall be countersigned by the Insured, which countersignature shall be taken as his agreement to the contents of such rider, clause, warranty or endorsement.

10. Written notice of claim given by or on behalf of the Insured or Beneficiary to the Company or to any authorized representative of the Company, with information sufficient to identify the Insured, shall be deemed to be notice to the Company.
11. The Company, upon receipt of the notice, will furnish the claimant such forms as are usually required by the Company for filing proofs of loss. If such forms are not so furnished by the Company within fifteen (15) days after its receipt of such notice, the claimant shall be deemed to have complied with the requirements of this Policy as to proof of loss upon submitting within the time fixed in the Policy for filing proofs of loss written proof covering the occurrence, character and extent of the loss for which claim is made. All certificates, information and evidence, other than the usual claim forms which the Company may reasonably require in support of a claim shall be furnished by the Insured.
12. Completed claim forms and written proof of loss must be furnished the Company within ninety (90) days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time.

RECEIPT OF PAYMENT CLAUSE

This Policy including any renewal thereof and/or any endorsement thereon is not in force until the premium has been fully paid to and duly received by the Company in the manner provided herein.

Any supplementary agreement seeking to amend this condition prepared by agent, broker or Company official, shall be deemed invalid and no effect.

No payment in respect of any premium shall be deemed to be payment to the Company unless a printed form of receipt for the same signed by an Official or duly appointed Agent of the Company shall have been given to the Insured, except when such printed receipt is not available at the time of payment and the Company or its representative accepts the premium in which case a temporary receipt other than the printed form may be issued in lieu thereof.

CHANGES IN POLICY CLAUSE

None of the provisions, conditions and terms of this Policy shall be waived or altered except by endorsement signed or initialed by an authorized official of the Company and issued whenever applicable in accordance with the provisions of Section 50 of the Insurance Code.

CANCELLATION CLAUSE

This Policy shall not be cancelled by or on behalf of the Company except in accordance with and pursuant to the provisions of Sections 64 and 65 of the Insurance Code. In the event of such cancellation, the Company shall refund the paid premiums less the earned portion thereof to the Insured; likewise, this Policy may be cancelled at the request of the Insured, in which case the Company will retain the corresponding premium based on the short period rate scale.

SHORT PERIOD RATE SCALE

It is hereby agreed that in the event this Policy is surrendered by the Insured for cancellation, the Company shall retain a premium in accordance with the following scale for the time the Policy has been in force: -

RENEWAL CLAUSE

Unless the Company at least forty-five days in advance of the end of the Policy period mails or delivers to the Insured at the address shown in the Policy notice of its intention not to renew the Policy or to condition its renewal upon reduction of the limits or elimination of the coverages the Insured shall be entitled to renew the Policy upon payment of the premium due on the effective date of renewal.

CIVIL CODE ARTICLE 1250 CLAUSE

“In case an extraordinary inflation or deflation of the currency stipulated should supervene the value of the currency at the time of the establishment of the obligation shall be the basis of payment,...” shall not apply in determining the extent of liability under the provisions of this Policy.

NUCLEAR EXCLUSIONS CLAUSE

This Insurance does not cover –

loss or destruction of, or damage to any property whatsoever or any loss or expenses whatsoever resulting or arising therefrom or any consequential loss;

any legal liability of whatsoever nature, directly or indirectly caused by or contributed to, by, or arising from ionizing radiations or contamination by radioactivity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel. For the purposes of this exclusion only, combustion shall include any self-sustaining process of nuclear fission.

The indemnity provided by this Policy shall not apply to nor include any loss, destruction, damage, or legal liability, directly or indirectly caused by, or contributed to, by, or arising from nuclear weapons material.

ARBITRATION CLAUSE

All differences as to the amount of any loss or damage covered by this Policy shall be referred to the decision of an arbitrator, to be appointed by the parties in difference or, if they cannot agree upon a single arbitrator, to the decision of two arbitrators, one to be appointed in writing by each of the parties within thirty (30) days after having been required in writing so to do by either of the parties or, in case of disagreement between the arbitrators, to the decision of an umpire to be appointed in writing by the arbitrators, before entering on the reference and an award by the arbitrator or arbitrators or umpire shall be a condition precedent to any right of action against the Company only in cases of differences as to the amount of liability arising out of this Policy.

ACTION OR SUIT CLAUSE

If a claim be made and rejected and an action or suit be not commenced either in the Insurance Commission or any court of competent jurisdiction within twelve (12) months from receipt of notice of such rejection, or in case of arbitration taking place as provided herein, within twelve (12) months after due notice of the award made by the arbitrator or arbitrators or umpire, then the claim shall be for all purposes be deemed to have been abandoned and shall not thereafter be recoverable hereunder.

SETTLEMENT OF CLAIM CLAUSE

The amount of any loss or damage for which the Company may liable, under this Policy, shall be paid within thirty (30) days after proof of loss is received by the Company and ascertainment of the loss or damage is made either by agreement between the Insured and the Company or by arbitration; but if such ascertainment is not had or made within sixty (60) days after such receipt by the Company of the proof of loss, then the loss or damage shall be paid within ninety (90) days after such receipt. Refusal or failure to pay the loss or damage within the time prescribed herein will entitle the Insured to collect interest on the proceeds of the Policy for the duration of

GCash Borrow Load lets you instantly get prepaid load promos for mobile or broadband, even if you have zero balance. You'll just need to **pay it back within 14 days**, with a **small processing fee**.

Borrow Load is only **available to selected GCash users**. GCash will notify you via SMS if you qualify.

Jump to:

- [Eligibility for Borrow Load](#)
- [Activate Borrow Load](#)
- [Borrow Load Products](#)
- [How to Use Borrow Load](#)
- [How to Repay Borrow Load](#)
- [Get Help with Borrow Load](#)

Eligibility for Borrow Load

To be eligible for Borrow Load, you must meet the following requirements:

- 21 to 65 years old
- You must be a Filipino citizen

- You must be a Fully Verified GCash user
- You must have a good credit record and did not commit any fraudulent transactions
 - Your eligibility is subject to credit risk rules and policies
- You must not have an active *Borrow Load* promo.
 - If you have an existing *Borrow Load* promo, you need to settle it first before you can avail of another one.

How to Activate Borrow Load

To learn how to activate your Borrow Load, check out the steps below:

1. On your GCash app, tap **Load > Borrow Load**
2. Select **Activate**
3. Review your personal details and agree to the Terms and Conditions. Tap **Start Borrowing**

You'll be led to a page that confirms the successful activation of your Borrow Load.

Borrow Load Products

Here are some of the promos available for Borrow Load:

GLOBE & TM

GO UNLI50

- 3-day validity
- 500 MB data for all sites + UNLI calls and texts to all networks

EASYSURF50 FUNALIW

- 3-day validity
- 2 GB data + 6 GB of Facebook, YouTube, Mobile Legends, TikTok, & more (2GB/day) + UNLI texts to all networks

GOEXTRA99

- 7-day validity
- 8 GB data for all sites + UNLI texts and calls to all networks

GO+99

- 7-day validity
- 8 GB 5G open access data or 8 GB choice of apps

DITO

DATA 50

- 7-day validity

ALL DATA 99

- 7-day validity
- 6 GB Shareable Data for all sites

Note: The **repayment deadline of Borrow Load is 14 days** after you use the Borrow Load promo.

How to use Borrow Load

Note:

A PHP 10.00 processing fee applies each time you borrow load, plus any load convenience fees.

To learn how to activate your Borrow Load, check out the steps below:

1. On your GCash app, tap **Load > Borrow Load**
2. Select the load you want to borrow
3. Fill in all the details and tap **Next**
4. Pick a promo and tap **Borrow Load**

Make sure the “Borrow” option is selected. Agree to the Terms and Conditions. Select **Confirm**

How to repay Borrow Load

Note:

For late payments, a penalty fee of **2.5% of the outstanding principal balance** will be charged 1 day after the due date, 31 days after the due date, and 61 days after the due date.

Follow the steps below to repay your Borrow Load promo:

1. On your GCash app, tap **Load > Borrow Load**
2. Tap Pay
3. Enter the amount you wish to pay and tap **Next**
4. Review the payment details and tap **Pay**

If you still have unpaid dues, GCash will automatically deduct them from your wallet on the due date until the total amount is fully settled. After each auto-deduction, you'll receive an SMS notification.

To avoid delays, we recommend paying your GLoan dues directly through the Borrow Load page.

Your payment will be reflected within **24 hours** after making the transaction. If after 24 hours the payment is still not reflected, [click here to ask for help](#).

Get Help with Borrow Load

Unable to borrow load

It may be because you have an existing borrow load promo. You can't avail of more than one borrow load promo at a time.

If you can't borrow load due to an error message, please [click here to ask for help](#).

Borrow load was not successful

If you have received an error message that the load you borrowed was not successful, this may be because you still have an **active service that can't co-exist with the Borrow Load service** that you're trying to register to.

Load product is unavailable

Customers may also see **different terms** depending on their GCash tenure and usage. This may change as we continuously develop the Borrow Load service.

Did not receive load

If you made a purchase but did not receive the load, please check the following:

- Review if the transaction is reflected in your [Transaction History](#)
- Check if you inputted the correct mobile number
- If you still need help, [click here to ask for help](#)

Received incorrect load credit

If you received an incorrect load credit than the amount you purchased, please [click here to ask for help.](#)

Charged more than once for a purchase

If you avail more than once, then you will also be charged more than once with the relevant Borrow Load price and processing fee based on the number of times you avail.

If you have been charged more than once, then you may have availed of a borrow load offer multiple times.

If you think you have been wrongfully charged, [click here to ask for help.](#)

Learn about how you can [settle your dues for Borrow Load here.](#)

- [Accepted IDs for GCash Verification](#)
- [How do I send money to another GCash account?](#)

Got questions about the new GCash Card? Check out the fast FAQS below:

Who can apply for a GCash Card?

Only [Fully Verified GCash](#) and [GCash Jr.](#) account owners are allowed to avail and order a GCash Card.

What will happen to my old GCash Mastercard?

You may continue to enjoy the benefits of your current GCash Mastercard until its expiry date.

I have a pending GCash Mastercard order. Can I cancel?

Card orders for the GCash Mastercard were turned off several months ago. All orders of GCash Mastercard have already been processed.

Where can I get the new GCash Card?

You may only order the new GCash Card in the app. To learn more, please visit [Order a GCash Card.](#)

Why can't I click the Order a Card button?

You may only order 1 GCash card per account.

Will my name be printed on the GCash Card?

Yes, your name will be on the GCash Card to maintain exclusivity and uniqueness to its owner in case of identity checks.

Does the GCash Card have an expiry date?

Yes, the expiry date of the GCash Card can be seen on the back of the card.

Is my GCash Card capable of PayWave?

[PayWave](#) using the GCash Card is dependent on the merchant partner.

Is my GCash Card linked to my GGives or GCredit?

No, the GCash Card is linked to your wallet balance only and serves only as a prepaid debit card.

Can I purchase items using my GCash Card if I do not have enough funds in my wallet balance?

To make purchases or withdraw money using the GCash card, please have sufficient funds in your linked GCash wallet, as the card functions as a prepaid debit card.

Do I need to enter a PIN when using my GCash Card for POS (Point of Sale) transactions?

Note: The 6-digit PIN differs from the 4-digit GCash MPIN you use to log in to your GCash account.

Depending on the merchant, you may be asked to enter your 6-digit card PIN to complete your transaction using your GCash card.

Do I need to enter a PIN when withdrawing using my GCash Card?

Note: Your available balance may appear as PHP 0.00 on the printed receipt. Please refer to your linked GCash app to check your wallet balance.

Like the usual debit card, you will be required to enter your 6-digit PIN for ATM withdrawals.

I noticed unauthorized transactions in my GCash account. What do I do?

If you notice unauthorized transaction items (unexpected charges, unauthorized money transfers, etc) in your [GCash Transaction History](#), follow these steps:

1. **Check all platforms where GCash is a linked payment method:** Make sure your subscriptions in social media accounts or e-commerce platforms are still active and accurate (i.e App Store, Google Play Store, Netflix, Spotify)
2. **Change your MPIN :** Secure your GCash account by changing your MPIN
3. **Report the transaction:** If you notice unfamiliar transactions in your GCash account, report them **within 15 days of the transaction date** then [click here to ask for help](#).

GCash Card Protect is an insurance product covering the physical card for GCash Visa Cards purchased via the GCash app.

GCash Card Protect is **free for the first 30 days after you link or activate your card**. To keep your GCash VISA card protected after that, you can renew the coverage through the GCash app in the GInsure Marketplace.

GCash Card Protect **cannot be transferred or refunded**. If your GCash VISA card is lost and reported, the protection ends and cannot be transferred to a new card.

Coverage of Card Protect

Note: GCash and GCash Jr. account holders who purchase and activate their GCash VISA Cards are entitled to **one (1) month FREE Card Protect coverage**.

GCash Card Protect provides GCash and GCash, Jr. account holders who purchase and activate their GCash VISA Card **protection from Unauthorized Transactions**.

In case of this incident, the customer is reimbursed **PHP 10,000 per occurrence or incident**, and up to **PHP 20,000 aggregate limit** if their GCash Card is used by unauthorized third parties, including fraudulent/unauthorized pay-to-tap transactions and

excluding transactions that did not require MPIN or OTP.

With GCash Card Protect, an additional layer of protection is provided to users which includes **coverage for lost cards** of PHP 185 for card replacement and up to PHP 225 for **card replacement delivery fee**.

Examples:

Cyber Incident No.	Date of Loss	Result of Investigation	Unauthorized Transaction Amount	W/in occurrence limit	W/in aggregate limit	Claim amount paid to customer
1	Jan 1	Valid – card was stolen and used for pay-to-tap	5,000	Yes	Yes	5,000
2	Jan 15	Valid – card was used by someone else and OTP went through	12,000	No	Yes	10,000
3	Jan 20	Valid – card was used in online shopping	7,000	Yes	No	total claims now at 24,000
			5,000			
			24,000			
			Total Amount of Unauthorized Transactions			
			(Aggregate Limit)			
			20,000			

Exclusion from Coverage

- **Abnormal Conditions/ State of Emergency / Mass Cyber-Attack**
- **Business Activities** - any loss based upon, arising from or as a consequence of any activities carried out by the Insured for trade, business or professional purposes, including any loss connected to an account with a financial institution that is used for trade, business or professional purposes.
- **Confidence Scams** - any loss based upon, arising from or as consequence of a confidence trick involving feigned intentions towards the Insured, such as romantic intentions, investments, contracts, loans and the like, gaining the Insured's confidence or affections, and then using that goodwill to commit fraud.
- **Currency** - any loss involving unregulated digital currency of any kind, unregulated virtual currency of any kind or unregulated cryptocurrency of any kind.
- **Dishonest Acts**
- **Indirect or Consequential Loss**
- **Infrastructure Failure**- any loss based upon, arising from or as consequence of any outage in or disruption of electrical power or telecommunications services operated by a third-party service provider.
- **Lost or Stolen Plastic Cards unless specifically covered**
- **Nuclear Risks**
- Prior Matters - any loss based upon, arising from or as a consequence of any fact, circumstance, act, threat or event which the Insured was aware of prior to the inception date of this policy.
- **Property Damage**
- **Terrorism**
- **Voluntary Disclosure** - any loss based upon, arising from or as a consequence of voluntary disclosure by the Insured of any code or other security information to someone who subsequently commits or colludes with the Insured in an identity theft, cyber event, non-delivery, accidental damage or theft.
- **War, Invasion and Civil Commotion**
- **Wear and Tear**
- **Police Report** - any loss based upon, arising out of or a consequence of non-reporting of the identity theft, cyber event, or theft to the police and/or the Insured do not have a police reference number.
- **Corporate Cyber Liability Exclusion**- any losses related to corporate cyber liability or arising from a commercial cyber-attack and any losses where a legal corporate entity of any sort is the subject of a cyber-attack. Legal corporate entities here are in

reference to but not limited to NGOs or any registered or unregistered business entity.

- **Infectious / Communicable Disease Exclusion**

Eligibility

Note: You cannot purchase Card Protect on behalf of someone else. The Insured will be the GCash account owner who purchased the physical GCash VISA Card via the GCash App

You can avail of GCash Card Protect if you are:

- A Fully Verified GCash user
- An account holder with a linked GCash card to your GCash registered mobile number

Enroll Card Protect

Note: As each customer is allowed to have a maximum of three (3) GCash VISA Cards, the same customer is also entitled to a maximum of three (3) **Gcash Card Protect policies**, one (1) Card Protect per GCash VISA Card.

A customer who activates a GCash VISA Card will automatically be entitled to a non-cancellable one **(1) month FREE GCash Card Protect**.

A Confirmation of Insurance Cover (CoC) will be sent to your GCash registered/verified email address **within 7 business days**.

You can renew your GCash Card Protect Plan via GInsure [here!](#)

Renew Card Protect

You can renew your GCash Card Protect through the GCash App by following these steps:

1. Log in to your GCash account.
2. Select **GInsure > Lifestyle**
3. Tap **Card Protect Renewal**
4. Select **Buy Now or Activate**

You can renew your coverage monthly, semi-annually, or annually and enable auto-renewal for continuous protection. You will receive your Confirmation of Insurance Cover via your verified email within seven (7) business days of renewal.

Claims and Cancellation

File a Claim for Card Protect

To report cyber incidents, unauthorized card transactions, accidental loss, or damage to your GCash card, please submit a ticket via the GCash Help Center.

To file a claim for Card Protect prepare the following documents:

||| --- | --- || **For Card Replacement/Delivery Cost | For Unauthorized Charges** || 1.

Claim Form

2. Valid ID of the subscriber
3. Proof of request for card replacement
4. GCash Ticket No. | 1. Claim Form
2. Police Report
3. Valid ID of the subscriber
4. Proof of loss of funds due to fraud committed (e.g. Electronic communication received, bank certification of fraudulent transfer, card statement with the fraudulent charges, etc)
5. GCash Ticket No. |

For further assistance, you may additionally contact BPI MS Personal Cyber Customer Hotline at 8840-9444 or visit <https://bpims.mycybercentre.com/en/> for more information.

Please have your GCash Ticket Number ready. For any claim concerns or cyber event, call Cyber Scout at 8840 9444.

In the event of unauthorized card transactions, accidental loss, or damage to your GCash card, kindly file a support ticket through the GCash Help Center or reach out to 2882.

Cancel your Card Protect

Cancellation of this policy by the user is not entitled to any refund. GCash and BPI MS reserves the right to cancel your coverage by giving you at least seven (7) days prior notice in writing to the address on file, and in accordance with the law. The reasons for cancellation and schedule for the return of premiums are provided in the CoC and/or the policy terms and conditions.

Contact BPI-MS

If you have additional questions, you may contact Bank of the Philippine Islands-MS (BPI-MS) via BPIMS_Non-Motor_Claims@bpi.com.ph

Enter the GCash Cards Dota 2 Experience 2025 Raffle by using your GCash Visa Card. Earn entries by ordering and linking your GCash Card, or making payments in stores, online, or abroad.

Prizes include:

- An exclusive gaming house experience
- A trip to Riyadh for the Esports World Cup
- Steam codes
- GCash x Talon merchandise

Note: Winners of the ESports World Cup Experience and their companions must have a valid passport until at least **March 30, 2026**. If the winner doesn't have a passport, a reserve winner will be selected instead.

Who can Join?

To join, you must have a Fully Verified GCash account.

When is the Promo Period?

April 15 to June 15, 2025.

How to join the promo?

To join the raffle, go to the **GCash app > Cards**, and tap the promo to opt-in the promo.

To earn raffle entries:

- Order and link your GCash Card,
- Make payments in stores, online or abroad with your GCash Card

When are the raffle dates for the promo?

May 15, 2025, 11:00am

May 30, 2025, 11:00am

June 18, 2025, 11:00am

When will I receive the prize if I won in the raffle?

After every raffle date, the winners will be notified 5 days after via SMS, email, and post mail.

Need more Help?

I did not receive a raffle entry after my GCash Card transaction. What should I do?

If you didn't get a raffle entry after using your GCash Card, check these first:

- Was your transaction between April 15 and June 15, 2025?

- Did you opt into the raffle? (Look for a prompt in the **Cards** section.)
- Was your card linked before the transaction?
- Was the transaction refunded or found invalid? Refunded or fraudulent transactions do not count.
- Wait one day. Your raffle entry should show up the day after your transaction.
- Check your app notifications for updates.

Discover the features you can access with a Basic Profile and Fully Verified GCash accounts. Here's a quick summary of the difference:

|||| --- | --- || **Basic** | **Fully Verified** || Pay Bills

- Buy Load
- Cash In | Features of Basic Profile, plus:
 - Send Money
 - Bank Transfer
 - Pay QR
 - Pay Online
 - GCash Card
 - Borrow
 - GSave
 - GInvest |

Basic Profile

With a Basic profile, you can:

Pay Bills Easily settle your bills, utilities, government fees, etc through GCash.

Buy Load

Purchase telco, non-telco, and broadband load directly through the app.

Cash In

Top up your GCash Wallet through linked accounts, bank transfers, and partner outlets

Fully Verified Profile

With a Fully Verified account, you have an **increased Wallet and Transaction Limit** and can enjoy more features like:

Send Money

Send money to other GCash Wallets quickly and securely

Bank Transfer

Easily transfer money from your GCash wallet to any local or digital bank account

Pay QR

Make quick, contactless payments by scanning a merchant's QR code directly

Pay Online

Complete transactions with merchants and apps online using your GCash account

Borrow

GCash provides three lending solutions to meet your financial needs:

1. **GCredit**: A personal credit line for purchases and payments within the app.
2. **GLoan**: A cash loan disbursed to your GCash wallet with flexible repayment.
3. **GGives**: A buy-now-pay-later feature for purchases with payments spread over time.

GInvest

Save and grow your money effortlessly with the GCash app by exploring:

GSave: Choose from 4 partner banks and open a savings account with high interest and easy access all within the GCash app

GCrypto: Buy, sell, and hold popular cryptocurrencies directly.

GStocks: Invest in Philippine stocks powered by AB Capital Inc.

GFunds: Invest in mutual funds managed by ATRAM and BPI.

Commissions

Bilang isang GCash Pera Outlet retailer, ikaw ay makakatanggap ng commission para sa pag-provide ng GCash services sa iyong customers:

|||| --- | --- || **Transaction Type | Commission** || Pa-Cash In | 1% || Pa-Cash Out | 2% ||
Bills Pay | Average of Php 3. Earnings vary per biller. |

Tingnan ang sample computation:

||||| --- | --- | --- | --- || **Transaction Type | Transaction Amount | Customer Fees | Total Amount Paid/ Deducted | GPO Commission** || Pa-Cash In | Php 1,000 |
Php 10 | Php 1,010 | Php 10 || Pa-Cash Out | Php 1,000 | Php 20 | Php 1,020 | Php 20 ||
Bills Pay | Bill Amount: Php 1,000 | Biller Fee: Php 10 | Php 1,010 | Php 3 |

Fees

Bahagi ng mga services na natatanggap bilang isang GPO ang Fund-in. Tingnan ang table para sa updated fees:

|||| --- | --- || **Fund-in Method | Charges to GPO** || via Dagdag Pondo | 0% (FREE) ||
via Distributor | Up to 0.5% |

Sample Computation:

		Fund-in Method	Fund-in Amount	Service Fee	Total
Amount to be Paid		via Dagdag Pondo (mula sa GCash wallet)	Php 1,000	Php 0	Php 1,000
		via Distributor	Php 1,000	Php 5	Php 1,005

By applying to be a GCash Pera Outlet (GPO), you accept and agree to be legally bound by the following terms and conditions (T&Cs):

These Terms and Conditions (T&Cs) shall be effective, valid and binding from the time you agreed to it, and will exist up to the time that it is terminated by you or us, save for those provisions that will remain effective after termination as stated in these T&Cs, laws or regulations. GCash reserves the right to modify these T&Cs at any time without any advance notice. Any changes to these T&Cs will be effective immediately upon posting on this page, with an updated effective date. By accessing or using the GCash Service after any changes have been made, you signify your agreement on a prospective basis to the modified T&Cs and all the changes. Be sure to turn to this page periodically to ensure familiarity with most current versions of the T&Cs.

Please also read the [Privacy Notice](#) of GCash before using any or a portion of the GCash Service. The Privacy Notice describes the purpose and manner of collection, processing, and sharing of your personal data when using the GCash Service. If you do not understand or do not wish to be bound by these T&Cs and the Privacy Notice you cannot access or use any portion of the GCash Service. Further, you acknowledge that you have fully understood and agree to be governed by the rules and regulations of the GCash Service you are availing yourself of.

Under these T&Cs, the terms "GCash" "we", "us", and "our" refer to G-Xchange Inc. together with its employees, directors, affiliates, successor and assigns. GCash is duly registered with and licensed by the Bangko Sentral ng Pilipinas (BSP).

1. BASIC TERMS

2. By accepting these T&Cs, you represent that you are at least 18 years old, and that you are registering for GCash Pera Outlet account
3. As a registered business entity, you represent that you are duly authorized to do business and your employees, officers, representatives and other agents accessing or using the GCash Service are duly authorized to access and use the GCash Service and to legally bind you to these T&Cs and all transactions conducted under your mobile number and Mobile Personal Identification Number (MPIN).
4. Once approved as a GPO, you warrant that you shall adhere, at all times, to all applicable laws and regulations, including laws and regulations enforced by the Bangko Sentral ng Pilipinas and the Anti-Money Laundering Council, among others.

5. DEFINITION OF TERMS

6. **GCash Service** - The term refers to the range of financial and non-financial services provided by GCash, including but not limited to mobile wallet functionalities, fund transfers, bill payments, purchasing of goods and services, and access to promotional offers. These services are accessible via the GCash mobile application and its associated platforms such as the GPO app.
7. **GPOs** - The term refers to the general trade customers, such as sari-sari store owners, targeted by the platform, which enables them to offer digital services through the GPO app.
8. **GPO App and/or GPO Platform** - The term refers to the mobile application specifically designed for GCash Pera Outlet (GPO) transactions and interactions. It includes all features, functionalities, and interfaces provided to users for managing their GPO transactions, and accessing GPO services.
9. **GPO Services** - The term encompasses all financial and transactional services provided through the GPO App. This includes services such as cash-in and cash-out transactions, bill payments, buy load, and any other financial services offered through the GPO App to facilitate customers' needs.
10. **GPO Wallet** - The term "GPO Wallet" refers to the virtual wallet feature within the GPO App that holds the user's funds, allowing them to perform various financial transactions. This digital wallet can be used for cashing in, cashing out, making payments, and other financial operations as provided by the GPO Services.
11. **GPO Account History** - The term refers to the record of all transactions and activities associated with a user's GPO Wallet. This includes details of deposits, withdrawals, payments, and any other interactions that impact the balance or status of the GPO Wallet.
12. **GPO Transaction History** - The term refers to the detailed log of all financial transactions executed through the GPO App. This includes individual records of transactions such as cash-ins, cash-outs, bills payments, and any other financial operations performed by the user within the GPO app.
13. **My Kita** - The term refers to a specific part of the GPO app located at the bottom of the screen after logging in. This section displays the kita or earnings for each transaction. By clicking on this menu, users can filter by date and type of transaction or search for a particular transaction.

14. APPLICATION FOR GCASH PERA OUTLET

15. You agree to provide all necessary information and render all reasonable assistance and cooperation that we may require in order to complete your verification as a GPO. The information you provide will be used to determine if you are eligible to begin and/or continue to use your GPO App and/or GPO Services. All collection and use of your personal data by us are subject to the Privacy Notice of GCash.
16. You agree that if you are granted access to the GPO Platform without submitting the necessary business document(s), you will only be granted a 14-day period to comply with the said requirements. Otherwise, GCash reserves the right to suspend your GPO until you completely submit all of the necessary business document(s).

17. Depending on the specific GPO Service you will use, you agree that we may verify your registration information with the help of a third-party verification vendor, if necessary.

18. GCASH PERA OUTLET FEATURES, SERVICES AND OPERATIONS

19. Upon onboarding, a GPO Wallet will be created for you, independent from any personal user wallet that you may currently have with GCash, without any initial wallet limit. GCash, however, reserves the right to subsequently impose limits on your GPO Wallet if, upon its assessment, such is warranted by circumstances.
20. GCash will provide you with GPO merchandise and onboarding kit, which will include an instruction manual, stickers, and earnings cheat sheet. You agree to display all merchandise provided by GCash through its official partners, and prevent any form of vandalism to the best of your ability.

21. You will be granted access to the GPO Platform to access the following GCash Services, which you should make available to the customers during store hours unless there is a system downtime:

22. Pa-Cash In

23. Pay Bills

24. Pa-Cash Out

25. Send Load

26. Fund-In

27. GCash may deactivate these GCash Services at any given time and for any duration

28. You are allowed to impose additional charges to a customer for all these GCash Services. GCash, however, will not be liable for any charges that is beyond GCash's Suggested Retail Price, which is found in the onboarding kit.

29. YOUR OBLIGATIONS AS A GPO

30. **Follow the Law.** Make sure you follow all laws and regulations related to money transfers and remittances at your business location.
31. **Process and Honor GCash Services.** Always process and honor GCash Services as outlined in this Agreement, unless there are circumstances completely out of your control that you couldn't have anticipated or resolved.
32. **KYM/KYB.** Ensure all your agents are verified through KNOW YOUR MERCHANT (KYM) or KNOW YOUR BRANCH (KYB) checks before you allow them access to the GCash Services.
33. **Update GCash on New Hires.** Let GCash know about any new employees or franchisees so GXI can arrange training within two (2) weeks of their hiring or shop opening.
34. **Monitor Transactions.** Keep track of all transactions and your agent network. Report any suspicious transactions or doubts about legitimacy to GCash within two (2) business days.

35. **Terminate Abusive Agents.** If GXI identifies any abusive agents, stop all dealings with them within twenty-four (24) hours of GCash's request. If you don't, GCash may deactivate or suspend your access to GCash Services.
36. **Support Investigations.** Help with any investigations into fraud or abuse by providing GCash with necessary information and details about any suspected fraud, fraudulent agents ,unauthorized or fraudulent activities.
37. **Share Information.** Obtain consent from your agents to share their personal information with GCash if needed for investigations. GCash will keep this information confidential and only use it for investigating suspicious transactions.
38. **Keep Records.** Save all hard-copy and electronic records of remittance transactions, KYM, and KYB information for ten (10) years. Provide GCash access to these records when requested, and cooperate with any BSP or court requests for access.
39. **Maintain Standards.** Apply the same standards required by this Agreement to your agents and branches. Ensure they maintain good business practices and controls to protect both your and GCash's interests.

40. COMMISSION, FEES AND OTHER FINANCIAL MATTERS

41. **Commission Fees.** Your commission earnings for providing GCash services are as follows:
 - For Pa-Cash In transactions, you will earn 1% of the transaction amount.
 - For the Pa-Cash Out transactions, you will earn 2% of the transaction amount.
 - For the Pay Bills transactions, you will earn an average of ₱3.00 per transaction. Earnings may vary per biller.
42. **Commission Payout and Verification.** Your commission fee shall be paid out to your GPO Wallet on a real-time basis, after every transaction made. You can verify this by checking either the transaction history of the GPO Platform or the "My Kita" menu in the GPO App. GCash reserves the right to adjust or reverse the commission paid out to your GPO Wallet with respect to transactions that it has verified to be unsuccessful or fraudulent.
43. **Distributor Fees.** Distributors may offer a fund-in service to your GPO Wallet for which they may charge a fee of 0.5% of the funded amount. The Distributor will clearly disclose the fee before the transaction, and will be responsible for the collection and management of this fee. You retain the right to choose this service or to use the Dagdag Pondo fund-in service, which currently remains free.
44. **Changes to Commission Schedule.** GCash may change the commission schedule but will communicate any fee and/or commission changes to you in advance and, if applicable, how to accept and make those changes effective. GXI will communicate via the usual channel of communication any change to commission rates within thirty (30) calendar days prior to implementation.
45. **Acceptance or Rejection of Changes.** Subject to applicable law, you accept the new fee and commission rates by continuing to conduct GPO Services after the change takes effect. If you do not agree with a price change, you have the right to reject the change by deactivating your GPO account prior to the price change going into effect.

46. FRAUD AND FRAUDULENT TRANSACTIONS

47. You are expected and required to use all necessary efforts to prevent the occurrence of fraud and fraudulent or unauthorized activities while processing transactions using GPO Platform.
48. You agree that you will not receive a commission fee for any transaction caused by fraudulent or unauthorized activities. You also agree that if GCash has already paid you your commission fee prior to being aware of the occurrence of fraudulent or unauthorized activities in your processing of such transactions corresponding to such commission fee, GCash shall consider such payment as “Excess Payment”, which it shall deduct or set-off from your future commission fee.
49. In case of paragraph (2) above, GCash will inform you of the fact that it has considered your commission fee as “Excess Payment” and the amount of “Excess Payment” as soon as practical. If you would like to dispute the fact or the amount of “Excess Payment”, you must immediately notify GCash of your intent to dispute in order for GCash to initiate an investigation. GCash’s findings in its investigation will be final and conclusive.
50. In addition to adjustment or reversal of paid commission fee or “Excess Payment”, GCash, upon notice, may also disconnect or block your access to the GPO Services.
51. If GCash determines during its investigation that the fraudulent or unauthorized activities was not caused by your or any of your authorized representatives’ wrongful act omission, you shall work together with GCash to resolve the issue.
52. If, however, GCash determines during its investigation that you or any of your authorized representatives committed fraud or participated in the commission of fraudulent or unauthorized activities, GCash, in addition to disconnecting your access to the GPO Services under paragraph (4) above, can do any or a combination of the following:
 53. Full recovery or reimbursement from you of all the direct costs incurred by GCash because of the fraud, fraudulent or unauthorized activities that you or any of your authorized representatives committed or participated in; and
 54. Blacklist you or any of your authorized representatives committed, or participated in the commission of, fraud, fraudulent or unauthorized activities.

55. INDEMNIFICATION: LIMITS OF LIABILITY

56. GCash is not liable for any indirect or consequential loss that you may incur.
57. GCash is not liable for any misrepresentation, fraud, fault, or misconduct that you or any of your authorized representatives have committed. You shall be liable to GCash for the damages and losses that GCash will incur because of: (a) your failure or delay in performing your obligations as a GPO under this T&Cs; and (b) breach of your warranties and representations under this T&Cs.
58. You acknowledge that the GCash Service or the GPO App may not be operational all the time and may be interrupted by causes beyond GCash’s control. GCash, thus, shall not be held liable for causes not attributable to its fault or negligence, including *Force Majeure*.

59. SENDING OF ACCOUNT / TRANSACTION HISTORY STATEMENT

Upon the GCash Pera Outlet's request, GCash shall send a copy of the GCash Pera Outlet Account/Transaction History statement either via mail, fax or email, as may be applicable. The mere act of sending the Account Transaction History statement in the mode and to the address you indicated is conclusive presumption that you have received the same. GCash and its employees, agents, or representatives shall be held free and harmless from any and all liability should the Account / Transaction History statement be read by any person other than the GCash Pera Outlet. Neither can you thereafter raise the defence that you failed to receive the Account / Transaction History statement. In all instances, GCash Pera Outlet may inquire about the Account Transaction History statement by contacting the GCash Hotline. GCash may charge a fixed amount for Account / Transaction History Statement fee per request

10. DISPUTES AND ERRONEOUS TRANSACTIONS. The entries in the Account/ Transaction History statement are presumed true and correct unless GCash Pera Outlet notifies GCash in writing of any disputes thereon within fifteen (15) days from the date of transaction. If no dispute is reported within the said period, all transactions and the entries in the Account/ Transaction History statement are considered conclusively true and correct. Disputed transactions shall only be credited back to GCash Pera Outlet's Wallet once the claim/ dispute has been properly processed, investigated, and proven to be in favor of the GCash Pera Outlet. On the other hand, there shall be no reversals for transactions made through key-word based commands and erroneous transactions made by the GCash Pera Outlet.

11. DEACTIVATION AND REACTIVATION OF GCASH PERA OUTLET ACCOUNT

12. You may choose to deactivate your GCash Pera Outlet account either by contacting GCash directly or doing so via the GCash Pera Outlet Profile. Once addressed, the deactivation will take effect immediately.
13. Any existing balance in the GPO wallet will be disbursed to the account holder and further instructions will be given via email.
14. You may reactivate your GPO account at any given time thereafter, given compliance with the reactivation process.
15. GPO wallets that are dormant or have had no monetary activity for more than six (6) months, or have zero balances, will be automatically closed/terminated.

16. PURELY CONTRACTUAL RELATIONSHIP. You and GCash are independent contractors. There is no relationship of agency, partnership, joint venture, franchise, or employment created between you and GCash.

17. OWNERSHIP OF INTELLECTUAL PROPERTY. GCash reserves all rights relating to its intellectual property.

18. CONFIDENTIALITY

19. You agree to treat any non-public information of GCash, its agents, employees, and representatives, its operations, and the terms and conditions herein, as Confidential Information. During the term of this agreement, and thereafter, you shall hold all Confidential Information in strict confidence and shall not, directly or indirectly, use, disclose, appropriate, copy or communicate the same to any other Party without the written consent of GCash. Any and all information authorized to be disclosed shall be limited only to what has actually been specified by GCash in its written consent.

20. Without the prior written consent of GCash, you shall not disclose to any person (except to your advisors and consultants) the fact that discussions or negotiations are taking place concerning the Project or the existence of this agreement/T&Cs, unless such disclosure is required by law and such disclosure is made after prior consultation with GCash.
21. You shall not issue any public announcement or otherwise concerning the Project without the approval of GCash, except as may be required by law.
22. **DATA PRIVACY.** To know more about how we collect, process, share, and protect your personal data when using the GCash Services, please read our [Privacy Notice](#).

23. MERCHANT LOANS

As part of the GCash Services, you acknowledge and agree upon your acceptance of these Terms and Conditions that your personal data, and financial information may be shared to and processed by Fuse Lending, Inc., the lending affiliate of GCash, for loan eligibility assessment, data analytics, and marketing and communications.

Your information will be used by Fuse Lending, Inc. in accordance with our privacy policy and solely for the purposes stated herein.

17. FORCE MAJEURE

18. "Force Majeure" means any event which includes all of the following:
19. could not have been foreseen or which were inevitable and beyond the control of the party invoking it, without any accompanying fault or negligence on the part of such party;
20. prevents or materially affects the ability of the invoking party to comply with any of its obligations under this Agreement; and
21. includes, but is not limited to, acts of God, laws, acts of war or conditions arising out of or attributable to war (whether declared or undeclared), riots, acts of terrorism, insurrection or rebellion, fire, explosions, earthquake, super typhoon, massive flooding, volcanic eruption, global or local disruption of access to the Internet, widespread or massive power outages, criminal activity, telecommunications service interruptions, unauthorized access Or by theft, alteration, loss or to destruction of PF's applications, data, programs, information, network or systems through accident, fraudulent means or any other method by Merchant's users and third parties, or any other analogous event.
22. GCash or the GPO may not claim the benefit of Force Majeure if the event claimed as Force Majeure occurs as a direct result of the affected party's own action(s) or inaction, or the action(s) or inaction of its affiliates, sub-contractors, or other persons under its control.
23. Despite our efforts to ensure the security of our system, you acknowledge the possibility that all electronic data transfers may potentially be susceptible to interception by others. We cannot guarantee that data transfers on the GCash Pera Outlet App or emails transmitted to and from us will not be monitored or read by others.
24. **SEPARABILITY CLAUSE.** If the court finds any provision of this T&Cs invalid or unenforceable, such court decision shall not affect the remainder of this T&Cs.

25. GOVERNING LAW ; DISPUTE RESOLUTION. The laws of the Republic of the Philippines will govern this T&Cs and any matters arising from it. Any dispute arising out of or relating to this T&Cs shall be brought before the proper courts of Taguig City, Metro Manila, to the exclusion of all other courts.

How will I know if I am affected by the termination?

Scan to Pay Merchants who are affected will be receiving a termination notice via email regarding the portal's termination date.

Is there any provision in the contract that access may be terminated?

Yes, this may be found in **Clause 4.1** of the GCASH PRO MSA (**re: Termination**). The clause is as follows:

4.1. This Agreement and/or any SOW may be terminated by a Party for convenience (for whatever reason) by sending the other Party a written notice of termination at least sixty (60) days prior to the intended effective termination date.

4.2. Termination of a particular SOW shall not result in the termination of any other SOW unless

specified by the Party calling for termination; however, if a Party terminates this Agreement, then all SOW then in

When will my GCash Pro Platform access be terminated?

Access to the platform will be terminated at least 60 calendar days from the date of notice.

What happens before the termination date?

1. Your access to the GCash PRO Portal and Scan-to-Pay QR for accepting QRPH Payments will remain fully functional.
2. You will continue to receive the auto-settlement of funds to your nominated bank account as usual.
3. Your daily settlement reports will continue to be sent via email, including all transaction history.

What happens when access is terminated?

1. **Termination of GCash PRO Portal Access:** Your access to the GCash PRO Portal will be terminated. All rights and obligations related to the use of the portal will cease, including the ability to log in or access any services provided via the portal.
2. **Termination of Scan to Pay Service:** You can no longer use the Scan to Pay service or any related payment facilities.
3. **Settlement of Funds:** The last settlement of funds will occur on the next banking day from the Termination Date for transactions completed on that same day (Termination Date).

The **GCash Summer 2025 Promo** brings you **exclusive deals and special offers** for the season. Check out the dedicated promo page where you can find all the promos and GCash exclusive deals.

Promo Duration

March 10- May 5, 2025

Eligibility

This exclusive promo is open to all Filipino GCash users aged 18 years old and above, residing in the Philippines.

Note:

Some promos may not be available to GCash Overseas users.

How to Avail

Open the GCash app and tap any of the GCash Summer Promo pop-ups or cards.

How to use the GCash Summer Promos

1. Open the GCash app.
2. Access the Promo Page by **tapping on Tap for Summer Deals or the Summer Deals ad.**
3. Browse through the available deals.
4. Copy the promo code.
5. **Tap the Promo Button** (Buy Now, Book Now).
6. Use the promo code on the partner site where you are redirected.

If the promo code doesn't work, you can:

- **Check the terms and conditions**

Ensure the merchant you're transacting with is eligible for the deal. Promo codes are valid only for specific merchants, products categories, or services.

- **Ensure the minimum spend requirement is met**

Verify if your total purchase meets the minimum spend required to use the code. This information is usually included in the promo details.

- **Confirm the voucher is still valid**

Double-check the validity date of your promo codes. Expired codes cannot be redeemed.

If the promo code still doesn't work, please reach out directly to the merchant partner for assistance.

GCash Travel+ lets you book all your travel needs on GCash. Learn how you can book **flights, hotels, car rentals, attractions & tours, e-sims, train & bus tickets.**

You can find GCash Travel+ through the GCash homepage by tapping **View All > Travel** or by tapping **Travel** under "Do More with GCash".

Flights

How can I book a flight?

Note: Before booking a flight, please ensure your passport is valid for at least 6 months beyond your travel date. Also, check if the destination country requires any visas or additional travel documentation.

1. Select **Flights** and choose your destination along with your departure and return date (for round-trip). Search results will show available flight times, which are displayed in a 24-hour format (00:00 to 23:59).
2. Select a flight and review "Baggage and policy details." The baggage policy is stated on your ticket, and you can add extra baggage during the payment process (if available) or at check-in. Be mindful that most flights have cancellation fees that cannot be waived by GCash | Travel+, and any refundable amount is subject to airline approval.
3. Enter your booking details.
4. Tap **Book Now** and complete the payment within 30 minutes. Otherwise, the booking will not be successful. Ensure your wallet balance is sufficient before proceeding with the payment.

Before booking, make sure all information and dates are final. Incorrect information may result in ticket issuance failure, amendment fees, or denied boarding, according to airline policies.

I just paid for the flight order, when will I receive my ticket?

Once you've booked your flight, its status in the booking details will show as "Ticketing." When it's processed and you receive a confirmation email within 24 hours, the status will change to "Ticket(s) Issued."

Make sure you entered the correct email. Tap on **My Travel > My Orders**, find your flight booking, and check the "Contact Info" to see if your email is correct. Look in your junk or spam folder for the confirmation email.

My flight booking failed, when will I get my flight refund?

If a booking fails, the refund process will begin immediately, and the amount should be reflected in your original payment method within **48 hours**.

If you have not received the refund after 48 hours, please contact GCash Travel+ Customer Care team.

Where can I check my ticket and flight time after the booking?

To view your booking details and status, tap **My Travel > My Orders** and select your flight booking. Please take note that flight times are shown in 24-hour format (00:00 to 23:59).

Check out the sample booking screenshot below:

- **Departure:** Dubai (DXB airport) on May 19, 2025, at 19:55 (7:55 PM) on Monday.
- **Arrival:** Manila (MNL airport) on May 20, 2025, at 09:20 (9:20 AM) on Tuesday.
- **Return departure:** Manila (MNL airport) on June 16, 2025, at 12:35 (12:35 PM) on Monday.
- **Return arrival:** Dubai (DXB airport) on June 16, 2025, at 18:10 (6:10 PM) on Tuesday.

What if my flight got rescheduled/canceled?

For any flight schedule changes, expect an SMS, email, or notification from the airline. Please make sure to enter the correct contact details when booking to receive updates. Don't forget to check your spam or junk folders, too.

To check flight details, visit the airline's website or contact them directly for the latest updates.

If you require any further assistance, please contact the GCash Travel+ Customer Care team.

How can I reschedule a flight if needed?

Be mindful that not all flights can be rescheduled. To check if your flight is eligible for changes and if any change fees apply, tap on "Baggage and Policy Details" under your booking.

If your flight is eligible for changes and you are aware of any applicable change fees, you can proceed with the self-amendment by following these steps:

1. Open your 'GCash | Travel+' mini program.
2. Tap 'My Travel' icon in the top corner.
3. Select 'My Orders' and locate your flight booking.
4. Click on your booking and tap the 'Change' button. Select your preferred flight date. Don't forget to specify your desired flight time or flight number (same airline and same cabin class) in the 'Remarks' section.

After submitting the request, wait at least **48 hours** for the outcome. You will be notified via email from voyager-fliggy@service.alipay.com about the amendment status.

If a change fee is imposed, you must complete the payment within 30 minutes to secure your seat. If you fail to make the payment within the given time, you will need to request a change again or stick with your original flight.

Can I change my booking details (change name, change passport details etc.)?

If you wish to amend any of the traveler's details, please contact the GCash Travel+ Customer Care team.

Please be informed that there might be additional fees imposed for such requests and is dependent on the respective airline companies' policies.

When will my flight booking get confirmed?

Once your order is successfully placed you should receive your flight ticket via the email address you have provided within the next 24 hours (unless stated differently under your ticket status).

I just completed my order, how soon will I receive my flight ticket?

Once your order is successfully placed, you should receive your flight ticket via the email address you provided within the next 24 hours, unless stated otherwise under your ticket status.

How can I cancel my booking and how am I going to receive a refund?

Please be aware that not all flights can be cancelled. To check if your flight is eligible for cancellation and to see if any change fees apply, please tap on "Baggage and Policy Details" under your booking.

If your flight is eligible for cancellation and you are aware of any applicable cancellation fees, you can proceed with the self-cancellation by following these steps:

1. Open your 'GCash | Travel+' mini program.
2. Click on the 'My Travel' icon in the top corner.
3. Select 'My Orders' and locate your flight booking.
4. Click on your booking and tap the 'Refund' button, then choose the cancellation reason.

If your cancellation is due to an involuntary reason such as hospitalization or a medical issue, kindly provide all supporting documents to the GCash Travel+ Customer Care team at voyager.cs@service.alipay.com after you initiate the self-cancellation steps above.

After submitting the request, please wait **24 hours** for the outcome. You will be notified via email from voyager-fliggy@service.alipay.com about the status of your cancellation request.

Please be informed that the refund amount may take up to **5 working days** to reflect under your original payment method.

Hotel

How can I book a hotel?

1. Select Hotels and search for your city or hotel to check availability for your check-in/check-out dates.
2. Select a hotel and review the terms and privacy policy.
3. Enter your booking details.
4. Tap Book Now and complete the payment. Ensure your wallet balance is sufficient before proceeding with payment.

Before booking, make sure your dates are final. You cannot modify your booking once you have completed the payment.

Once your booking is placed, its status will show as "Confirming." When it's processed, the status will change to "Confirmed" and you will receive a confirmation email within 30 minutes.

Make sure you entered the correct email. Tap on **My Travel > My Orders**, find your hotel booking, and check the "Contact Info" to see if your email is correct. Look in your junk or spam folder for the confirmation email.

If you don't receive a confirmation email, your booking will automatically be marked as "Canceled," and you'll get a refund within 5 working days.

How can I view my hotel booking details?

To view your booking details and status, tap **My Travel > My Orders** and select your hotel booking.

If any unexpected situation occurs in your destination city or hotel, GCash Travel+ will publish a reminder under your booking details.

How can I cancel a hotel booking?

You can only cancel your booking if it was made more than 24 hours in advance and if the hotel allows it. If the hotel doesn't support cancellation, GCash Travel+ can't cancel it either. Cancellation fees might apply, and a full refund isn't guaranteed.

To cancel your booking, please follow these steps:

1. Tap **My Travel > My Orders** and click the hotel booking you would like to cancel.
2. Tap **Cancel Booking**.

Once the booking is successfully canceled, the booking status in-app will be updated to Canceled Successfully and you will receive an email notification.

Attractions and Tours

How can I book an attraction or tour ticket?

1. On the GCash Travel homepage, tap Attraction or Tours
2. Select the destination city or specific Attraction or Tour you want.
3. Review the terms and privacy policy.
4. Tap Book Now and complete the payment.

Before booking, make sure your dates are final. You cannot modify your booking once you have completed the payment.

Your booking is confirmed when the status on your order page shows "Confirmed" and a confirmation email has been sent to your nominated email address.

Make sure you entered the correct email. Tap on **My Travel > My Orders**, find your booking, and check the "Contact Info" to see if your email is correct. Look in your junk or spam folder for the confirmation email.

If you don't get the email, your booking will automatically be marked as "Canceled," and you'll get a refund within **5 working days**.

How can I view my attraction/tour booking details?

To view your booking details and status, tap **My Travel > My Orders** and select your attraction/tour booking.

Some attraction spots will redirect you to their official site to download the e-Ticket. Please follow the guide accordingly.

I booked a day tour, will the tour operator reach out to me?

Some travel agencies or guides may contact you in advance, but this varies by package. Refer to your Booking Details for more information.

If no contact is made, simply arrive at the designated location at the specified time. Specific meetup details are available under the Itinerary Details section on the Reservation Details page.

If you need any further assistance or have additional questions, please contact the GCash Travel+ Customer Service Team.

Can I cancel my booking?

Before booking, please review the cancellation policy in the "Product Details" section. Once your booking is confirmed, you can view the cancellation policy in the "Cancellation Policy" tab of your order.

Car Rentals

Note: Before booking a car rental, please ensure that you are at least 18 years old with a valid driver's license from your country of residence and have held a full license for at least 1-2 years. Specific requirements may be found on the booking page. Provisional licenses are not accepted.

If your driver's license is printed in a non-Roman alphabet (e.g., Arabic, Chinese, Cyrillic), it is strongly recommended to secure an International Driving Permit (IDP). Any driver's license originating from countries not part of the International Driving Permit treaty must also be accompanied by an official translation in English.

When renting within the EU, customers from non-EU countries must also present an International Driving Permit along with their domestic license.

How can I book a car rental?

1. Select Car Rentals and search for your city or hotel to check availability.
2. Input the following details:
 3. Pick Up and Drop Off Location
 4. Pick Up and Drop Off Time
 5. Driver's Age
 6. Select your desired car category and rental provider.
 7. Review the terms and privacy policy.
 8. Tap Book Now and complete the payment.

Make sure you entered the correct email and details. Tap on My Travel > My Orders, find your car rental booking, and check the "Contact Info" to see if your email is correct. Look in your junk or spam folder for the confirmation email.

If you don't get the email, your booking will automatically be marked as "Canceled," and you'll get a refund within 5 working days.

How Can I Cancel My Car Rental?

Please be informed that order cancellation might incur a cancellation fee or you may not receive a refund. Kindly check the cancellation policies and terms before cancelling.

To cancel your booking, please follow the steps below:

1. Tap **My Travel > My Orders** and click the car rental booking you would like to cancel.
2. Tap Cancel Booking.

What happens if my flight gets cancelled or delayed?

Please contact and inform the car rental company immediately on your latest estimated arrival time. If you add your flight details to the booking, the car rental company will be able to track your flight and may hold the car for you for up to an hour (given it is within their operating hour, and we don't guarantee the holding of the car).

My car rental was in a bad condition when I picked it up, what should I do?

If the reserved vehicle is in a bad condition at pick-up, raise this issue with the car rental agent immediately and request an alternative.

If the matter is not resolved, please contact our customer service team so we can try and arrange a suitable substitute with the car rental agent.

Can there be more than one(1) driver who drives the car while we're using the service?

Yes. Upon arriving at the rental counter, please place the request for additional driver with the counter staff. The additional driver needs to be physically present with you and have the necessary licenses and IDs ready.

You will pay the car rental company for any additional drivers when you pick up the car. Failure to do so could result in the failure of car insurance protection, which caused the liability to pass to you.

Some car rental companies will generally charge for the additional driver, but some may provide one(1) free additional driver for the order. Kindly consult the car rental company for the exact price scheme and additional driver policy.

I'm involved in a car accident, how do I claim my insurance?

We're truly sorry that this happened. Please make sure the following documents are available and well kept:

- Car Rental agreement,
- Car Damage Inspection Report
- Receipt of Penalty Charge for the insurance claim.

To kickstart the insurance claim, please contact our Customer Service Team and provide us the documents above.

Kindly note that the processing time of the insurance claim process can vary depending on the underwriting.

Train and Bus

How can I book a train or bus ticket?

1. Select Trains and search for your origin and destination stations along with the departure date to check availability.
2. Input the following details:
 - Origin Station
 - Destination Station
 - Date of departure
 - Number of passengers (adult, senior, and youth)
3. Select your desired time and transportation carrier. If no result is shown, you may also tap on Buses to see available options.
4. Confirm your seat type and review the policies.
5. Tap **Book** and complete the payment. Ensure your wallet balance is sufficient before proceeding with payment.

Make sure you entered the correct email and details. Tap on **My Travel > My Orders**, find your train or bus ticket booking, and check the "Contact Info" to see if your email is correct. Look in your junk or spam folder for the confirmation email.

If you don't receive the email, your booking will automatically be marked as "Canceled," and you'll get a refund within **5 working days**.

Can I reserve a specific seat?

Seat selection is not supported.

Generally, the seats are assigned automatically by the train carrier. If you have any special requirements, please contact the train carrier to arrange accordingly.

You may find the details of the carrier and your order in 'My Travel' > 'My Orders' in your app.

How long does it take for me to receive my booking confirmation after the payment has been made?

The confirmation of the ticket should be done within 5 minutes after your payment. If you have not received your confirmation email, please contact our customer care for more assistance.

Can I change my ticket date and time?

We currently do not support changes to your train ticket, including date, time, or departure-arrival adjustments. If you need to alter your travel plans, we recommend that you cancel your existing ticket and purchase a new one for your desired schedule.

Please be aware that cancellation fees may apply, and we encourage you to review the refund policy associated with your ticket before proceeding.

Is my trip covered by insurance?

We do not offer insurance as an add-on service at this time. We recommend checking directly with the train carrier to see if any insurance coverage is included with your ticket. Additionally, you may want to consider purchasing travel insurance separately through an insurance provider for added protection.

Should I check-in earlier to board the train?

Most train journeys do not require a formal check-in process like airlines, but it is recommended to arrive at the station at least 15-30 minutes before departure. For high-speed or international services, or if security checks are involved, it might be advisable to arrive earlier. Refer to the train carrier's guidelines for precise recommendations.

What happens if I lose my belongings on one of your trains or its station?

If you lose your belongings on a train or at a station, please contact the train carrier's lost and found department as soon as possible. They can assist you in locating and retrieving your items. You may also contact our customer service for guidance on how to reach the appropriate carrier.

How do I contact the train carrier?

Contact information for train carriers is typically available on their official websites. In many cases, you can find customer service phone numbers, email addresses, and social media links. If you need further assistance, please feel free to reach out to our customer service team for guidance.

Contact the GCash Travel+ Customer Care team

Tap “Get Help” icon under your booking to get in touch with the customer care team.

The GCash Travel+ Customer Care Team is available daily from **9 AM to 10 PM**.

- [How do I send money to another GCash account?](#)

Starting **November 7, 2023**, an updated [GCash Terms and Conditions](#) will be implemented to improve our products and services for a better user experience.

Changes include how GCash **protects your personal information** moving forward to enable the app to be more secure for its users.

Summary of Updates

The updated terms will explain how GCash works with these updated and new products and services as well as how it will comply with the mandates of our regulators and applicable laws.

Several updates are the results of our effort to address the feedback from our users and regulators, and to provide you with clarity on your rights and obligations as you continue to use GCash with its updated and new products and services.

Account features

Improved products and services which include:

- GCash Overseas
- Updated and new features such as scheduled bank transfers and pay bills
- Transaction and wallet limits
- GScore

Security features

Additional security features to ensure a safe and secure user experience which include **limiting the access of your GCash account to one device at a time, eliminating the use of GCash with jailbroken/rooted devices, and conditions for suspension, deactivation, and reactivation.**

1. **Data privacy:** We have rewritten and re-designed our Privacy Notice with the objective of providing clarity on how we manage and handle your personal information for transparency. Our updated Privacy Notice explains how we collect, use, share, keep, delete, and protect your information, and how you can control what happens to your personal information.
2. **Compliance:** We have updated the GCash Terms and Conditions to embed the mandates of our regulators (e.g. Bangko Sentral ng Pilipinas, National Privacy Commission) and applicable laws (e.g. Sim Card Registration Act).

Note:

Your **continued access or use of GCash** after the effectivity of the updated GCash Terms **constitutes your acceptance** of such terms.

However, if you do not agree to the updated terms, you may delete and deactivate your GCash account.

Watch Pay lets you pay by scanning a QR code directly from your smartwatch—no need to take out your phone. Currently, this feature is only available to the following **Huawei wearables**: Watch GT 5>5 Pro, Watch Ultimate -Woods, Watch Fit 3, Watch D 2, Watch Ultimate –Colombo, Watch GT4, and Band 10.

To start using Watch Pay as your payment method, follow these steps:

1. Link your GCash wallet to your smartwatch by accessing the GCash app on your watch
2. Log in to the GCash app on your watch
3. Tap on **QR** within the GCash app to generate your payment QR code
4. Present the generated QR code to the merchant for scanning to complete payment
5. You'll receive a payment confirmation on your watch once the transaction is successful

Where you can use Watch Pay

You can use Watch Pay to make payments for in-store retail transactions by generating a QR code that merchants can scan. Currently, Watch Pay is exclusive to Huawei smartwatches and supported at stores that accept QR-based payments.

Pay with Watch Pay

1. Login to the GCash app on your watch > Select **QR** and present the QR code to the merchant
2. You'll receive a payment confirmation on your watch once the payment is accepted.

If you lost your watch

Follow these steps to remove your lost watch from GCash and protect your account:

1. On your GCash app homepage, Tap **Profile**
2. Tap **Settings > Account Secure**
3. Select your lost watch and tap **Unregister Device**
4. Tap **Yes, Unregister**
5. Once confirmed, your watch will be logged out from your GCash account

Scan to Pay is a feature that allows customers to scan a QR code to pay for their transactions in your store via their GCash wallet.

Note:

This article is for GCash for Business users. If you're a GCash customer, please read [this article on Scan to Pay](#).

Jump to:

- [Application requirements](#)
- [How to sign up](#)
- [Application timelines](#)
- [Accepting QR payments](#)

Application requirements

Signing up is free of charge and is currently open to new and existing business owners. Prepare the following documents according to the type of your business:

Type of Business Requirements --- ---	Sole Proprietorship - DTI Business Name Registration
- Proof of Bank	
- BIR Certificate of Registration (form 2303)	
- Non-expired government-issued ID with specimen signature	Partnership and Corporation - SEC Certificate of Partnership/Incorporation
- Articles of Partnership/Incorporation	
- Corporate By-Laws	
- Proof of Bank	
- Latest GIS document with Beneficial Owners Declaration (Corporation only)	
- BIR Certificate of Registration	
- Notarized Secretary's Certificate/Partnership's Certificate	
- Non-expired government-issued ID of corporate secretary and authorized signatories	

How to sign up your business for QR payments

1. Explore our services through [this site](#) and fill out the form with the required details.
2. Prepare and submit your DTI Certificate of Registration, CIR Certificate of Registration, Valid ID, and the other application requirements
3. Once submitted, you will receive an auto email. The email will have details of the Scan to Pay QR product, the documents required, and how to upload the documents via Google form. You will also receive a Zoom invite to the weekly webinars which are arranged by the Acquisition team.
4. For approved and processed applications, you will receive a QR Kit, which contains the following:
 - QR standee
 - Cellphone with Globe SIM Card (Do NOT register the SIM to GCash)
 - Door hanger
 - Guide or instructions

Application Timelines

| **Business Day** | **Process** | | --- | --- | | Day 1 | Complete Document Submission including signed MOA | | Day 2 | Review of application | | Day 3 | QR wallet creation | | Day 4-6 | QR production and kitting | | Day 7-11 | Delivery (NCR area) | | Day 7-14 | Delivery (Provincial area) |

If your application is **returned**, you might need to submit additional documents. Remember, resubmitting will **restart the application timeline from day 1**.

Accepting QR Payments

You can start accepting payments as soon as your QR kit is delivered and set up in your store. Customers can pay by scanning your QR code or showing their personal QR code for you to scan.

Here are some reminders about accepting QR payments:

- You don't need an internet connection to accept GCash payments. A phone that receives SMS notifications, included in your QR kit, is enough to confirm payments.
- All payments, including those made via GCredit, GGives, or vouchers, are **credited in full to the merchant's virtual wallet in real-time**.
- GCash will **automatically transfer funds to the merchant's nominated bank account** for all successful transactions by the next banking day. An SMS confirmation will be sent after each successful transaction.
- Transaction or settlement reports will be emailed within **24 hours**. You can use these reports to check and verify your GCash transactions.

If your QR keycard or phone/SIM card is lost or damaged, email **merchantsupport@gcash.com** to request a replacement. Delivery will take **7-11 days**, depending on your branch's location.

Need more help?

Issues related to payments

| **CUSTOMER CONCERNS** | | --- | | Issue | Process | Solution and SLA | | --- | | --- | | --- | |
The customer is unable to pay via RQR. Receives message that says "To enjoy full GCASH services..." | Ask the customer to restart or hard reset their phone or update their GCash app. For more issues, visit [Troubleshoot login or other GCash app issues](#) | 24 hours | | The customer inputted the wrong amount (higher or lower than the actual amount) | Coordinate directly with your customer to perform the adjustment if payment is excess or lower than the payable amount. | N/A | | Refund request as per customer's request (e.g. item was returned, damaged, etc.) | Follow the merchant's policies on refund requests, but actual reversal will follow the process indicated above | GCash to process the reversal to the customer's GCash wallet within 24 hours | | **MERCHANT CONCERNS** | | --- | | Reversal request due to double entries and/or multiple transactions | Contact the corresponding email support and include the following:
 - Merchant name and branch
 - Subsidiary name

- Customer mobile number
- Transaction reference number
- Original transaction amount
- Amount for Reversal
- Reason for reversal | GCash to process the reversal to the customer's GCash wallet within 24 hours || Reversal request for refund stuck in processing | Include the information mentioned above, plus the following additional details:
 - Acquirement ID
 - Short Trans ID
 - Refund ID
 - Original Amount
 - Refund Amount
- Date and Time of transaction | 6 working days || Complaints or requests related to merchant's QR keycard | Contact the corresponding email support and include the following:
 - Merchant name and branch
 - Merchant name as written on the keycard
 - Name of caller and designation
 - Email and contact number of the caller
 - Reason for replacement | GCash to provide a fix for QR within 1 week |

Issues with transactions and settlements

- | **Issue | Process | Solution and SLA** | | --- | --- | --- | | Non-receipt of settlement to the nominated bank | Contact the corresponding email support and include the following:
- Merchant name and branch
 - Subsidiary name
 - Request or concern (e.g. request for reports, queries on data provided)
 - Expected amount for settlement/ Date
 - A file of findings from the merchant | GCash to provide a resolution to the partner within 3 working days | | Request for change of nominated bank for settlement | Contact the corresponding email support and include the following:
 - Merchant name and branch
 - Subsidiary name
 - Details about the request (change nominated bank for settlement)
 - Reason for request
 - Copy of proof of bank
 - Bank details (bank name, bank account name, bank account number) | GCash to provide a resolution to the partner within 3 working days | | Report reconciliation concerns | Contact the corresponding email support and include the following:
 - Merchant name and branch
 - Subsidiary name
 - Request or concern (e.g. request for reports, queries on data provided)
 - Credit advice/ copy of bank statement
 - File of findings from merchant | GCash to provide a resolution to the partner within 3 working days |

Join the GCrypto Rebate Promo and get rewarded for trading. When you reach a total of ₱10,000 in Buy and Sell transactions this April, you'll receive a ₱500 rebate in Bitcoin.

Who Can Join?

The promo is open to all Fully Verified GCash users that have GCrypto accounts with a verified email address.

When is the Promo Period?

April 22 - 30, 2025

How do I join the promo?

To join, buy or sell a total of at least ₱10,000 worth of crypto using eligible tokens on GCrypto within the promo period. Only the first 500 users are eligible to receive the rebate.

What are the eligible tokens for the promo?

Eligible tokens include all cryptocurrencies available on GCrypto, except for stablecoins such as USDC, USDCSOL, USDCBASE, USDT, USDTTRX, USDTTON, USDTCELO, and PYUSDSOL.

When Will I Receive the Bonus?

Winners will receive their ₱500 Bitcoin rebate credited to their GCrypto PHP wallet within **14 business days** after the promo ends.

They will also get a notification via email and/or in-app once the rebate has been successfully credited to their GCrypto account.

Need more Help?

I cannot buy or sell GCrypto

If you're facing issues with buying or selling on GCrypto or your transactions aren't showing up, it might be because of system maintenance.

Your transactions will be automatically credited to or from your GCash wallet within 2 business days.

How come I did not get my prize?

To get the P500 rebate, please accumulate a total of P10,000 worth of crypto within the promo period. Only the first 500 users are qualified.

If you are eligible to receive the reward, please wait for your reward to be credited within 14 business days.

If you still encounter issues, [please click here to ask for help](#).

GInsure Bill Protect is an insurance that covers you when you are unable to earn and settle your payment obligations in case of accidental death and permanent disablement.

The Group Policy pays out a lump sum benefit which covers up to 36 months (3 years) of the GCash bill payment amount at the time of enrollment.

Jump to:

- [Eligibility](#)
- [Coverage and Benefits](#)
- [Enrollment and Payment](#)
- [Claims and Cancellation](#)
- [Contact Chubb](#)

Eligibility

You can enroll in GInsure Bill Protect if you fulfill all of the requirements below:

- At least 18-75 years old
- A Filipino or legal Philippine resident
- Have a GCash account
- Paid a biller in Pay Bills via GCash app

Coverage and Benefits

Coverage

All biller categories are eligible for GInsure Bill Protect. You will be covered for **thirty (30) calendar days**, effective on the day of your successful GCash Pay Bills transaction with enrollment to GInsure Bill Protect, after which coverage will end.

| Bill Payment Transaction Date | Insurance Coverage Period | | --- | --- | | November 1, 2019 | November 1 - 30, 2019 |

The following are **not covered** under GInsure Bill Protect - Accidental Death and Permanent Disablement arising from:

- Self-inflicted injury
- Suicide
- Criminal or illegal act
- Being under the influence of alcohol or unprescribed drugs
- HIV/AIDS-related
- Conditions arising from abortion, pregnancy, childbirth, or miscarriage

You may enroll a bill and pay the premium again when you make another GCash bill payment, upon which your coverage will reset for another calendar month. The more bills paid and enrolled under GInsure Bill Protect, the bigger the lump sum benefit amount will be under the covered period.

Benefits

You will be covered **36 times the GCash bill amount paid** if you are unable to earn and settle your payment obligations due to accidental death and permanent disablement.

Sample computation of total benefit:

- Bill Payment Amount: PHP 1,500 x 36 months = PHP 54,000 coverage

The benefit is payable to the GCash account owner who successfully paid a bill and GInsure Bill Protect premium via GCash. It may not be the same individual whose name is reflected on the bill.

In case of the insured's death, it will be payable to the beneficiary designated by the insured, or in the absence of beneficiary designation, to the person or persons in the following order of preference:

- Legal spouse
- Children
- Parents
- Siblings

Example: John pays for his father's bill via his GCash account and enrolls it in GInsure Bill Protect. John is the Insured.

Enrollment and Payment

Enrollment

You can enroll a bill to GInsure Bill Protect as an add-on every time you make a Pay Bills transaction via the GCash app. You can also enroll more than one because the more bills paid and enrolled with GInsure Bill Protect, the bigger the lump sum benefit amount will be under the covered period.

You will receive a **Confirmation of Cover** from our insurance partner, Chubb, within **24-48 hours** after successful enrolment to GInsure Bill Protect as part of your transaction.

You can also visit the MyGInsure page in the GCash app to check your policies.

- Select GInsure > select My GInsure and under > Active Policies select your Bill Protect policy. Take note of your policy number.
- Visit Chubb MyAccount and log in using your policy number and the OTP received via SMS or email. Click "Download" under Policy Details to download a copy of your Confirmation of Cover.

Payment

Note: Payment

The premium is computed as Bill Payment Amount x 0.920%.

| Sample computation of GInsure Bill Protect Premium | | --- | | Sample GCash Bill Payment Amount - Ex. Meralco | PHP 1,500.00 | | + Premium to be added upon checkout (0.920% of bill payment) | PHP 13.80 | | Total Payment at checkout | PHP 1,513.80 |

Note: GCash has a maximum total transaction amount per fully verified user, which is PHP 100,000 per month. Cap for the insurable amount will follow the same limits.

The lump sum benefit cap will hence be: PHP 100,000 x 36 months = PHP 3,600,000

Claims and Cancellation

Claims

To file a claim, prepare the following requirements:

1. Valid ID of the Insured (GCash User) or of the Beneficiary of the GCash User
2. Birth & Death Certificates of the Insured
3. Proof of Relationship to Beneficiary
4. Attending Physician's Report
5. Original Copy of Police Report
6. Notarized Affidavit of Witness
7. Autopsy Report or Medico-Legal Statement

Then, visit the Chubb Claims Centre at www.chubbclaims.com.ph and submit your claim from anywhere and on any device. You will also have real-time access to the status of your claims.

Cancellation

You can request cancellation of your cover during the free-look period which is **within 7 days** from the time of successful Pay Bills transaction with enrollment to GInsure Bill Protect. The premium will be refunded to your GCash wallet in full within this period.

If you would like to cancel Bill Protect, please tap "Chat with Gigi" for assistance.

Contact Chubb

If you have questions about your policy, filing of claims, or status of claims filed:

- You may call the Chubb hotline +63277565410, Monday to Friday, 9:00am – 5:00pm, excluding public holidays.

You may also email gcashcustomerinquiries@chubb.com

GInsure Online Shopping Protect is an exclusive GCash product that insures eligible items due to unforeseen circumstances such as the items getting accidentally damaged, stolen, not delivered, damaged during transit, or if the item is delivered but not as described by the seller.

For a premium of only PHP 34, this product gives you up to PHP 20,000 in total coverage for all eligible items you purchased via GCash Pay Online within 30 days from the date you enrolled to Online Shopping Protect. Eligible items are protected for 60 days from the date you purchased each item.

GInsure Online Shopping Protect Group Policy is underwritten by our insurance partner, Insurance Company of North America, a Chubb company (“Chubb”).

Jump to:

- [Eligibility](#)
- [How to purchase GInsure Online Shopping Protect](#)
- [Claims](#)
- [Cancellation](#)
- [FAQS](#)
- [Contact Chubb](#)

Eligibility

You can avail of this product if you are:

- **At least 18-80 years old**
- A Filipino citizen residing in the Philippines at the time of application
- A Fully Verified GCash user

Coverage

The premium for every enrolment to Online Shopping Protect is PHP 34. Your item is covered under GInsure Online Shopping Protect if:

1. You purchased the item within the eligibility period (**30 days beginning on the date you enrolled** in Online Shopping Protect)
2. The item **costs at least PHP 250** and is included on the list of eligible items in the Online Shopping Protect Group Policy, and
3. The incident you will file a claim for occurred **within 60 days from the date you purchased the item.**

Below is the list of eligible items:

1. New and has not been used when purchased;
2. Not counterfeit or fake goods;
3. Not perishable goods;
4. Not stocks, shares, bonds, currencies or digital assets;
5. Not confiscated or illegally declared by any government, customs or public body;
6. Not animals, livestock or living plants;
7. Not jewelry over PHP5,000.00, watches over PHP5,000.00, precious metals/gemstones, firearms, art, antiques or Collectible items;
8. Not electronic items and equipment over PHP10,000.00, including but not limited to, personal stereos, computers/laptops or computer-related equipment (and software), and mobile phones and their accessories;
9. Not cash or its equivalent, traveller's cheques or tickets;
10. Not classified as real estate;
11. Not motor vehicles, motorcycles/scooters, watercraft or aircraft and any equipment and/or parts necessary for their operation;
12. Not subscription-based where Insured is paying a monthly fee for the services such as but not limited to Netflix, Spotify, YouTube, learning services, cleaning services, and the like; or
13. Not concert tickets.

Purchase GInsure Online Shopping Protect

You can enroll in GInsure Online Shopping Protect when you pay for an item you are buying online via GCash Pay Online. You will see the enrollment tick box and product description on the GCash cashier page when you opt for GCash as a payment method.

You will receive an SMS confirmation and a **Confirmation of Cover** via your GCash registered from our insurance partner, Chubb, within **24-48 hours** after successful enrolment to Online Shopping Protect as part of your webpay transaction.

You can also visit the MyGInsure page in the GCash app to check your policies.

- Select GInsure > select My GInsure and under > Active Policies select your Online Shopping Protect policy. Take note of your policy number.
- Visit Chubb MyAccount and log in using your policy number and the OTP received via SMS or email. Click "Download" under Policy Details to download a copy of your Confirmation of Cover.

If you have already enrolled and are within the 30-day covered purchase period, succeeding online purchases via GCash payment will have the active protection status tag displayed.

Claims

In order to file a claim, you may:

1. Visit the [Chubb Claims Service Portal](#) and follow the steps indicated;
 - Call the Chubb hotline at (02) 775-6541, Monday-Friday from 8:30am - 5:30pm; or
 - Email gcashclaims@chubb.com to file a claim

Note: You can claim any number of times as long as you are within the maximum benefit amount of PHP 20,000 in total within the period of insurance.

Important Guidelines for Filing Claims

||||---|---|| If the item you are claiming for was not delivered, delivered but not as described, or damaged during transit: | You must first contact the Seller to address the issue and get an update on the delivery status or file a dispute/refund request. If you are still not satisfied with the Seller's response and you have not been offered a refund within 60 days from the date you purchased the item, then you have 30 days from this point to report the claim to our insurance partner, Chubb. || If the item you are claiming for was accidentally damaged: | You must report the claim to our insurance partner, Chubb, as soon as you can and within 7 days the incident happened. In your claim form, you must disclose the reason leading to the incident. In some cases, you may be asked to get a quotation from an authorized repairer and have your item repaired. || If the item you are claiming for was stolen: | You must report it to the police or relevant authority within forty-eight (48) hours of the incident and get a police report. You must report the claim to our insurance partner, Chubb, as soon as you can and within 7 days the incident happened. In your claim form, you must disclose the reason leading to the incident. |

Required documents:

- Completed Claim Form
- Any valid proof of purchase from GCash (screenshot of GCash transaction receipt or SMS) showing purchase transaction date and transaction amount
- Copy of invoice/ receipt showing details of the item
- Copy of police report (for stolen items)
- Photo showing damage (for accidentally damaged items)
- Copy of repair invoice (for accidentally damaged items that fall within the category of Electronic Goods above PHP 5,000)
- Actual damaged item (in some cases upon request of the Insurer)

Chubb will get back to you **within 3 working days** with the claims decision from the time you submit your complete set of required documents. Once your claim is approved, it will take 5-7 business days for the funds to be credited to your bank account or for a check to be available.

Cancellation

You can cancel your Online Shopping Protect coverage **within seven (7) calendar days from the date of enrolment**. The premium will be refunded to your GCash wallet **within 72 hours**. If it's within 7 days from the date of enrolment, [submit a ticket](#) and select which refund scenario applies to you. Then provide all the details to assist you with the cancellation of your policy and attach screenshots and supporting documents.

Beyond the said 7-day period, cancellation is no longer allowed and the insurance will continue to be effective (no premium refund). If you have additional questions for cases beyond 7 days, [submit a ticket here](#).

Frequently Asked Questions

Are all my Pay Online transactions eligible for Online Shopping Protect?

GCash is rolling out GInsure Online Shopping Protect to select Pay Online transactions. Eligible transactions will contain the tick box where you can enroll in the insurance. Once enrolled, your items are eligible as long as they are covered by policy provisions.

Who can I contact if I have more questions about my GCash Online Shopping Protect policy?

For inquiries related to GInsure Online Shopping Protect Group Policy, please get in touch with Chubb at this hotline: (02) 775 65410, available on Mondays to Fridays from 8:30am to 5:30pm. For additional questions, please reach out to the ff emails:

- gcashcustomerinquiries@chubb.com (General questions)
- gcashclaims@chubb.com (For Claims)

Why can't I find GInsure Online Shopping Protect when I use GCash Pay Online?

Online Shopping Protect is for eligible GCash users under select GCash Pay Online merchants.

1. To be eligible, you must be between 18 and 80 years old and a fully verified GCash User residing in the Philippines.
2. The GInsure Online Shopping Protect will only appear in select GCash Pay Online Merchants.
3. You must have no active GInsure Online Shopping Protect Policy at the time of your transaction (offer will no longer be visible to those with an active policy)
4. User must select GCash Balance as Payment Method (Product currently not available for GGives, GCredit & Voucher)

Contact Chubb

If you have questions about your policy, filing of claims, or status of claims filed:

- You may call the Chubb hotline +63277565410, Monday to Friday, 9:00am – 5:00pm, excluding public holidays.

You may also email gcashcustomerinquiries@chubb.com

- [How do I send money to another GCash account?](#)

GScore is a score that reflects how active you are in using GCash's products and features. Your GScore is unique to your mobile number and cannot be transferred. Your new SIM activities would be the basis for your current GScore.

Jump to:

- [How GScore is computed](#)
- [Increase or maintain your GScore](#)
- [Where to find GScore](#)

How GScore is computed

It is the trust rating computed for you based on the various activities you do in GCash such as maintaining an active wallet balance, paying your bills, using GSave, GInvest, and GInsure. Metered scoring is not yet available as no score assures the unlocking of lending products. Our system regularly updates your GScore weekly based on your recent activities, which can be seen in the GCash app.

If you've availed of a product before such as **GCredit, GGives, or GLoan, and it becomes unavailable**, there may have been certain policies or scoring metrics that you **did not meet to qualify for GCredit/GGives/GLoan**. Each of the products has its own specific policies in place.

Increase or maintain your GScore

Your GScore is not computed solely based on the frequency of your usage but considers various components to generate your user score. It is based on your frequent GCash activity, maintaining balance, loan performance (early/on-time payments), habitual payment of bills, regular savings and investments, and your purchase of insurance products.

|||| --- | --- || Verify your account | Fully verified users gain access to a wide range of services in the GCash app. All you need is a Valid ID (not expired) and a selfie.

Read [Get Fully Verified](#) to learn how to fully verify your GCash Account || Cash in regularly | Keep a healthy wallet balance and fund your GCash account by cashing in regularly.

[Learn the different ways you can Cash In](#) || Always use GCash for your transactions | Use GCash services such as Pay Online and Pay Bills || Invest in GInvest frequently | Grow your money for as low as PHP 50 and gain access to the products of the country's most trusted investment companies.

[Learn more about the different GInvest products here](#) || Make GSave deposits regularly | Save for your future with GSave. Grow your savings quickly and enjoy a high interest rate with any amount you deposit.

[Learn more about the different GSave products here](#) || Purchase GInsure Products | GInsure is the one-stop shop for all your insurance needs. You will find different insurance products like life, health, car, and many more provided by our different partners to best fit your needs.

[Learn more about the different GInsure products here](#) || *Pay your GCredit, GLoan,

and/or GGives dues early or on time | Not paying on time will also make you ineligible for any future credit transactions until you have paid your total amount due | | *Maximize your GCredit line | Spend as much as you are allowed by GCredit |

*For active GCredit, GGives, and GLoan users

Where to find GScore

To find your GScore, go to your GCash App and tap **Profile > GScore**.

After creating your account, verify your GCash Overseas account to unlock and start using GCash services.

Follow the steps below to verify your GCash Overseas account:

1. On your GCash app, input your number and your MPIN
2. Tap **Get Started** and read through the following reminders
3. Complete the information needed and tap **Next**
4. Select a valid Philippine government-issued ID
5. Take a picture of the ID and tap **Submit**
6. Tap **Next** and take a selfie scan
7. Complete the information needed and tap **Next**
8. Review your information and tap **Confirm**
9. Prepare the following documents and select **Upload Documents Now**
10. Attach your supporting documents and tap **Submit**
11. You will receive an SMS notification about the status of your application.

What is GCash?

GCash is a **finance super-app** that lets you easily manage your money by sending and receiving cash, paying bills, shopping online, investing, and many more—all in one place.

How to create a GCash account

Learn how to set up your GCash account.

There are different GCash account types. Check out which one applies to you:

Regular GCash Account: For GCash users 18 years old and above with a Philippine-based SIM

GCash Jr: For GCash users 7 to 17 years old with a Philippine-based SIM

GCash Overseas: For Filipinos with a foreign-based SIM where [GCash Overseas](#) is available.

Wallet and Transaction Limits

Once you create a GCash account, you'll start with a Basic Profile. Learn about the wallet and transaction limits for Basic versus Fully Verified accounts.

||||| --- | --- | --- || **Basic Profile** | **Fully Verified Account** || Wallet Limit | PHP 10,000 | PHP 100,000 || Incoming Transaction Limit | PHP 5,000 | PHP 100,000 || Outgoing Transaction Limit | PHP 5,000 | PHP 100,000 |

You can check your Wallet & Transaction Limits through the GCash app by tapping **Profile > Profile Limits**.

Get Fully Verified

Enjoy all the features of GCash and higher wallet and transaction limits when you Fully Verify your GCash account.

Here's a quick guide on how to fully verify your GCash account.

1. **Log in to GCash:** Open the app and sign in.
2. **Go to Verification:** Tap **Profile > Verify Now**

3. **Submit a valid ID and selfie:** Scan an accepted valid government ID for verification and prepare for a selfie
4. **Wait for the approval:** GCash will review your documents and notify you via SMS about your verification status.

To learn more, please visit [Get a Fully Verified GCash Account](#).

Join the HODL and Win USDC Promo from **March 3, 2025 to April 27, 2025**, for a chance to win awesome prizes, including a grand prize of PHP 1,000,000 in USDC!

Eligibility

You can join if you're a Fully Verified GCash user and have at least 1 USDC in your GCrypto wallet.

How to Join

To enter the raffle, buy USDC in GCrypto or transfer USDC to your wallet. The more USDC you hold, the more raffle entries you get:

- 1 USDC = 1 entry
- 10 USDC = 5 entries
- 1000 USDC = 50 entries

Prizes

- **Weekly Prizes:** - 50 winners will get 20 USDC each week.
 - Weekly winners will be announced the following Wednesday of the week.
- **Grand Prize:** One winner will get PHP 1,000,000 in USDC.

Winners will receive the prize money in the form of USDC. It will be transferred to their respective GCrypto wallets a week after the announcement of the winners.

Draws

- **Weekly Draws** occur every Sunday at 11:59 PM
- **Grand Prize Draw** will happen on March 21, 2025, at 11:59 PM

Winners will be announced via the [official GCash Facebook page](#).

Pagkatapos mo mag-apply ng verification, **aabot ng hanggang 3 araw** para i-review ang iyong application. Makakatanggap ka ng SMS update pagkatapos ng 3 araw.

Kung matagal ang verification mo, ito ang mga pwede mong gawin para malaman kung bakit na-delay at paano ayusin ang mga pending na GCash verification issues.

Pumunta sa GCash app at i-tap ang **Profile > Verify Now** at tingnan kung ano ang nakikita mo sa verification page.

Upgrade your GCash. Verify Now

Kung nakita ito, ibig sabihin ay baka:

- **Hindi pa nasisimulan** ang verification process.
- **Hindi natapos** ang huling verification attempt.
- Tapos ka na sa process, pero **na-reject ang huling application**.

I-tap ang **Verify Now** sa ibaba ng screen para simulan o ituloy ang verification process. Makakakuha ka ng SMS update tungkol sa verification mo sa loob ng 3 araw.

Please Complete Your Verification

Kailangan namin ng **dagdag na dokumento** mula sa'yo bago namin maiproseso ang application mo. I-tap ang **“Continue Verification”** para makita kung anong mga dokumento ang kailangan at i-submit ito sa loob ng **10 araw** para matapos ang verification.

Kapag na-submit mo na ang mga dokumento, maghintay ng SMS update mula sa amin sa loob ng **4 araw**. Kung hindi naipasa ang mga dokumento sa loob ng 10 araw, kailangan mong ulitin ang verification process.

We're Verifying Your Account

Ibig sabihin ay natanggap na namin ang application mo at ito ay nire-review na. Ang pag-check nito ay umaabot ng hanggang **3 araw**. Makakatanggap ka ng text message tungkol sa application mo.

Kung lumampas na ng 3 araw at wala ka pa ring natatanggap na update, i-click ito para i-follow up ang status ng verification mo. Siguraduhing i-screenshot ang verification page mo at i-attach ang photo nito kapag nag-submit ka ng ticket.

- [How do I send money to another GCash account?](#)

You can activate your eSIM from GCash by following the steps below:

Set up a local eSIM (SMART or TNT)

After you purchase your local eSIM from GCash, you'll get a special code via SMS. Go to your web browser and type [reglink.me/\(code\)](https://reglink.me/(code))

Example: "<https://reglink.me/123yu8h62najs>"

Set up an international eSIM

After you purchase your international eSIM from GCash, you'll get instructions via SMS similar to:

"To Add eSIM: Cellular > Add eSIM > Use QR code > Enter details manually SM-DP+: smdp.io Activation Code: K2-IZC8YR-Z5KX11 Visit GCash Help Center for more details."

Set up your eSIM manually (Android/iOS)

Android

1. On your Android homepage, tap **Settings > Connections**
2. Select **SIM Manager**
3. Tap **Add eSIM > Scan QR Code**
4. Select **Enter Activation Code**
5. Enter the Activation Code sent via SMS

Note: Ensure Mobile Data is set to the eSIM via SIM Manager

iOS

1. On your Apple homepage, tap **Settings > Cellular**
2. Select **Add eSIM**
3. Tap **Use QR Code > Enter Details Manually**
4. Enter the **SM-DP+** and **Activation Code** sent via SMS

Once you're done, make sure that the eSIM is the one being used in "Cellular Data."

Save up to five (**5**) **billers on GCash**, including their name and account number, for faster and error-free payments. There is no need to re-enter details every time you pay bills with saved billers.

How to add or save your favorite billers:

1. On your GCash App, tap Bills > **Add Biller**

2. Choose your biller from the category or search for it
3. Enter the required details and tap **Next**
4. Review biller details and tap **Save**

Once saved, the biller will appear in your Saved Billers list under the Pay Bills section of the GCash app.

You can now select the biller, enter the amount, and proceed with payment.

- How do I send money to another GCash account?

GFunds is an investment product that lets users invest in trusted companies for FREE via the GCash app.

Who are qualified to use GFunds

You are qualified for GFunds if you are:

- At least 18 years old
- A Fully Verified GCash user

Note: You cannot use a payroll account to open a GFunds account.

For **dual citizens** and **US citizens**, investing in the following GFunds global funds is restricted:

||||---|---|| **ATRAM Trust Corporation | BPI Investment Management Inc.** ||
 ATRAM Philippine Sustainable Development and Growth Fund | ALFM Global Multi-Asset Income Fund || ATRAM Global Consumer Trends Feeder Fund | Philippine Stock Index Fund || ATRAM Global Technology Feeder Fund ||| ATRAM Global Health Care Feeder Fund ||| ATRAM Global Equity Opportunity Feeder Fund ||

Follow the steps below to start using GFunds:

1. On your GCash app, tap **GInvest > GFunds**
2. Enter your email address and tap **Proceed**
3. Answer the **Risk Profile Questionnaire > Next**
4. Confirm that you are **NOT a US citizen > Next**
5. Review your details and answers. Agree to the **terms and conditions** and tap **Next**

You'll see your risk profile and will be notified by email and SMS once your GFunds registration is approved. Approval may take as fast as **15 minutes** or as long as **2 business days** if there are system issues with our partner provider.

Note: Opening any GFunds account will qualify you for a GCash wallet and transaction limit increase to PHP500,000.

Jobs is a new feature in the GCash app that allows users to **apply for job opportunities or earn extra income by referring someone to a job**. This feature is powered by **PasaJob**.

Eligibility

To access the **Jobs** feature, you must meet the following requirements:

- Be a **Fully Verified** GCash user
- Be at least **18 years old**

How to apply for Jobs

To access and apply for employment, follow the steps below:

1. Open the **GCash app**, tap **View All Services > Jobs**
2. Browse through available job opportunities or choose to refer someone for a job

After you apply or successfully refer someone for a job, you will receive an email notification from **PasaJob**. These emails will be sent from the following official email addresses:

- pasajob-alerts@pasajob.com
- team@pasajob.com

- [How do I send money to another GCash account?](#)

Buying stocks through GStocks PH lets you invest in Philippine-based stocks directly from your GCash app via AB Capital Securities, Inc. (ABCSI).

Before you can buy stocks, make sure to [top up your GStocks PH Wallet](#) using your GCash Wallet.

Terms to know before buying GStocks

||||---|---|| **Limit Order** | You may create a Limit Order when you want to set the maximum or minimum price at which you are willing to buy or sell a stock. || **Day Order** | Buy or Sell Orders created through GStocks PH are all Day Orders, which means that if they did not match or were not filled during the day's trading session, they will expire. Other order types (i.e. GTC, GTM, GTW) will eventually be available. || **Limit Day Order** | You set a fixed buy or sell price when you create an order, and your orders expire at the end of the day.

Note: This is the only order type offered at the moment. || **PSE Trading Hours** | The PSE trading hours are from **9:30 am to 12:00 pm and 1:00 pm to 2:45 pm** Philippine Standard Time (GMT+08:00), from Monday to Friday (excluding holidays). |

How to buy PH stocks in GStocks PH

To buy PH Stocks with GStocks PH, follow the steps below:

1. On your GStocks PH dashboard tap **AB Capital Securities Inc.**
2. Tap **Buy/Sell**
3. Select the stock you want to buy then tap **Buy**
4. Input the desired number of shares and select **Preview Buy Order**
5. Confirm the order details and tap **Place Order**

You can confirm the status of your buy order via the "Orders" page.

Orders entered electronically are posted in **real-time**. However, some factors may affect the processing of your orders:

1. **Market Changes and Trading Volume:** Stock prices can change a lot from the quoted price due to market ups and downs or heavy trading.
2. **Internet Service Provider (ISP):** ABCSI uses a trusted third-party ISP for internet service. While GCash doesn't control internet speed, the ISP is reliable and secure.
3. **Other System Issues:** Delays can happen because of high trading activity or long order queues at the PSE.

Once your buy order is confirmed it will appear on the "Portfolio" page.

When you buy crypto through GCrypto, you can easily purchase different cryptocurrencies directly in the GCash app . **The price shown already includes service and platform fees that update every 10 seconds.**

Before you can buy crypto, make sure to [top up your GCrypto Trading Wallet](#) using your GCash Wallet.

How to buy crypto directly in the GCash App:

1. On the GCash App, tap **GInvest > GCrypto**
2. Tap on your desired Crypto
3. Tap **Buy**
4. Enter your desired amount in PHP or Crypto and tap **Buy**

Once you buy a coin, the money is deducted from your Trading Wallet. Your crypto balances will also update on your GCrypto dashboard.

Buying funds through GFunds lets you invest in different financial products directly in the GCash app. Buy orders take a few days to process, so you won't receive them immediately. The price of the fund, called the Net Asset Value Per Unit (NAVPU), is updated daily, not in real time.

How to place a Buy order in GFunds:

1. On your GFunds dashboard, tap **Invest**
2. Select the fund you want to invest on and tap **Buy**
3. Input the amount you want to invest with the selected fund. Tap **Next**
4. Review the details of your investment and tap **Confirm**.

You'll see a confirmation page indicating your Buy order has been placed.

Once submitted, you cannot cancel or modify your Buy Order. If your buy order is cancelled by the system or our partner, your payment will be refunded to your wallet within **2-3 business days**.

You can modify or cancel your GStocks PH Buy or Sell Order anytime on the GCash app. See detailed information below to know how:

Change/Modify your GStocks PH order

1. On your GStocks PH dashboard > **AB Capital Securities Inc.**
2. Tap **Buy/Sell**
3. Tap **Orders**
4. From the Orders page, tap the order you want to modify
5. Tap **Modify**
6. Input Revised Order Quantity & Price and tap **Preview Order**
7. Confirm Revised Details

The replaced order and new active order will reflect on the Orders page.

Cancel your GStocks PH order

1. On your GStocks PH dashboard > **AB Capital Securities Inc.**
2. Tap **Buy/Sell**
3. Tap **Orders**
4. From the **Orders** page, tap the order you want to cancel
5. Tap **Cancel**

If the cancellation is successful, the order will appear on the Orders page.

Closing your GStocks PH account is permanent and **irreversible**. Once your account is closed, you will no longer have access to any associated data or funds.

How to close your GStocks PH account:

1. Make sure your GStocks PH balance is zero

Before deleting your account, ensure that you sell any remaining funds in your GStocks PH account. Don't make any new transactions until you receive your funds in your GCash Wallet.

2. Check for Completed Transactions

After the sell order processing days, open your GCash app and check the Inbox to confirm your transactions.

3. Request for Account Closure

Once all sell order transactions are complete and your GStocks PH Wallet balance is zero, fill out the [Account Closure form](#), then [click here to file a request to close your account](#).

You can request a Maybank VISA Debit Card by:

1. Calling Maybank at **(02) 8588 3888**
2. Visiting any Maybank branch near you

Your first Maybank VISA Debit Card is **FREE** when you make an initial deposit of at least **PHP 10,000**. With this card, you can withdraw cash **without fees** from over **22,000 BancNet ATMs** nationwide.

Delivery or Pick-Up Options

- If you're in **Metro Manila**, your card will arrive at your address within **7–10 days** after your request.
- For **provincial areas**, expect delivery within **15–20 days**.
- If you prefer to pick up your card, you can do so at your selected Maybank branch within **25 days** from the date of your request.

How to Activate Your Debit Card

To activate your Maybank VISA debit card:

1. Call the **Customer Care hotline**.

Visit the **Maybank branch** where your account is registered.

You can make a deposit to your GSave by CIMB account by manual deposit or automatic deposit. See detailed information on how you can make your deposit below:

Manual Deposit

You can manually transfer funds from your GCash wallet to your GSave by CIMB account by following the steps below:

1. On your GSave by CIMB dashboard, select **Deposit**
2. Enter the amount you want to deposit > tap **Next**
3. Review the amount > **Confirm**

After making the deposit, a page confirming the success of your transaction will appear. Funds will be deducted from your GCash wallet and transferred to your GSave by CIMB account in **real time**.

Scheduled Deposit

Schedule your recurring deposits from your GCash Wallet to your GSave by CIMB account by doing these steps:

1. On your GSave homepage, tap **My Savings**
2. Tap **Setup Auto Deposit**
3. Enter the deposit amount, date, and frequency, and tap **Confirm**

Scheduled deposits are processed at 11:30 PM. Any changes made after this time will be moved to the next available date. Make sure your GCash Wallet has enough funds before then.

Promoted articles

- [What are the steps to get a Fully Verified GCash account?](#)
- [Accepted IDs for GCash Verification](#)
- [How do I send money to another GCash account?](#)

The GCash VISA Card is available only to Fully Verified GCash users. Each account is allowed only **one GCash Card**, and the total cost is **PHP 250** (PHP 185 for the card and PHP 65 for shipping) just for the GCash VISA Card itself and will not go into your funds.

Steps to Order a GCash Card:

1. On the GCash homepage, tap **Cards > Order a GCash Card**
2. Choose **Order a card > Send me a Card**
3. Review your account information, then tap **Next**
4. Complete all the required information, and select **Next**
5. Tap **Pay** to complete the order
6. Once the order is confirmed, you'll see a prompt that your GCash Card order was successful.

Important Reminders:

- The GCash Card is a prepaid card linked to your GCash wallet.
- The GCash Card will be delivered to the address you provided, so make sure your delivery details are accurate. Here is the list of serviceable areas for GCash Card

delivery.

- Your GCash Card will be delivered within **4-10 business days**, and you'll receive SMS updates about your delivery status.
- Only you or your nominated recipient can receive the GCash Card upon delivery. If you can't receive it personally, provide a letter of authorization along with a photocopy of your ID and your nominated recipient's ID.
- If you or your nominated recipient can't receive the GCash Card, the courier will not be able to deliver your card.

Notes:

- Some users may be eligible for a **voucher** to get a GCash Card at a discount or for free.
- For **GCash Jr. accounts**, the parent or legal guardian will be responsible for managing the account and wallet.

You can pay for your GCredit dues via your GCredit dashboard, Pay Bills, or outside the GCash app via our Payment Partners. Here's how:

Pay via GCredit Dashboard

1. On your GCredit management page, you can view the breakdown of your dues. Tap **Pay for GCredit**
2. Input the amount you want to repay and tap **Next**
3. Review the amount to be paid. Select **Pay**

You will see a confirmation of your successful GCredit repayment.

Pay via Bills

1. Open the GCash app and tap on **Bills > Fuse Financing Inc.**
2. Enter your Loan Account ID, select **GCredit**, and specify the amount you want to repay. Tap **Next**
3. Review the payment amount and tap **Confirm**

Payments via GCash Bills will reflect within **3 business days**.

Pay via Payment Partners

To pay your GCredit dues through our partners, enter **Fuse Financing Inc.** as the Biller and use your **Account Number** from your GCredit dashboard. Payments made through offline partners will be posted within **1 business day**. Here's how to make payments with our partners:

||| --- | --- || **Payment Partner** | **Account Number** || [Bank of the Philippine Islands](#) |
GCredit Account Number || [Metrobank](#) || [Banco de Oro \(BDO\)](#) | GCash Registered
Mobile Number || [Bayad Center](#) |

Request for GCredit Statement of Account

To request your GCredit Statement of Account, [click here](#). A customer service representative will contact you in **24 hours**.

You can pay for your GGives dues via your GGives dashboard, Pay Bills, outside the GCash app via our Payment Partners. Here's how:

Pay via GGives dashboard

1. On your GGives loan management page, you can view the breakdown of your dues.
Tap **Pay for GGives**
2. Input the amount you want to repay and tap **Next**
3. Review the amount to be paid. Select **Pay**

You will see a confirmation of your successful GGives repayment.

Pay via Bills

1. Open the GCash app and tap on **Bills > Fuse Financing Inc.**
2. Enter your correct Loan Account ID, select **GGives**, and specify the amount you want to repay. Tap **Next**
3. Review the payment amount and tap **Confirm**

Payments made via GCash Bills will reflect within **3 business days**.

Pay via Payment Partners

Payments made through offline partners will be posted within **1 business day**. To pay your GGives dues through our partners, enter **Fuse Financing Inc.** as the Biller and for **Account Number**, enter the details according to the partner below:

||||---|---|| **Payment Partner** | **Account Number** || Bank of the Philippine Islands |
 GGives Loan Account ID || Metrobank || Banco de Oro (BDO) | GCash Registered
 Mobile Number || Bayad Center |

Easily pay for online purchases **with GCash as your payment method at checkout**. Ensure your GCash account is Fully Verified to use this feature. You can pay with your GCash wallet, GGives, or GCredit if you've activated them.

Here's how to pay using different devices:

Pay with iOS/Android device

1. Check out from the merchant page
2. Tap **Open in GCash**
3. Login to your GCash App
4. Review Payment details and select **Pay**

You will be led to a page that confirms a successful transaction.

Pay with Huawei device

1. Check out from the merchant page
2. Take a screenshot of the GCash Payment QR
3. Login to your GCash App
4. Upload the QR to complete your payment

5. Review Payment details and select **Pay**

You'll see a confirmation page for your successful transaction.

Pay online on your laptop/computer

1. Login to your GCash App

2. Scan the QR code

3. Review Payment details and select **Pay**

You'll see a confirmation page for your successful transaction.

You can easily use your **linked GCash Card** for payments, both locally and internationally, at all merchants that accept **Visa**.

How to pay using your GCash Card:

1. Via Online Payment:

Simply **enter your card number** and the **CVV** found on the back of your GCash Card when making purchases online.

2. **Via In-Person Payment:**
At physical stores, either **dip** or **tap** your GCash Card at the payment terminal. Some merchants may require you to **enter your 6-digit card PIN** for added security.

GForest is an interactive climate tech platform on GCash that allows you to support **tree-planting projects** across the Philippines. By using digital transactions, you **reduce your carbon footprint and help fight climate change**.

For every virtual tree you plant in the app, GCash and its partners will plant a real tree for you. Since 2019, GForest has planted over 2.5 million actual trees nationwide.

How to plant a tree in GForest:

First, you have to collect enough green energy points. Tap **Locations** on the GForest homepage to see where your tree will be planted, with the help of our partners.

1. On your GCash app, tap **GForest**
2. Tap **Plant a Tree**
3. Select the tree you want to plant
4. Read through the description and tap **Plant Now**
5. You will be led to the certificate of the tree you chose to plant

You'll see the certificate number and the type of tree in the certificate. It will be updated with a stamp once the seedling is planted in one of our planting sites.

GForest Partners

Our tree-planting initiatives are made possible by our trusted partners who work directly with local farming communities to plant and monitor the seedlings.

Gigs by Raket offers a powerful platform for freelancers to **showcase their skills and find clients**. It connects you with individuals and businesses looking for freelance services, from writing and design to tech and marketing.

How to post your services on the Raket Marketplace

If you're a freelancer looking to find clients, follow the steps below:

1. On the GCash app, tap **View All Services > Gigs**
2. Select **Sell a Service > Post your Services Today**
3. Input all required information and details of your service.

Your service will be reviewed by the Raket team within **7–10 business days** before it gets published on the platform.

If your posting is rejected, check your Raket inbox for feedback on how to improve and resubmit it.

How to delete a service:

If you need to remove a service from your profile, follow these steps:

1. On the Raket Marketplace homepage, tap on the burger-shaped icon
2. Select **Services**
3. Tap the trash bin icon to delete the service
4. Select **Yes, Delete**

Once deleted, a service cannot be retrieved.

You can pre-terminate your time deposit with #UNOready@GCash by UNOBank by following the steps below:

1. On your #UNOready@GCash by UNOBank dashboard, select **Add Time Deposit**
2. Tap **Pre-terminate**
3. Review the details of the time deposit you will pre-terminate > **Confirm**
4. Enter the 6-digit authentication code sent to your GCash-registered mobile number

A page confirming the success of your transaction will appear. Funds will be credited to your #UNOready@GCash in **real time**.

Note:

To maximize your interest earnings, it is advisable to **NOT** withdraw the funds of your time deposit before its maturity date.

If you decide to pre-terminate your time deposit, you can withdraw the full amount. Partial withdrawals are not allowed.

- [How do I send money to another GCash account?](#)

Receiving crypto in GCrypto allows you to securely add digital assets to your wallet directly from another wallet or sender.

How to receive crypto using GCrypto:

1. Open your GCrypto Dashboard and select the crypto you wish to receive
2. Tap **Receive**
3. Share your **QR code** or **public key** with the sender

Please make sure the sender uses the correct blockchain network (e.g., BTC should only be sent via the Bitcoin network) to prevent transaction errors.

You will receive a confirmation of the transaction in your **email**. You can also track the transaction in your **GCrypto Transaction History** to verify and monitor the details.

To pay your GCash Borrow Load, you can follow the steps below:

1. On your GCash app, tap **Load > Borrow Load**
2. Tap **Pay**
3. Enter the amount you wish to pay > **Next**
4. Review the payment details > **Pay**

Pending dues will **automatically be deducted from your GCash wallet starting on your due date until fully paid.** To avoid late payment fees, we recommend settling your balance on time through the Borrow Load page.

What happens in case of late payment

- A late payment fee of **2.5% of the outstanding principal balance** will be charged 1 day after the due date, 31 days after the due date, and 61 days after the due date.
- Payments made will reflect on your account within **24 hours after your transaction.**

- [How do I send money to another GCash account?](#)

You can schedule up to **5 automatic bank transfers** to repeat weekly or monthly, even on holidays and weekends. Make sure to check your balance to ensure successful transfers.

Schedule a Bank Transfer

1. On your GCash app, tap **Transfer** and choose a saved bank account
2. Tap **Add New Schedule**
3. Enter the frequency and amount
4. To add more schedules, tap **+ Add New Schedule**
5. After setting up, tap **Next**
6. Review the account details and schedule, then tap **Confirm**

If your GCash wallet has insufficient funds, the scheduled bank transfer will not be processed on that date. Future scheduled transfers will still be processed on their scheduled dates.

If your transfer date is on an irregular day (like the 31st, 30th, or during leap years), it will be processed on the last day of the month.

Cancel a Scheduled Bank Transfer

1. On your GCash app, tap **Bank Transfer > My Saved Account**
2. Choose the bank account that you have a scheduled transfer with > **Scheduled Transfers**
3. Tap **Scheduled Transfers > Update Schedules**

4. Tap “X” > On the Remove Scheduled Transfer prompt, tap **Remove**

You can **schedule a maximum of 10 mobile and broadband load transactions via the GCash app** by following the steps below:

How to schedule a mobile load purchase

1. On the Load homepage, tap **Autoload > Schedule Mobile Load**
2. Select telco load you want to purchase and input the mobile number you want to buy load for. Tap **Next**
3. Select the product you want to purchase, then tap **Schedule for Autoload**
4. Choose between a repetitive or a one-time autoload schedule and input the details. Tap **Next**
5. Review the details of your scheduled mobile load purchase. Select **Confirm**
6. Enter the 6-digit code sent to your GCash number and tap **Submit**

You will be led to the Autoload page confirming your scheduled mobile load purchase.

How to schedule a broadband load purchase

1. On the Load homepage, tap **Autoload > Schedule Broadband Load**
2. Select the broadband load you want to purchase and input the mobile number. Tap **Next**
3. Select the product you want to purchase, then tap **Schedule for Autoload**
4. Choose between a repetitive or a one-time autoload schedule and input the details. Tap **Next**
5. Review the details of your scheduled broadband load purchase. Select **Confirm**
6. Enter the 6-digit code sent to your GCash number and tap **Submit**

You will be led to the Autoload page confirming your scheduled broadband load purchase.

Note:

If your GCash wallet doesn't have enough funds, your scheduled load won't proceed and will retry on the next scheduled date.

Before selling your stocks, please check the available stocks in your **Portfolio**.

Terms to know before buying or selling stocks in GStocks

||| --- | --- || **Limit Order** | You may create a Limit Order when you want to set the maximum or minimum price at which you are willing to buy or sell a stock. || **Day Order** | Buy or Sell Orders created through GStocks PH are all Day Orders, which means that if they did not match or were not filled during the day's trading session, they will expire. Other order types (i.e. GTC, GTM, GTW) will eventually be available. || **Limit Day Order** | You set a fixed buy or sell price when you create an order, and your orders expire at the end of the day.

Note: This is the only order type offered at the moment. || **PSE Trading Hours** | The PSE trading hours are from **9:30 am to 12:00 pm and 1:00 pm to 2:45 pm** Philippine Standard Time (GMT+08:00), from Monday to Friday (excluding holidays). |

How to sell PH stocks in GStocks PH

To sell PH Stocks with GStocks PH, follow the steps below:

1. On your GStocks PH dashboard, tap **AB Capital Securities Inc.**
2. Select **Buy/Sell**
3. Tap Portfolio and select the stock you want to sell then tap **Sell**
4. Input the desired number of shares and select **Preview Order**
5. Confirm the order details and tap **Place Order**

You can confirm the status of your sell order via the "Orders" page.

Orders entered electronically are posted in **real-time**. However, some factors may affect the processing of your orders:

1. **Market Changes and Trading Volume:** Stock prices can change a lot from the quoted price due to market ups and downs or heavy trading.
2. **Internet Service Provider (ISP):** ABCSI uses a trusted third-party ISP for internet service. While GCash doesn't control internet speed, the ISP is reliable and secure.
3. **Other System Issues:** Delays can happen because of high trading activity or long order queues at the PSE.

Once your sell order is confirmed it will appear on the **Portfolio** page.

When selling crypto via GCrypto, it allows you to convert your cryptocurrency into PHP or other crypto assets directly within the GCash app. The **price displayed includes both service and platform fees**, which are updated **every 10 seconds**.

How to sell crypto directly in the GCash app:

1. On the GCash App, tap **GInvest > GCrypto**
2. Tap on the Crypto you want to sell
3. Tap **Sell**
4. Enter your desired amount in PHP or Crypto and tap **Sell**

After selling a coin, the amount will be added to your trading wallet. Your crypto balances will also be updated on your GCrypto dashboard.

Selling funds via **GFunds** lets you convert your investment units back into cash, which will be credited to your GCash wallet. However, please note that Buy orders are processed over a standard number of delays so you will not receive it immediately. The **Net Asset Value Per Unit (NAVPU)**, which determines the price of the fund, is updated daily and not in real time.

All Sell Orders are already inclusive of all applicable taxes.

Selling funds through GFunds allows you to turn your investment units into cash, which will be added to your GCash wallet. Sell orders will take a few days to process, so the cash won't be available immediately. The price of the fund, called the **Net Asset Value Per Unit (NAVPU)**, is updated daily, not in real time.

How to place a Sell order in GFunds:

1. On your GFunds dashboard, tap **Invest > My Funds**
2. Select the fund you wish to sell and tap **Sell**
3. Input the units you want to sell with the selected fund. Tap **Next**
4. Review the details of your investment and tap **Confirm**

You'll see a confirmation page indicating your Sell order has been placed.

Processing times for your fund are as follows:

Fund Allocation Date (Confirmation) Crediting Date (Order Completion)
Philippine Stock Index Fund 3 Business Days 6 Business Days
ATRAM Peso Money Market Fund 3 Business Days 4 Business Days
ATRAM Total Return Peso Bond Fund 4 Business Days 5 Business Days
ATRAM Philippine Equity Smart Index Fund 4 Business Days 6 Business Days
ATRAM Philippine Sustainable Development and Growth Fund 4 Business Days 6 Business Days
ALFM Global Multi-Asset Income Fund 4 Business Days 8 Business Days
ATRAM Global Technology Feeder Fund 5 Business Days 8 Business Days
ATRAM Global Consumer Trends Feeder Fund 5 Business Days 8 Business Days
ATRAM Global Equity Opportunity Fund 5 Business Days 8 Business Days
ATRAM Global Health Care Fund 5 Business Days 8 Business Days
ATRAM Global Infra Equity Fund 5 Business Days 8 Business Days

Sending crypto in GCrypto allows you to transfer digital currencies from your GCrypto wallet to another wallet or exchange.

How to send crypto using GCrypto:

1. Tap on your desired crypto
2. Tap **Send**
3. Input the amount you want to send, the recipient's wallet or exchange address, and the destination tag (if applicable) **Note:** You can also scan the **QR code** of the recipient's address
4. Review the details of your transaction and acknowledge the prompt noting that the transaction is irreversible then tap **Send**
5. Enter the One-Time Pin sent by PDAX via Email, then tap **Submit Code**

To confirm the status of your sent crypto, visit the **GCrypto Transactions** page in your dashboard.

You can send crypto over PHP 50,000 via GCrypto. Here's how:

Note:

Always make sure you are using the correct blockchain network before sending or receiving crypto.

1. Tap on your desired crypto
2. Tap **Send**
3. Input the amount you want to send, the recipient's wallet or exchange address, and the destination tag (if applicable) **Note:** You can also scan the **QR code** of the recipient's address
4. Select whether the crypto will be sent to an Exchange wallet (Exchange) or non-exchange wallet (Wallet)
5. If Wallet is selected, tap **Continue**. If Exchange is selected, fill out the required information and then tap **Continue**
6. Review the details carefully, then tap **Send**
7. Enter the One-Time Pin sent by PDAX via Email, then tap **Submit Code**

To confirm the status of your sent crypto, visit the **GCrypto Transaction History** in your dashboard.

You can send money to another GCash user by scanning or uploading their QR code. The QR scanner accepts [GCash Personal QR](#), GCash Merchant QR, or External Bank QR codes. Follow the steps below to learn how:

1. On the GCash homepage, tap **QR**
2. Scan or upload a **GCash Personal QR** or a generated **Bank QR**
3. Enter the amount and optional message then tap **Next**
4. Confirm if the details are correct then tap **Send**

Note:

GCash to GCash transfers using QR are still **FREE**. However, InstaPay fees may apply for banks or other e-wallets.

You can send your remittance to a GCash user's wallet by:

- Transacting at a physical branch
- Through the partner's website/app

Note that the availability of services may vary per country.

Here's how you can make the transaction via the GCash app:

1. On the GCash homepage, tap **Cash In**
2. Select **Global Banks and Partners**
3. Under Remittance Partners, select your preferred partner
4. Check the instructions to Cash In

Always check all the details. The receiver's GCash-registered name and mobile number **must match**.

If you're stuck on the page below and have already completed the ID Scan, Selfie Scan, and form for your GCash Jr. Verification, you may have to submit additional documents.

Please make sure your parent is a Fully Verified GCash user and provide the following documents:

- Photo or Original Copy of your Birth Certificate (Philippine Statistics Authority/National Statistics Office/ Certified True Copy)
- A selfie with your parent holding your ID

To proceed with your GCash Jr. verification and submit additional documents, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you've submitted additional documents for GCash Jr. verification but are still stuck in the "We're verifying your account" page, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

Topping up your GCrypto Trading Wallet means adding funds to your wallet, which you can use to buy cryptocurrency. Ensure you stay within your [GCash Wallet Transaction Limits](#), and [GCrypto Trading Wallet Limits](#) to avoid any issues.

How to top up your GCrypto Trading Wallet:

1. On the GCrypto dashboard, tap **Top Up**
2. Enter the amount you wish to top up and tap **Continue**
3. Review your details then tap **Pay**

You'll see a confirmation message once the top-up is successful.

To confirm your GCrypto top-up transactions, check your **GCash App Inbox** and **GCash Transaction History**.

Before buying stocks in GStocks PH, make sure to top up your GStocks PH Wallet. To buy stocks via AB Capital Securities Inc. (ABCSI), you need to add funds to your GStocks PH Wallet using your GCash Wallet. Follow these simple steps to top up your GStocks PH Wallet:

1. On your GStocks PH dashboard > **AB Capital Securities Inc.**
2. Select **Top Up**
3. Input the amount you want to top up and select **Next**
4. Review the top-up amount > **Confirm**

After confirming your top-up, please wait up to **1 business day** for the funds to appear in your trading account.

You may also choose to fund your online account using stock certificates. To do this, please call AB Capital Securities directly at **(+632) 8898-7585** or email them at gcashes@ABCapital.com.ph.

You might see a prompt to update your account information even if you're Fully Verified because it's been a while since you first verified it. The Bangko Sentral ng Pilipinas requires Fully Verified users to update their information regularly to keep full access to all GCash features.

To update your GCrypto account information, you first need to ensure [your GCash profile is up to date](#). You can change details such as your **name, email address, birthday, birthplace, nationality, address, and income source** directly in your GCash profile.

How to update GCash Profile:

1. Open your GCash app.
2. Go to **Profile** and tap on your name
3. Tap **Update Account Information > Update Your Profile**
4. Enter the 6-digit authentication code sent to your GCash-registered number and tap **Next**
5. Complete the verification process and fill out the necessary fields

Your profile will be updated within **3 days**, and an SMS confirmation will be sent to your registered mobile number.

Once your GCash profile is updated, [click here to ask for help](#) to change your GCrypto account information.

If you are requesting to change your **mobile number**, please ensure that your new mobile number is [Fully Verified](#), then [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

You can only open an individual Basic or Full GStocks PH account for your GCash number. There is **no minimum deposit amount** required to open a GStocks PH account.

A Basic GStocks PH account has a maximum top-up limit of **PHP 50,000**, while a **Full GStocks PH account has no top-up limit**.

Open a Basic GStocks PH account

To sign up for a Basic GStocks PH account, follow these steps:

1. On your GCash app, tap **GInvest > GStocks PH > AB Capital Securities, Inc.**
2. Review or update your basic user information
3. Complete all details and attach a picture of your three (3) specimen signatures
4. Read and accept all the agreements and consent forms from ABCI > **Submit**

To upgrade your Basic GStocks PH account to a Full GStocks PH account, tap **Upgrade Now** on your GStocks PH dashboard and follow the registration process.

Open a Full GStocks PH account

To sign up for a Full GStocks PH account, follow these steps:

1. On your GCash app, tap **GInvest > GStocks PH > AB Capital Securities, Inc.**
2. Tap **Get Started > AB Capital Securities Inc.**
3. Select **Full Account > Let's Get Started**
4. Review your current information and upload your signature. Tap **Next**
5. Complete all required information and tap **Next**
6. Answer the questions to determine your investor profile. Select **Next**
7. Review all your information and agree to all the terms and conditions. Tap **Submit**

After submitting your application, you'll be directed to a page confirming your successful application for a GStocks PH account.

ABCSI will **contact you within 24 hours**, but **processing your application may take up to 7 business days**, depending on the review of your submitted documents.

Your GCash account needs to be Fully Verified before you can buy load. Buying load in the GCash app has convenience fees.

You can buy load for your mobile number or another user such as Telco, Broadband, and Lifestyle products through your GCash app by following the steps below:

1. On the GCash app, tap **Load**
2. Select the **type of load** you wish to purchase
3. Input the **mobile number** you want to top up > **Next**
4. Confirm the details, then tap **Yes, proceed**
5. Select your **desired load amount** > **Buy Now**
6. Review the payment details > **Pay**

If your transaction is successful, you'll see a receipt confirming your payment.

Check out the types of Telco, Broadband, and Non-Telco products you can load with GCash:

Telco

- Globe
- TM
- GOMO
- SMART
- TNT

- DITO
- eSIM (International)

Broadband

- Globe
- Globe Business
- GFiber Prepaid
- DITO Home
- SMART
- SMART Bro Home Wifi

Non-Telco

- Cignal
- Game Credits
 - Arena Breakout (Bonds)
 - IMCASH
 - Xbox Live (Membership)
 - Minecraft (Coin)
 - Bigo (Diamond)
 - Honor of Kings (Tokens)
 - Gameclub (Credits)
 - Razer Gold (PINs)
 - PlayStation (USD, HKD, SGD)
 - Steam Wallet (Codes)
 - Valorant (Points)
 - UniPin Voucher
 - Google Play Store
 - MetaVerse Go
 - Legends of Runeterra (Coins)
 - Roblox (Credits)
 - WarpPortal
- Social
 - Tinder
- Insurance
 - Konsulta MD
 - JuanLife
 - Cebuana Lhuillier
 - MWell
- Entertainment
 - Viu
 - Kumu

You can use GCredit as a **primary payment option** or a **backup payment option**.

GCredit as a payment option

Here's how you can use GCredit to pay to GCash merchants, for bills, GInsure, GLife, and online transactions:

1. On the payment page, select **GCredit** as the payment method
2. Check the available amount you can pay with GCredit
3. Tap **Pay**

A confirmation page will appear if the transaction is successful.

GCredit as backup

You can select GCredit as your backup payment option for Google Play or App Store in case your other payment options fail due to insufficient balance by following these steps:

1. On your GCash app, click **Borrow > GCredit**
2. Tap **Online Payment Settings**
3. Select **Enable GCredit as backup > Enable GCredit**

To use GGives to pay, make sure to activate your GGives first. GGives cannot be used to pay for any loans. Check your available credit limit, and check if you are within your loan count limit.

Here's how you can make payment to our GGives Partner Merchants:

1. When at the cashier or cashier page, choose to **pay with GCash** and log in to your GCash account
2. Select **GGives** as your payment method on the GCash app > tap **See Installment Options**
3. Select your **preferred installment plan** and **Agree to the Disclosure Statement**
4. Tap **Pay with GGives**

You will be redirected to the confirmation receipt of your payment purchase. Afterward, you will receive a PDF of your disclosure statement via email, which will include your payment schedule.

Note:

Once you have purchased using GGives and signed the disclosure agreement, **you can no longer change the details of your GGives loan.**

You can make cashless transactions using Scan to Pay via QR at accredited merchants across the Philippines. Here's how:

Scan to Pay via QR Code:

1. Open the GCash App and tap **QR**
2. Scan the merchant's QR code with your phone, ensuring it's within the frame.
3. Confirm payment details and tap **Pay**

Generate Your Personal QR Code:

1. Open the GCash App and tap the **QR**
2. Select **Generate QR**
3. Tap **Pay using QR Code** and let the merchant scan your code

You and the merchant will both receive an SMS/text confirming your payment.

- [How do I send money to another GCash account?](#)

Ship & Deliver is a GCash feature powered by Parcels PH that lets you compare prices and book courier services from Grab, Lalamove, Panda Go, and others.

How to place an order

1. Tap **Add New Order** on the Ship & Deliver page
2. Select **On-Demand Delivery**
3. Select whether to **Pickup Now** or **Pickup Later**
 - If you choose Pickup Later, input the time and date you prefer your order to be picked up.
4. Input the pickup and drop-off details, item details, and courier then tap **Review Payment Summary**
5. Review the payment details then tap **Pay with GCash**

After booking, you will be directed to the order tracking page, where you can monitor the status of your delivery. Depending on the courier, you may also receive SMS updates including tracking links and rider contact details.

Note: If the driver cancels or doesn't proceed with your order, your payment will be automatically refunded to your GCash account in real time.

How to save an address

For faster future bookings, you may add your address and contact details. You can save up to **five (5) addresses** for your convenience. Here's how:

1. From My Bookings, tap **Address Book**
2. Tap **Add Address**
3. Input the necessary details and tap **Save**
4. Tap **Pin Location** to confirm your address

How to track your order

You can check your delivery status on the tracking page. Refer to the table below for order statuses:

Status	Description
--	Pending No rider confirmed yet
--	For Pick-Up Rider is on the way to the pick up location
--	For Delivery Rider is on the way to the recipient
Completed	Item has successfully been dropped off
Canceled	User cancels the delivery request before the rider has arrived at the pick up point

Follow the steps below to learn how to track your order:

1. From Search Order, input your order number
2. Tap on the order you would like to track and tap **Track Order**

Before making a withdrawal from your EzySave+ by Maybank account to your GCash Wallet, check your [Wallet and Transaction Limits](#).

To withdraw funds from your EzySave+ by Maybank account, follow these steps:

1. On your EzySave+ by Maybank dashboard, select > **Withdraw**
2. Enter the amount you want to withdraw > **Next**
3. Review and confirm the amount > **Confirm**
4. Enter the 6-digit authentication code sent to your GCash-registered mobile number > **Confirm**

You'll see a confirmation page once your withdrawal is successful. Funds will be credited to your GCash Wallet from your EzySave+ by Maybank account in **real-time**.

Note:

Withdrawal of funds from your EzySave+ by Maybank account will NOT affect your wallet limits.

Withdrawing from your GCrypto Trading Wallet allows you to transfer your crypto funds into your GCash Wallet. Ensure you stay within your [GCash Wallet Transaction Limits](#), and [GCrypto Trading Wallet Limits](#) to avoid any issues.

How to withdraw from your GCrypto Trading Wallet:

1. On the GCrypto dashboard, tap **Withdraw**
2. Enter your desired amount and tap **Continue**
3. Enter the OTP sent to your GCash registered number and tap **Submit**

You'll see a confirmation message once the withdrawal is successful.

To verify your GCrypto withdrawal transactions, check your **GCash App Inbox** and **GCash Transaction History**.

- [How do I send money to another GCash account?](#)

Before making a withdrawal from your GStocks PH Wallet to your GCash Wallet, check your [Wallet and Transaction Limits](#). If you've already reached your limit, you won't be able to withdraw funds.

To withdraw funds from your GStocks PH Wallet, follow these steps:

1. On your GStocks PH dashboard > **AB Capital Securities Inc.**
2. Select **Withdraw**

3. Input the amount you want to withdraw and select **Next**
4. Review the amount you want to withdraw and tap **Confirm**

Once you confirm your withdrawal, your funds will be in your GCash wallet within **2-3 banking days**.

To physically withdraw your stock certificates, please reach out to gcashcs@ABCapital.com.ph.

The American Express (AMEX) Virtual Pay is a FREE virtual prepaid card linked to your GCash account. It's available for Fully Verified users with an active email and allows you to shop online locally and internationally with **daily limits of PHP 40,000** and monthly limits of **PHP 100,000**.

How to Activate Your AMEX Virtual Pay Card:

1. On your GCash app, tap **Profile**
2. Select **My Linked Accounts**
3. Tap **American Express Virtual Pay**
4. Enter your email address and wait for an SMS to confirm your registration.
5. For existing AMEX Virtual Pay holders, tap **Get New Code**
6. Your security code / CVV will be sent via SMS. Save and take note of this code to make future payments.

If you've successfully activated your card but can't access it in the GCash app, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

GSave Overseas (or GSave by CIMB) is a savings account from GCash and CIMB Bank Philippines, made for Filipinos working abroad. It's an easy way for Overseas Filipinos to save money while overseas.

What are the requirements for GSave Overseas?

You are eligible to open a GSave Overseas CIMB account if you are:

- An Overseas Filipino Citizen with a [GCash accepted government PH-issued ID](#)
- [Residing abroad where GCash is available](#)
- At least 18 years old with a valid international number
- A [Fully Verified](#) GCash user

Follow the steps below to apply for a GSave Overseas account

1. On your GCash app, tap **GSave**
2. Tap **Let's Go to** proceed with your application
3. Select **Okay** to share your information with CIMB
4. Follow all the steps to complete your GSave Overseas application

You will be led to a page that confirms the successful opening of your GSave Overseas account.

A+ Rewards lets Fully Verified GCash users claim free vouchers or buy discount vouchers for restaurants, stores, mobile games, e-commerce, and digital subscriptions, offering exclusive deals from global partners led by Ant Group.

How to Claim or Buy A+ Rewards Vouchers:

1. On the GCash homepage, tap **A+ Rewards**
2. Browse through voucher categories
3. Select your preferred voucher and tap **Buy Now** or **Claim Now** to redeem it
4. If purchasing, you'll be redirected to confirm your payment
5. View your vouchers by tapping **My Rewards** or **Vouchers** on the A+ Rewards homepage

If you're unable to redeem vouchers or encounter payment issues, contact A+ Rewards customer care directly. Here's how:

1. Go to **My Rewards** on the A+ Rewards homepage
2. Tap the **headset icon** on the upper-right corner
3. Browse articles, chat, or submit a ticket for assistance

Linking GCash as a payment method allows for quicker and easier transactions, as you will not need to log in each time you make a payment.

Please reach out to the respective merchant if you have concerns with refunds for payments made with a linked GCash account.

You can use GCash as your payment method for various products and services, including:

Google Play Store

How to link

1. Tap the **Profile** icon on the [Google Play Store](#)
2. Tap **Payments and Subscriptions > Payment methods**
3. Tap **Add GCash**
4. Enter your GCash account information
5. Enter the 6-digit authentication code sent to your GCash registered mobile number
6. Review the details of the linking of online payment and select **Authorize**

Update or cancel a subscription

Subscriptions made on the Google Play Store are automatically renewed. You can visit [Cancel a Subscription on Google Play](#) for a quicker process, or follow the steps below:

1. On your Google Play Account, tap **Payments and subscriptions > Subscriptions**
2. Select your preferred subscription
3. Tap **Update or Cancel subscription**

Remove GCash as payment method

1. On your Google Play Account, go to **Payments and subscriptions > Payment methods**
2. Select **GCash > More payment settings**
3. You will be redirected to the GPay website with details of the GCash-linked account
4. Select the account then tap **Remove** to unlink your GCash account
5. Confirm again by tapping **Remove**

Request for a refund

Refunds are based on the policies and terms and conditions of both Google Play and the Developer of the app you subscribed to:

1. Google Play Store Website: [Request for a refund](#) via the Google Play to request refunds on purchases

2. App Developer: Contact the developer to get in touch with an Android app's developer

Apple App Store

How to link

1. In your phone Settings, tap your **Apple ID/Profile**
2. Tap **Payment and Shipping > Add Payment Method**
3. Select **GCash** as your payment method
4. Tap **Authorize**
5. Enter your GCash account information
6. Enter the 6-digit authentication code sent to your GCash registered mobile number

Request for refund

1. Sign in to reportaproblem.apple.com.
2. Tap or click "I'd like to," then choose "Request a refund."
3. Choose the reason why you want a refund, then select Next. 4. Choose the app, subscription, or other item, then select Submit.

Cancel a subscription

1. Go to the **App Store**
2. Tap your **Profile** icon
3. Tap **Subscriptions** to view the list of subscriptions
4. Select a subscription then tap **Cancel Subscription**

Remove GCash as payment method

Sign in to your Apple account with your Apple ID and select **Payment Methods**

Netflix

How to link

1. Sign up or sign in to [Netflix](#) to select a subscription plan and fill out your account information
2. Select **GCash** as your payment option
3. Enter your GCash account information
4. Enter the 6-digit authentication code sent to your GCash registered mobile number
5. Review the details of the linking of online payment and select **Authorize**

Manage payments

1. Log in to your Netflix account
2. Select **Manage payment info**

Spotify

How to link

1. Sign up or sign in to your [Spotify](#) account to select a subscription plan
2. Select **GCash** as your payment option
3. Enter your GCash account information
4. Enter the 6-digit authentication code sent to your GCash registered mobile number
5. Review the details of the linking of online payment and select **Authorize**

Foodpanda

How to link

1. Sign up or log in to Foodpanda ([iOS/ Android](#))
2. Order food or shop using the app
3. At the checkout page, select GCash as a payment method
4. Log in to your GCash app
5. Review the details of the linking of online payment and select **Authorize**
6. Enter the 6-digit authentication code and tap **Next**

Manage payments

On your Foodpanda app, tap the hamburger icon on the upper left and select **Balance and payment methods**

Grab

How to link GCash as payment method

1. On your Grab app, go to **Account** or **Profile**, swipe to the right and select **All payment methods**
2. Select **GCash** in the list of payment methods
3. Enter the mobile number of your GCash account and tap **Next**. Then, enter the 6-digit authentication code (OTP) sent to your number
4. Enter your GCash MPIN then tap **Next**
5. Complete the linking process by tapping **Link**

You'll see a confirmation page once your GCash account is successfully linked. You can now use GCash as a payment method for Grab!

How to unlink GCash as a payment method

1. On your Grab app, tap **Account** on the lower right. Some users may need to go to **Profile** located on the upper right icon
2. Select **GCash** on your list of payment methods
3. Tap **Unlink**

After completing the steps above, your GCash account will be unlinked from Grab and you'll be redirected to your Account page.

Lalamove

How to link

1. Sign in to Lalamove
2. Tap the hamburger icon on the upper left corner
3. Select **Wallet > Payment Methods**
4. Tap **GCash (Alipay+ Partner)**
5. Log in to your GCash app
6. Review the details of the linking of online payment and select **Authorize**
7. Enter the 6-digit authentication code and tap **Next**

How to unlink

1. Sign in to Lalamove
2. Tap the hamburger icon on the upper left corner
3. Select **Wallet > Payment Methods**
4. Tap edit and select **Remove** on your GCash number

Manage payments

On your Lalamove app, tap the hamburger icon on the upper left and select **Payment Methods**

Angkas

How to link

1. Open and sign in to Angkas
2. Tap the hamburger icon on the upper left corner
3. Select **Wallet > Payment Methods**
4. Tap **Link GCash**
5. Log in with your GCash app details
6. Review the details of the linking of online payment and select **Next**
7. Enter the 6-digit authentication code and tap **Next**
8. Tap **Link**

How to unlink

1. Open and sign in to Angkas
2. Tap the hamburger icon on the upper left corner
3. Select the hamburger icon and tap **Wallet > Payment Methods**
4. Tap **Unlink**

Manage payments

On your Angkas app, tap the hamburger icon on the upper left and select **Payment Methods**

Move It

How to link

1. Open and sign in to Move It
2. Select **Account > Payment Methods**
3. Tap **+GCash**
4. Log in with your GCash app details
5. Review the details of the linking of online payment and select **Next**
6. Enter the 6-digit authentication code and tap **Next**
7. Tap **Link**

How to Unlink

1. Open and sign in to Move It
2. Select **Account > Payment Methods**
3. Tap **+GCash > Unlink**

Lazada

How to Link

1. On your Lazada checkout page, tap **View All Methods**
2. Select **GCash e-wallet > Confirm Selection**
3. Tap **GCash e-wallet**
4. Enter your GCash number and tap **Next**
5. Enter the 6-digit authentication code sent to your registered mobile number and tap **Next**
6. Login to your GCash account and tap **Authorize**

You will be taken to a page confirming Lazada's successful linking to GCash.

How to Unlink

1. On your Lazada homepage, scroll down and tap **Payment Options**
2. Select your GCash number
3. Tap the three dots on the upper right and select **Delete Payment Method**

Shopee

1. On your checkout page, scroll down and tap **Payment Center / E-Wallet > Place Order**
2. Tap **Pay**
3. Enter your GCash number and tap **Next**
4. Enter the 6-digit authentication code sent to your registered mobile number and tap **Next**
5. Login to your GCash account and tap **Next**
6. Select **Pay**

You will be taken to a page confirming that your Shopee order was successfully paid using GCash.

Tiktok Shop

How to Link

1. On your Order Summary page, tap **GCash > Link Gcash account**
2. Log in to your GCash account and tap **Authorize**
3. Enter the 6-digit authentication code sent to your registered mobile number

You will be taken to a page confirming your TikTok Shop's successful linking to GCash.

How to Unlink

1. On your Tiktok Shop homepage, tap the hamburger icon and select **Payment**
2. Tap **GCash**
3. Select **Delete payment method > Remove**

Amazon Prime

To use or update GCash as a payment method for Amazon Prime please link GCash to App Store (iOS) or Google Play Store (Android).

To unsubscribe from Amazon Prime, please cancel your subscription via Google Play or the App Store.

If you're still experiencing a problem with linking or unlinking your Gcash account, select your chosen payment method for further support:

Auto-Debit Payment

If you're trying to subscribe to recurring payments via automatic deduction from your GCash account, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common auto debit merchants include Google, Apple, Spotify, Netflix, and Disney+.

Link and Pay

If you're trying to pay by linking your GCash account to a merchant's platform for recurring transactions without re-entering credentials, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common link and pay merchants include Grab, Angkas, and Moveit.

You can cash in up to **PHP 8,000 per month for free** through GCash's official [Over-the-Counter \(OTC\) partners](#). If you need to cash in more than PHP 8,000, service fees may apply. Check your monthly OTC cash-in limit on the Cash In page which **resets every first day of each month**.

To cash in over the counter, follow these steps:

1. On the GCash homepage, tap **Cash In**
2. Select **Over-the-Counter**
3. Tap the type of cash-in channel you want
4. Select the cash-in partner to view instructions on how to cash in

Once you've completed the cash-in, you will receive a receipt as proof of your transaction —keep this for reference.

Make sure to monitor your monthly limit on the **Cash In** page to avoid extra fees.

To cash in through InstaPay or PESONet, follow the steps below:

1. Log in through your bank's Website or Mobile App, go to **Money Transfer** service
2. Select **Transfer to Other Banks** via InstaPay or PESONet
3. Select **GCash** as the destination bank
4. Enter the required details and amount. Your **GCash-registered number** is your account number
5. Review the details and confirm. Enter the **OTP** sent via SMS or email
6. Tap **Confirm** then **OK**

You'll receive an SMS confirming your successful transaction.

Refer to the table below for a summary of cashing in via InstaPay or PESONet:

InstaPay Cash in up to PHP 50,000 and receive your funds in real-time PESONet Cash in more than PHP 50,000 and receive your funds by the next banking day --- --- --- Maximum number of transactions per day No limit Daily incoming limit per account PHP 10,000/day, if within two (2) weeks of first cash in via InstaPay

PHP 50,000/day after two (2) weeks from first cash in via InstaPay | May vary depending on your bank's set limit. View your bank's website to learn more. || **Monthly incoming limit per account** | PHP 100,000 for Fully Verified GCash users
 PHP 500,000 for GCash Plus users || **Crediting of funds to the recipient's account** | Real-time | **Time of Cash-In** | **Crediting Time** || 4:00 - 12mn from the previous business day | 10:00 AM || 10:00 AM - 1:00 PM of the current business day | 1:00 PM || 1:00 PM - 4:00 PM of the current business day | 4:00 PM || **Transaction fee** | Varies, as charged by your bank |

- [Accepted IDs for GCash Verification](#)
- [How do I send money to another GCash account?](#)

Note:

Transferring funds between PayPal and your GCash VISA Card is currently unavailable. However, you can still cash in by linking your GCash account to PayPal.

Check your [GCash Wallet and Transaction limits](#), and follow these reminders before cashing in from a linked PayPal account:

Reminders before cashing in

- Your PayPal [should be linked to your GCash account](#)
- [Convert your PayPal funds to PHP \(Peso\)](#)
- If PHP isn't added as a currency, log in to PayPal to add it
- For changes like name updates, verification, or currency conversion, use the PayPal website or app

How to cash in via PayPal:

1. On the GCash homepage, tap **Cash In**
2. Select **Global Banks and Partners > PayPal**
3. Enter the amount and tap **Next**
4. Confirm the cash-in amount

PayPal cash-ins are usually processed immediately but can take **24-48 hours** to reflect in your GCash wallet. You'll receive a notification in your GCash App Inbox once the funds are added.

Note:

Linking and cashing in to GCash with PayPal increases your wallet and transaction limit to PHP500,000.

Check your [GCash Wallet and Transaction limits](#), and follow these steps to cash in from a linked Payoneer account:

1. On the GCash homepage, tap **Cash In**.
2. Select **Global Banks and Partners > Payoneer**
3. Choose your **currency balance** and enter the **amount**
4. Review the details, then tap **Confirm**
5. Enter the **OTP** sent to your GCash-registered mobile number

Your cash-in will be processed in about **5 minutes**, and you'll receive a GCash in-app notification.

Note:

Linking and cashing in to GCash with Payoneer increases your wallet and transaction limit to PHP500,000.

To cash in to GCash from a EU or UK bank, follow these steps:

1. On your GCash app, tap **Cash In > Global Partners and Remittance**
2. Select **International Banks > EU or UK**
3. Read instructions and then tap **Cash In**.
4. Enter the amount you wish to cash in (in PHP) and tap **Next**
5. Review the transaction details and tap **Confirm**.
6. Select your bank and proceed with login and authentication.
7. After confirming your bank details, review the amount and fees, and tap **Confirm**.

If the transaction is successful the cash in amount will be reflected instantly in your GCash wallet in PHP.

Cash in to a US Bank

Cash in to GCash with a linked US bank account. First-time transactions have a **\$500 limit**, with a **\$600 weekly cap**. To start, tap **Cash In > Global Banks and Partners > USA**.

Before cashing in:

- The exchange rate is locked for **15 minutes** once you enter your One-Time PIN.
After 15 minutes, you must request again to get a new rate.
- Review details carefully; **transactions cannot be canceled once confirmed**.

How do I cash in to GCash with my linked BPI account {#how-do-i-cash-in-to-gcash-with-my-linked-bpi-account}

Path: articles/10282024155801-How-do-I-cash-in-to-GCash-with-my-linked-BPI-account

ADVISORY:

Bank Transfer to Maya will be right back! Our partner is working to restore the service as soon as possible.

Articles in this section

- [How do I link my Unionbank account to GCash?](#)
- [How do I link my BPI to GCash?](#)
- [How do I cash in to GCash with my linked BPI account?](#)

Promoted articles

- [What are the steps to get a Fully Verified GCash account?](#)
- [Accepted IDs for GCash Verification](#)
- [How do I send money to another GCash account?](#)

Check your [GCash Wallet and Transaction limits](#), and follow these steps to cash in from a linked BPI account:

1. On the GCash homepage, tap **Cash In**
2. Tap **Local Banks**
3. Select **BPI or UnionBank**
4. Enter the cash-in amount and select the account
5. Review the details and tap **Confirm**

Once successful, a confirmation screen will appear and your balance will update immediately. You'll also receive a confirmation **via email and SMS** for this transaction.

If the transaction fails, the total amount, including convenience fees, will be refunded to the original account.

Note:

A PHP 5.00 convenience fee will apply for cash-ins via linked accounts. Linking and cashing in to GCash with BPI or Unionbank boosts your wallet and transaction limit to PHP500,000.

- [How do I send money to another GCash account?](#)

To cash out via GCash Partner Outlets, follow the steps below:

1. Tell the cashier you want to cash out from your GCash Wallet.
2. Give your **mobile number and the amount** you want to cash out.
3. Show a **valid government ID**.
4. Wait for an SMS, then reply with the OTP.
5. Get your cash from the cashier.

Scan to Withdraw allows you to withdraw money from an RCBC ATM without a card—just use your GCash app.

Before You Use Scan to Withdraw

- Make sure you are a [Fully Verified](#) GCash user
- Make sure your GCash wallet has enough balance, including the withdrawal amount and the ATM's withdrawal fee
- Take note of the following transaction limits:
 - **Minimum Withdrawal Amount:** PHP 100
 - **Maximum Withdrawal Amount:** PHP 5,000 per transaction

Where You Can Use Scan to Withdraw

You can use Scan to Withdraw at select RCBC ATMs. Check the [list of RCBC ATM locations here](#).

How to Use Scan to Withdraw

There are only 2 steps—create a cash-out QR code on the GCash app, then scan the QR on the ATM.

Step 1: Create a Cash Out QR Code in the GCash app

Note:

Once you create your QR code, an amount plus a service fee of **PHP 18 will be deducted from your GCash wallet balance**. This is a temporary hold to ensure there are sufficient funds available for payment when your booking is completed.

If there are any issues with the ATM withdrawal, the amount will be automatically returned to your wallet within 10 minutes.

Follow the steps below to withdraw money via Cash Out QR code.

1. On your GCash App, tap **View All Services**
2. Select **Cash Out**
3. Tap **RCBC Scan to Withdraw**
4. Select **Cash out via QR Code**
5. Input the amount to cash out and tap **Next**
6. Review your Cash Out details and tap **Proceed**
7. Enter the 6-digit authentication code sent to your GCash registered mobile number.
Tap **Submit**
8. You'll be led to a page with your Cash Out QR code

Once you've generated your QR code, it is **only valid for 5 minutes**. For security, you **cannot take a screenshot or download the QR code**. We recommend generating a QR right before withdrawing at the ATM.

Step 2: Scan the Cash Out QR Code at an RCBC ATM

Follow the steps below to collect your funds with the generated Cash Out QR Code:

1. On your RCBC ATM Machine screen, press **Enter** and select **QR Cash Withdrawal**
2. Place the generated Cash Out QR under the scanner
3. Review and confirm the details and collect your cash within 20 seconds

You can check the status of your orders in the GCrypto Transaction page. Once your order is confirmed, it will be marked as ‘Successful.’

Your funds will be available immediately after payment. However, during high trading volumes, it may take a little longer to process.

To view your crypto holdings, tap on **Portfolio**.

To verify your GCrypto transactions, check your Transaction History within the app or refer to the email notifications you receive.

Once you've submitted a buy or sell order and it's received, you can track its status on the "Orders" page. You'll see a message on your screen indicating the status of your order, which will also reflect on your account records.

Here are the possible order symbols and their corresponding status for your reference:

Order Status	Description	Symbol
Completed / Filled	Order has been successfully completed / filled	✓
Rejected / Cancelled	Order has been rejected / cancelled	✗
Open / Pending	Order is still open and waiting to be completed	▢
Replaced	Order has been modified (replaced with new open order)	⟳

Once your order has been completed after the number of processing days, you can view it on the "Portfolio" page.

If your account stays non-verified for 12 months after registration, it will be restricted, and you'll be charged a monthly **Basic Account Maintenance Fee of PHP 15 monthly**. To access your remaining balance, you can either **create a new GCash account or verify your current Basic account**.

To access your funds, you may follow these steps:

If you have another GCash Account under your name

1. Make sure your new GCash account is Fully Verified
2. Prepare any one of the following valid IDs accepted
3. Submit a ticket to transfer the funds from your old number to your number number.

You'll get a confirmation email in your GCash registered email address about your transfer of funds request within **48 hours**.

If you plan to keep your mobile number and verify your account

1. Prepare an accepted valid ID and take a selfie while holding it.
2. Submit a ticket to temporarily lift your account suspension.

Once lifted, log in to your GCash and complete your verification within **24 hours**. Failure to do so will mean your account will be re-suspended.

- [How do I send money to another GCash account?](#)

You can claim your remittance by visiting the branch where it was sent or through their website or app.

Only [Fully Verified](#) GCash users can claim remittances from overseas to the Philippines.

Make sure the **sender uses the same name you registered with GCash** for a smooth transaction, and follow the steps below:

How to claim remittance with GCash:

1. On the GCash homepage tap **Cash In > Global Banks and Partners**
2. Type and select remittance partner in the search bar
3. Enter the expected amount, reference number, and purpose of remittance. Tap **Proceed**
4. Review the details of your remittance and tap **Next**
5. Enter the 6-digit authentication code sent to your GCash registered mobile number

Once confirmed, you'll see a page confirming your successful claim. If everything is correct, the money will be added to your GCash wallet in **real-time**.

Note: Claim your remittance within **90 days** to avoid expiration of the reference number.

If you enter the reference number incorrectly 3 times, you will be locked out for **24 hours** before you can try again.

Closing your GFunds account is permanent and **irreversible**. Once your account is closed, you will no longer have access to any associated data or funds.

How to close your GFunds account:

1. Make sure your GFunds balance is zero Before deleting your account, ensure that you sell any remaining funds in your GFunds account. Don't make any new transactions until you receive your funds in your GCash Wallet.

2. Check for Completed Transactions

After the sell order processing days, open your GCash app and check the Inbox to confirm your transactions.

3. Request for Account Closure

Once all sell order transactions are complete and your GFunds balance is zero, [click here to ask for help](#) to request account closure for GFunds.

You can easily download the GCash app and create a GCash account within minutes! GCash is now available for the following:

- [GCash for Filipinos and Foreign Nationals based in the Philippines aged 18+ with a PH SIM](#)
- [GCash Jr for Filipinos or Foreign Nationals aged 7-17 with a PH SIM](#)
- [GCash Overseas for Filipinos based abroad with an International SIM](#)

Note:

GCash is not yet available for Foreign Nationals with an International SIM.

How to create a GCash account

First, please make sure you are using a **registered Philippine network SIM card**(Globe, TM, Talk N Text, Smart, SUN, or DITO).

Follow these steps to create your GCash account:

1. Search GCash in the [Google Play Store or App Store](#) and download it for FREE
2. Open the GCash app and input your mobile number. Tap **Next**
3. Enter the 6-digit authentication code sent to your mobile number. Tap **Submit**
4. Select **New Account**, fill in and review all required personal details, then tap **Next > Confirm**.

Note: Your personal information should be accurate and up-to-date, as using someone else's information is punishable by law. 5. Set your 4-digit MPIN and tap **Confirm** 6. Tap **Go to Login** to start using GCash

Deactivating your GCash Card will **permanently unlink** it from your GCash account. This action **cannot be undone**, and you will no longer be able to use the card. If you want to temporarily lock your GCash Card from making transactions, please read [how to lock your card](#).

If you want to continue the permanent deactivation of your card, follow these steps:

1. Go to your GCash Card page and select the GCash Card account you want to deactivate

2. Tap **Deactivate** located in the upper right corner
3. Review the deactivation notice, then tap **Deactivate It**
4. Enter your card's 6-digit PIN to confirm.

You'll be redirected to the GCash Card page, and your deactivated card will no longer appear.

When you request to delete your GCash account, you will lose access to all GCash services, which include cards, insurance, and wealth products. Once we start processing the deletion, you won't be able to log in anymore. Your data will be completely deleted from our systems after five years, following the law (R.A. 9160).

When you request to delete your GCash account, you will **lose access to all GCash services, which include cards, insurance, and wealth products.**

Once we start processing the deletion, you won't be able to log in anymore. Your data will be completely deleted from our systems after five years, following the law (R.A. 9160).

Things to Know Before Closing Your GCash Account

- When you delete your GCash account, you will also cancel your records for GInsure, GInvest, GCredit, and other services. If you create a new GCash account in the future, your previous records cannot be restored.
- After you request account deletion, you won't be able to log in anymore.
- Your data will be completely deleted from our systems after five years, following the law (R.A. 9160).

Steps to Delete Your GCash Account

1. **Settle any outstanding dues:** Make sure you pay all of your outstanding balance in GCredit, GGives, or GLoan. We can't delete your account if you have unpaid balances.
2. **Clear your GSavE and GInvest accounts.** There should be **no pending buy or sell orders** on your GFunds, GCrypto, and GStocks PH. You can sell the units and transfer the funds to your GCash wallet. If you have remaining funds with a GSavE partner bank, you have the option to withdraw your funds via their bank apps.
3. **Empty your wallet balance:** Before deleting your GCash account, make sure to withdraw all the funds on your wallet.
4. **Prepare an accepted valid ID and take a selfie while holding it.**
5. From your GCash account, tap **Profile and your name** then tap **Delete Account**. Do not forget to **attach the photo of the valid ID and selfie in your request**.

Privacy Notice:

The information you provide will only be used to verify your identity and process your account deletion request. Once we validate your identity and complete the form, we will proceed with the deletion of your GCash account.

- [How do I send money to another GCash account?](#)

Help **reduce your carbon footprint and support environmental conservation** by earning and collecting green energy points through GCash. Every cashless transaction contributes to carbon reduction and brings you closer to planting a tree with GForest.

How to earn green energy points:

Green energy points represent the total carbon saved by users through transactions like [Send Money](#), [Buy Load](#), and [Pay Bills](#). Each successful transaction earns you green energy points, reflecting the carbon reduction achieved through cashless activities.

Points are credited within **24 hours** after completing a transaction

Below are the GCash transactions that earn you green energy points, along with their monthly limits:

Here are the GCash transactions that can help you earn energy and their corresponding monthly limits:

||||| --- | --- | --- | --- || GCash Transaction | Green Energy Points | GCash Transaction Monthly Limit
(**maximum # of times a user can earn green energy from a specific GCash transaction**) | Green Energy Points Monthly Limit
(**maximum # of energy points a user can earn in a month**) || Buy Load | 106 points per transaction | 30 per month | 3180 energy points || Bank Transfer | 228 points per transaction | 10 per month | 2280 energy points || Pay Bills | 253 points per transaction | 20 per month | 5060 energy points || Cash-in Online | 56 points per transaction | 10 per month | 560 energy points || Send Money | 131 points per transaction | 10 per month | 1310 energy points || GSav - Deposit | 131 points per transaction | 20 per month | 2620 energy points |

How to collect green energy points:

1. On your GCash app, tap **GForest**
2. Tap the floating energy bubbles on your **GForest homepage**
3. You can also collect green energy from your friends by tapping on their names in the **GForest dashboard**

Currently, you cannot unfriend GForest friends. To prevent friends from collecting your energy, check GForest 24 hours after your transaction.

Energy bubbles don't appear at a fixed time, but they usually show up between **6:00 AM - 7:00 AM** and **11:00 PM - 12:00 MN**. Check and collect energy as soon as possible—uncollected bubbles disappear after **72 hours**.

- [How do I send money to another GCash account?](#)

Gigs by Raket is a feature within the Raket Marketplace in GCash that **connects you with skilled Filipino freelancers** for your project. Gigs by Raket offers various services such as graphic design, writing, encoding, and other specialized tasks. Here's everything you need to know:

How to find or hire a freelancer from the Raket Marketplace:

1. On the GCash app, tap **View All Services > Gigs**
2. Search and tap on the service you want to avail
3. Read through the details of the service and select **Buy Now**
4. Review 'Raket Payment Protection.' Tap the tick box and select **Buy Now**
5. Confirm your payment and tap **Agree and Pay**
6. Select **Pay**

You will be led to a page confirming your successful service payment.

The time required for order completion depends on the freelancer. Use the chatbox to communicate with the freelancer regarding project updates or concerns.

How Payments Work:

- GCash is the only accepted mode of payment. Payment is made in advance and **held as a bond** until the service is completed.
- Freelancers are paid only after the service is marked as **complete**.
- If the client does not mark the service as complete for **3 days after the freelancer marks it as complete**, the payment will automatically be released to the freelancer.

How to Cancel a Service:

If you need to cancel a service, follow these steps:

1. From your ‘Raket’ Menu Bar, tap **Projects and Orders**
2. Select the service you want to cancel
3. Tap **Cancel Order**

The freelancer must approve the cancellation request. Once approved, the refund will be credited back to your GCash wallet **every Friday at 6:00 pm**.

Note: Freelancers and clients are encouraged to settle disputes directly before contacting Raket support.

To **avoid mistakes and make sure your money is sent to the right person**, create your FREE personal QR Code. Other banks or e-wallets might charge InstaPay fees.

You can generate and download your Personal QR Code for future use using one of these two options:

Option 1: via the QR Button

1. Open the GCash app and tap **QR**
2. Tap **Generate QR**
3. Select **Receive Money via QR Code**

Option 2: via Send

1. Open the GCash app and tap **Send**
2. Tap **Generate QR**

Your AMEX Virtual Pay Card security code or CVV is required for certain transactions or to verify your card information. If you need a new security code for your AMEX Virtual Pay Card, follow these steps:

1. On your GCash app, tap **Profile**
2. Tap **My Linked Accounts > American Express Virtual Pay**
3. Tap **Get New Code**

You'll receive your CVV or security code in your **GCash-registered mobile number**. If you didn't receive a new security code after tapping Get New Code, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

- [How do I send money to another GCash account?](#)

To increase your GCash wallet and transaction limits, **fully verify your GCash account, link a bank account, or create a GSave or GFunds account. Only GCash users 18 years old and above with a Philippine-issued SIM card can increase their limits.**

Increase your GCash wallet limit to PHP 100,000

If you're a Basic user, you can increase your wallet and transaction limits to PHP 100,000 by becoming a Fully Verified user.

Increase your GCash wallet limit to PHP 500,000

Once you've increased your GCash wallet limit to PHP 100,000, you can raise it to PHP 500,000 by doing at least ONE of the following:

Link and Cash In

1. Link your BPI, Unionbank, Payoneer, or PayPal account to your GCash wallet
2. Cash in to GCash with your linked bank account

Create a GSave account with CIMB

1. On your GCash app, tap on **GSave**
2. Sign up for a GSave account with CIMB
3. Deposit at least PHP 100

Create a GFunds account and invest in BPI or ATRAM

1. On your GCash app, tap **GFunds**
2. Create a GFunds account and invest in BPI or ATRAM
3. Invest at least PHP 100

After completing any of the steps above, wait for **3-5 business days** for your new limits to reflect. You'll be notified via SMS once your GCash wallet and transaction limits have been upgraded.

First, ensure your GCash account is Fully Verified and that you have a BPI savings/checking account.

Linking and cashing in with your BPI or UnionBank account qualifies you for a potential **increase in your GCash wallet and transaction limit to PHP500,000.**

How to link your BPI account to GCash:

1. Tap Cash In
2. Select Local Banks > BPI > Enroll Now
3. Log in using your Online Banking User ID and Password
4. Enter the 6-digit OTP sent to your mobile number

You'll see a confirmation page once the linking is successful.

Once you receive your GCash Card, you'll need to connect the card to your GCash account.

Follow these simple steps to link your GCash Card to your GCash account:

1. On your GCash app, tap **Cards > Link my Card**
2. Enter the 6-digit authentication code and tap **Submit**
3. Fill in the last 4 digits of your card and your Virtual Account Number. Tap **Submit**

A prompt will appear confirming that your GCash Card has been successfully linked.

- [How do I send money to another GCash account?](#)

Before linking, make sure you meet these requirements:

- Your GCash account must be [Fully Verified](#)
- Your PayPal account should be Philippine-based and verified before cashing in via PayPal.
- For account changes (like name updates, verification, or currency conversion), use the PayPal website.
- For **Android users**, download and install Google Chrome and set it as your default browser

Only one PayPal account can be linked to a GCash account, and vice versa. Here's how:

1. On the GCash homepage, tap on **Cash In**
2. Tap **Global Banks and Partners > PayPal**
3. Enter your PayPal login credentials and tap **Next**
4. Tap **Okay** on the confirmation page.

You may need to re-link your PayPal account for security reasons. Follow the same steps to do this.

Note:

Link and cash in with your PayPal account to qualify for a GCash wallet and transaction limit increase to PHP500,000.

First, ensure your Payoneer account is verified before linking it to GCash. This service is only available for Fully Verified GCash users. If you haven't used Payoneer to cash in for over a month, you may need to re-link your account for security reasons.

How to Link Your Payoneer account to GCash:

1. On the GCash homepage, tap **Profile**
2. Select **My Linked Accounts > Payoneer**
3. Tap **Link Account**.
4. Enter your Payoneer login details
5. Input the verification code sent via SMS
6. Wait for a confirmation text message to complete the linking process

Once successfully linked, you can cash in with Payoneer and add funds to your GCash wallet.

If you don't have a Payoneer account yet, you can create one straight from the GCash app. Tap below to learn how to create a Payoneer account:

Create a Payoneer account

Follow the steps below to create your Payoneer account:

1. On the GCash homepage, tap **Profile**
2. Select **My Linked Accounts > Payoneer**
3. Select **Create an Account**
4. Tap on **Register with GCash** for your GCash information to be filled out instantly, or select **Create an Account** to enter your details manually
5. Fill out the necessary information to successfully create an account.
6. A confirmation screen will appear to inform you that your application is being processed

Most applications are reviewed quickly, but some may take up to three (3) business days. You'll get an email from Payoneer about your application status. Once approved, you'll receive another email with more details. For additional information, visit Payoneer's website.

Note:

Linking and cashing in with your Payoneer account may qualify you for a potential increase in your GCash wallet and transaction limit to PHP500,000.

- [How do I send money to another GCash account?](#)

Before starting, ensure that the name and date of birth on your US bank account match your GCash account details. Fully Verified GCash users can cash in up to **\$600** per week.

How to link your US bank account to GCash:

1. On your GCash App, tap **Cash In**
2. Tap **Global Banks and Partners**
3. Under International Banks, select **USA**
4. Read the instructions and tap **Cash In**
5. Input your US mobile number and tap **Verify Phone Number**
6. Enter the 6 digit verification code sent to you
7. Enter the amount in USD you want to cash in and select **Continue**
8. Input Personal Details and tap **Next**
9. Enter your full address and Zip Code. Tap **Continue**
10. Review your transaction details and select **Connect your bank**

A confirmation page will appear once your bank is linked. Then tap **Continue** to proceed with your Cash In.

First, ensure your GCash account is Fully Verified and that you have a UnionBank savings/checking account.

Linking and cashing in with your UnionBank account qualifies you for a potential increase in your GCash wallet and transaction limit to PHP500,000.

How to link your Unionbank account to GCash:

1. Tap Cash In
2. Select Local Banks > UnionBank > Enroll Now
3. Log in using your Online Banking User ID and Password
4. Enter the 6-digit OTP sent to your mobile number.

You'll see a confirmation page once linking is successful.

Locking your card helps protect it in case of loss or suspicious activity.

Lock your GCash Card

To lock your GCash Card, follow these simple steps:

1. Go to your GCash Card page
2. Select your GCash Card account
3. Tap **Lock Card**

Once locked, your GCash Card will be **grayed out on the GCash app**. You will receive an SMS that confirms your GCash Card is temporarily suspended.

Unlock your GCash Card

Once you're ready to use your card, here's how to unlock it:

1. Go to your GCash Card page
2. Select your GCash Card account
3. Tap **Unlock Card**
4. Input the 6-digit code sent to your mobile number and tap **Submit**

You will receive an SMS that confirms your GCash Card has been successfully reactivated.

You may pay for your GLoan Sakto dues via the GCash app. Here are the steps to follow:

1. On your GCash app, click **Borrow**
2. Tap **GLoan** > indicate the amount > **Pay**

GLoan Sakto Due

Your GLoan Sakto is due **14 days** after loan disbursal

Paying Early and On Time

- Pay your full loan amount early or on time to re-avail
- Pay early to increase your chance at getting another GLoan Sakto or a GLoan offer
- Pay early and on time to avoid penalty fees

Check your GLoan Sakto Disclosure Statement to know more details about your loan.

Use GCash to pay your bills, including Meralco, Manila Water, PLDT, Globe, and top up your Beep Card, Autosweep, EasyTrip, and more. GCash also allows payments for other electricity, water, internet, telecom services, credit cards, loans, government fees, insurance, and school fees.

Before paying bills, double-check that you've entered the correct details.

How to pay bills using GCash:

1. On your GCash homepage, tap **Bills**
2. **Select your biller** from the list
3. Enter the required information and tap **Next**
4. Review and confirm the transaction details

Once completed, you'll receive a confirmation via the **app inbox, push notification, and your GCash-registered email**.

Note:

Fees and processing times depend on your biller. You can view the full [list of Partner Billers here](#).

Once your AMEX Virtual Pay Card is activated, you can start using it for payments right away. Here's how to make payments and manage your card:

Pay using your AMEX Virtual Pay Card

You can use your AMEX Virtual Pay Card to make online purchases. Local purchases in the Philippines will reflect charges based on your orders and shipping fees.

- Some websites may ask for your **name, card number, expiration date, and CVV/security code**. Ensure you only provide these details on trusted websites.
- Your security code was sent to you upon activation. For additional security, please request for a new CVV anytime.

Manage your AMEX Virtual Pay Card

Your AMEX Virtual Pay Card will have a **U.S. address and phone number**.

If you need to transfer your linked AMEX Card to a new number or correct your name on the card, click here to ask for help. A customer service representative will contact you in **24 hours**.

If you are seeing a different name on your AMEX Card, click here to ask for help. A customer service representative will contact you in **24 hours**.

Articles in this section

- [How do I withdraw my earnings from Jobs on GCash?](#)
- [How can I apply for Jobs on GCash?](#)
- [How do I refer someone for Jobs on GCash?](#)

Promoted articles

- [What are the steps to get a Fully Verified GCash account?](#)
- [Accepted IDs for GCash Verification](#)
- [How do I send money to another GCash account?](#)

With Jobs on GCash, you can easily refer people to job openings and earn money when your referral is hired. Here's how the referral process works:

How to refer someone for Jobs on GCash

You will receive **6 referral credits** for each job opening. When **you send a referral email to someone** (the referee), a referral credit will be deducted from your account. A credit will also be deducted when the **referee clicks on your referral link**.

To refer someone, follow these steps:

1. On your GCash app, tap **View All Services > Jobs**
2. Search through a job list and tap **Refer**
3. Select **Email** and enter the full name and email of your referral
4. You will be notified of your successful referral and your remaining referral credits

How to earn money by referring

- For each job posting, there's a referral fee you can earn if the person you referred is hired
- Referrals can be passed on: When your referral refers someone else, you can still earn a portion of the referral fee
- **Referee:** The person you refer to the job ; **Referrer:** You, the person who makes the referral

Referral fee cutExample

| Referral fee cut | 1st degree referee candidate | 2nd degree referee candidate | 3rd degree referee candidate || --- | --- | --- | --- | 1st degree referrer | 100% | 50% | 25% | | 2nd degree referrer | 0% | 50% | 25% | | 3rd degree referrer | 0% | 0% | 50% |

To further understand the referral fee cut, below is an example if the total referral fee is PHP 10,000:

| Referral fee cut | 1st degree referee candidate | 2nd degree referee candidate | 3rd degree referee candidate || --- | --- | --- | --- | 1st degree referrer | Immediate referrer (A) will receive PHP 10,000 | Immediate referrer (B) will receive PHP 5,000 | Referrer of (C) / Immediate referrer (B) will receive PHP 2,500 | | 2nd degree referrer | 0 | Referrer of (B) / Immediate referrer (A) will also receive PHP 5,000 | Immediate referrer (D) will receive PHP 2,500 | | 3rd degree referrer | 0 | 0 | Immediate referrer (C) will receive PHP 5,000 |

How to claim your referral fee

Referring someone does not automatically guarantee you will earn money. To claim the referral fee:

- The person you referred must be hired and stay in the job for a certain period.
- If they leave before meeting the required duration, you won't be eligible for the referral fee.

Schedule options are **set by the employer** and can be seen once you tap **i** on the page.

- 100% after 30 days
- 50% after 30 days and 50% after 90 days
- 50% after 30 days and 50% after 180 days
- 50% after 90 days and 50% after 180 days

If your AMEX Virtual Pay Card reaches the expiration date, you will need to renew or reactivate it to continue making online payments and purchases. Renewing it is for **FREE**, here's how:

1. On your GCash app, tap **Profile**
2. Tap **My Linked Accounts > American Express Virtual Pay**
3. Tap **Renew Card/Reactivate Card**
4. Confirm the renewal request

Your new card details, including a new expiration date and CVV, will be generated. Once you have your renewed card details, update them on any websites or apps where your card is saved for automatic payments or subscriptions.

Note: For added security, GCash may prompt you to verify certain transactions after renewing your AMEX Virtual Pay Card. Simply follow the verification steps as instructed.

If you're having issues with the renewal of your AMEX Virtual Pay Card, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you inputted the wrong GCash Card PIN after 3 attempts or you forgot your GCash Card PIN, you can reset it by following the steps below:

Note:

Your GCash Card PIN is different from your [GCash MPIN](#).

Avoid using weak PINs like 123456, 111111, or any other consecutive or repetitive numbers.

1. Tap **Cards** > Select the **GCash Card** account
2. Tap **Reset Card PIN**
3. Nominate a 6-digit numeric PIN and select **Next**

Once your GCash Card PIN is reset, you will see a prompt and receive an SMS that confirms that your card PIN was changed successfully.

The **Auto-Invest** feature in GFunds allows you to automate your investments by scheduling weekly or monthly investments and setting a specific investment amount. This helps you build your investments consistently without the need for manual transactions.

How to use the GFunds Auto-Invest feature:

1. On your GFunds dashboard, tap **Set Schedule**
2. Select the fund you want to invest in
3. Input the details needed for your scheduled investment. Tap **Next**
4. Review the details of your investment and select **Set Schedule**

You'll see a confirmation page indicating your selected fund has been scheduled.

Note: Scheduled investments are processed every **11 PM**, except for holiday orders which are processed the next business day. Please make sure that your GCash wallet has enough funds to cover your scheduled transaction. If your GCash wallet does not have enough funds, your scheduled transaction will not proceed and will retry on the next scheduled date.

You can schedule up to five (**5**) **billers** from our [Partner Billers](#) list. Scheduling payments allows you to automate your monthly bills so you can avoid late payments, save time, and track scheduled transactions easily.

Make sure your GCash **account has enough balance by 12 AM** on the payment date.

If you cash in later in the day or if the scheduled payment fails, it will be **automatically canceled**, and you'll need to process it manually.

How to Schedule Bills Payment

1. On your GCash App, tap **Bills > Manage Scheduled Bill Payments**
2. Select **Add Biller** and select your preferred biller
3. Tap **Input Payment Schedule**
4. Enter your preferred payment schedule and tap **Set Schedule > Next**

5. Review the details and tap **Confirm**

Once done, you'll see your scheduled bill payment on the Pay Bills page.

Note:

If you are an iPhone 14, 15, 16 user, you may be experiencing errors and issues when using Express Send. To learn more about the issue, [click here](#).

You can send money to another GCash account with **GCash Express Send**. Here's how:

Before you start, please check your Wallet and Transaction limits, including your Express Send Limits. If you're using a Non-Philippine Issued SIM, you can only send money to Fully Verified GCash users in the Philippines.

1. On your GCash homepage, tap **Send**
2. Select **Express Send**
3. Enter the recipient's GCash account using QR, contact, mobile number, or select a country code and input the mobile number. Tap **Next**
4. Confirm that the details are correct by checking the box. Tap **Send**

After sending it, you'll see a receipt for your transaction. You can also check the confirmation in your GCash app inbox or Transaction History.

Please note that **confirmed transactions cannot be refunded**.

Tracking your pending Buy and Sell Orders in GFunds is easy and helps you stay updated on your transactions. Here's how:

1. On your **GFunds Dashboard**, tap **View Pending Orders**
2. Select the details of your chosen order

After placing your order, you'll be directed to a page showing its **current status**. Refer to the table below to learn about the possible statuses your GFunds orders can have:

Order Status	Description
---	Your Order is being processed Your Order has been successfully placed and is currently being processed.
Complete	Your Order is Complete Your Order has been completed, and the changes should be reflected in your GFunds dashboard.
Cancelled	Your Order is Cancelled by the System or Partner Your Order has been successfully cancelled. You'll no longer be able to track this order.

What Happens If Your GFunds Order Is Cancelled?

- **Buy Order:** The amount will be refunded to your GCash wallet within **2-3 business days**.
- **Sell Order:** The funds will stay in your GFunds balance since no fund movement occurred.

GCash can process the transfer of funds to another GCash account if **both the source and recipient numbers are under the same account owner**. Check out the requirements and steps below to learn more:

Required Documents

You need these documents to request the fund transfer:

- One Accepted Valid Government ID
- A clear photo of yourself holding your valid ID.

*If the old number is not a Fully Verified account, you must also provide a **Notarized Affidavit of Loss** for the lost, deactivated, or expired SIM.

Note that only the following products linked to your old account shall be transferred:

- Lending (GGives, GCredit, GLoan)
- GSave
- GStocks PH
- GCrypto
- GFunds

Steps to Transfer Funds to a new GCash Account

If you previously requested to block your account

1. Make sure your new GCash account is Fully Verified
2. Have the photo of the valid ID, selfie, and the notarized affidavit * ready for submission
3. Search for the GCash e-mail thread when you requested for the blocking of your account
4. Reply to the e-mail with your documents, and the mobile number where you want to transfer the funds and services.

Wait for the update from our GCash Support Team within 24 hours.

If it is the first time that you will be reaching out to GCash to transfer your funds

1. Make sure your new GCash account is Fully Verified
2. Have the photo of the valid ID, selfie, and the notarized affidavit * ready for uploading
3. Click here to request the fund transfer. Fill out all the required information and attach all required documents.

You will receive a confirmation email about your transfer of funds request within **48 hours.**

You can easily transfer money to banks or e-wallet using GCash by entering account details manually or scanning a Bank QR code. These transfers are done via InstaPay, so the money is sent in real-time.

Note:

A **PHP 15** fee applies for each transaction.

Via Account Details

1. On your GCash app, tap **Transfer > Local**
2. Select the logo of your bank or tap **View All**
3. Tap the partner bank you wish to transfer funds to
4. Enter the amount to send, the account name, and the account number
5. Tap **Send Money**
6. Review the transfer details and tap **Confirm**

Via QR Code

1. On your GCash app, tap **Transfer > Local**
2. Tap Scan/Upload Bank QR
3. Scan the QR code.
4. The account name and number will be automatically filled in then enter the amount to send.
5. Tap **Send Money**
6. Review the transfer details then tap **Confirm**

You can link your GCash account to your Grab app for faster payments. This lets you pay for your Grab orders faster without having to log in to GCash every time.

Learn how to link GCash to Grab below or troubleshoot if you can't link your accounts. If you're encountering errors with adding GCash as a payment method in Grab or if you've already linked your GCash to Grab before and it expired, you'll need to unlink AND relink your account afterwards.

Please contact Grab directly if you have concerns with orders made with your linked GCash account.

How to Unlink GCash in Grab App

1. On your Grab app, tap **Account** on the lower right. Some users may need to go to **Profile** located on the upper right icon
2. Select **GCash** on your list of payment methods
3. Tap **Unlink**

After completing the steps above, your GCash account will be unlinked from Grab and you'll be redirected to your Account page.

How to Link GCash in Grab App

1. On your Grab app, go to **Account** or **Profile**, swipe to the right and select **All payment methods**
2. Select **GCash** in the list of payment methods
3. Enter the mobile number of your GCash account and tap **Next**. Then, enter the 6-digit authentication code (OTP) sent to your number

4. Enter your GCash MPIN then tap **Next**
5. Complete the linking process by tapping **Link**
6. You'll see a confirmation page once your GCash account is successfully linked. You can now use GCash as a payment method for Grab!

To update your GFunds account details or transfer your investments to another account, please ensure your [GCash account information is updated first](#).

Follow the steps below on how to update your GFunds account information:

1. Updating your account information You can update the following information in your GFunds account:

- Last name
- Middle name
- First name
- Marital Status
- Current Address

To request an update of your account information, [click here to ask for help](#).

2. Transfer your old GFunds account to your new mobile number If you wish to change the mobile number linked to your GFunds account, ensure that:

- Your new mobile number is Fully Verified with the same user information as your old number.
- Your new number has NOT been previously registered with GFunds.

To request a mobile number change, [click here to ask for help](#). Make sure to provide both your **old and new GCash numbers** along with any necessary supporting documents or screenshots.

Note: Accounts undergoing a mobile number change request will be **temporarily blocked from accessing GFunds for 2 weeks** during the account transfer process.

Scan to Order lets you view menus, customize, and pay for your food—all within the mini-program in GCash by scanning a QR code at select partner establishments. Scan to Order is powered by Tablevibe.

Eligibility:

- You must be a Fully Verified GCash user.

How to Access:

1. Look for a GCash-branded QR code at the restaurant (on tables, counters, or doors).
2. Use your phone's camera or the GCash app camera to scan the QR code.
3. You'll be redirected to the Tablevibe mini-program to browse the menu, order, and pay.

How to Use:

Ordering:

1. Select your items from the menu.
2. Customize your order (e.g., add toppings) and add it to your basket.

Checkout:

1. Review your order.
2. Enter your table number (for dine-in) or select pickup.
3. Apply promo codes or tips, if available.
4. Pay directly through the Tablevibe mini-program—no need to exit.

Note: First-time users need to link their GCash account to the Tablevibe mini-program.

Order Tracking:

After payment, track your order by either:

1. Scanning the QR code again to be redirected to the order tracking page, or
2. Scanning the QR code and selecting the order transaction icon on the Tablevibe menu homepage.
3. You'll receive updates on your order status through push notifications or SMS sent by Tablevibe.

Promo Codes:

To use a promo code:

1. Tap **See promos and discounts**
2. Enter your promo code—it will apply automatically if valid.

Refunds & Cancellations:

If your order is canceled, you'll be notified via GCash push notifications and SMS. Refunds will be issued to your GCash wallet within **2 business days**.

You can immediately place a new order, even with the same restaurant.

Need more Help?

For any issues with placing or tracking orders, please coordinate with the restaurant staff directly.

Tap N' Pay lets you pay by logging in to the GCash app and tapping your phone on the payment terminal—no need to scan or swipe to pay. Plus, there are no additional fees for using this feature.

To start using Tap N' Pay as your payment method, follow these steps:

Check if your phone supports Tap N' Pay

Currently, GCash Tap N' Pay is available only on Android (Huawei and iOS devices are not supported at this time). Next, make sure your phone supports NFC, which is the technology that powers Tap N' Pay. You may check [this list](#) to see if your phone comes with NFC.

For some devices, you may need to go to your phone settings and turn on NFC.

Check if Tap N' Pay is available to you

Only select Fully Verified users can use this feature. To check if you're selected, tap "View All Services" on the GCash homepage then find "Tap N' Pay" under Pay. If you don't see this icon, you may not have been selected yet—but don't worry, we're gradually adding more users. You can check back again in the GCash app for updates.

Activate Tap N' Pay

1. Login to the GCash app and tap **View All Services**
2. Select **Tap N' Pay**
3. Agree to the Terms and Conditions

You'll be led to a page that confirms the activation of your GCash Tap N' Pay.

Where you can use Tap N' Pay

You can use Tap N' Pay for in-store retail transactions on Mastercard and partner POS terminals. This is not available on transit, ATM, or e-commerce transactions.

Pay with Tap N' Pay

1. Login to the GCash app and tap **View All Services**
2. Select **Tap N' Pay**
3. Hold your phone near the terminal. You'll hear a beep or see a green light once the payment is accepted.

You'll receive an app inbox message and a push notification, then you'll be redirected to a page confirming your successful transaction.

Limit orders are a new feature in GCrypto that allows you to **define a specific price** for buying or selling cryptocurrency. Your order is only executed **if the market price matches or exceeds your chosen price**, ensuring trades are made only at the price you set or better.

Limit orders vs. Market orders

There is no better option since it depends on your individual trading goals and risk tolerance. Check out the difference between market orders and limit orders below:

- **Market orders** execute immediately at the best available current market price
- **Limit orders** give you more control over the price at which you trade, but there's **no guarantee your order will be filled immediately**. Your order might not be filled if the price jumps significantly above or below your limit price before there's a matching order at your desired price. You can **set up multiple limit orders** for the same cryptocurrency, each with different target prices.

Monitor the status of your limit orders

Track your open limit orders through the asset dashboard, where you'll find details like price, amount, and confirmation status.

Cancel a limit order

You can cancel your limit order at **any time before it's filled**. This might be useful if market conditions change or you decide to adjust your trading strategy.

You can view your recent transactions in the Transactions page. To view GCash transactions from the past 24 hours up to one year, you may download your GCash transactions by following these steps:

1. On your GCash app, tap **Transactions**
2. Scroll to the bottom of the Transactions page, then tap **Request transaction history**
3. Choose your desired date range or select specific dates
4. Click **Submit Request**

Your transaction history will be sent in a PDF file to your GCash-registered email address. The file is password-protected for your security. Please refer to the email for more instructions on how to open it.

Note: You **cannot** delete items from your GCash transaction history.

If no email was received, kindly check that your **email address is updated** and check your **Spam** folder. You can choose to download your history again, or you may [click here to ask for help](#). A customer service representative will contact you in **1-2 business days**.

To withdraw cash using your GCash Card, follow the steps below:

Before withdrawing, ensure your GCash wallet has enough balance to cover **both the amount you want to withdraw and the ATM withdrawal fee.**

1. Go to any BancNet ATM
2. Insert your GCash Card
3. Enter your **6-digit ATM PIN** (this is the same PIN you set for your GCash Card, but different from your GCash MPIN)
4. Choose your withdrawal amount

Withdrawal Limits:

- **Single Withdrawal Limit:** Maximum amount of **PHP 20,099** per transaction
- **Daily Withdrawal Limit:** Maximum amount of **PHP 40,099** per day

Note:

Your withdrawal limit resets every day at 12:30 AM. For example, if you reach your limit at 11:00 PM, you can withdraw again after 12:30 AM.

ATM Fees:

ATM transaction fees are set by the ATM provider. Always check the ATM screen for the exact fees before proceeding. Below are BSP-approved rates:

- **Withdrawal Fee:** PHP 10 - PHP 18
- **Balance Inquiry Fee:** PHP 0 - PHP 2.50

To learn how to withdraw funds from your GSave Overseas account, follow the steps below:

1. On your GSave Overseas dashboard, select **Withdraw**
2. Enter the amount you want to withdraw and tap **Next**
3. Review and confirm the amount you want to withdraw. Tap **Confirm**
4. Enter the 6-digit authentication code sent to your GCash registered mobile number. Tap **Submit**

After withdrawing, a confirmation page will appear. The money will be instantly credited to your GCash wallet from your GSave Overseas account.

Note:

Withdrawal of funds from your GSave Overseas account will NOT affect your wallet limits.

- [How do I send money to another GCash account?](#)

To withdraw your earnings from referring someone to **Jobs on GCash**, follow these simple steps:

1. Go to the **Jobs homepage** in the GCash app
2. Tap the **Menu** icon and select **My Wallet**
3. Tap **Withdraw to GCash** to transfer your earnings

Earnings did not reflect

If your earnings haven't been reflected yet, here's what you need to know:

- **Payout Schedule:** Payment times vary per company since they set their own **payout schedules** for referral fees.
- **Eligibility:** The person you referred must stay in the job for at least 30 days to qualify for **half of the referral fee**. If they leave before completing this period, the referral fee may not be issued.

Make sure to check the status of your referrals and their employment period to ensure timely payment.

To help you manage your GCredit easier, we offer the following:

Payment Reminders

We'll remind you of your due date via email and SMS. You'll also receive guidance on how to pay your GCredit dues through email reminders.

Auto-Deduction Feature

To avoid extra charges, simply cash in your GCredit amount due, and we'll automatically deduct it from your GCash wallet **starting on your due date until full payment is paid**. You'll get an SMS after each deduction.

To ensure payments are processed on time, make payments through the **GCredit Management Page**.

Collection Agencies

If you need help settling your dues, our third-party collections partners are here to help. They will remind you of unpaid dues via calls, SMS, and email to help you avoid extra charges.

Here's the list of agencies that may contact you:

Learn about the fees and transaction limits when using your GCash Card for ATM withdrawals and balance inquiries:

ATM Withdrawal Fees

- **Fees for ATM withdrawals and balance inquiries** are charged directly by the ATM provider and may vary based on the rates approved by the BSP.
- Fees can range from **PHP 0** to **PHP 18**.
- Check your bank's official website for specific fee details.

GCash Card Withdrawal Limits

You can withdraw from any affiliated ATM, subject to the following limits:

- **Single Withdrawal Limit:** Maximum amount of **PHP 20,099** per transaction
- **Daily Withdrawal Limit:** Maximum amount of **PHP 40,099** per day

Note: Your withdrawal limit resets every day at 12:30 AM. For example, if you reach your limit at 11:00 PM, you can withdraw again after 12:30 AM.

GCash Card Transaction Limits

- For online payments or POS (Point of Sale) purchases, you can use your GCash Card for transactions up to **PHP 100,000 per transaction**.

Transaction limits help control the amount you can transfer between your GCrypto Trading Wallet and GCash Wallet. These limits depend on your GCash verification level and apply to both top-ups and withdrawals.

Refer to the table below for the transaction limits:

Fully Verified GCash Plus Top-up from GCash Wallet to GCrypto	Daily Limits PHP 100,000 PHP 100,000	Monthly Limits N/A N/A
Withdraw from GCrypto to GCash Wallet	Daily Limits N/A N/A	Monthly Limits PHP 100,000 PHP 500,000

Before topping up and withdrawing from GCrypto, check your [GCash Wallet and Transaction Limits](#).

GCredit gives users a **credit line of up to PHP 50,000** to make purchases online or in-store, in GLife, in GInsure, or pay bills even without enough GCash balance. Interest rates vary based on the user's GCash activity and payment history. Interest charges apply the day after the purchase.

Here are a few things to know about GCredit:

- No processing fees
- No extra requirements (unless requested by CIMB)
- With interest upon repayment
- Powered by CIMB Bank

Note:

You can keep using your credit line if your payments are on time.

GGives is a loan product offered by GCash that allows you to make purchases and pay for them in installments.

1. **Loanable Amount:** You can borrow between **PHP 1,000 and PHP 125,000.**
2. **Payment Terms:** The repayment period can range from **2 to 24 months**, depending on the loan amount and your offer.
3. **No. of Loans:** You may qualify for up to 5 active loans at a time, depending on your eligibility and the offers available to you.

Note:

Getting a new GGives loan after paying off the last one will depend on an eligibility check. Paying off the previous loan **does not guarantee** that you can loan again with GGives.

The amount you can borrow with GLoan depends on your eligibility and account standing. Here are important details about GLoan:

- 1. Loanable Amount:** You can borrow between **PHP 1,000 and PHP 125,000.**
- 2. Payment Terms:** The repayment period can range from **1 to 24 months**, depending on the loan amount and your eligibility.

Note: Getting a new GLoan after finishing the last one will depend on an eligibility check. Paying off the previous loan doesn't guarantee your next loan approval.

Activating your location services **allows GCash to provide relevant deals, alerts, and promotions near you.**

To activate your location services, here's what you can do:

For iOS users

1. On your phone, go to **Settings**

2. Tap **GCash**
3. Tap **Location**
4. Select **Always** on Allow Location Access

For Android users

1. On your phone, go to **Settings**
2. Tap **Location**
3. Set your device's location to **On**
4. Scroll down and tap **GCash**
5. Set access to **Allowed all the time**

Note:

Note: GCash takes privacy and data collection seriously. Your location data is used only to provide you with relevant and personalized services. Rest assured that your location data is safe with GCash.

If you need help with a GCash problem, here are ways you can quickly find answers, follow guides, or get support.

1. Search for Your Problem

To find what you need fast, use the search bar. Type the GCash product name plus 2–5 keywords about your issue.

Examples:

- GSav account update
- Send Money not received
- GLoan application pending
- GCash Card where to get
- GCash Bank Transfer failed

This will help you see the answers that match your problem.

2. Browse Products & Services

If you want to explore different options:

- **Go to the Products & Services section:** Scroll through the list and pick the product that's related to your issue.
- **Check out Self-Help Guides:** Click on articles that explain what to do step-by-step.

3. Submit a Ticket

If you still need help, find the article about your concern or issue and follow the steps to submit a ticket.

If you already submitted a ticket you can check the status via the GCash Help Center or Gigi.

4. Chat with Gigi

For quick help, visit the GCash [Contact Us page](#) and click **Chat with Gigi** to get instant information or connect with a support agent.

Settle your SPay Later dues easily and conveniently with GCash. Enjoy real-time posting, a seamless experience, and fewer steps compared to other payment methods.

Learn how to pay your SPay Later dues with GCash below.

1. On the Shopee App, tap **Me > SPay Later**
2. Select **Pay Bill > Pay Now**
3. Tap **Please select**
4. Select **Payment Center / E-Wallet** as your payment method and choose GCash among the dropdown choices. Tap **Confirm**
6. GCash will now be highlighted as your Payment Method. Tap **Pay Now > Pay**
7. Enter your GCash mobile number and tap **Next**
8. Wait for the SMS and enter the One-Time-Password (OTP). Tap **Next**
9. Review your transaction amount and tap **Pay**

You will be led to a page that confirms your successful payment for SPayLater.

You can set up **GCash Biometrics Login** for quick and secure login using your fingerprint or face. This adds extra security to your account.

How to Enable Biometrics Login

1. On your GCash app, tap **Settings > Biometrics Login**.
2. Select **Enable Biometrics Login**.
3. Enter the 6-digit code sent to your GCash number.
4. You will then see a successful activation message for your Biometrics Login.

Note:

If Biometrics Login fails three times, you'll need to use your MPIN. Biometrics Login will be disabled if you reset your MPIN.

You can set up security questions in GCash to help reset your MPIN. Choose five questions and provide your answers for extra security. Make sure to remember your answers, as you can't change any of the questions once they are set.

1. On your GCash homepage, tap **Profile > Settings**
2. Tap **Account Authentication > Security Questions > Next**
3. Select 5 Security Questions and input your answers. Tap **Confirm**
4. Review your answers and tap **Confirm**

You'll be led to a page that confirms the activation of your security questions.

If you encounter problems or if something went wrong while using the GCash app, try any of the following troubleshooting steps:

Update Your GCash App to the Latest Version

An outdated app can cause problems and block access to the latest GCash features and security updates. Check the Play Store (Android), App Store (iOS), App Gallery (Huawei) for updates.

Enable Auto-Update for Future Updates:

To make sure your GCash app is always up to date, follow these steps:

Android/Huawei:

1. Go to the **Play Store** and tap **Settings** from the sidebar menu.
2. Select **Auto-update apps** and choose your preferred option:
 - **Over any network** to update apps using either WiFi or mobile data.
 - **Over WiFi only** to update apps when connected to WiFi.
3. Tap **Done**.

iPhone:

1. Go to your device **Settings**, then tap **App Store**.
2. Toggle **App Updates** under **Automatic Downloads**.

Change Your Network Connection

If you encounter a network connection error, you can try the following to resolve your GCash app issue. Follow these steps:

1. Force close the GCash app in your list of opened apps.
2. Switch on **Airplane mode** for 30 seconds, then turn it off.
3. Connect to a different WiFi network or switch your network connection.
 - If you're using WiFi, switch to mobile data, or if you're on mobile data, switch to WiFi.
4. Try reopening the GCash app.

Switch Your Mobile Number

Follow these steps to switch to another mobile number in the GCash app:

1. Open the GCash app and tap the **↔ button** (the arrows beside your mobile number).
2. Tap **Proceed to switch accounts**.
3. Enter your GCash number and log in using your MPIN or biometrics.

Force Close and Restart the GCash App

Depending on your device, here's how you can force close and restart the GCash app:

Android:

1. Tap the **Recent apps button**.
2. Look for GCash and swipe it to the side until it disappears to close the app.

iPhone:

1. Double-press the **Home button** or swipe up on your home screen.
2. Look for the GCash screen and swipe up until it disappears to close the app.

Clear App Cache (Android Only)

For Android users, clearing the app cache can help resolve issues. Here's how:

1. Go to **Settings**, then go to your **App Manager**.
2. Tap **GCash > Internal Storage**.
3. Tap **Clear Cache**.

You can use GCash overseas as long as you're a **Filipino citizen either using a Philippine-issued or Non Philippine-issued SIM**.

If you have a fully verified account using a Philippine-issued SIM, you may access all GCash features and services. If you're using a Non-Philippine-issued SIM, learn how you can use GCash while in another country below:

Requirements

You are eligible to open a GCash Overseas account if you are:

- 18 years old and above
- A Fully Verified GCash user
- An overseas Filipino citizen with a valid PH government-issued ID (preferably: Passport, Driver's License, UMID)
- Residing where GCash is made available
- An owner of a valid international mobile number where your GCash is available

Note: Please make sure your international mobile number is active and has access to receive an OTP. Data charges may apply.

Register to GCash Overseas

1. Download the GCash App via the Playstore/ App Store.
2. Launch the GCash app, choose your country of residence and key in the int'l mobile number. **The country code must match the registrant's location of residence.**
3. Key in the 6-digit OTP for number verification.
4. **The required fields for personal details must be filled out. Only Filipinos are allowed to sign up at this time.**
5. Once details are confirmed, applicants are to select Continue.
6. A 4-digit MPIN will be confirmed prior to submitting.
7. Once registration is successful, a confirmation pop-up screen will be displayed and users are to select Proceed to Login.

Countries available for GCash Overseas

Below is the list of countries where GCash Overseas is available:

- Australia
- Canada
- Germany
- Hong Kong
- Italy
- Japan
- Kingdom of Saudi Arabia
- Kuwait
- Qatar
- Singapore
- South Korea
- Spain
- Taiwan
- United Arab Emirates
- United Kingdom

- United States

Unfortunately, GCash **cannot reverse or cancel** the “erroneous” Bank Transfer (GCash to Bank) transactions made by the sender, as stated in our [Terms & Conditions. Steps you can take to try to retrieve your funds:](#)

1. **Contact the receiving bank:** Give the bank details like the transaction date, amount, your account info, and the intended account number.
2. **Provide documentation:** Share any transaction records, like receipts or confirmation messages from GCash, to support your request.

Tips sending money:

1. Double-check the recipient’s mobile number/account number and name before you confirm the transaction.
2. Use our **Scan/Upload Bank QR** feature to scan your recipient’s unique QR code.

If you are eligible for GCredit, but encountered any error during application, check the following reasons:

Technical Issues: If you encounter a technical error during the application process, such as issues with entering the OTP (One-Time Password), ensure that your account details are correct and up-to-date.

System Maintenance or Errors: If you see a "Something went wrong" or "System Maintenance" error, it may be due to system downtime. Check the GCash Help Center to get an update on when the system will be back up.

If you still encounter the "Something went wrong" error, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you are eligible for GLoan, but encountered any error during application, check the following reasons:

An Outstanding GLoan Balance: If you still have unpaid dues from a previous GLoan, you can't apply for a new one. Pay off your balance first to qualify for another GLoan.

System Maintenance or Errors: If you see a "Something went wrong" or "System Maintenance" error prompt, please try again after a few minutes.

If you still can't apply for GLoan, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you can't open your GCrypto account in the GCash app, check out the possible reasons below and what you can do to troubleshoot it:

1. **System timeouts or scheduled/unscheduled maintenance:** Our partner may be having scheduled maintenance/downtime. Please wait a few hours and try again. In the meantime, you can try these [troubleshooting steps for common app issues](#).
2. **Update your account information:** Follow the instructions to update your details. This may include submitting additional documents or verifying your information on the GCash app.

If you still can't access GCrypto after trying these steps, [click here to ask for help](#). A customer service representative will contact you in **1-2 business days**.

If you can't access your GFunds account, it may be due to:

Technical Issues: If you encounter a technical error during the application process, such as issues with entering the OTP (One-Time Password), ensure that your account details are correct and up-to-date.

System Maintenance or Errors: If you see a "Something went wrong" or "System Maintenance" error, it may be due to system downtime. To learn how to troubleshoot common issues with the GCash app, [click here](#).

If you're still unable to access your GFunds account, [click here to ask for help](#) and a customer representative will be in touch in **1-2 business days**.

If you encountered 'sign on failed' or a white screen when trying to buy/sell in GStocks PH, it can be due to the following:

- **Your GStocks PH account is currently inactive:** Just top up your trading wallet to start buying and selling stocks again.
- **Technical Issues:** If you encounter a technical error during the application process, such as issues with entering the OTP (One-Time Password), ensure that your account details are correct and up-to-date.

- **System Maintenance or Errors:** If you see a "Something went wrong" or "System Maintenance" error, it may be due to system downtime.
- **Your GStocks PH account has been closed:** - It has been dormant with no activity in cash and stock positions for **12 months**
 - The owner or surviving parties (if the owner has passed) have requested it
 - ABCSI has marked it for closure due to suspected fraudulent behavior

If you still can't access GStocks PH and you're encountering an error message, [click here to ask for help](#). A customer service representative will contact you in **1-2 business days**.

You may also email ABCSI at gcashcs@ABCapital.com.ph for more information about your account.

The GCash Card promo voucher is available to selected users only. Eligible users will receive an SMS with the promo details. If you didn't get an SMS, you may not be eligible.

The voucher will be automatically applied on the payment page when ordering your GCash Card.

If you can't apply your GCash Card promo voucher, follow these steps:

1. **Review voucher details**— Double-check the voucher's terms and conditions, such as expiration date or usage limits.
2. **Check voucher status**— Make sure the voucher is still valid and hasn't been used.
3. **Troubleshoot GCash App**— Try these [troubleshooting steps](#), then try applying the voucher again.

If you still can't use your GCash Card promo voucher, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you're having trouble buying load via the GCash app, it might be due to the following:

- **System Maintenance:** Check for any announcement on ongoing maintenance with GCash or its partners.
- **Network Signal:** Check if your internet connection is stable.
- **Insufficient Wallet Funds:** Check if your GCash wallet has enough money to cover the transaction and any additional fees.

To learn how to troubleshoot common issues with the GCash app, [click here](#).

If you can't make any buy or sell order transactions in GStocks PH, it may be due to any of the following:

- **The minimum quantity of shares you need to buy was not met:** Make sure that the quantity of shares follows the required multiple of certain stocks.
- **Your order has not been reflected as it was made beyond the PSE trading hours:** The PSE trading hours are from **9:30 am to 12:00 pm and 1:00 pm to 2:45 pm** Philippine Standard Time (GMT+08:00), from Monday to Friday (excluding holidays)
- **Top-up limit was exceeded:** A Basic GStocks PH account has a maximum top-up limit of **PHP 50,000**, while a **Full GStocks PH account has no top-up limit.**
- **Your GStocks PH account was considered dormant:** It has been dormant with no activity and cash and stocks for 12 months
- **There is a scheduled system maintenance with GCash or its partner:** Check for any announcement on ongoing maintenance with GCash or its partners.

Note: The following information applies if your cash-in or top-up from your bank or another e-wallet was not received or credited to your GCash account.

- For transfers initiated from GCash App to Bank App or E-Wallet please refer to [this Bank Transfer article](#)
- For transfer or withdrawal from your GSave account to GCash wallet, please refer to [this GSave article](#)
- For sending money to another GCash account, please refer to [this Send Money article](#)

If you have encountered an error while cashing in to GCash, here's what you can do:

1. Check if you are still within your [GCash Wallet and Transaction Limits](#)
2. If the transaction doesn't push through due to any of the following, learn how to [troubleshoot GCash app issues here](#):
 - You did not receive an OTP (one-time password)
 - There is a prompt that says there's no internet connection but your connection is working well

If you're still getting an error prompt, try the following steps indicated below per Cash In channel:

BPI

1. On your BPI App, tap **More**
2. Tap **General Settings**
3. Select **Customize Transaction Limits**
4. Tap **Load e-wallet, prepaid phone, and utilities using other apps**
5. Finalize adjusted limits > **Customize limits**

After adjusting your limits, please try cashing in again.

Note: BPI has a default daily limit of PHP 10,000. You can increase your cash-in limit by following the steps mentioned above.

If you're still unable to cash in, [click here to ask for help](#) in reporting the error message. A customer service representative will contact you in **1-2 business days**.

PayPal

Note:

Transferring funds between PayPal and your GCash VISA Card is currently unavailable. However, you can still cash in by linking your GCash account to PayPal.

[Double check if you have linked your Paypal to your GCash account.](#)

You can log in to your PayPal account to check if there are restrictions or needed actions, then relink your account to your GCash to be able to cash in again.

Note: PayPal may have placed limitations on your account due to any of the following reasons:

- Unauthorized use
- Account limits
- High-risk activity
- Inactive account

If you're still unable to cash in, [click here to ask for help](#) in reporting the error message. A customer service representative will contact you in **1-2 business days**.

Payoneer

Contact CustomerServiceManager@Payoneer.com to unlink your Payoneer account first, then link and cash in again.

If you're still unable to cash in, [click here to ask for help](#) in reporting the error message. A customer service representative will contact you in **1-2 business days**.

US Bank

If you can't cash in from your US bank, check if:

- Your US Bank registered name and date of birth match your GCash-registered name and date of birth
- You are within the \$500 cash-in limit for the first transaction and \$1000 for the monthly transaction limit.

Should you need any more assistance, [click here to ask for help](#) and a customer service representative will contact you in **1-2 business days**.

If you cannot create a GCash account, it might be because of the following:

- 1. Selfie Scan wasn't accepted** Your selfie might not have been clear. Here's how to fix it:
 - Make sure your photo is clear, without blur
 - Wear proper attire, and avoid wearing masks or glasses
- 2. Invalid email address** Your email might be incorrect or in the wrong format. To make sure you receive important updates, enter a valid and correct email address to receive updates from GCash.
- 3. Account limit reached** You may have reached the maximum allowable limit for GCash accounts. Please note you can only register up to five different GCash accounts or mobile numbers under your name.
- 4. Mobile number has an existing GCash account**

If you're trying to create a GCash account and it asks for an MPIN, it means there's already an existing GCash account linked to that number. To continue creating your GCash account, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

- 5. Issues within the GCash App** To address this, please follow these steps to [troubleshoot GCash app issues](#). If you tried this and still can't create a GCash account, [click here to ask for help](#). Once it's been submitted, a customer service representative will contact you in **24 hours**.
- 6. “Something went wrong” error**

If you see this error message “Something went wrong” during registration, it may mean that:

- **You inputted an invalid name or details.** The name or details you entered may be incorrect. Please ensure they match your valid ID.
- **You did not pass GCash's validation process.** Your account registration is contingent upon meeting the requirements outlined in our Terms and Conditions and complying with Philippine laws and regulations. Unfortunately, we are unable to proceed with your application. Please refer to our [GCash Terms and Conditions](#) for more details.

If you're having difficulty linking your GCash Card to your GCash account, here are a few things to check:

1. **Ensure the card isn't already linked** – Your GCash Card may already be linked to another GCash account.
2. **Check if the card is pre-activated** – If your GCash Card was issued by your company or local government, it might already be active.
3. **View your linked cards** – To see which cards are currently linked to your account, open the GCash app and tap on **Cards**.

If you've tried these steps and still can't link your card, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you can't log in to GCash, it's because of the GCash app's new security features, one of which stops unauthorized access to accounts on modified or unsafe devices.

You might see this prompt because of reasons such as:

- The system detected that your [device could be jailbroken or rooted](#)
- The system detected that your [settings allow installation via untrusted sources or developer options](#)
- There could have been [applications installed that made your device not secure](#).

To protect your account, you cannot access GCash on the device that experienced this error. To use GCash, open the GCash app through a secure and unmodified mobile phone or tablet device.

If you see a message saying “We detected an untrusted connection” or error codes like REF: 2631 00AF, REF: 6948, or 2631, it means your connection might not be secure.

To fix this, try **switching to a different network and reopening the GCash app.**

How to switch to a different network

Android

To change your network connections, select **Settings** and change your WiFi network or use your mobile data.

iOS

To change your network connection, select **Settings**.

Tap **Wi-Fi** and connect to a different network or turn on your mobile data by tapping **Cellular > Cellular Data**.

If you cannot make a payment for your GCredit account, it may be due to **system maintenance, a system error**, or **i nsufficient funds** in your GCash wallet. Here are some steps to take before making a GCredit payment:

1. Make sure your GCash wallet has **enough funds to cover the amount due**
2. Check if you have a **stable internet connection**

To check if your payment pushed through, please check out your [GCash Transaction history](#).

If you can't pay your GCredit dues through the GCash app, we recommend [paying via our offline payment partners](#).

If you're having continued problems with paying through the GCredit dashboard, [click here to ask for help](#). Make sure you input your GCash-registered email to receive updates. A customer service representative will contact you in **24 hours**.

- How do I send money to another GCash account?

If you cannot make a payment for your GGives account, it may be due to **system maintenance, a system error, or insufficient funds** in your GCash wallet. Here are some steps to take before making a GGives payment:

- Make sure your GCash wallet has **enough funds to cover the amount due**
- Check if you have a **stable internet connection**

If you can't pay your GGives dues through the GCash app, we recommend [paying via our offline payment partners](#).

If you're still having trouble paying through the GGives dashboard, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

If you're unable to make a payment for your GLoan account, it may be due to **system maintenance, system error**, or there may be **no sufficient funds** in your GCash wallet. Here are some steps to take before making a GLoan payment:

1. Make sure your **GCash wallet has enough funds** to cover the amount due
2. Check if you have a **stable internet connection**
3. Please check your **GCash Transaction History** in case your payment pushes through to avoid multiple debits

If you still cannot make a payment through the GLoan dashboard, we recommend paying via our [offline payment partners](#) or [Pay Bills](#) feature.

For additional assistance, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

If you can't make a payment or encountering any payment issues in GLife, here's what you can do:

1. Check your GCash Wallet Balance

Ensure your GCash wallet has sufficient funds for the transaction. 2. **Review transaction details**

Double-check your payment details, including the selected store, item, and total amount. Errors in these details can cause payment failures.

Troubleshoot GCash app

If you continue to experience errors, please troubleshoot GCash app issues.

If you can't open a GCrypto account, it could be due to a few common issues. Here's how to resolve them:

Eligibility Requirements

- Make sure you meet all the [eligibility requirements](#). You need to be at least 18 years old, a fully verified GCash user, and have an updated profile.

One GCrypto Account

- Make sure you only have one GCrypto account. If you're sharing an email address with someone else who already has a GCrypto account, update your email address on the GCash app first and then try registering again.

If you still can't open a GCrypto account, [please click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you can't register in GSave, it may be because:

- You have an existing account with the partner bank opened through GSave
- Your government ID is either **invalid or expired**
- Your GCash account is not Fully Verified
- You are a GCash Jr. account holder
- Your internet connection is unstable upon registration
- There is an ongoing downtime or maintenance with GSave or the partner bank

For Filipino Citizens working abroad where GCash is available

If you are an overseas Filipino citizen working abroad, you can open a [GSave Overseas CIMB account](#).

What to do if you can't register in GSave

If you have a GSave account linked with your old GCash account, contact the respective bank partner to unlink and transfer your account.

If you still can't open a GSave account due to an error message, take a screenshot of the error then [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you can't open your account in the app, it may be due to any of the following:

- Your account is dormant due to no usage or transactions for a specific number of months. Note that a PHP 30 Dormancy Fee applies for dormant accounts.
 - GSav by CIMB: 24 months
 - #MySaveUp by BPI: 24 months
 - EzySave+ by Maybank: 24 months
 - #UNOReady@GCash by UNO Bank: 24 months
- Your account is closed or expired
- There's an ongoing partner system maintenance or downtime
- Your account is not linked (for GSav by CIMB app only)

You will be notified if your account will soon close or expire. If your account has closed, your funds will still be safe, and you can still withdraw them on the partner bank's app.

Your account will be **automatically activated once you make any deposit transaction.**

If none of these apply to you and you still can't open your GSav account, [click here to ask for help.](#) A customer service representative will contact you in **24 hours.**

If you encountered an error message while submitting your order or if you cannot click the **Card Order** button, it may be due to certain restrictions:

- **Only Fully Verified GCash users can order** – Make sure your GCash account is fully verified. You won't be able to request a card if your account is not verified.
- **One card per account** – Each GCash account can only have one GCash Card. If you've already ordered one, you won't be able to request another. If you lose your card and need a replacement, deactivate your old card first.

If these don't apply to you, try the steps below to troubleshoot:

1. **Check Your Internet Connection** – Make sure you have a stable internet connection
2. **Restart the GCash App** – Close and reopen the GCash app
3. **Submit Your Card Order Again** – Try resubmitting your card order application

If you're encountering problems while paying your bill through GCash, try these steps:

1. **Restart the app** and check your **internet connection**
2. [Troubleshoot common GCash app issues](#)
3. Ensure you have **enough funds** in your GCash Wallet
4. **Check if your biller is currently down or under maintenance.** Billers that are **grayed out** in the app are temporarily unavailable.

See available and unavailable biller examples below:

Biller Available:

Biller Not Available

5. Check if you've **exceeded your GCash Transaction Limit**; it refreshes at the start of each month

If you're not sure if your payment went through, visit "[My GCash bill payment was not posted or confirmed. What do I do?](#)" for more information.

If you're unable to use your GCash Card, try these quick checks:

1. **Check if your GCash Card is active and unlocked** – Make sure your GCash Card is both activated and unlocked in the app. -
2. **Check your wallet balance**– Ensure that your GCash wallet has enough funds for the transaction.
3. **Check your transaction limits** – Make sure that you haven't exceeded your Gcash wallet or card transaction limits.

If you've already checked these but you're still seeing an error message, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you encounter problems when sending money to another GCash account, check the scenario that applies to you:

If you are asked to check your wallet balance and transaction history

This might mean that your previous transaction was successfully processed. Check your wallet balance and transaction history to confirm.

Make sure you have enough balance to complete the transaction.

Before submitting, ensure that you've ticked the checkbox to confirm your transaction.

If the transaction will exceed the recipient's incoming daily limit

Ask the recipient if they've reached their wallet or transaction limit. This could block the transaction from going through.

If the transaction will exceed your daily outgoing limit

Try sending a smaller amount that is within your outgoing limit.

You may check your profile limit by logging into your GCash app Profile > Profile Limits >

If the transaction will exceed the recipient's receive monthly limit

This means that the recipient has reached the [maximum number of transactions they can do for receiving Express Send money.](#)

If the transaction will exceed your send monthly limit

This means that you have reached the [maximum number of transactions you can do for sending Express Send money.](#)

If you're asked to wait before sending money again

If you're sending the same amount to the same number repeatedly, wait for at least 5 minutes between transactions to avoid issues.

This is a feature to avoid double sending money to the same recipient.

You may check if the transaction was successful by logging into your **GCash app > Transaction History.**

If you're asked to try again later

If the transaction doesn't go through because of these reasons, here's what to do:

- No internet connection error but your connection is fine: [Follow basic troubleshooting steps.](#)

- Unable to generate a QR code: Try refreshing the app or checking your network.
- "GCash detected an untrusted connection": Switch to a different internet connection.
- The number you're sending money to is not registered: Make sure the recipient's GCash number is active and valid.

If you see an error message like “GCash detected an untrusted connection” (e.g., REF: 2631 00AF or REF: 6948, 2631):

Try changing your network connection by following basic troubleshooting steps.

If you’re using an iPhone 14, 15, 16

You might experience errors when using *Express Send*. Reinstall your GCash app and try again.

If you see an error message saying “Unable to process this transaction. Please contact your recipient”

This could mean that there is a problem with the safety of the transaction. Try sending money to other GCash recipients and see if the error persists. If you still need to send money to the recipient, ask the recipient to submit a request to GCash.

If you still can’t send money via Express Send, [click here to ask for help](#). Please make sure to select the correct error message you encountered so we can address your concern accurately. A customer service representative will contact you in **24 hours**.

If you encounter an error while sending or receiving crypto in GCrypto, it could be due to the following reasons:

- **Incorrect Wallet Details** Double-check the recipient's wallet address and ensure the blockchain network matches the cryptocurrency you're transferring.
- **Missing Destination Tags** Some cryptocurrencies require a **destination tag** or memo. If this is not provided, the transaction may fail or be delayed.
- **Network Congestion** High activity on the blockchain network can lead to slower processing times for transactions.
- **Insufficient Funds or Fees** Ensure you have enough balance, including fees, to complete the transaction.
- **Account is disabled** For your security, your GCrypto account will be disabled from sending crypto if you enter the OTP from your email address incorrectly 5 times. If disabled, please wait **24 hours** before you can send crypto.

What to do if you can't send or receive crypto in GCrypto:

1. Verify the transaction details, including wallet address, network, and any required tags
2. Check the status of the transaction on the blockchain using the transaction hash or ID
3. Wait for a few hours if the network is slow

If you still can't send or receive GCrypto, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you can't withdraw using your GCash Card, follow these steps:

1. Check if your GCash Card is properly [linked to your account](#)
2. Confirm you have sufficient funds for the **withdrawal amount and the applicable ATM fees**
3. Verify that your card hasn't expired. You can find the expiration date on the back of your card, which follows the format **MM/YY**.
4. Ensure you're entering the correct **6-digit Card PIN** (different from your GCash app MPIN)
5. Check for any error messages or notifications on the ATM screen. If the issue persists, try withdrawing from a different ATM, preferably one from another bank.

If you still cannot withdraw money using your GCash Card, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If your Borrow Load transaction pushed through successfully, you will not be able to cancel it or change the mobile number in the transaction and GCash won't be able to refund you for the transaction. However, you may choose to close your load loan in advance by paying for your total amount due.

Note: Fees included in the transaction, including your one-time processing fee, is non-refundable. To avoid this scenario, it is advisable that you double-check all the details in your Borrow Load contract before confirming your transaction.

Here are a few common reasons why you might be encountering issues when linking your Bank Account:

Incorrect Bank Details: Ensure your username, account number and password are entered correctly.

Bank Account Status: Verify that your bank account is active and not restricted.

Network Issues: Temporary network problems can affect the linking process. Try to switch from data to wifi connection.

Bank Maintenance: Your bank might be undergoing maintenance. Check with your bank for any ongoing issues.

GCash Account Verification: Make sure your GCash account is fully verified.

If you're still having difficulty linking your specific bank to your GCash account, check the steps you can do per Cash In channel:

BPI/UnionBank

If you are unable to link your BPI or UnionBank account to GCash, try the following steps:

Invalid user ID and/or password

1. Reset your password
2. Wait **24 hours**
3. Log in to your bank using your new details
4. Link your bank account to your GCash account again

Note: Making **three (3) consecutive failed log-in attempts** will result in the locking of your BPI account.

Linked account with changed password

If you have previously linked your bank account to your GCash account but you have recently changed your password, you will need to relink it.

Disabled internet browser banking for UnionBank

If you're getting any of these errors:

- Unable to log in via UnionBank
- You have disabled Internet browser banking

Please try the following to enable browser banking:

1. Log in to your UnionBank app

2. Tap **More**
3. Tap **Login and Security**
4. Tap **Browser Banking > Enable Browser Banking**
5. Login to UnionBank again

PayPal

If you can't link your PayPal account to GCash, check if you've fulfilled the following:

- Your GCash account is Fully Verified
- Your PayPal account is Philippine-based and verified
- Name modification and verification and currency conversion was done via the PayPal website
- For Android devices: Google Chrome browser should be installed > set as default

Payoneer

If you're unable to log in to Payoneer when trying to link accounts, here's what you can do:

1. Reset your Payoneer password
2. Wait **24 hours**
3. Log in to Payoneer via website using your new credentials
4. Link your Payoneer account to your GCash account again

If you've tried the steps above but you're still unable to link your Payoneer account to GCash, please contact Payoneer's Customer Care at customerservicemanager@payoneer.com for assistance.

US Bank

If you can't link your US Bank to GCash, check if:

- Your GCash account is Fully Verified
- For Android devices: Google Chrome browser should be installed > set as **default**

Should you need any more assistance, [click here to ask for help](#) and a customer service representative will contact you in **1-2 business days**.

If you're encountering an error on your online payment or subscription with the merchant's website, please contact the merchant directly for assistance.

Merchants can provide updates on your order, clarify transaction details, or assist with refunds.

If you can't use GCash for your Pay Online transaction, here's what you can do:

1. Ensure you have a stable internet connection
2. Check if your GCash balance is enough
3. Check that you're within your [Wallet and Transaction limits](#)

If you still cannot continue with your online subscription or GCash payment after trying these steps, select your chosen payment method for further support:

Auto-Debit Payment

If you're trying to subscribe to recurring payments via automatic deduction from your GCash account, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common auto debit merchants include Google, Apple, Spotify, Netflix, and Disney+.

Direct Payment

If you're trying to pay directly to a merchant from your GCash account, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common direct payment merchants include Cebu Pacific, Philippine Airlines, Klook, Shein and Shopee.

Link and Pay

If you're trying to pay by linking your GCash account to a merchant's platform for recurring transactions without re-entering credentials, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common link and pay merchants include Grab, Angkas, and Moveit.

If you cashed in over-the-counter (like at 7-Eleven, TouchPay, Pay & Go, or Palawan) but the money didn't reflect in your GCash account, here's what you need to know.

If your method of cashing in is through the counter or machines:

1. **Check your GCash Transaction History or app Inbox** - Sometimes, it takes a while for the transaction to reflect. Try checking your Transaction History at a later time.
2. **Verify if the mobile number for the transaction is correct** - You might've sent it to the wrong GCash account. Double-check if you have entered the correct mobile number. You are responsible for sending money to the correct number.
3. **Check if you haven't exceeded your wallet limits** - Each GCash wallet account has a monthly limit. In case you exceed this limit, your transaction will not proceed and an error will occur. Learn more about [GCash Wallet and Transaction Limits here](#).
4. **Check if you saw an error in the machine** - If there's a person at the cashier or counter, ask for assistance. They should know what to do with the error. If they can't help or if there's no one to assist, please take a photo of the error message and contact us.

If you followed the steps above or they aren't applicable and you still haven't received the money, [click here to ask for help](#). Don't forget to collect the receipt and take a photo of it. Our support team will contact you in **24 hours**.

If you cashed in to the wrong mobile number or GCash account, note that **GCash cannot reverse the transaction** based on our [Terms and Conditions](#). When you cash in or transfer money from your bank to GCash, you are responsible for confirming the details of your transaction.

If you mistakenly sent money to the wrong GCash account, you should contact the GCash user immediately to explain the situation and get your money back.

To avoid cashing in and sending money to the wrong mobile number, you can link your [BPI](#) or [UnionBank](#) account, [PayPal](#) account, or [Payoneer](#) account to GCash.

If you have other concerns with your Cash In transactions via your GCash app, [click here to ask for help](#). A customer service representative will be in touch within **1-2 business days**.

Make sure that you are within your Wallet and Transaction Limits to ensure you can receive remittances. If you didn't receive your remittance in your GCash wallet, here's what you can do:

1 . Verify the Transaction Details

Make sure you entered the correct mobile number registered with your GCash account. If the remittance is successful, it should be in your GCash Transaction History

2. Claim Your Remittance

If the remittance was sent via an Official GCash Remittance Partner, ensure you claim it within the app. Make sure the **name used for the remittance matches your GCash-registered name** and that you entered the **correct reference number**

Note: Claim your remittance within the validity period (90 days) to avoid expiration.

3. Check if the Remittance was sent via an Official GCash Remittance Partner

If you cashed in via an official GCash Remittance partner and you did not receive the funds, here's how you can verify if it was successful:

1. Check your Transaction History for any update with a header, "**Received Remittance**"
2. Check with your sender if the correct number used is correct

Remittances sent through GCash partner channels are usually reflected in your transaction history within 10 minutes.

In the event of a failed remittance, the funds will be automatically credited back to the sender's account within 2 business days.

If your remittance has not been reflected in your GCash Wallet after **2 business days** from the date of the transaction, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If the remittance was sent via an unofficial GCash remittance partner

If you send remittances via an unofficial GCash remittance partner, GCash **WILL NOT** be able to track your remittances.

Unofficial GCash Partners have different processing times and ways to handle issues.

If you didn't receive your money sent through an unofficial GCash remittance partner, check if the money was credited back to the sender's account.

If you've deposited money into a game through GLife but are now can't access the game via GLife, follow these steps:

1. **Check if the game has downtime** Check the game's official website or social media pages for announcements about ongoing maintenance or downtime.
2. **Validate if your deposit was processed** Open your GCash transaction history to ensure the deposit to the game was successfully processed.
3. **Troubleshoot GCash app** If you continue to experience errors, [troubleshoot your GCash app](#).

If the deposit was not reflected to the game within **24 hours**. Please contact the merchant directly.

If you didn't receive your OTP or 6-digit authentication code, it could be due to a weak signal. If the OTP doesn't arrive after a few minutes, tap **Resend** to request a new one.

Troubleshooting Tips:

- **Check Your Network:** Please make sure you're in an area with a strong signal. If not, try moving to a location with better reception.
- **Toggle Airplane Mode:** Turn on airplane mode, wait 5 seconds, then turn it off.
- **Force Close the App:** Close and relaunch the GCash app.
- **Restart Your Device:** Turn your device off and back on.
- **Update Your GCash App:** Please make sure your GCash app is up to date.
- **Check Your SMS Inbox:** Make sure your SMS inbox isn't full. If it is, delete some messages to free up space.

Note:

For DITO subscribers with GSav by CIMB, your OTP will be sent to your GCash-verified email address to complete your transaction through the app.

Your AutoSweep RFID, Beep Card, Easytrip RFID top-up, etc., via GCash should be credited to you **within a few minutes**.

If you did not receive your top-up, do not make another transaction and check first IF:

- Your internet and network connection is stable
- Your transaction is on your GCash app's **Transaction History**
- The account number you inputted is correct

If you still don't have any confirmation or update on your top-up **after 1 business day**, go to your **GCash Transaction History** and select your top-up transaction.

Tap **Need Help? > My payment hasn't been posted** to file a ticket.

If you haven't received the verification code in GCrypto, follow these steps:

1. **Check the right email address** Make sure you're checking the email address registered with GCash and GCrypto.
2. **Look in your spam or junk folders**

If the verification code is not in your inbox, check your spam or junk folder. 3. **Add the sender to your safe sender list**

To ensure future emails are delivered, add **donotreply@pdax.ph** to your safe sender list. Here's how:

- On the Gmail app, click the gear/settings icon in the upper right corner and select **See all settings**
- Navigate to the "Filters and Blocked Addresses" tab at the top of the settings page
- Click on **Create a new filter**
- In the "From" field, enter the email address you want to add to your safe senders list and select **Create Filter**
- Select **Never send it to Spam > Create Filter**

Please be mindful of your attempts. After 6 incorrect attempts of the OTP, your GCrypto account will be locked for **24 hours**.

If you're still unable to receive the verification code or OTP, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you've completed a GCash transaction but didn't receive your green energy points or it's not reflecting, here are a few things you can check:

- **Verify Transaction Success:** Double-check your Transaction History or GCash App Inbox to confirm that your transaction was successful.

- **Check Energy Point Limits:** Make sure you haven't reached the energy points monthly limit for that transaction. - For example, with Send Money, you can earn energy points for up to 10 transactions, which gives a maximum of 1,310 energy points.
- **Wait for 24 Hours:** Green energy points may take up to 24 hours to reflect in your account. Please allow this time before checking again.

If you still haven't received your energy points 24 hours after the transaction, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you do not have any accepted IDs for GCash verification, we recommend registering for a **National ID**.

Visit the PSA's official website for registration instructions and required documents or check PSA Registration Centers near your area.

If you've applied for a National ID but haven't received your physical or paper National ID, you can download your Digital National ID via the PSA website or the eGov PH app.

Get started with your GCash verification by tapping **Profile > Verify Now**.

Save your favorite billers to avoid entering wrong details when paying your bills.

If you have entered the wrong details when paying:

1. **Check Payment Confirmation** – Review the SMS confirmation, your GCash transaction history, or your GCash App Inbox to verify the details.
2. **Verify Balance Deduction** – Check if your GCash wallet was deducted. Some billers may reject payments if the details are incorrect.
3. **Monitor for Refund** – If the details don't match, some billers may refund your payment. Check for an automatic refund in your GCash wallet within **1-3 business days**.
4. **Contact your Biller** – Check with the biller if you can get a refund.

If you entered the wrong biller details or amount and did not receive a refund after the completion of the posting period, go to your **GCash Transaction History** and **select your Bills transaction**.

Tap **Need Help? > I entered the wrong details** to file a ticket.

Note: A refund is **not guaranteed and is subject to approval** by the biller.

If you forgot your GCash MPIN, you can reset it and set a new MPIN. You can also use face verification to get back into your account. To keep your account safe, change your MPIN every 3 months.

Note:

Your MPIN is different from your GCash Card PIN. To learn how to reset your GCash Card MPIN, [click here](#).

Learn how to reset your MPIN below:

1. Open the GCash app, and tap **Forgot MPIN?**
2. Tap **Send Code** then enter the 6-digit OTP sent via SMS and tap **Submit**
3. Prepare yourself for a selfie scan and tap **Next**
4. Take your selfie scan then enter your New MPIN and tap **Submit**

You will be led to a screen that confirms you have successfully reset your MPIN.

Should you need more assistance, tap .

If you're having trouble accessing, borrowing, or repaying from GCash Borrow Load, read about the possible reasons below:

Unable to Borrow Load

You may be unable to borrow if you have an existing Borrow Load promo. Note that there can only be 1 Borrow Load promo per eligible user.

I canceled my Borrow Load transaction but it still pushed through.

Once your Borrow Load transaction is successful, you **cannot cancel it or change the mobile number**. GCash can't refund you, but you can pay off the total amount early to close the loan.

The **fees**, including the one-time processing fee, are **non-refundable**. To avoid issues, make sure to double-check all details before confirming your Borrow Load transaction.

Borrow Load was not successful

You may already have an ongoing Borrow Load promo or there may be an ongoing system maintenance.

Load product is unavailable

You may not be eligible due to evaluation by GCash.

Load was not received

This may be due to a system error, system maintenance, or unstable internet connection. Check your Transaction History if the transaction has been reflected.

Incorrect load credit was received

This may be due to wrong details inputted or an error.

Charged multiple times for a transaction

This may be due to a system error. Check your Transaction History if the transaction has been reflected multiple times as well.

For any issues encountered with GCash Borrow Load, [click here to ask for help](#). A customer service representative will contact you in **1-2 business days**.

Tap on the following scenario to troubleshoot your SoundPay concern:

1. **Device Won't Power On:** - **Check for Power:** Press and hold the power button for 10 seconds. Look for any lights or signs of life on the device.
 - **Verify Charging:** Use the original charger cable and adapter. Plug the device into a working power outlet. Let it charge for 15-30 minutes. Avoid overcharging the device by using a 5V 1A adapter for optimal charging.

If the device still doesn't turn on after trying the above steps, please reach out to Partner Support.

Rest assured that your QR code is still working, and you can continue accepting payments from your customers by checking your feature phone for transaction notifications.

2. **No Network Connectivity:** - **Check Device Status:** Look for the blue light on the device to see if it's connected to the network.
 - **Check SIM Card:** Ensure the SIM card is inserted correctly and undamaged (bottom slot).
 - **Restart the Device:** Turn the device off and on again. Check for the blue light to indicate a connection.

If the device still doesn't connect to the network after trying these steps, please reach out to Partner Support. Your QR code remains functional, and you can check your feature phone for transaction notifications.

3. **Device Won't Charge:** - **Check the Charging Port:** Make sure the charging port (top slot) isn't damaged or loose.
 - **Try a Different Charger:** Use a different charging cable and adapter.
 - **Test a Different Outlet:** Plug the device into a different power outlet.
 - **Monitor Charging:** Look for a red light to indicate the device is charging. Press the power button to check the battery level.

If the device doesn't charge after 15-30 minutes, please reach out to Partner Support. Use your QR code for payments and check your feature phone for notifications.

4. **No Sound Notification:** - **Check Feature Phone:** Verify if the transaction was successful by checking your feature phone for transaction notifications.
 - **Check Device Sounds:** Adjust the device's volume using the bottom rocker. Check if the device is making sounds like notification tones.
 - **Check Network Connection:** Ensure the device is connected to the network (blue light). Listen for sound notifications after a transaction.
 - **Restart the Device:** Press and hold the power button for 10 seconds. Try a test transaction and listen for sound notifications.

Report your lost SIM or phone to secure your funds

[Click here to report the loss](#) and request your GCash account to be temporarily blocked for security.

GCash will block your account to protect your funds, preventing you from logging in during this time.

Be sure to note the ticket number from customer support to unblock your account later.

What to do after reporting

You can either request a SIM with the same number from your telecom provider or purchase a new SIM with a different number.

If you have a **SIM with the same number**

For SMART and TNT users:

1. Go to the store
2. Present one (1) valid ID as proof of identification. The ID should have your name, photo, ID number, signature, and issuing entity.

For Globe users:

1. Go to the store.

2. Present the following documents

- **For Postpaid:** - One (1) original Government-issued ID.
- **For Prepaid:** - Notarized Affidavit of Loss (standard) with the following details:
Customer name, citizenship, address, customer signature, mobile number, and incident details (how, why, when, and where mobile phone or SIM was lost)
 - Two (2) original Government-issued IDs presented during the affidavit of loss notarization

For GOMO users:

1. Prepare the following documents:

- Notarized affidavit of loss
- Selfie of the owner with the affidavit of loss
- 2 valid IDs

2. Submit the requirements to GOMO via e-mail. You may check your network provider's updated e-mail address.

For DITO users:

1. Go to the store.

2. Present the following documents:

- Notarized Affidavit of Loss
- One (1) government-issued ID

Once your replacement SIM becomes available,

1. Take a photo of the following documents:

- One accepted valid government ID
- A clear photo of yourself holding your valid ID.

2. Access your e-mail and enter the 8-digit reference number provided during the blocking request

3. Request for the unblocking of your account and upload the ID and the selfie with your ID in the e-mail

4. Wait for an e-mail reply regarding your account status within **48 hours**.

If you have a **SIM with a new number**

You can request to transfer funds from your old number to your new number.

- Make sure that the new number is Fully Verified
- You can request to transfer funds from your old number to your new number. Note that only the following products linked to your old account shall be transferred:
 - Lending (GGives, GCredit, GLoan)
 - GSave
 - GStocks PH
 - GCrypto
 - GFunds

You will need to submit the following documents:

- Photo of one (1) valid government-issued ID (link out to acceptable IDs)
- Selfie with the valid government ID
- If your old number is not fully verified, you also need to secure a notarized affidavit of loss.

Steps to process the transfer of funds and services to your new number:

1. Have the photo of the valid ID, selfie, and the notarized affidavit of loss (affidavit is only required if your old number is a Basic GCash account) ready for submission
2. Access your e-mail and search for the GCash reference number generated when you requested for the blocking of your account
3. Reply to the e-mail with your documents, and the mobile number where you want to transfer the funds and services.
4. Wait for the update from our GCash Support Team within **24 hours**.

Learn how to troubleshoot common issues when verifying your ePhil ID (Paper type) or Digital National ID with GCash.

When you're trying to get verified on GCash using your ePhil ID (Paper type) or Digital National ID, you will be required to undergo a selfie scan to validate your National ID records with the Philippine Statistics Authority (PSA).

Note:

The PSA Selfie Scan is different from the selfie scan that GCash requires as a part of its own verification process.

Troubleshooting Tips for ID Verification

- **Verify Personal Information:** Make sure that all information you enter matches your National ID exactly.
- **Check Internet Connection:** Ensure you have a stable internet connection for verification.
- **Use an Alternative ID:** If you can't verify your ePhil or Digital National ID, you can try verifying with another accepted ID

You can download your Digital National ID via the [PSA website](#) or the [eGov PH app](#).

If you're trying to create a GCash account and it asks for an MPIN, it means the SIM card was previously used, and there's an existing GCash account linked to that number.

To continue creating your GCash account, [click here to ask for help](#), and include these details:

- Telco network
- SIM purchase date
- Prepaid or postpaid status:

Prepaid subscriber: Attach a screenshot of your phone's settings showing your number or a photo of the SIM card.

Postpaid subscriber: Attach a statement of account from your service provider.

A customer service representative will contact you within **24 hours**.

If you have made a deposit to your GSav account and the funds have not been credited yet, check if it appears in your GCash transaction history.

If the deposit appears in your transaction history, the funds will be credited to your GSav Partner Bank within 2 business days, excluding weekends and holidays. You'll also receive an SMS notification once credited.

Refer to the table below to see where your funds will be credited in case your deposit did not reflect immediately:

||| --- | --- || **GSav Partner Bank | Deposit** || CIMB | GCash Wallet || BPI | GCash Wallet || Maybank | Maybank GSav Account || UNO Bank | UNO Bank GSav Account || Cebuana Lhuillier Rural Bank | eC-Savings GSav Account |

If it has been **2 business days** and your funds are still not reflecting, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

Rest assured that your funds are safe and secure.

If you notice unauthorized transaction items (unexpected charges, unauthorized money transfers, etc) in your [GCash Transaction History](#), follow these steps:

1. **Check all platforms where GCash is a linked payment method:** Make sure your subscriptions in social media accounts or e-commerce platforms are still active and accurate (i.e App Store, Google Play Store, Netflix, Spotify)
2. **Change your MPIN :** Secure your GCash account by changing your MPIN
3. **Report the transaction:** If you notice unfamiliar transactions in your GCash account, report them **within 15 days of the transaction date** then [click here to ask for help.](#)

What happens next

Check the status of your report from your GCash homepage by tapping **Profile > Help > Your Conversations**. A customer service representative will contact you within **24 hours**.

If you've already made a payment using your GCash Card but it hasn't appeared in your account yet, follow these steps:

- **Wait for processing:** Payments may take **5-10 minutes** to reflect. Please allow this time for processing.

- **Check your confirmation:** Ensure that you've received a payment confirmation from both GCash and the merchant.
- **Contact the merchant:** If your payment still doesn't show up after 10 minutes, reach out to the merchant directly for assistance.

Changing settings like allowing installs from "Unknown Sources" and turning on "Developer Options" can make your device less secure and increase the risk of malware, which could harm your GCash account and financial info.

To keep your GCash transactions safe, it's best to **keep these settings off**.

How to disable installs from Unknown Sources

Allowing downloads and installations from "Unknown Sources" may allow hacking or other threats to your personal information.

Disable installations from Unknown Sources in your phone settings by following the steps below:

1. Go to your phone Settings and search for “Unknown Sources/Apps” or “Untrusted Sources”. The location may vary depending on the device brand and model.
2. For all apps, toggle the button to disable this setting
3. Once disabled, force restart and try to open the GCash app again.

How to disable Developer Options

Developer Options enables you to adjust and configure your operating system for testing and applications. This setting is only applicable to Android devices.

Follow these steps to turn off Developer Options:

1. Go to your phone Settings and look for Developer Options
2. Toggle the button to turn off and disable Developer Options
3. Once disabled, force restart and try to open the GCash app again.

If the above steps are not applicable to you, it is best to reach out to the accredited service provider of your mobile device to have your device checked.

Jailbroken or rooted devices pose security risks whenever you use your GCash app.
Jailbroken or rooted devices have their default security settings changed, and using such may put your personal information, including your social media and financial services access details, at risk.

We listed down some ways to find out if your device is jailbroken.

Tap for Android

To check if your Android device is rooted, please follow the steps below:

1. On your home screen, tap **Settings**
2. Select **About Phone**

3. Tap Status Information

4. If the Status Information indicates **OFFICIAL**, this means your device is **not rooted**

If the above steps are not applicable to you, it is best to **reach out to the accredited service provider** of your mobile device to have your device checked.

Tap for iOS

On your home screen, search if you have a third-party application for jailbreaking that is installed on your device.

If the above steps are not applicable to you, it is best to **reach out to the accredited service provider** of your mobile device to have your device checked.

If you've sent money from your GCash to another GCash account but the recipient hasn't received it in **real-time**, check out the following:

1. **Confirm the Send Money Feature Used** Make sure to confirm which feature you used: **Send Money**(GCash to GCash), **Cash In** (Bank to GCash), or **Bank Transfer** (GCash to bank),
 2. **Verify the Recipient's Mobile Number** Double-check the mobile number of the person you sent money to.
3. **Check your GCash Wallet**
- If **no deduction** occurred, the transaction didn't go through. You can retry sending the money.
 - If your **GCash wallet was deducted**, [click here to ask for help](#). Our customer service representatives will verify your transaction and contact you in **24 hours**.

GCash transactions via **Send Money** are processed in real-time, and based on our [Terms & Conditions](#), we **cannot reverse or refund transactions** once they're completed. When you use Send Money, you are responsible for confirming the details of your transaction.

Steps you can take:

- **If you sent money to another person with a different number:** Contact the person and politely ask them to send your money back
- **If you sent money to your recipient's old or inactive number:** Please ask the recipient to [request to have the funds transferred to their active account](#).

Tips before Sending Money:

1. **Double-check** the recipient's mobile number and name before you confirm the transaction.
2. Use [Send Money via QR](#) to scan your recipient's unique QR code—this reduces the chance of errors.
3. Update your contact list and select your recipient from your **saved contacts or favorites**.

If you're having trouble topping up in GCrypto, it might be caused by one of the following reasons:

1. **Insufficient Funds:** Ensure that your GCash account has enough balance for your top-up.
2. **Exceeded Limits:** Check if you've reached your [GCash Wallet and Transaction Limits](#).
3. **OTP Issue:** If you're not receiving your One-Time-Pin (OTP), make sure your email address is updated and try again.

Your top-up will be automatically credited to your GCrypto wallet within **2 business days**.

If you didn't receive your top-up after **2 business days**, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

Your GStocks PH Wallet top-up transaction should be credited within **2 business days**. You may check your GStocks PH Dashboard or GCash transaction history after this period.

Check your GStocks PH Wallet Credit Limit

1. On your GStocks PH Dashboard tap **Buy/Sell**
2. Tap **Portfolio > Credit Limits**

If your top-up did not reflect in your GStocks PH Trading Wallet after **2 business days**, [click here to ask for help](#).

Note: The information below applies to cases where bank transfers from your GCash wallet to other bank accounts or e-wallets were not received.

- For transfers initiated from your Bank App or E-Wallet to top up/cash in your GCash wallet, please refer to [this Cash In article](#)

- For transfer or withdrawal from your GSave account to GCash wallet, please refer to [this GSave article](#)
- For transactions made by scanning QR of merchant, please refer to [this Scan to Pay article](#)

Important Notice for Customers Who Transferred Money to BDO:

We're aware of an ongoing issue where some transfers from GCash to BDO were not received. Our team is actively working with BDO to resolve this. We ensure your funds are safe and will be refunded as soon as possible.

Sometimes, bank transfers from your GCash Wallet may be delayed due to **system timeouts or scheduled/unscheduled maintenance**. We work with our partner banks daily to identify failed transactions and process the crediting.

If there's a problem with your bank transfer, you will receive an SMS notifying you that the money will either be:

- Returned to your GCash Wallet within **1-2 business days**, or
- Credited to the receiver's Bank Account within **3-5 business days**

*Weekends and holidays are not included

Note:

In cases of failed/unsuccessful Bank Transfer transactions, the total amount, including fees, will be credited back to your GCash account.

If you do not see the money returned to your GCash wallet or credited to the recipient's account after **5 business days**, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you cashed in from a local bank (e.g., BPI, Unionbank, BDO, Metrobank) or e-wallet but didn't receive the money in your GCash account, please follow these steps if the money doesn't appear after 2 business days:

1. **Check GCash Transaction History or App Inbox:** Sometimes transactions take time to reflect. Check back with your GCash Transaction History after a while.

2. **Verify Mobile Number:** Ensure you cashed in or sent money to the correct mobile number. If incorrect, contact the bank to request a refund. GCash does not control refund decisions.
3. **Check Wallet Limits:** If you've exceeded your GCash wallet limits, the money may bounce back to the bank. [Learn more about Wallet and Transaction Limits](#).
4. **Check Transaction Status:** Check the bank/e-wallet's app for the status of the transaction in the transaction history or notifications.

Cash In via Linked Accounts in GCash App

If you used linked accounts for cashing in through the GCash app:

Check for Error Messages: Sometimes errors occur during the process. Verify if any error messages were missed. Retry cashing in if your transaction is not in the Transaction History.

If you still haven't received your money after following all of the steps above, [click here to ask for help](#). Our support team will contact you in **24 hours**.

Follow the steps below to access your GCash if you uninstalled/reinstalled GCash:

1. Log in to your GCash app
2. Tap **I want to register this phone.**
3. Take the selfie scan or enter your OTP

You'll receive an SMS once your phone has been successfully registered.

If you see the prompt, “This transaction exceeds your Express Send Transaction limit,” it means you’ve reached your Express Send transaction limit for the month.

GCash limits the number of times you can use Express Send in a month based on its [Terms & Conditions](#).

Your limit will reset on the first day of each month so that you can send or receive money via Express Send next month.

If you need to transfer funds to another GCash account immediately, you can:

- Add funds to your GCash wallet via [Cash In](#)
- Transfer funds to a bank account or e-wallet via [Bank Transfer](#) If you are a merchant and want to use GCash without transaction limits, we encourage you to sign up for a [GCash Pera Outlet](#) account .

To request a refund or resolve a dispute for a purchase made with your GCash Card, here's what to do:

Contact the Merchant

Please **reach out to the merchant directly** for any refund or dispute requests. Our payment networks like MasterCard and Visa typically give partner merchants **7-15 days to settle these transactions**.

Should you need further assistance such as if the merchant is not responsive, you may [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If you want refunds with your online payment or subscription, please contact the merchant directly for assistance.

Merchants can assist with refunds, provide updates on your order, or clarify transaction details.

If you see an unfamiliar charge on your account, it might be linked to a previous subscription or free trial with auto-debit from platforms like Google Play Store or Apple Store.

Here's what you can do:

- **Review Subscriptions:** Regularly check your apps for any active subscriptions or auto-payments.
- **Identify Unauthorized Charges:** If you don't have any subscriptions, read more about how to [spot and report unauthorized transactions](#).

Learn how to change your GCash MPIN. To keep your account safe, **change your GCash MPIN every 3 months.**

Note:

Your MPIN is different from your GCash Card PIN. To learn how to reset your GCash Card MPIN, [click here](#).

Learn how to change your MPIN below:

1. On your GCash homepage, tap **Profile > Settings**
2. Tap **Change MPIN**
3. Enter your current MPIN
4. Set and verify your new MPIN then tap **Submit**

You will be led to a page that confirms the change of your MPIN.

- How do I send money to another GCash account?

To update your number registered in GCash, you have to:

1. Create a GCash account with the new number and have it Fully Verified.
2. Request to transfer the linked accounts/ services from the old number to the new number.

Things to know before changing your mobile number linked to GCash

1. GCash can only transfer the linked accounts/services if the **old number is also fully verified**.
2. The following products and services will not be transferred to your new number:
 - Previous Transaction history
 - GScore
 - GForest
 - Piggy Bank
3. Your old number will be closed in our records, and you will no longer be able to access the account.

How to request for transfer of GCash services to new GCash number

1. Take a photo of one valid ID. Below is the list of IDs that you can submit:

- National ID (Card Type)
- National ID (Paper Type) / Digital National ID
- Passport
- HDMF (Pag-Ibig Loyalty Plus)
- Driver's License
- Philippine Postal ID
- PRC ID
- UMID
- SSS ID
- Student ID (only applicable for GCash Jr. accountholders)
- Alien Certificate of Registration (ACR)
- Special Resident Retiree's Visa (SRRV)
- DFA/Diplomat ID
- Alien Employment Permit

2. Take a clear photo of yourself holding your valid ID.

3. Submit the request [here](#) and attach the photo of the valid ID and the photo of your selfie.

The transfer of Wallet Balance and GCash services to the new number will take up to 14 calendar days to complete.

|||| --- | --- || **Recovery Period | GCash Product/Service** || Within 48 hours | Wallet balance || Within 14 days | GStocks PH, GSave (All banks), GCash Card, GCash Pera Outlet, GCrypto, GLoan, GCredit, GGives, GInsure |

All confirmed orders with GLife merchants are final. If you need to cancel a transaction or request a refund, the decision will depend on the merchant's policy.

To request a refund or cancellation for your GLife payment, contact the partner merchant in GLife by tapping the three dots on the upper right of the merchant page.

If you can't contact the merchant, please [click here to ask for help](#). A customer service representative will contact you in **24-48 hours**.

If you didn't receive what you paid for or were charged multiple times, contact the merchant or store directly to resolve the issue promptly.

If you are unable to access your GCash app but need to perform transactions, here are your options:

Cash Out via Over-the-Counter or ATM

- **Over-the-Counter (OTC) Partners:** Visit any OTC partner outlet. Provide your mobile number, the amount to cash out, and a valid ID.
- **ATM Withdrawal:** If you have a GCash card linked to your account, you can withdraw funds at any ATM.

Pay GLoan, GCredit, or GGives Dues

- **Auto-Deduction:** Loan payments will be automatically deducted from your GCash wallet if you have sufficient funds. You'll receive an SMS notification after each deduction.
- **Offline Payment Partners:** Pay your dues through partner banks and centers by choosing "Fuse Financing Inc." as the biller and providing the account number as follows:

| **Payment Partner** | **Account Number** | | --- | --- | | Bank of the Philippine Islands | Loan Account ID (Found in your GLoan dashboard) | | Metrobank | | Banco de Oro (BDO) | GCash Registered Mobile Number | | Bayad Center |

- **Note:** Payments made through offline partners are posted 1 business day later. Pay before your due date to avoid late fees.

Deposit and Withdraw from GSav Accounts

You can deposit or withdraw funds from your GSav account via the following channels:

- **BPI MySaveUp:** Deposit and withdraw at OTC or bank ATM.
- **GSav by CIMB:** Deposit and withdraw at OTC or bank ATM.
- **Maybank EzySave+:** Deposit and withdraw at OTC, bank ATM, or via Cliqq and 7-Eleven.

Note:

ATM withdrawals are available only if you have a bank-issued card. Contact your bank to request one.

To update your name on your GCash account, you must be a Fully Verified GCash user.

You can request a name change only if:

- You changed your surname due to marriage or civil status update.
- There's a minor spelling error in your name or birthdate.
- You legally changed your name.

Requirements

Prepare the necessary document/s based on your reason for the request and take a picture of it:

- ||| --- | --- || **Reason for Request** | **Requirement** || Change of surname (due to change in civil status) | Provide any of the following:
- Accepted valid IDs in-app with updated surname
- Marriage Certificate
- Court Decree of Annulment
- Declaration of Nullity of Marriage || Minor misspelling or error | Provide any of the following:
- Birth Certificate ((PSA/NSO/Certified True Copies)
- National ID (Card Type)
- National ID (Paper Type) / Digital National ID
- Passport
- HDMF (Pag-Ibig Loyalty Plus)
- Driver's License
- Philippine Postal ID
- PRC ID
- UMID
- SSS ID || Legal change of name |

Once you have prepared the requirements, [click here](#) to update your name or birthdate and attach the document.

A customer service representative will review the details you shared and work on your request. Your profile will be updated within **3 days**, and you'll receive an SMS confirmation on your GCash-registered number.

If you're unable to upgrade to CIMB Grow, it may be because you don't meet the eligibility requirements yet. You may not be qualified due to the following:

- You are not at least 18 years old
- You are not a Filipino citizen
- You don't have a Fully Verified GCash account
- The personal information you provided is inaccurate or incomplete
- You were not pre-selected based on CIMB Bank's eligibility criteria

To increase your chances of becoming eligible, continue using your GCash wallet for transactions and keep depositing funds into your GSave by CIMB account.

Regularly check your GSave account dashboard in the GCash app for updates on your eligibility for CIMB Grow.

You can only use GCash on **one device** at a time. If your GCash account is registered on another phone or if you want to use GCash or login to another phone with GCash, you'll need to unregister your old device before registering the new one.

Unregister your Old Phone

If you still have access to your old phone, follow these steps to unregister it:

1. Open your GCash app
2. Go to **Profile > Settings**
3. Tap **Account Secure > Unregister Phone**
4. Review the details and confirm by tapping **Yes, Unregister**
5. Complete the process by either taking a selfie scan or entering the OTP (One-Time Password)

After this, you'll see a confirmation page, and you'll receive an SMS confirming your phone has been unregistered from your GCash account.

Register your New Phone

To register your new phone with GCash, log in to your new phone and tap **I want to register this phone**.

Follow the steps to verify your identity. After completing the selfie scan or OTP, you'll be led to a page that confirms that your phone has been registered.

Can't access your old phone?

If you don't have access to your old phone or device, don't worry. You can still log in with a new phone. Here's how:

1. You'll see the screen "It looks like you changed your phone" like the one below.

2. Tap **I want to register this phone.**
3. Take the selfie scan or enter your OTP
4. You'll need to wait **4 hours** while GCash runs a few more checks to ensure it's you.
5. After 4 hours, you can log in to GCash on your new phone at the time specified on the screen.

Your GCash account may have been downgraded because you still need to update your account information.

Following the Bangko Sentral ng Pilipinas regulations, **all Fully Verified GCash users must regularly update their account information in the GCash app.**

You will receive reminders via in-app and SMS to update your account before the deadline.

How to Update your Account Information

1. On your GCash app, tap **Profile** and tap on your name
2. Tap **Update Account Information > Get Started**
3. Follow and complete the necessary process

What if I don't update my account before the deadline?

If you don't update your account info before the given deadline, your GCash account will be downgraded from Fully Verified to Basic. You'll have to [verify your GCash account](#) again.

Rest assured your funds are safe. If you have outstanding balances in your [GGives](#), [GCredit](#), [GLoan](#), you may pay via our offline payment partners.

If you see an unfamiliar charge on your account, it might be linked to a previous subscription or free trial with auto-debit from platforms like Google Play Store or Apple Store.

Here's what you can do:

- Review Subscriptions: Regularly check your apps for any active subscriptions or auto-payments.
- Identify Unauthorized Charges: If you don't have any subscriptions, read more about how to spot and report unauthorized transactions.

If you were charged twice or more for the same online payment or subscription, select your chosen payment method for further support:

Auto-Debit Payment

If you're trying to subscribe to recurring payments via automatic deduction from your GCash account, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common auto debit merchants include Google, Apple, Spotify, Netflix, and Disney+.

Direct Payment

If you're trying to pay directly to a merchant from your GCash account, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common direct payment merchants include Cebu Pacific, Philippine Airlines, Klook, Shein and Shopee.

Link and Pay

If you're trying to pay by linking your GCash account to a merchant's platform for recurring transactions without re-entering credentials, [click here to ask for help](#). A customer service representative will contact you within **24 hours**.

Common link and pay merchants include Grab, Angkas, and Moveit.

Double charges while paying bills may happen due to slow internet or high user activity. If you're charged multiple times, **ask your biller if they can apply the extra payment to your next bill.**

If you still have questions on multiple charges for your Bills payment, go to your **Transaction History** and **select your Bills transaction**.

Tap **Need Help? > I was charged more than once for my transaction** to file a ticket.

Note: A **refund is not guaranteed** and is subject to approval by the biller.

If you were charged multiple times for your GCredit payment, it may be due to **a slow internet connection or system downtime** which may have interrupted the payment process.

Should this happen, please **monitor your wallet balance** for a possible refund in **2 business days**.

If no refund is reflected after this period, [click here to ask for help](#). Make sure you input your GCash-registered email to receive updates. A customer service representative will contact you in **24 hours**.

Note:

The refund for multiple transactions may take longer as it may undergo investigation before approval.

You may have been charged multiple times for your telco or non-telco load because of system downtime or accidentally making the purchase more than once.

If there is a system downtime

Your refund will be credited to your GCash wallet **within 2 business days**. You will also receive an SMS notifying you of this.

If you accidentally made multiple purchases

If the purchase has been completed, GCash won't be able to refund you for your transaction.

Tips before making a load purchase

- Check your GCash wallet balance first
- Wait up to **5 minutes** for your Buy Load transaction to be processed
- Ensure you have a stable internet connection before purchasing
- Review your [GCash Transaction History](#)

I. Data Subject Details {#i-data-subject-details}

We certainly acknowledge your rights as a data subject, which, among them, include the right to erasure/blocking, removal, or destruction of your personal information from our systems.

In response to your request, your account will be tagged as 'Inactive' to prevent it from being used for any GCash transaction once we complete this process. The actual deletion of your data from our systems, on the other hand, will be done 5 years from the date your account has been tagged as 'Inactive'. This is in relation to our compliance with R.A. 9160, as amended, which requires a retention period of 5 years. As a financial institution, under the jurisdiction of the Bangko Sentral ng Pilipinas (BSP), we are also required to observe said law, and in particular, the prescribed retention period.

To properly accommodate your request, may we request you to provide the information below.

I. Data Subject Details

II. Confirming your Identity

A. Please confirm identity by submitting a copy of any of the documents listed below. Please tick the appropriate box to indicate which document you have enclosed.

- Digitally Printed Government-issued ID (NBI Clearance, SSS ID, UMID, Driver's License, etc)
- Passport

If your name is different from the document or ID presented, you must supply a copy of documentary evidence to confirm the provided ID (e.g., marriage certificate, change of name deed or statutory declaration).

Additional validation procedures to validate the identity of the requestor or authorized representative

B. 'If you request made by an authorized representative, please confirm the identity of your Authorized Representative by submitting a copy of any of the documents listed below. Tick the appropriate box to indicate which document you have enclosed'

- Digitally Printed Government-issued ID (NBI Clearance, SSS ID, UMID, Driver's License, etc)
- Passport

If the Authorized Representative's name is different from the document or ID presented, please provide a copy of documentary evidence to confirm the change in name of the Authorized Representative (e.g., marriage certificate, change of name deed or statutory declaration).

The data collected here will only be used to validate your identity and process your request for data/account deletion.

Once you accomplished the form and we've validated your identity, we will forward this request to our Operations Team to affect the necessary tagging.

Source: https://help.gcash.com/hc/en-us/article_attachments/900007193346/Account_Deletion_Form.pdf

I. Data Subject Details {#i-data-subject-details}

We certainly acknowledge your rights as a data subject, which, among them, include the right to erasure/blocking, removal, or destruction of your personal information from our systems.

In response to your request, your account will be tagged as 'Inactive' to prevent it from being used for any GCash transaction once we complete this process. The actual deletion of your data from our systems, on the other hand, will be done 5 years from the date your account has been tagged as 'Inactive'. This is in relation to our compliance with R.A. 9160, as amended, which requires a retention period of 5 years. As a financial institution, under the jurisdiction of the Bangko Sentral ng Pilipinas (BSP), we are also required to observe said law, and in particular, the prescribed retention period.

To properly accommodate your request, may we request you to provide the information below.

I. Data Subject Details

II. Confirming your Identity

A. Please confirm identity by submitting a copy of any of the documents listed below. Please tick the appropriate box to indicate which document you have enclosed.

- Digitally Printed Government-issued ID (NBI Clearance, SSS ID, UMID, Driver's License, etc)
- Passport

If your name is different from the document or ID presented, you must supply a copy of documentary evidence to confirm the provided ID (e.g., marriage certificate, change of name deed or statutory declaration).

Additional validation procedures to validate the identity of the requestor or authorized representative

B. 'If you request made by an authorized representative, please confirm the identity of your Authorized Representative by submitting a copy of any of the documents listed below. Tick the appropriate box to indicate which document you have enclosed'

- Digitally Printed Government-issued ID (NBI Clearance, SSS ID, UMID, Driver's License, etc)
- Passport

If the Authorized Representative's name is different from the document or ID presented, please provide a copy of documentary evidence to confirm the change in name of the Authorized Representative (e.g., marriage certificate, change of name deed or statutory declaration).

The data collected here will only be used to validate your identity and process your request for data/account deletion.

Once you accomplished the form and we've validated your identity, we will forward this request to our Operations Team to affect the necessary tagging.

No, there is **no minimum balance or amount to use GCash**.

However, GSav accounts have a minimum balance in line with the policies of our partner banks, ensuring that you enjoy the best services available.

||| --- | --- || **GSave Partner Bank | Minimum Maintaining Balance** || #MySaveUp
 by BPI | PHP 1 || GSave by CIMB | None || EzySave+ by Maybank | None ||
 UNOReady@GCash by UNO Bank | None |

You can check your [GCash Wallet and Transaction Limits](#) to ensure smooth transactions.

The Load Voucher Promo is available to **select new GCash users** who can claim a P40 load voucher by fully verifying their account after tapping the pop-up banner in the GCash app.

If your verification is approved, you will receive an SMS update from GCash. Once you are fully verified, tap the pop-up banner on your homepage to claim your free P40 voucher.

After claiming your voucher, you can view it by going to **Profile > Voucher Pocket**. You can use this to purchase Mobile, Broadband, and Non-Telco load in the GCash app. Make sure to use your voucher within **15 days of claiming it**.

Tap your voucher and apply it on the payment page during your purchase.

Get Help with Load Voucher Promo

Note: This promo is **only available for new GCash users**.

Will I still get a free voucher if I verified but did not click the pop-up notification?

- No, you have to tap the pop-up notification to claim the voucher.

How long will my voucher last until it expires?

- Once you have claimed the voucher, you have 15 days to use it before it expires.

I did not receive the voucher after verifying my account.

- Please check your GCash account after getting fully verified.

I verified my account but I was not able to claim the voucher.

- To claim your voucher please tap the pop-up notification on your GCash homepage.

My voucher is still valid, why can't I use it?

- You may only use the voucher on Load products.

I claimed my voucher but cannot see it in Voucher Pocket

- Please restart your GCash app and open Voucher Pocket

Lucky Pay Bills is a raffle that rewards you when you pay your bills with GCash. Right after making a payment, you'll receive a real-time notification inviting you to play a game for a chance to win up to PHP 10,000 GCash credits or A+ Rewards vouchers.

Promo Duration

February 15 -May 21, 2025

Eligibility

This exclusive promo is available to selected Pay Bills users who pay bills worth more than PHP 500.

Prizes

You can win GCash Credits (up to P10,000) and A+ Rewards Vouchers

How to play Lucky Pay Bills

After completing a valid bills payment, you'll receive a push notification, an app inbox message, and other reminders guiding you to the game page. Simply tap the play button, and you'll instantly get a chance to win a random prize.

Lucky Pay Bills must be played on the same day of your transaction.

How to claim A+ rewards vouchers

Here's how to check your prizes from the **Lucky Pay Bills** game:

1. Open the **GCash** app.
2. Tap **A+ Rewards** from the dashboard.
3. Click **Voucher Pocket** to view your rewards.

Mas madali nang makapag-avail ng GCash services sa mga malalapit na sari-sari store. Pwedeng magpa-Cash In, Cash Out, Send Load, at Pay Bills sa GCash Pera Outlet (GPO).

Mga Benepisyo ng pagiging GPO

- Bonus mula sa GCash sa bawat transaction
- Free GCash signage para sa tindahan
- Hanggang PHP 500,000 ang GCash PO wallet limit

Requirements

Kung ang applicant ay ang business owner, ihanda ang sumusunod na requirements:

1. Fully Verified dapat ang iyong GCash Account
2. Isa o alinman sa sumusunod na business documents:
 - Barangay Business Permit,
 - DTI Registration,
 - Mayor's Permit
 - BIR Registration/Certificate 2302
3. Malinaw na litarato o picture ng tindahan. Dapat nakikita sa picture ang lahat ng mga sumusunod:
 - Harap ng buong tindahan, kasama ang store signage at mga paninda
 - May-ari ng tindahan at aplikante (kung iba ang aplikante sa may-ari)
4. Selfie ng applicant
5. I-attach ang kopya ng Valid ID with 3 specimen signatures

Kapag ang nag-apply sa GCash Pera Outlet (applicant) ay non-business owner, ihanda ang sumusunod:

- Selfie ng applicant (GCash Account Holder)
- Selfie ng applicant kasama ang business owner
- Picture ng tindahan kasama ang business owner at applicant. Dapat kita sa picture ang pangalan ng store o signage
- Valid business permit, tulad ng DTI Certificate, Mayor's Permit, or Barangay Business Permit
 - The permit should match the registered business name, address, and validity date
- Valid IDs ng business owner at applicant
- Three specimen signatures ng business owner at applicant

Mag-apply para maging GPO

Pag handa na ang mga requirement, mag-apply na bilang GCash Pera Outlet sa GCash app gamit ang isang Android phone. Siguraduhing **tama at kumpleto** ang impormasyon na ilalagay para mas mabilis ang pag-proseso ng iyong application.

Sundin ang sumusunod na steps para mag-apply:

Kung nais makipag-ugnayan sa Distributor, i-check listahan ng mga Official GCash Pera Outlet Distributors.

Need more help?

Kung hindi makapag-register bilang GCash Pera Outlet Retailer sa GCash app, siguruhin na ang iyong GCash account ay **fully verified**.

Negosyo Insure is an insurance product designed especially for small business owners to protect them and their business from unexpected events such as accidents, fire, loss of money, and loss/damaged property.

Jump to:

- [Coverage](#)
- [Eligibility](#)
- [Purchase Malayan Travel Master with COVID-19](#)
- [Claims and Cancellation](#)
- [Contact Malayan Insurance](#)

Coverage

Under Negosyo Insure Insurance, you and your negosyo are covered from the following:

||||---|---|| **Coverage | Limit** || Accidental Death | PHP 50,000 || Total Permanent Disability - Accidental Cause | PHP 50,000 || Disablement and Dismemberment* - Accidental Cause | PHP 50,000 || Medical Reimbursement - Accidental Cause | PHP 50,000 || Fire Cash Assistance | PHP 10,000 || Money, Securities and Payroll (Inside Premises only) | PHP 10,000 || Burglary and Housebreaking | PHP 10,000 |

*Subject to the schedule of benefits relative to the extent of the injury

**Money inside the premises only covers coined or physical money. This cover is for the loss of money or securities stored within the Insured's business premises due to burglary or robbery.

Eligibility

You are eligible for Negosyo Insure if you are:

- A Filipino or legal Philippine resident

- 18-64 years old
- A small business owner who owns a physical store. You are a small business covered by Negosyo Insure if you have:
 - Less than 10 employees
 - A business with a physical location that customers can visit

Sample of Small Businesses include:

||||---|---|| Sari-sari stores | Water Refilling Station || Computer shop | Barbershop or Salon || Market Vendors with stall |

Purchase Malayan Insurance Negosyo Insure

Note: You can buy Malayan Insurance Negosyo Insure for someone else but you cannot buy more than one policy per person.

The insurance cover will start at 12:00 PM Philippine Standard Time the day following the date of purchase and expire based on the coverage chosen thereafter. Depending on the period of coverage you have chosen, your coverage is renewable thereafter.

Negosyo Insure has a period of coverage of one (1) month, three (3) months, six (6) months, and one (1) year. Maximum of 1 COC per person at any given time and maximum of one (1) COC per household*

Claims and Cancellation

Claims

In the event of a claim, the insured shall notify the Company as soon as possible and the written notice of any possible claim must be given to the Company within **thirty (30) days** after the date of the incident. In the event of accidental death, loss of money inside the premises, and burglary and housebreaking, immediate notice thereof must be given to the Company. Malayan Insurance shall not be liable for any loss of which written notice has not been received by Malayan Insurance within **one (1) month** of the occurrence thereof, subject to the terms of the policy .

On your GInsure homepage, tap **My Insurance** and select your Negosyo Insure insurance. You will be redirected to the Malayan website's "Claims Form" page. Attach all the necessary documents and submit the Claims Form.

General Requirements:

||||---|---|| Confirmation of Cover (Filled-out and signed) | Government-issued I.D./Company or School I.D. showing complete home address and signature of Insured, with photo |

Requirements for Accidental Death

||| --- | --- || Affidavit of incident or notarized police report | NSO Death Certificate (original and authenticated) || NSO Marriage Certificate – if the beneficiary is the spouse | NSO Birth Certificate of the claimant – if the beneficiary is parent/child || NSO Birth Certificate of claimant and beneficiary – if the beneficiary is brother/sister |

Requirements for Accidental Dismemberment and/or Disablement / Total Permanent Disability

||| --- | --- || Medical Certificate from a physician (if total disability) | Picture of the claimant with the affected part |

Requirements for Medical Reimbursement

||| --- | --- || Incident Report | Medical Certificate from hospital/ attending physician || Original Official Receipt | Hospital Billing Statement if confined |

Requirements for Fire Cash Assistance

||| --- | --- || Barangay Certification* | Photos of damages or affected insured property |

*Barangay Certification must clearly indicate the address of the damaged property, the cause of loss or damage, and that the Insured is a resident of the damaged property.

Requirements for Money Inside Premises and Burglary and Housebreaking

||| --- | --- || Barangay Certification* | Affidavit of Loss / Police Report || Valid I.D. of the claimant | Photos of damaged or affected insured property |

*Barangay Certification must clearly indicate the address of the damaged property, the cause of loss or damage, and that the Insured is a resident of the damaged property.

Upon submission of complete and accurate claim documents, Malayan Insurance will settle within **ten (10) working days**.

The amount for reimbursement is subject to the submitted official receipts for reimbursement and the limit of coverage. Items excluded from the policy will not be reimbursed.

Should you encounter issues or concerns, you may contact Malayan Insurance.

Cancellation of Policy

To cancel your Negosyo Insure policy, please contact Malayan Insurance. Please take note that your request is subject to review and approval.

Contact Malayan Insurance

Coverage

Note: The owner's liability covers both bodily injury and property damage caused by the insured dog's actions to a third party. This includes liability if the dog bites a non-insured third party.

| Products Features and Benefits | Limits (in PHP) || --- | --- || **SECTION 1 – MEDICAL REIMBURSEMENT** || Per Occurrence Limit | 30,000.00 || Annual Aggregate Limit | 100,000.00 || Burial Assistance (due to Euthanasia only) | 10,000.00 || Cruciate Ligament Injuries per Leg (Part of MR limit) | 15,000.00 || **SECTION 2 – OWNERS LIABILITY (THIRD PARTY)** || Per Occurrence Limit | 50,000.00 || Annual Aggregate Limit | 250,000.00 || **SECTION 3 – PERSONAL ACCIDENT COVER*** || Accidental Death | 50,000.00 || Total Permanent Disability | 50,000.00 || Disablement or Dismemberment | 50,000.00 |

*Limit forms part of and not in addition to the Medical Reimbursement limit

**Subject to a maximum accumulated limit of PHP 100,000.00 per Insured pet owner with multiple policies.

***Subject to schedule of indemnity relative to extent of injury

| **Deductibles** || --- || Section 1 -
Medical Reimbursement | PHP 5,000.00 each and every loss
Euthanasia Burial Assistance Benefit – NIL || Section 2 –
Owner's Liability | Third Party Bodily Injury – NIL
Third Party Property Damage – 5% of loss amount, minimum of
PHP 5,000.00, each and every loss || Section 3 –
Personal Accident Cover | NIL |

Note: Any veterinarian or clinic is acceptable as long as they are properly licensed by the regulatory bodies.

The policy does not specify which illnesses are covered. Exclusions include:

1. Conditions related to teeth: Dental issues, such as tooth decay or gum disease, are not covered under our Pet insurance policy
2. Illnesses for which a vaccine is available: Any illness for which a vaccine is readily available, such as rabies or canine parvovirus, falls under the exclusion list
3. Illnesses related to anal glands: Conditions affecting the anal glands, including anal gland impaction or infection, are not covered by our policy
4. Illnesses related to behavior: Illnesses or conditions stemming from behavioral issues, such as anxiety-related disorders or compulsive behaviors, are excluded from our coverage
5. Inherited or Congenital Disease: Diseases or conditions that are inherited or present at birth, such as hip dysplasia or certain heart conditions, fall under this exclusion
6. Parasite-related diseases: Illnesses caused by parasites, such as fleas, ticks, or heartworm, are not covered by our Pet insurance policy
7. Specifically excluded diseases: Some specific diseases or conditions may be explicitly excluded from our coverage. Please refer to your policy documentation for a comprehensive list of such exclusions

Eligibility

You can avail of this product if you are:

- 18-65 years old
- A Filipino or legal resident of the Philippines
- A Fully Verified GCash user
- An owner of a dog between the age of 6 months and 8 years

Purchase Malayan Insurance Pet Insure

Note: You cannot buy this policy for anyone else. **The insured must be the one to purchase and provide pertinent details and declarations with respect to the pet to be insured. Upgrading of the policy is not allowed.**

There is no limit to the number of policies each GCash user or pet owner may purchase under their name provided each policy covers a different pet, satisfying that only one (1) policy shall be in force per pet per policy period. Provided further that the maximum allowable accumulated limit for Personal Accident Cover shall be PHP 100,000.00 only, regardless of the number of insured pets or policies in force.

Note: Your coverage begins at 12:01 AM Philippine Standard Time the day following the date of activation.

Claims

To file a claim for Malayan Insurance Pet Insure, please send a claim request through the Malayan Claims Form. Below are the required general documents when filing your claim:

General Requirements

||| --- | --- || Certificate of Cover and Copy of Policy, or Policy Number | Government-issued I.D./Company or School I.D. showing complete home address and signature of Insured, with photo || Pedigree Certificate and/or RFID or microchip scanned serial number, only if submitted during policy issuance | Pet Photo || Written Incident Report |

In addition to the general requirements, the following documents must be submitted:

Section 1 – Medical Reimbursement For Sickness/Illness Claims:

||| --- | --- || Pet Baby Book/Veterinarian's Records | Certification of the attending Veterinarian on the illness or nature of treatment and health condition of the pet || Prescription of the Veterinarian for Medical Treatment | Original Receipts of Medical Treatment and Medication of the pet |

For Accident-Related Claims

||| --- | --- || Pet Baby Book/Veterinarian's Records | Certification of the attending Veterinarian on the illness or nature of treatment health condition of the pet || Prescription of the Veterinarian for Medical Treatment | Original Receipts of Medical Treatment on the pet || Police Report or Affidavit of how the accident happened |

For Burial Assistance Benefits Claims (For Euthanasia only)

||| --- | --- || Pet Baby Book/Veterinarian's Records, | Certification of the attending Veterinarian on the illness or nature of treatment and health condition of the pet || Veterinarian's Certification and reason for euthanizing the pet. |

Section 2 – Owner's Liability

For Third Party Property Damage Claims

||| --- | --- || Written demand of the third party | Itemized list of damaged property/ies || Photographs of damages items/property | Estimate of repair/replacement of damaged item/invoice/quotation || Quit claim of the third party |

For Third Party Bodily Injury Claims

||| --- | --- || Written demand of the third party | Death Certificate (Original/PSA Copy) of third party (in case of death) || Medical Certificate/Clinical/Emergency room report of third party's bodily injury/ies | Original official receipt/s of medical expenses incurred by third party || Statement of account from the hospital (if confined) | Employment certificate with monthly compensation (if any) || Valid ID of third party | Quit claim of third party |

Section 3 – Personal Accident

For Accidental Dismemberment and/or Disablement Claims

||| --- | --- || Certified true copy of Certificate of Confinement or Medical Certificate | Statement of account / hospital billing and records of confinement (original copy) || Operating room report (if an operation was done) | Certification from the attending physician if total disability || Picture of claimant with the affected part |

For Accidental Death Claims

||| --- | --- || Valid ID of Insured pet owner and his/her beneficiary | PSA Death Certificate (original and authenticated) || Affidavit of how the accident happened or duly notarized police report | A certified true copy of Post mortem exam if claimant died in the hospital || PSA Marriage Certificate (original and authenticated) – if the beneficiary is the spouse | PSA Birth Certificate of the claimant (original and authenticated) – if the beneficiary is parent/child || PSA Birth Certificate of the claimant and beneficiary (original and authenticated) – if the beneficiary is brother/sister | Filled out Client Information Sheet of the beneficiary |

The claim proceeds are paid through Fund Transfer. The following are the required documents:

- Certification bearing bank account details (preferably RCBC account; other bank accounts will still be subject for management's approval) duly signed by the Insured. (Template will be provided)

- Valid ID of the signatory on the release documents
- Any document that will prove or show Insured's bank details
- Signed Release Document (Template will be provided)

Note: The amount that can be claimed is subject to the submitted official receipts for reimbursement and the limit of coverage. Items excluded from the policy will not be reimbursed.

Pet Insure has a waiting period of seven (7) days for one month, fourteen (14) days for three months, and thirty (30) days for six months, nine months, and one year cover from the effectiveness of the policy in respect of Section 1 - Medical Reimbursement.

During such time, if the pet is diagnosed or suffers from any injuries, sickness, or illness, any expense necessarily incurred to relieve the pet of such condition shall not be recoverable or reimbursable from the policy.

Cancellation

The insured may opt to cancel the policy and may be entitled to a premium refund subject to the short-period rate scale. Please contact Malayan Insurance to cancel your policy.

Malayan Insurance Travel Master with COVID-19 is comprehensive travel insurance that provides protection from financial burdens caused by unforeseen events while on travel. It is compliant with [Schengen Travel Visa Insurance requirements](#) and IATF guidelines.

Jump to:

- [Coverage](#)
- [Eligibility](#)
- [Purchase Malayan Travel Master with COVID-19](#)
- [Claims](#)
- [Cancellation](#)
- [Contact Malayan Insurance](#)

Coverage

Note: The coverage period for Travel Master with COVID-19 must not exceed 90 days from the start date of the trip by the insured.

Malayan Insurance Travel Master with COVID-19 covers accidental disablement or loss of life, emergency medical treatment cover for accidents, sickness (including COVID-19), provision for recovery of unused travel expenses, a wide range of travel inconvenience benefits, Personal Liability, 24/7 Travel Assistance Benefits, and Value-Added Benefits.

Foreigners traveling to the Philippines can be covered under Travel Master with COVID-19 by Malayan Insurance. The policy commences upon entry through Philippine immigration gates and ceases upon exit through the same en route to departure from the country.

Malayan's Travel Master with COVID-19 can cover the following during your travel period:

||||---|---|| Emergency Medical Treatment | Accidental Death || Emergency Trip Cancellation | Emergency Trip Termination || Flight Delay | Loss of Travel Documents || Loss of Baggage | Damage to Baggage || Baggage Delay | Loss of Laptop || Damage to Laptop | Car Rental Protection || Personal Liability |

Eligibility

You can avail of this product if you are:

- Age 1-75 years old*
- Traveling from or to the Philippines
- Traveling within the country
- Undertaking a trip not more than 90 consecutive days
- On travel of at least 100 miles or 150 kilometers away from your registered place of residence

*Anyone above 75 years old may contact csc@malayan.com for further evaluation.

Purchase Malayan Insurance Travel Master with COVID-19

Note: Standard Insurance can only issue **one policy per trip**. If you want to upgrade your policy, please contact Malayan Insurance. You may **purchase a policy for someone else**. However, kindly make sure that the details to be stated when the policy is being purchased are correct.

Malayan can accept upgrades from lower limits to higher limits subject to review and approval. Downgrades are not allowed.

You can amend your insurance coverage as long as your trip has yet to commence. You may also extend your period of travel once for as long as it does not exceed 90 days. Please contact Malayan Insurance to request for amendment or extension of your insurance coverage.

Hindi ma-open ang Pera Outlet

Kapag hindi mabuksan o magamit ang iyong GPO account, sundin ang mga sumusunod para ayusin ito:

1. Siguraduhing **updated** ang GCash app
2. Siguraduhing connected sa malakas na **internet connection**
3. Subukang **i-restart ang mobile phone**
4. Siguraduhing ginagamit ang **registered phone ng iyong account** para mag-log in.
Magbasa tungkol sa Account Secure dito.

Kung sakaling nasubukan na ang lahat ng nabanggit at hindi pa rin ma-access ang Pera Outlet mini app, mag-submit ng ticket kalakip ang video recording ng actual experience sa pag open ng app.

Na-deactivate ang SIM card o Nagpalit ng SIM card

Dahil sa Republic Act 11934 o [SIM Card Registration Act of 2022](#), LAHAT ng SIM card ay kinailangang mairehistro sa kanilang mga telco provider bago ang **July 25, 2023**. Layunin ng pagpaparehistro na protektahan ang mga mamimili mula sa ilegal na mga aktibidad gaya ng mobile scam, phishing, at panloloko.

Kung na-deactivate ang iyong SIM card dahil sa hindi pagrehistro nito, mananatili ang inyong impormasyon at pondo sa GCash Pera Outlet (GPO) Wallet. **Hindi kailangang mag register ulit bilang Pera Outlet retailer gamit ang bagong SIM.**

Para mag-update sa new number, [click here para mag-file ng request](#). Siguraduhin na Fully Verified ang bagong GCash account at ihanda ang mga sumusunod na impormasyon para sa request:

- Kumpletong Pangalan ng Store Owner (First, Middle, and Last Name)
- GCash Pera Outlet ID
- Old GCash Number
- New GCash Number

- Store Name
- Valid ID
- GPO Wallet Balance
- Details of Request/Concern

Maghintay ng **3-5 araw** para makumpleto ang pag-update ng mobile number na naka-link sa iyong GPO Wallet. Sa pag-update, ang lahat ng SMS notifications ng GPO ay ipapadala sa bagong nakarehistrong mobile number mo.

Alamin ang mga Pera Outlet account status

Para masiguro na secure ang iyong account at sumasang-ayon ito sa GCash Terms & Conditions, ang GCash ay nagkakaroon ng regular na review para sa mga account at transaksyon ng registered Pera Outlet Retailers. Ayon sa Sections 21 and 23 ng GCash Terms & Conditions, may karapatan ang GCash na mag-suspend the wallet nang walang paunang abiso, kung makahanap ng anumang batayan para sa pag-deactivate nito.

Ang account status ay makikita sa itaas na bahagi ng Pera Outlet mini app. I-click ang sumusunod para malaman ang ibig sabihin ng iba't ibang account status:

Partially Approved

Ang iyong account ay approved na may condition. **Kailangang makumpleto ang natitirang dokumento sa loob ng 30 days.** Makikita ito kapag i-click ang Submit Documents. Siguruhing makapag-submit ng tama at kumpletong dokumento para tuloy-tuloy ang kita

Suspended

Ang iyong account ay magiging suspended kapag nakaraan ang 30 days at hindi sapat ang nai-submit na dokumento mula ng kayo ay ma-activate bilang GPO retailer. Hindi mawawala ang iyong account o pondo, pero pansamantalang hindi magagamit ang Pera Outlet. Siguruhing makumpleto ito para patuloy na magamit ang mga serbisyo ng Pera Outlet.

Risk Disclosure Statement

Prior to making an investment, Manulife Investment Management and Trust Corporation is hereby informing you of the nature of its Unit Investment Trust Funds (UITFs) and the securities they may invest in, and the risks involved in investing therein. As investments generally carry different degrees of risk, it is necessary that before you make any investment, you should have:

1. fully understood the nature of the securities/investment vehicles/UITFs you will be investing in and the extent of your exposure to risks; 2. read this Risk Disclosure Statement completely; and 3. independently determined that investment in said securities/investment vehicles/UITFs is appropriate for you.

There are risks involved in investing in various securities because the value of your investment may fluctuate depending on market circumstances. For UITFs in particular, the value of your investment is based on the Net Asset Value per Unit (NAVPU) of the Fund, which uses a marked-to-market valuation and therefore may fluctuate daily. The Net Asset Value (NAV) is derived from the summation of the market value of the underlying securities of the Fund plus accrued interest income less liabilities and qualified expenses.

THANTHENAVPUATTHETIMEOFPARTICIPATION.

Your investment in any security through Manulife Investment Management and Trust Corporation's various investment vehicles, segregated portfolios and UITFs exposes you to the various types of risks enumerated and defined hereunder:

INTEREST RATE RISK. This is the possibility for an investor to experience losses due to changes in interest rates. The purchase and sale of a debt instrument may result in profit or loss because the value of a debt instrument changes inversely with prevailing interest rates.

The Fund's portfolio, being marked-to-market, is affected by changes in interest rates thereby affecting the value of fixed income investments such as bonds. Interest rate changes may affect the prices of fixed income securities inversely, e.g. as interest rates rise, bond prices fall and when interest rates decline, bond prices rise. As the prices of bonds in a portfolio adjust to a rise in interest rate, the portfolio's market value may decline.

MARKET/PRICE RISK. This is the possibility for an investor to experience losses due to changes in market prices of securities (e.g. bonds and equities). It is the exposure to the uncertain market value of a portfolio due to price fluctuations.

The value of investments fluctuates over a given time period because of general market conditions, economic changes or other events that impact large portions of the market such as political events, natural calamities, etc. Fixed income securities, which are not held until they mature, are subject to this risk. In the case of UITFs, the Fund may gain/lose due to increase/decline in security prices, which may sometimes happen rapidly or unpredictably, hence, the NAVPU may increase to make profit or decrease to incur loss.

LIQUIDITY RISK. This is the possibility for an investor to experience losses due to the inability to sell or convert assets into cash immediately or in instances where conversion to cash is possible but at a loss. These may be caused by different reasons such as trading in securities with small or few outstanding issues, absence of buyers, limited buy/sell activity, restricted redemption periods, or underdeveloped capital markets.

Liquidity risk occurs when certain securities in the Fund may be difficult or impossible to sell at a particular time which may prevent the withdrawal/redemption of investments until its assets can be converted to cash. Even government securities which are the most liquid of fixed income securities may be subjected to liquidity risk particularly if a sizeable volume is involved.

CREDIT RISK/DEFAULT RISK. This is the possibility for an investor to experience losses due to a borrower's failure to pay principal and/or interest in a timely manner on instruments such as bonds, loans, or other forms of security which the borrower issued. This inability of the borrower to make good on its financial obligations may have resulted

from adverse changes in its financial condition, thus, lowering credit quality of the security, and consequently lowering the price (market/price risk) which contributes to the difficulty in selling such security. It also includes risk of a counterparty (a party the Fund Manager trades with) defaulting on a contract to deliver its obligation either in cash or securities.

This is the risk of losing value in the Fund in the event the borrower defaults on his obligation or in the case of counterparty, when it fails to deliver on the agreed trade. This decline in the value of the Fund/Portfolio happens because the default /failure would make the price of the security go down and may make the security difficult to sell. As these happen, the NAVPU of a Fund may decline.

REINVESTMENT RISK. This is the risk associated with the possibility of having lower returns or earnings when maturing funds or the interest earnings of funds are reinvested.

UITF investors who redeem and realize their gains run the risk of reinvesting their funds in an alternative investment outlet with lower yields. Similarly, Manulife Investment Management and Trust Corporation is faced with the risk of not being able to find good or better alternative investment outlets as some of the securities in the Fund matures.

OFFSETTING/HEDGING RISK. This is the possibility for an investor to experience losses brought about by the inherent risks which the underlying investment is exposed to despite the use of a hedging instrument.

Hedging is the act of reducing the exposure of the underlying investment from its risks. In order for hedging to be effective, the prices of the hedging instruments and the underlying investment should normally move in opposite directions.

There is no guarantee, however, that the effectiveness of a hedging instrument shall remain throughout the term of the underlying investment. Should the hedging instrument become ineffective, liquidating this based on market prices may result to losses.

In case of a foreign currency-denominated security or a peso-denominated fund that is allowed to invest in securities denominated in currencies other than its base currency, the segregated portfolio and the fund are also exposed to the following risks:

FOREIGN EXCHANGE RISK. This is the possibility for an investor to experience losses due to fluctuations in foreign exchange rates. The exchange rates depend upon a variety of global and local factors, e.g. interest rates, economic performance, and political developments.

It is the risk of a security to currency fluctuations when the value of investments in securities denominated in currencies other than the base currency of the security depreciates. Conversely, it is the risk of the security to lose value when the base currency of the security appreciates. The NAVPU of a peso-denominated UITF invested in foreign currency-denominated securities may decrease to incur loss when the peso appreciates.

COUNTRY RISK. This is the possibility for an investor to experience losses arising from investments in securities issued by/in foreign countries due to the political, economic and social structures of such countries. There are risks in foreign investments due to the possible internal and external conflicts, currency devaluations, foreign ownership limitations and tax increases of the foreign country involved which are difficult to predict but must be taken into account in making such investments.

Likewise, brokerage commissions and other fees may be higher in foreign securities. Government supervision and regulation of foreign stock exchanges, currency markets, trading systems and brokers may be less than those in the Philippines. The procedures and rules governing foreign transactions and custody of securities may also involve delays in payment, delivery or recovery of investments.

OTHER RISKS. Your Fund may be further exposed to the risk of any actual or potential conflicts of interest in the handling of in-house or related party transactions by Manulife Investment Management and Trust Corporation. These transactions may include purchase of own-institution or affiliate obligations; purchase of assets from or sales to own institution, directors, officers, subsidiaries, affiliates or other related interests/parties; or purchases or sales between fiduciary/managed accounts.

I HAVE COMPLETELY READ AND FULLY UNDERSTOOD THIS RISK DISCLOSURE STATEMENT AND THE SAME WAS CLEARLY EXPLAINED TO ME BY A MANULIFE INVESTMENT MANAGEMENT AND TRUST CORPORATION SALES PERSONNEL/WEALTH SPECIALIST BEFORE I AFFIXED MY SIGNATURE HEREIN. I HEREBY VOLUNTARILY AND WILLINGLY AGREE TO COMPLY WITH ANY AND ALL LAWS, REGULATIONS, THE PLAN RULES/PROSPECTUS, WRITTEN TRUST/OTHER FIDUCIARY/INVESTMENT MANAGEMENT AGREEMENT, TERMS AND CONDITIONS GOVERNING MY INVESTMENT.

I acknowledge that I have (1) advised the client to read this Risk Disclosure Statement; (2) encouraged the client to ask questions on matters contained in this Risk Disclosure Statement, and (3) fully explained the same to the client.

Unit Investment Trust Funds Omnibus Participating Trust Agreement (Trustee's Copy)

Account Name

Account No.

The Participant, as TRUSTOR, through this Omnibus Participating Trust Agreement (the "Agreement"), hereby agrees to participate in the Manulife Investment Management and Trust Corporation Unit Investment Trust Fund/s (the "Fund/s") it has duly selected based on its Client Suitability Assessment (CSA)/Investment Policy Statement (IPS) OR in accordance with its risk appetite as supported by the Client Waiver it has executed established and administered by Manulife Investment Management and Trust Corporation (the "TRUSTEE"). The TRUSTOR also agrees that its initial contribution and subsequent contributions to Fund/s are subject to the approval of the TRUSTEE after which an evidence of participation shall be issued to the TRUSTEE; and that prior to approval, the TRUSTEE shall not be liable to the TRUSTOR for any loss arising from market fluctuations and price volatility of the securities held by the FUND/s.

It is expressly understood and agreed that this Agreement is subject to, and does not amend, modify or limit, the respective Fund/s' Declaration/s of Trust (the "Plan Rules"). As such, the TRUSTOR, hereby explicitly acknowledges having read and fully understood the Plan Rules pertaining to its investment/s and is amenable to all the terms and conditions contained therein. The TRUSTOR also confirms and certifies that the Fund/s is/are suitable to its investment requirements.

The TRUSTOR and the TRUSTEE likewise agree as follows:

1. Participation and Redemption. Participation in the Fund/s and redemption of such participation shall be allowed only on the basis of the net asset value of each participation unit (the "NAVPU") determined in accordance with the applicable Plan Rules. The TRUSTOR's investment in each Fund shall be expressed in terms of number of units of participation as appearing in the TRUSTOR's evidence of participation.

As its participation, the TRUSTOR shall transfer, convey and pay unto the TRUSTEE, such amount representing the value of the units as indicated in the TRUSTOR's evidence of participation, in the currency likewise indicated therein.

The TRUSTOR may redeem its participation in a Fund through means allowed under the TRUSTEE's policy. Participation and redemption shall be allowed only at such times as provided in the applicable Plan Rules.

As the participation and redemption of such participation are subject to certain documentary requirements, the NAVPU that will be applicable to the TRUSTOR's participation or redemption shall depend on the date the participation is actually approved or when the redemption is actually processed.

2. Client Suitability. Prior to the acceptance of participation, the TRUSTEE shall perform client suitability, through Client Suitability Assessment forms, which shall be acknowledged and signed by the TRUSTOR. Notwithstanding the investor classification/risk profiling made by the TRUSTEE of the TRUSTOR through the CSA, the TRUSTOR may waive the results of the CSA and invest in a Fund which bears a higher risk through the accomplishment of the Client Waiver.
3. Disclosure of Risks. The TRUSTOR confirms that it has read and understood the Risk Disclosure Statement prior to executing and agreeing to be bound by this Agreement.
4. Administration and Investment of Each Fund. Each Fund, which is the pool of trust funds from the participating trustors thereof, shall be managed, administered and invested by the TRUSTEE under the operation of the applicable Plan Rules.
5. Disclosure of Investment Outlets. TRUSTEE shall make available for the information of any interested participant a list of prospective and outstanding investment outlets for each Fund, which list shall be updated at least quarterly.
6. Compensation. As compensation for the TRUSTEE services, it shall be entitled to compensation as provided in the applicable Plan Rules.
7. Liability of TRUSTEE. Save that attributable to the TRUSTEE's fraud, willful default, evident bad faith or gross negligence, the TRUSTEE shall not be liable for any loss or depreciation in the value of the Fund/s or in the value of the TRUSTOR's units of participation in the Fund/s arising from any act done by the TRUSTEE pursuant to the terms hereof and the applicable Plan Rules. Neither shall the TRUSTEE be liable for refraining to do any act where such inaction in the good faith judgment of the TRUSTEE is necessary and appropriate for the proper and advantageous administration and management of the Fund/s.
8. Amendments. This Agreement shall be deemed automatically modified as and when the Plan Rules are amended by the TRUSTEE in order to comply with applicable laws and/or Bangko Sentral ng Pilipinas regulations and for such other purposes as may be deemed proper by the TRUSTEE.
9. Term of Agreement. This Agreement shall continue and remain in force until the termination of the Fund/s in accordance with the Plan Rules or with laws or regulations then existing.
10. Reference Documents. The terms and conditions in the Plan Rules, Risk Disclosure Statement, Client Suitability Assessment, the Client Waiver and the evidence of participation are incorporated herein by reference, restated herein and shall form integral parts hereof. In executing this Agreement, the TRUSTOR represents that it has carefully read and fully understood the same documents and that it has agreed to

be bound by all terms and conditions thereof. In case of inconsistencies, the provisions of the Plan Rules shall prevail over those of this Agreement and the other reference documents.

11. Evidence of Participation. Contributions of the TRUSTOR into any of the Funds shall be evidenced by a separate Confirmation of Participation or Statement of Account, which is issued by the TRUSTEE for this purpose. Any evidence of participation is non-negotiable and serves only to confirm the units purchased as of its date. The possession of the original copy of any evidence of participation does not constitute proof that the units appearing therein remain outstanding. The TRUSTOR's outstanding units shall be based on the books and records of the TRUSTEE. The TRUSTEE reserves the right to require the prior surrender of any evidence of participation upon redemption of units. Notwithstanding the requirement for surrender, mere possession of the evidence of participation shall not be presumed or deemed as proof of non-payment of the participation.
12. Cooling-Off Provision. The participant of the Fund may avail of the cooling-off period of two (2) business days immediately following the approval of its participation in the Fund without penalty, subject to submission of a written notice to the TRUSTEE during the cooling-off period. The settlement amount shall be calculated based on the NAVPU of the Fund to be released on the immediately succeeding business day following receipt of the notice to avail of the cooling-off period.
13. Freezing of Account. The TRUSTEE shall have the right, in its sole discretion, but without any obligation to do so, to freeze the Account without incurring any liability to the TRUSTOR for any of the following instances:

- the Account is the subject of an ongoing investigation for suspicious transaction, cybercrime, identity theft, estafa, fraud and financial crimes;
- there is an unsettled claim or dispute related to the Account;
- the TRUSTEE is notified of the death of the TRUSTOR and the claimants have not yet fully complied with the TRUSTEE's settlement requirements; or
- the TRUSTEE received a notice or order from a court or other competent authority or written instruction from the Anti Money Laundering Council (AMLC) or other government or regulatory body to freeze the Account.

The TRUSTOR hereby agrees to fully indemnify and hold the TRUSTEE, its directors, officers, employees, and other authorized representatives free and harmless against any and all liabilities, whether civil, criminal, or administrative, which the TRUSTEE, its directors, officers, employees, and representatives, or any of them may incur or suffer in connection with the TRUSTEE's act of freezing the Account or the pursuit of any such action which the TRUSTEE considers appropriate.

14. Privacy Consent Clause. The Trustee collects and uses the Trustor's personal and sensitive information to carry on its trust and fiduciary business. By signing this form and continuing to avail of the Trustee's products and services, the Trustor agrees that the information it has provided and any subsequent changes to it can be processed, shared, disclosed, transferred or used by the Trustee, including its shareholders, directors, and employees, affiliates, subsidiaries, business partners, any member of the Manulife Financial Group, (including those located overseas), advisors, Sales Personnel/Wealth Specialists, representatives, industry associations and databases,

local and foreign authorities having jurisdiction over companies within the Manulife Financial Group, external auditors/counsels, and its third party service providers (whether within or outside the Philippines) within the rules set by the Data Privacy Act of 2012, as may be amended from time to time, relevant regulations and the Company's privacy policy available at www.manulifeim.com.ph/customer-privacy-policy for purposes of:

- approving the Trustor's application;
- administering and servicing the account; marketing (including marketing of products and services offered by any member of the Manulife Financial Group and those of the Trustee's business partners), promoting, getting feedback on the Trustee's products and services, and measuring client satisfaction; conducting data analytics and doing automated data processing;
- preventing money laundering or terrorist financing activities; complying with reportorial and regulatory requirements of both local and foreign regulatory authorities (including local and foreign tax authorities and stock exchanges) as well as other legal, regulatory or contractual obligations of any member within the Manulife Financial Group, relating to information sharing, tax reporting or otherwise;
- the Trustee's internal purposes such as governance, risk, and underwriting management, and reporting; and
- for other reasonable purposes related to the service provided.

The Trustor will not unreasonably cancel its consent which could result to the Trustee or any member of the Manulife Group violating any law, rules, regulations or guidelines or its obligation under any contract or commitment with local or foreign regulators, governmental bodies or industry recognized bodies (whether within or outside the Philippines).

For the Trustor's personal and sensitive information which it has provided to the Trustee, it is allowing the Trustee to keep these in line with its records retention policy. The Trustor will not hold the Trustee responsible for any claim, loss, liability and cost as a result of using such information for valid purposes.

15. The TRUSTOR acknowledges that the Fund/s are trust products and are NOT deposit accounts, obligations of, guaranteed, or insured by the TRUSTEE. The returns and any income or loss arising from market fluctuations and price volatility of the securities held by the Fund/s, including investments in government securities, are for the TRUSTOR's account. The units of participation in a Fund/s, when redeemed, may be worth more or less than the TRUSTOR's initial investment. Historical performance, when presented, is purely for reference purposes and is not a guarantee of similar future results. The TRUSTEE is not liable for losses, unless there is fraud, willful default, evident bad faith or gross negligence on its part.

Agreed and accepted by:

The **Move It Summer Promo** lets you score **PHP 30 GCash Cashback or Ice Cream Vouchers** when you complete 5 rides using the Move It app.

Promo Duration

April 1, 2025 to June 30, 2025.

Prizes

Winners can receive PHP 30.00 GCash Cashback Vouchers or PHP 30.00 GCash Ice Cream Vouchers.

Note: The PHP 30.00 GCash Cashback voucher can be withdrawn as cash or transferred, but the PHP 30.00 GCash Ice Cream Voucher can only be used to purchase ice cream at Wendy's, Yogorino, and Dairy Queen.

Eligibility

This exclusive promo is open to all Filipino GCash users aged 18 years old and above.

Note: Some promos may not be available to GCash International users.

How to participate

Complete 5 rides with Move It to qualify. Winners will receive a unique code and URL via Grab notification inbox to play a game and win the voucher.

How to claim the voucher

1. Click the GCash claim page link from your notification.
2. Enter your mobile number and the redemption code from your eVoucher.
3. Accept the terms and conditions, then tap **Claim**.
4. A pop-up will confirm your PHP 30 voucher—click **Claim Now** to complete.

Your voucher will be credited directly to your GCash wallet.

If the promo code doesn't work, you can:

- **Check the terms and conditions**

Ensure the merchant you're transacting with is eligible for the deal. Promo codes are valid only for specific merchants, products categories, or services.

- **Ensure the minimum spend requirement is met**

Verify if your total purchase meets the minimum spend required to use the code. This information is usually included in the promo details.

- **Confirm the voucher is still valid**

Double-check the validity date of your promo codes. Expired codes cannot be redeemed.

If the promo code still doesn't work, please contact the Move It Support team:

Hotline: 1800 1550 0092

Email: contact@moveitmilamigwins.com

If you made a **Buy Order** and it has not been reflected, first check if your available funds and assets are enough for the order.

When placing a Buy Order, remember to:

- Follow the applicable Lot Size and Price Fluctuation for your chosen stock as described in the Board Lot table
- Submit your trade orders within the correct market hours corresponding to the PSE Trading Hours
- Follow the price ceiling and price floor limitations as implemented by PSE

Note:

The PSE trading hours are from **9:30 am to 12:00 pm** and **1:00 pm to 3:00 pm** Philippine Standard Time (GMT+08:00), from Monday to Friday (excluding holidays).

If your Buy Order still has not been reflected, please [click here to ask for help](#).

If your GCash Card gets stuck or captured in the ATM, here's what to do:

- **Contact the ATM Bank:** Immediately **reach out to the bank** where the ATM is located to coordinate the retrieval of your card.
- **Lock Your GCash Card:** For your security, [lock your GCash Card](#) through the GCash app to prevent unauthorized transactions.
- **Unlock When Retrieved:** Once you've retrieved your card from the bank, you can unlock it through the GCash app.

If your GCash Card is lost or stolen, follow these steps immediately:

1. Open the GCash app and lock your card to block any transactions.
2. Once you've done this, report your lost or stolen card to keep your funds safe. A customer service representative will contact you within **1-2 business days**.
3. Review your recent transactions to ensure no unauthorized activity has taken place.

Once you successfully order your GCash Card, it will be delivered within **4-10 business days depending on your area.**

|||| --- | --- || NCR | 4 to 6 business days | | Luzon | 6 to 8 business days | | Visayas & Mindanao | 8 to 10 business days |

If you have received a tracking number from **Ninja Van**, you can check your card's delivery status by visiting the Ninja Van Portal and entering your tracking number.

If you **haven't received a tracking number yet**, your card may still be in the endorsement or waybill printing stage.

If **more than 10 business days** have passed and you still haven't received your card, please chat with **Gigi** for further assistance.

If your GCash Card is not being accepted by a merchant, follow these steps:

- **Check your card status:** Make sure your GCash Card is activated
- **Check your wallet balance:** Make sure your GCash wallet has sufficient balance for the transaction.

- **Verify merchant's POS system:** Confirm if the merchant's POS terminal is compatible with your GCash Card.

Note: The GCash Mastercard is not compatible with some online merchants. We recommend to order a new VISA Card.

If the merchant still refuses to accept your GCash Card for payment, click here to ask for help. A customer service representative will contact you in **24 hours**.

If you encountered a prompt saying “Your account is on hold,” it may be due to any of the following:

- **Inactivity:** If your GCash Basic account hasn’t been fully verified in the last 12 months, it will be deactivated.
- **Invalid Information:** The information and documents you provided for verification may not be real or accurate.
- **Illegal Use:** Your account might be involved in illegal activities or suspicious transactions, or it might be used by someone not authorized.
- **Legal Orders:** GCash may have received instructions from a government agency or court to hold your account.
- **Inactive Wallet:** If your GCash Wallet has had no transactions or a zero balance for at least 6 months, it’s considered inactive.

What to Do If Your Account Is on Hold

1. Check if you received an email

Double-check your GCash-registered email's inbox or spam folder if you received an email regarding "**Account Deactivation.**" If you received this email, [click here to ask for help to unblock your account.](#)

Once unblocked, you **MUST Fully Verify** your account. If you don't verify within **48 hours**, it will be blocked again.

2. Check for an SMS on routine verification

If you didn't receive any email, check if you received an SMS from GCash: "*Hi! Your GCash account was put on hold due to routine verification. This is following GCash's Terms and Conditions.*"

To access your account, [click here to submit](#) the following required documents:

- Front and back photos of two valid government-issued IDs.
- A photo of your signature on paper.
- Proof of income (like your income tax return or payslip if employed; business registration if self-employed).
- Proof of billing (like a utility bill or rental statement)

3. Chat with Gigi for more assistance

If you didn't receive an SMS or email, **Chat with Gigi and type 'Account on Hold'** for help in checking your account. Please prepare the following requirements that Gigi will ask:

- Photos of two valid government-issued IDs
- A selfie with the IDs
- A screenshot of your Phone/SIM Settings showing your GCash-registered number

After you've finished the verification process, it usually takes up to 3 days to review your application. You should receive an SMS update after 3 days.

If your verification is taking too long, here's what you can do to find out why it's delayed and resolve pending GCash verification issues:

Please go to the GCash app > Profile > Verify Now and **check what you are seeing on your verification page**.

Upgrade your GCash. Verify Now

If you see this, this could mean you...

- **Haven't started** the verification process
- **Did not finish** your most recent verification attempt
- Finished the process, but your most **recent application was rejected**

To proceed, tap **Verify Now** at the bottom of the screen to start or continue with the verification process. You should receive an SMS update on your verification after 3 days.

Please Complete Your Verification

This means we need some **additional documents** from you before proceeding with your application. Tap "**Continue Verification**" to view the documents needed and submit them within **10 days** to complete your verification.

Once you've submitted your additional documents, please expect an SMS update from us within **4 days**. Please note that if you're unable to submit the documents within 10 days, you will need to restart the verification process.

We're Verifying Your Account

This means we've received your application and are currently reviewing it. This usually takes **up to 3 days**.

If it's been more than 3 days and you haven't received an update, please [click here to follow up on your verification](#). Make sure to take a screenshot of your verification page and attach a photo of it when submitting your ticket for a smoother process! A customer service representative will contact you in **24 hours**.

Watch on YouTube

If you received an SMS notification that your GCash verification was unsuccessful or rejected, there will be details in the message on the reason why. Here are some possible reasons and what you can do next:

Selfie Scan Not Working

The photo you submitted couldn't be properly verified because your selfie scan may have been:

- **Blurred:** Ensure your photo is clear.
- **Too Dark:** Use good lighting.
- **Obstructed:** Make sure your face is fully visible and not covered.

Tips for a Successful Selfie Scan:

- **Lighting:** Take the photo in a well-lit area.
- **Visibility:** Ensure your full face is visible.
- **Background:** Avoid people or distractions in the background.
- **Attire:** Wear a shirt or a top during your selfie scan

ID Scan & Quality Error

This means there was a problem with either the photo of the ID you submitted or the actual ID.

Tips for Proper ID Submission:

- **Original & Valid ID:** Use the actual ID, not a photocopy/xerox/scanned copy. Make sure it's an accepted ID that is NOT expired
- **Good Lighting:** Take the photo in a well-lit space
- **Fully Visible:** Ensure the entire ID is seen in the photo and not cropped
- **Clear:** Make sure none of the details or picture is blurry
- **Orientation:** Take the photo right side up
- **Details should match:** The info in your ID should match the info you inputted in the GCash app

Unable to Submit Additional Documents

If your GCash account verification failed because you were unable to submit the required additional documents within 10 days, here's what to do:

1. Open the GCash app > Go to your Profile
2. Tap **Verify Now** to restart the process

3. If you are asked to provide additional documents, ensure to submit these within **10 days** from your application date
4. After you submit, please allow **4 business days** for GCash to review your documents.

To ensure a successful verification, follow the tips above and retry the process by going to your GCash app and tap **Profile > Verify Now**.

If you see an unfamiliar charge on your account, it might be linked to a previous subscription or free trial with auto-debit from platforms like Google Play Store or Apple Store.

Here's what you can do:

- **Review Subscriptions:** Regularly check your apps for any active subscriptions or auto-payments.
- **Identify Unauthorized Charges:** If you don't have any subscriptions, read more about how to [spot and report unauthorized transactions](#).

If you want a refund for the online payment or subscription, please contact the merchant directly.

To avoid further unauthorized charges, please unlink your GCash with the respective merchant.

When paying bills through GCash, please take note of your **processing date** and **posting period**.

Processing Date:

This is when your money is taken out of your GCash account. If your payment was processed, you can check your **GCash App Inbox** or **Transaction History** after the transaction for payment confirmation. **If your money is still in your GCash Wallet after you paid your bills, it means your payment was not processed.**

Posting Period:

This is when the payment gets officially recorded by the biller. **Depending on the posting period, it can take a few hours or a few days for the payment to reflect to the biller.**

You can see your biller's posting period at the top of the payment page.

Here's how the processing and posting dates work:

Example 1:

Biller: Meralco

Posting Date: Within 24 hours

If you paid your Meralco bill on **February 12, 2025** (Processing Date), your payment will be posted by **February 13, 2025** (Posting Date).

Here are some billers and their posting dates:

||||---|---|| **Biller | Posting Date** || Meralco | Within 24 hours || Home Credit | Within 24 hours || Auto Sweep RFID | Posted in real-time |

If your payment was not posted after the posting period, go to your **Transaction History** and select your **Bills** transaction.

Tap **Need Help? > My payment hasn't been posted** to file a ticket.

Failed payments may be possible due to duplicate payments. If your payment failed, , check your GCash Wallet and [Transaction History](#) for a refund. Some billers automatically return duplicate payments.

If you did not receive a refund, please contact the partner biller.

If you're encountering problems while paying your bill through GCash, check out [I can't pay bills using GCash. What do I do?](#)

To check if your payment or transaction was successful, please check your GCash App Inbox or GCash [Transaction History](#). Then, check if your GCash wallet balance had any deductions.

If the transaction doesn't appear in your Transaction History and there's no wallet deduction, it means the transaction was unsuccessful and didn't go through.

Some transactions may take time to process. This means your GCash wallet will be deducted right away, but our partners may need extra time to complete and post/process the transaction. Here are the services with processing times:

- **Bills** - Depends on the biller. You can view the full list of [Partner Billers and processing times here](#).
- **GFunds** - Check out the Order Processing Days for GFunds [here](#).
- **GStocks PH** - Buy/Sell Orders will be posted to PSE immediately but will be processed during Trading Hours.
 - Trading Hours:
 - Mon- Fri (excluding holidays)
 - 9AM - 12PM and 1PM - 3PM
- **GCrypto** - Buy/Sell Orders will be **in real-time**.

If there is no record in your Transaction History but your account balance was deducted, we may need to look into this further. To help you with your concerns, choose among the GCash features and services below for more information:

Your GCredit account was deactivated due to any of the following reasons:

- **You have outstanding GCredit dues** - You must settle your GCredit dues within 3 months past your due date
- **Additional details are needed** - You may be required to provide additional account details to CIMB Bank
- **An invalid ID was submitted** - The ID you have submitted may not be in the [list of accepted IDs](#) or it does not match your account details. A resubmission is needed.
- **You have multiple GCredit accounts** - You have more than one GCredit account under your name. Having multiple GCredit accounts will deactivate all your accounts
- **You have not agreed to the terms and conditions of CIMB** - You must go to your GCredit dashboard, update your information, and **agree** to CIMB's terms and conditions

Once you have fulfilled the requirements above, [click here to ask for help](#). A customer service representative will contact you in **1-2 business days**.

GLife vouchers are special discounts or offers that you can use when availing services from participating merchants within GLife. If your GLife voucher is not working, here are a few possible reasons and steps to resolve the issue:

1. **Check the terms and conditions** Ensure the merchant you're transacting with is eligible for the voucher. Some vouchers are valid only for specific merchants, products categories, or services.
2. **Ensure the minimum spend requirement is met** Verify if your total purchase meets the minimum spend required to use the voucher. This information is usually included in the voucher details.
3. **Confirm the voucher is still valid** Double-check the expiration date of your voucher. Expired vouchers cannot be redeemed.

If you've confirmed all the details and still experience issues, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

If your GSave Regular Savings dashboard is not loading properly or does not show your updated overall balance, it may be due to an **ongoing system maintenance, unstable internet connection, or unavailability of a particular partner bank**.

If your balance is not loading and only shows “Processing”, you may try the steps below:

1. On your GCash app, tap **GSave**
2. On the GSave homepage, pull down the screen to refresh
3. Exit the GSave homepage > enter again to reload the screen

If it still doesn't work, follow the [steps to troubleshoot GCash app issues](#) here. You can also check your balance directly with the respective bank app or website.

- Accepted IDs for GCash Verification
- How do I send money to another GCash account?

If you encountered an error after scanning the QR code on the ATM, check the ATM's screen for the error message:

- **Your QR code has expired**- After generating the QR, the code is only **valid for 5 minutes**. Please generate a new cash out QR code then scan it again.
- **Your QR code is invalid** - Only QR codes generated through the GCash app's **RCBC Scan to Withdraw** page will be accepted at RCBC ATMs. Please generate a new

cash-out QR code and scan it again.

Here's how to generate a cash out QR code:

1. On your GCash App, tap **View All Services**
2. Select **Cash Out**
3. Tap **RCBC Scan to Withdraw**
4. Select **Cash out via QR Code**
5. Input the amount to cash out and tap **Next**
6. Review your Cash Out details and tap **Proceed**
7. Enter the 6-digit authentication code sent to your GCash registered mobile number.
Tap **Submit**
8. You'll be led to a page with your Cash Out QR code

Check with the person who sent the crypto to make sure they used the right information. Blockchain network congestion may delay your GCrypto transaction. If your transaction has not been reflected, check the scenarios below.

Note:

Completed GCrypto transactions cannot be reversed or refunded. Please make sure to review all transaction details carefully before sending to avoid any issues.

If you used GCrypto to send to another GCrypto wallet

Please make sure the **GCrypto wallet address or destination tag is correct.**

Cryptocurrency transactions may fail or experience delays if the required destination tag or memo is not included.

You may opt to use the QR code for future transactions. To ensure accurate info, make sure you select the right blockchain when you send your crypto.

If you still have issues with the GCrypto transaction you sent, [click here to ask for help.](#)

If someone used another crypto wallet to send to GCrypto

If you did not receive your crypto in GCrypto from another wallet, it could be because the sender provided the wrong information. Another possibility is that the sender used a blockchain network that is not compatible with your transaction. Please check the networks supported by GCrypto.

If you haven't received a Gcrypto transaction, there could be a few reasons for the delay. One possibility is that the sender may have provided incorrect information. Another potential issue is that the sender might have used a blockchain network that isn't compatible with your transaction. To troubleshoot, it's recommended to check the following resource for more information:

If you still have issues with receiving the GCrypto transaction, [click here to ask for help.](#)

If your e-voucher code from A+ Rewards isn't working, please check out the following:

1. **Double-check the code** Retype the code to avoid any typos. Pay close attention to similar-looking characters like the number "0" and the letter "O".
2. **Confirm the code's validity** Make sure the e-voucher has not expired and that you meet all the conditions to redeem the voucher.
3. **Troubleshoot GCash app** If you're applying A+ Rewards voucher in GCash, you can try these steps to [troubleshoot your app](#).

After completing the steps above, re-enter the code and try applying it again.

To keep your GCash wallet secure, we use face verification to make sure only you can access your account. This requires your phone's front camera to be working. If your front camera is broken, you won't be able to use GCash on that device.

Don't worry—you can access your GCash account using another device with a working front camera.

Follow the steps below to access GCash if your registered phone got damaged or broken:

1. Log in to the GCash
2. You'll see the screen "It looks like you changed your phone" like the one below.
3. Tap **I want to register this phone.**
3. Take the selfie scan or enter your OTP
4. You'll need to wait **4 hours** while GCash runs a few more checks to ensure it's really you.
5. After 4 hours, you can log in to GCash on your new phone at the time specified on the screen.

Authorized representatives or Single Point of Contact (SPOCs) are persons in your company who are given certain roles to act or receive information on behalf of your business.

Note: Only Authorized Signatories are allowed to nominate SPOCs or representatives. Authorized Signatories can only be nominated through a Notarized Secretary Certificate or equivalent.

Types of authorized representatives

You can nominate 3 kinds of roles with the following responsibilities:

||| --- | --- || **Role | Responsibility** || Main SPOC | Serves as the authorized Main Point of Contact of GCash with the Company as nominated by an Authorized Signatory
The Main Point of Contact will primarily receive communication from GCash Partner Support and Account Managers regarding any issues or concerns that arise from the Partner's GCash account.

The Main Point of Contact will also receive notifications regarding any downtime advisories that affect GCash Services. || Downtime SPOC | The recipient of the Downtime Advisory will be notified of any downtime that may affect the GCash services they are using. || Reversal SPOC | Reversal Approvers are authorized to reverse GCash transactions between a vendor and a customer. |

Nominate authorized representatives

To nominate or update your Point of Contact, follow the steps below:

1. Download and fill out the [GCash POC Nomination Form](#)
 - If there will be a newly appointed Main SPOC or significant changes in the company's list of SPOCs, you also need to prepare an **updated Notarized Secretary's Certificate** and a copy of the **valid ID** of the newly appointed main SPOC
2. Have the form signed by your Authorized Signatory

3. Submit all the documents to your dedicated Account Manager or email the Partner Support team directly

Oona Big 3 Critical Illness Insurance offers financial support for the three major health risks: Cancer, Heart Attack, and Stroke. It provides coverage so you can focus on recovery instead of medical expenses.

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Purchase Oona Big 3 Critical Illness Insurance](#)
- [Cancellation and Claims](#)
- [Contact Oona](#)

Eligibility

You can avail of this product if you are:

- At least 18-65 years old
- A Fully Verified GCash user
- In good health and with no pre-existing conditions (e.g. illness, injury, or health issue you had before getting this insurance policy)

Note:

You cannot buy this policy for someone else directly.

Coverage

With Oona Big 3 Critical Illness Insurance, you are provided with the following benefits:

- **Covers major illnesses:** Heart attack, stroke, and all stages of cancer
- **100% lump-sum payout:** Get up to ₱500,000 upon diagnosis
- **Quick and easy application:** Answer only 4 quick health questions—no long forms
- **Multiple Policies:** You can buy multiple policies based on your need with a maximum coverage limit of PHP 1,000,000/year
- **Flexible coverage:** Renew your policy annually until you turn 70

Purchase Oona Big 3 Critical Illness Insurance

To purchase Oona Big 3 Critical Illness Insurance, follow these steps:

1. On your GCash app, tap **GInsure > Health**
2. Select the **Oona Big 3 Critical Illness Insurance** product
3. Fill in your details and answer the 4 quick health questions
4. Double-check the details > **Pay**

You'll see a confirmation page once your purchase is successful. Once your policy is purchased, **no changes can be made**.

A copy of your Oona Big 3 Critical Illness Insurance policy will be instantly sent to your GCash-registered email which you can view or download anytime.

Cancellation and Claims

Cancellation

You are entitled to a **15-day free-look period** from the issuance of the policy. During this period, you can review the policy provisions, inclusions, and exclusions.

If you decide to cancel your policy anytime within this period, you may do so by notifying Oona Insurance at (632) 8876 4400 or info@oona-insurance.com.ph to get a full refund.

Claims To file a claim, you can submit an online claim form along with the required documents. You may also contact Oona via phone or email.

Standard Claim Documentary Requirements:

For Cancer Claims:

- Histopathology or biopsy reports and all available laboratory and test results
- A valid government-issued ID

For Stroke Claims:

- CT scan or MRI scan of the brain and all available laboratory and test results
- A valid government-issued ID

For Heart Attack Claims:

- ECG Report, Enzyme Assays Reports, and all available laboratory and test results
- A valid government-issued ID

When will claims not be paid?

Claims may not be paid if they fall under policy exclusions, such as pre-existing conditions, fraudulent claims, situations not covered by the policy (e.g., intentional self-harm or illegal activities). Missing premium payments or providing incorrect information can also lead to a denied claim.

Can I upgrade my policy?

No, you cannot upgrade an existing policy. However, you can purchase another policy to increase your coverage.

Can I own multiple policies?

Yes, you can own multiple policies, but there is a maximum coverage limit. This ensures fair coverage while allowing you to stack protection based on your needs.

Oona Infinity Travel Insurance is a plan that offers extensive coverage for various emergencies, delays, or disruptions that may happen during your travel. You can purchase this for yourself or for your family members (1 spouse and up to 4 children).

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Purchase Oona Infinity Travel Insurance](#)
- [Cancellation and Claims](#)
- [Contact Oona](#)

Eligibility

You can avail this product if you are:

- 18-75 years old
- A [Fully Verified](#) GCash user

Coverage

With Oona Infinity Travel Insurance, you are provided with the following benefits:

- **Medical Expenses & Hospitalization:** Covers the cost of medical treatment if you get sick or injured while traveling. This includes hospital stays, doctor consultations, and necessary medical procedures.
- **Accidental Death & Permanent Disability:** Provides financial compensation in case of accidental death or a permanent disability due to an accident during your trip.
- **Personal Liability:** Covers legal and compensation costs if you accidentally cause injury to someone else or damage property while traveling.
- **Trip Cancellation:** Reimburses non-refundable travel costs if you need to cancel your trip due to covered reasons, such as serious illness, injury, or other unforeseen events.
- **Premium Lounge Access**

With complimentary Smart Flight Delay insurance, you also get instant access to partner premium airport lounges around the world, when your flight is delayed for more than sixty (60) minutes.

- **Flight Delay**

Provides compensation if your flight is delayed beyond six (6) hours. This can help cover meals, refreshments, or other necessary expenses while you wait.

- **Baggage Delay:** Covers the cost of essential items if your checked luggage is delayed beyond the covered time.
- **Emergency Medical Evacuation:** Covers the cost of emergency transportation to the nearest suitable medical facility if you experience a serious medical condition that requires immediate attention. This can include air or ground ambulance services.
- **Travel Assistance:** Provides 24/7 access to emergency support services, including assistance with lost passports, medical referrals, and travel-related emergencies.

Purchase Oona Infinity Travel Insurance

1. On your GCash App, tap **GInsure > Travel**
2. Choose **Oona Infinity Travel**
3. Enter details of your travel dates, destination, and eldest traveler's age
4. Choose from the available plans that suit your travel needs and budget
5. You can choose to add more coverage to further protect you on your trip
6. Enter your flight details
7. Review the summary > **Pay**

You'll see a confirmation page once your purchase is successful. A copy of your Oona Infinity Travel Insurance policy will be instantly sent to your GCash-registered email which you can view or download anytime.

Cancellation and Claims

Cancellation

If your trip is canceled or you no longer need insurance, you may request cancellation by notifying Oona Insurance at (632) 8876 4400 or info@oona-insurance.com.ph to get a full refund.

Note:

You can request to upgrade your policy from a lower coverage limit to a higher one, subject to Oona's review and approval. Please note that downgrades aren't allowed. If your trip hasn't started yet, you're also free to make changes to your coverage or extend your travel period once. For any changes or extensions, [contact Oona Insurance](#).

Claims

File for a claim by filling out the form online or via email

1. Via Form: [Answer the online claim form here](#) and upload the documents needed such as but not limited to:

Oona Smart Flight Delay offers comprehensive coverage, providing access to premium airport lounges in the event of flight delays exceeding sixty (60) minutes. Delays will be based on ‘gate’ delay reporting from airlines and airports to [FlightStats](#).

Jump to:

- [Coverage](#)
- [Eligibility](#)
- [Purchase Oona Smart Flight Delay](#)
- [Claims and Cancellations](#)
- [Contact Oona](#)

Coverage

Oona Smart Flight Delay provides the following benefits during travel:

- Covers flight delays that reaches or exceeds **60 mins** delay time
- Coverage of the policy is up to **four (4) flights**.
- Travel Personal Accident Insurance
- Premium lounge access at over 1000 airport lounge locations worldwide is valid for **24 hours**.

Eligibility

You can avail of this product for as long as you are a [Fully Verified](#) GCash user.

Purchase Oona Smart Flight Delay

Note: Before purchasing Oona Smart Flight Delay, please check the lounges affiliated with LoungeKeyTM available at the airport you are departing from or via their [website](#). Also, make sure to purchase the policy at least two (**2**) **hours** before your scheduled departure time to become eligible.

1: On the GCash App, tap **GInsure > Travel**

2: Select **Oona Smart Flight Delay**

3. Verify your profile answer the questions and provide details

4. Review the details of your purchase

5. Pay the required premium.

Once you've paid for your policy, no changes will be allowed. Please make sure that all information that you provided is correct before purchase.

All passes will be sent to you, and then you may choose to send them to your registered travel companion, who will be able to access the lounge, with or without your physical presence, as long as he has the lounge pass with him/her.

You will receive a payment confirmation of your successful Oona Smart Flight Delay.

Claims and Cancellations

Claims

Lounge Voucher

In the event your flight is delayed, Oona will automatically send you your premium airport lounge access voucher via your registered email address and SMS.

If you have a registered travel companion/s, you will each receive multiple PDF attachments in a single email, each PDF being a lounge pass for each passenger with a unique LoungeKey TM QR code pass.

Personal Accident cover of PHP10,000

1. Notice of claim must be given to the Company within thirty (30) days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible.
2. In case of a claim, written proof of loss must be furnished to the Company at its office within ninety (90) days after the date of accident. Failure to furnish such proof within this period shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, be later than one (1) year from the time proof is otherwise required.

Standard Claim Documentary Requirements:

1. Original duly Accomplished Oona Claim Form
2. Original copy of Incident Report issued by competent authorities.
3. Copy of Insured's Valid ID or Passport

Accidental Death

1. Certified true copy of Death Certificate
2. Copy of 1 valid ID of Beneficiary
3. Admissible proof of Beneficiary (e.g., Marriage Contract, Birth Certificate)

Accidental Disablement

1. Doctors Certification Describing nature and extent of disablement.
2. Indemnities payable under this policy will be paid within three (3) days upon receipt of written proof of such loss and completion of required documents.

Cancellation of Policy

Cancellation of policy is **not allowed** after you have purchased the Oona Smart Flight Delay.

PGA Sompo Online Shopping Insurance offers financial protection from fraud within an online marketplace. You will get reimbursed for the loss of funds from your GCash wallet, up to the maximum insured amount per plan.

Jump to:

- [Benefits](#)
- [Coverage](#)
- [Eligibility](#)
- [Purchase Online Shopping Insurance](#)
- [Claims](#)
- [Cancellation](#)
- [Contact](#)

Benefits

||||---|---|| **Safe shopping** | You'll be protected against fraud when you shop and pay with GCash. || **Affordable plans** | Affordable plans according to your budget and coverage needs. || **Flexible subscription** | You'll have the option to choose to get protected monthly by auto-renewal of your plan. The amount will be automatically charged to your GCash account if Auto-Renewal is on. |

Coverage

You will be covered if you are a victim of fraud within an online marketplace transaction and paid using your GCash wallet, as described by the following:

||||---|---|| **Goods not delivered** | You did not receive the goods you ordered online within the committed delivery date. The seller is also unreachable for 72 hours from the day you raised your concern. || **Partial delivery** | Only part of your order is delivered, and the seller is unreachable for 72 hours from the day you raised your concern. || **Fake goods received** | You ordered authentic goods online and received fake items. You requested a return, but the seller did not allow a refund. |

Eligibility

All [Fully Verified](#) GCash users may buy this product.

Purchase Online Shopping Insurance

You can only buy a maximum of 1 plan per month and cannot upgrade your policy. Once the plan expires, you will receive an email notification.

To purchase a policy, follow the steps below:

Auto-Renewal

This is an option available upon choosing your preferred coverage or by going to the product policy details. If you have opted for auto-renewal, your plan will be automatically renewed after 1 month if there is sufficient balance in your GCash wallet. You can turn off the auto-renewal by toggling the auto-renewal button which can be found on the bottom part of your Online Shopping policy page.

Claims

To file a claim, please submit the requirements through the GInsure section of the GCash app > **My Insurance Products**. Select your plan to access the Policy Page where you can submit documents and track the status of your claim.

Documents needed for submitting a claim:

1. One (1) valid proof of purchase. Only the following is allowed, and other receipts aside from the following will not be accepted
 - GCash transaction receipt in the app transaction history or,
 - SMS confirmation of GCash transaction
2. Police report
3. Conversation with the seller

Reimbursement

Once you receive an email notification that your claim was approved, the amount will be automatically credited to your GCash Account.

Declined claim

Your claim may be rejected due to the following reasons:

1. Incomplete documents submitted
2. Documents submitted were blurred
3. Invalid details and document/s were provided
4. Scenarios are not covered by this policy (e.g. continuity of transaction is outside the online marketplace, payment method used was not via GCash, etc.)

An email notification will be sent regarding the result of your Claim Request. The reason for rejecting the request will be also indicated.

Cancellation

These plans are **non-refundable**. Once the plan is paid, it cannot be canceled or refunded. However, to avoid being credited monthly, kindly make sure that auto-renewal is turned off.

Promoted articles

- What are the steps to get a Fully Verified GCash account?
- Accepted IDs for GCash Verification
- How do I send money to another GCash account?

Bilang GCash Pera Outlet retailer, pwedeng magpa-Cash In, pa-Cash Out, Buy Load, Pay Bills, at Scan to Pay ang mga customers sa tindahan mo. Basahin sa baba kung paano ito gawin.

Mga Paalala:

- Siguruhin na ang bawat transaksyon ay ginagawa sa GCash Pera Outlet. Ang paggamit ng Send Money para sa Pa-Cash In, Pa-Cash Out ay hindi official na GCash Pera Outlet service.
- Ang mga transaksyon ginawa gamit ang iyong personal na GCash account para sa iyong suki ay hindi sakop ng GCash Partner Support.
- Magkaroon ng isang notebook o logbook para sa GCash Pera Outlet Transactions. Ilagay dito ang sumusunod na impormasyon: - Date
 - Mobile Number ng Customer
 - Transaction Reference Number
 - Balanse ng GPO wallet bago ang transaction
 - Balanse matapos ang transaction
- Ugaliin na ipa-check sa customer kung tama ang transaction details na inilagay. - Paalala: Tandaan na walang reversal na magaganap kung nagkamali sa pag-enter ng number o amount.
- Kunin ang bayad bago i-confirm ang transaction sa GCash Pera Outlet.
- Tignan ang Log Book sa loob ng Pera Outlet para i-confirm ang status ng transaction
- Makakareceive ng confirmation ang customer sa bawat cash in at cash out transactions.

Pa-Cash In

Magpa-cash in para malagyan ng laman ang GCash wallet ng customer. Pwede ito gawin gamit ang Cash In Code o GCash Mobile Number.

Paalala: Ipaalam sa customer na ang **minimum amount ng pa-cash in ay PHP 100** at may dagdag 1% service fee sa bawat Cash In transaksyon sa Pera Outlet. Basahin ang Cash in via Over-the-Counter kung kailangan pa ng impormasyon.

Cash In via CodeCash In via GCash Mobile Number

Sundin ang sumusunod na steps para maturuan ang customer sa pag-cash in gamit ang kanilang GCash app:

1. Buksan ang GCash app, i-tap ang **Cash In**
2. Pindutin ang **Over-the-Counter**, tapos pindutin ang **Cash In via Code or Barcode**
3. Ilagay ang amount na gustong ipa-cash in. Pindutin ang **Next**
4. Magkakaroon ng **bar code o number code** sa GCash app. Ipakita ito sa GPO Partner
5. Valid ang code ng customer sa pa-Cash In hanggang **3 oras**.

Kapag nakagawa na ng code ang customer, sundan ang sumusunod na steps para ituloy ang pa-Cash In:

1. Buksan ang GCash app, i-tap ang View All Services, hanapin ang Pera Outlet icon at i-tap.
2. I-select ang **Pa-Cash In**
3. Piliin ang **Cash In via Code**
4. Hingin ang 8-digit Reference Code.
5. Automatic na lalabas ang total ng amount na sisingilin sa customer.
6. I-check ang mga detalye bago i-click ang **Submit**

Kung ang customer ay direkta magpapa cash in via GCash mobile

1. Pindutin ang **Pa-Cash In**
2. Pindutin ang **Cash in via GCash mobile number**
3. Ilagay ang Cash In amount at mobile number ni customer.
4. Makikita ang total na sisingilin sa customer, pindutin ang **Next**
5. I-check ang mga detalye at pindutin ang **Submit**

Need more help?

Kapag hindi nakuha ng customer ang pa-Cash In sa GCash Pera Outlet mini app pero nabawasan ang wallet mo, i-click ito para mag-file ng report at ma-check namin ang isyu.

Para sa concern na maling GCash number ang nailagay sa Pa-Cash In, kailangan niyong makipag-ugnayan sa nakatanggap ng Cash In upang maibalik ito. Ayon sa regulasyon, hindi namin maaaring galawin ang pondo ng alinmang GCash account.

Pa-Cash Out

Gamit ang pa-cash out, malilipat ang amount galing sa GCash wallet ng customer papunta sa GPO wallet niyo. Pagkatapos, ibibigay niyo sa kanila ang aktwal na pera.

Ang pa-cash out **minimum amount ay PHP 100** at may **service fee ito na 2%** na mababawas sa GCash wallet ng customer.

1. Pindutin ang **Pa-Cash Out**
2. Ilagay ang Cash Out **amount** at **mobile number** ni customer. Pindutin ang **Next**
3. I-check ang mga detalye at pindutin ang **Submit**
4. Ipakita kay customer ang resibo ng transaksyon

Need more help?

Kapag hindi nadagdagan ang laman ng Pera Outlet wallet mo pagkatapos magpa-Cash Out, i-click ito para mag-file ng report.

Send Load

1. Pindutin ang **Send load**
2. Piliin ang tamang **Telco** sa listahan
3. Ilagay ang **mobile number** ni customer
4. Piliin kung Regular Load or Load Promos
5. Ipa-check kay customer ang mga detalye at hingin ang bayad bago pindutin ang **Submit**

Pay Bills

1. Pindutin ang **Pay Bills**
2. Piliin ang tamang **biller** sa listahan
3. Ilagay ang **detalye ng bill** at ni customer
4. Ipa-check kay customer ang mga detalye at hingin ang bayad bago pindutin ang **Submit**

Scan To Pay (Gumawa ng QR)

Ang GCash Pera Outlet Scan to Pay ay libre, madali, mabilis, at secure na paraan sa pangolekta ng bayad mula kay customer. Ang maximum amount sa **bawat transaction ay PHP 10,000**. Ang maximum amount sa **bawat buwan ay PHP 100,000**.

Sundin ang mga sumusunod para matulungan si customer sa pagbayad gamit ang QR code ni GPO:

1. Pindutin ang **Gumawa ng QR**
2. Ilagay ang hinihinging detalye. Pindutin ang **Next**
3. I-check na tama ang mga detalye. Pindutin ang **Confirm**
4. Ipakita kay customer ang QR code para magbayad

Need more help?

- Kung hindi gumana ang unang QR code, mag-generate ng panibagong QR code at subukan ulit
- Kung nabawasan ang wallet ng customer pero walang na-credit sa Pera Outlet wallet, i-click ito para mag-file ng report. Isama sa report ang proof na unsuccessful ang transaction

Maaaring maglagay ng pondo sa inyong GCash Pera Outlet wallet sa pamamagitan ng Dagdag Pondo o Distributor Fund-in.

Dagdag Pondo

[Click here](#) para malaman kung paano ma-pondohan ang inyong GPO Wallet gamit ang GCash wallet o GGives.

Distributor Fund-in

Maaaring mag-provide ng fund-in services ang assigned distributor sa iyong area. Effective April 15, 2025, maaaring mag-charge ang Distributors ng up to 0.5% fee para sa fund-in.

- Ipapaalam ng Distributor ang total amount bago i-process ang transaction.
- Ang Distributor ang mag-cocollect ng amount upon fund-in.

[Click here](#) para makita ang list ng GCash Pera Outlet Distributors.

Summary of Fund-in Charges/Fees

||||---|---|| **Fund-in Method | Charges to GPO** || via Dagdag Pondo | 0% (FREE) ||
via Distributor | Up to 0.5% |

Sample Computation:

	Fund-in Method	Fund-in Amount	Service Fee	Total
Amount to be Paid	via Dagdag Pondo (mula sa GCash wallet) Php 1,000	Php 0		
	via Distributor Php 1,000	Php 5	Php 1,005

Kung nagkakaproblema sa paggamit mo ng GCash app o may “Something went wrong” na error habang ginagamit ang GCash app, subukan ang mga sumusunod na troubleshooting steps:

Update Your GCash App to the Latest Version

Ang outdated na app ay pwedeng magdulot ng problema at maka-block ng access sa mga bagong GCash features at security updates. I-check ang Play Store (Android), App Store (iOS), o App Gallery (Huawei) para sa updates.

Enable Auto-Update for Future Updates:

Para siguraduhin na laging updated ang GCash app mo, sundin ang mga steps na ito:

Android/Huawei:

1. Go to the **Play Store** and tap **Settings** from the sidebar menu.
2. Select **Auto-update apps** and choose your preferred option:
 - **Over any network** to update apps using either WiFi or mobile data.
 - **Over WiFi only** to update apps when connected to WiFi.
3. Tap **Done**.

iPhone:

1. Go to your device **Settings**, then tap **App Store**.
2. Toggle **App Updates** under **Automatic Downloads**.

Change Your Network Connection

Kung maka-experience ka ng network connection error, subukan ang mga sumusunod para maayos ang issue sa GCash app. Sundin ang mga steps na ito

1. Force close the GCash app in your list of opened apps.
2. Switch on **Airplane mode** for 30 seconds, then turn it off.
3. Connect to a different WiFi network or switch your network connection.
 - If you're using WiFi, switch to mobile data, or if you're on mobile data, switch to WiFi.
4. Try reopening the GCash app.

Switch Your Mobile Number

Sundin ang mga steps na ito para makapag-switch sa ibang mobile number sa GCash app

1. Open the GCash app and tap the **↔ button** (the arrows beside your mobile number).
2. Tap **Proceed to switch accounts**.
3. Enter your GCash number and log in using your MPIN or biometrics.

Force Close and Restart the GCash App

Depende sa device mo, eto ang mga paraan para i-force close at i-restart ang GCash app

Android:

1. Tap the **Recent apps button**.
2. Look for GCash and swipe it to the side until it disappears to close the app.

iPhone:

1. Double-press the **Home button** or swipe up on your home screen.
2. Look for the GCash screen and swipe up until it disappears to close the app.

Clear App Cache (Android Only)

Para sa mga Android users, makakatulong ang pag-clear ng app cache para maayos ang mga issues. Eto ang mga steps:

1. Go to **Settings**, then go to your **App Manager**.
2. Tap **GCash > Internal Storage**.
3. Tap **Clear Cache**.

Ang scam ay nangyayari kapag naloko ka ng isang tao na magpadala ng pera sa kanila. Kung sa tingin mo ay na-scam ka ng ibang tao gamit ang GCash, sundin ang mga steps na ito:

- 1. Report to government authorities:** I-report ang scam sa mga authorities gaya ng PNP o NBI at i-block ang scammer via SMS or social media
- 2. Report to GCash:** Ihanda ang mga important details at screenshots at [mag-click dito para manghingi ng tulong](#). Hintayin ang pag-contact sayo ng customer service representative mula sa GCash sa loob ng **24 horas**.

What happens after I report the scam?

One of our customer service specialists will review your report, including the details of the scammer you've reported. Paalala na **hindi na maibabalik sa iyo ng GCash** ang mga funds na naipadala mo na.

I-check ang status ng iyong report sa iyong GCash homepage by tapping **Profile > Help > Your Conversations**.

Hintayin ang pag-contact sa 'yo ng customer service representative mula sa GCash sa loob ng **24 horas**.

Ang OFW Insurance ay para sa Direct Hired o Balik Manggagawa na OFW. Nagbibigay ito ng financial security sakaling magkaroon ng aksidente, kapansanan, medical evacuation, repatriation of mortal remains, at iba pang hindi inaasahang pangyayari.

Jump to:

- [Eligibility](#)
- [Coverage](#)
- [Benefits](#)
- [Bilhin ang Pioneer Balik Manggagawa Policy](#)
- [Claims and Cancellations](#)
- [Contact Pioneer Insurance](#)

Eligibility

Pwede kang mag-avail ng produktong ito kung ikaw ay:

- OFW na edad 18-63 taong gulang
- Hindi sakop ng anumang *Manpower o Manning Agency* at may direct at valid employment contract at employer abroad.
- Sumailalim sa medical examination sa loob ng 3 buwan at hanggang kasalukuyan ay *fit to work*

Coverage

Sakop ka sa insurance kahit na nangyari ang aksidente habang ikaw ay nasa labas ng Pilipinas. Ang benepisyo ay makukuha sa Philippine pesos.

Kasama sa coverage ng insurance ang mga sumusunod:

|||| --- | --- || **Life and Accidents Benefits** | Pagkamatay sanhi ng aksidente o anuman, permanenteng pagkaparalisa o pagkaputol ng bahagi ng katawan, at transportasyon ng mga labi pabalik ng Pilipinas || **Medical Transportation Benefits** | Transportasyon sa paglipat ng medical facility, gastos pag-uwi ng Pilipinas kung kinakailangan, at plane ticket ng 1 bisita kung maospital ang OFW ng higit 7 araw || **Repatriation Benefits** | Gastos sa pag-uwi ng Pilipinas kung hindi makatarungang natanggal o nagresign sa trabaho, allowance para sa paglilitis ng kaso abroad, at money claim kung nagsampa ng kaso sa NLRC dahil sa pananagutan ng employer |

Ang sumusunod ay HINDI kasama sa Pioneer Balik Manggagawa Policy

- Hospital o medical expenses abroad
- OFWs na edad 64 taong gulang o higit pa
- OFWs na under ng Manpower or Manning Agency at/o deployed sa:
 - Afghanistan
 - Burundi
 - Chad
 - Chechnya (Chechen) Republic
 - Cuba
 - Diego Garcia
 - Haiti,
 - Iraq
 - Libya,
 - Madagascar
 - Mali
 - Mauritania
 - Niger
 - North Korea
 - Palau
 - Palestine
 - Russia
 - Rwanda
 - Somalia
 - South Sudan
 - Sudan (except Khartoum and Kenana)
 - Syria
 - Ukraine
 - Yemen
 - Zimbabwe

Benefits

Life and Accident

	Sanhi	Description	Benefit Amount	Natural Death	Accidental Death
Pagkamatay anuman ang sanhi maliban sa aksidente			USD 10,000		
Pagkamatay sanhi ng aksidente			USD 15,000		Permanent Total Disablement with Disability
Disablement with Disability					Aksidente o kapansanan kaugnay ng kalusganan na nagdulot ng kumpletong pagkabulag, pagkaputol o permanenteng pagkaraparalisa ng dalawang kamay o paa, o brain injury na nagresulta sa walang lunas na pagkabaliw
			USD 7,500		Repatriation of Mortal Remains
					Transportasyon ng mga labi ng OFW pabalik sa Pilipinas
					Actual Cost

Medical Transportation Benefits

Paalala: Ayon sa pagpapasya ng consulting physician sa Pioneer Medical Team

	Sanhi	Description	Benefit Amount	Medical Evacuation	Kung walang ospital o medical facility na pwedeng tumugon sa pangangailangan ng OFW, ang Pioneer ang magbibigay ng transportasyon para mailipat ang OFW sa pinakamalapit na ospital o medical facility	Actual Cost	Medical Repatriation	Kung kinakailangan, sasagutin ng Pioneer ang gastos kung ang OFW ay cleared na magbiyahe pabalik ng
--	--------------	--------------------	-----------------------	---------------------------	---	--------------------	-----------------------------	--

Pilipinas. May kasamang escort nurses o doctors kung kinakailangan. | Actual Cost || **Compassionate Visit** | Kung ang OFW ay na-ospital ng 7 magkakasunod na araw, sasagutin ng Pioneer ang halaga ng tiket para sa 1 bisita | Actual Cost |

Repatriation at Iba Pa

||||| --- | --- | --- | **Sanhi** | **Description** | **Benefit Amount** | | **Repatriation** | Kung walang ospital o medical facility na pwedeng tumugon sa pangangailangan ng OFW, ang Pioneer ang magbibigay ng transportasyon para mailipat ang OFW sa pinakamalapit na ospital o medical facility | Actual Cost
 (Economy Class Ticket) | | **Subsistence Allowance** | Kung kinakailangan, sasagutin ng Pioneer ang gastos kung ang OFW ay cleared na magbiyahe pabalik ng Pilipinas. May kasamang escort nurses o doctors kung kinakailangan. | USD 100/month
 (Hindi lalampas ng 6 buwan) | | **Money Claims** | Kung ang OFW ay na-ospital ng 7 magkakasunod na araw, sasagutin ng Pioneer ang halaga ng tiket para sa 1 bisita | Katumbas ng 3 buwang sweldo kada taon ng unexpired portion ng employment contract. Ang maximum na halaga na pwedeng iclaim ay kung alin ang mas mababa sa USD 1,000 o ang nakasaad na buwanang sweldo ayon sa employment contract |

Bilhin ang Pioneer Balik Manggagawa Policy

Paalala: Isang plan lamang kada OFW ang pwedeng bilhin depende sa term of employment.

Sundin ang sumusunod na steps para makabili ng Pioneer Balik Manggagawa Policy:

1. Buksan ang iyong GCash at pindutin ang **GInsure**
2. I-select ang **Balik-Manggagawa/Direct Hired OFW Insurance**
3. Basahin ang mga detalye ng policy at pindutin ang **Next**
4. Tignan ang plan na gusto mo, at pindutin ang **Select Plan**
5. Kumpletuhin ang mga detalye
6. Bayaran ang plan gamit ang GCash

Ang iyong Policy Contract at iba pang mga Dokumento ng Patakaran ay ipinapadala sa loob **24 na oras sa email address ng may-ari ng Policy**.

Claims and Cancellations

Claims

Paalala: Ang pagpoproceso ng mga claim ay magsisimula lamang kapag kumpleto ang mga requirements na nai-submit.

1. Para mag-file ng claim, mag-submit ng **complete OFW Claims form** kasama ang mga kinakailangan na **requirements** via email sa migrantclaims@pioneer.com.ph
2. Susuriin ng Pioneer ang kaso at gagawa ng claims record para sa pag-aprubahan sa loob ng 10 working days
3. Magpapadala ang Pioneer ng **letter of guarantee** na magtitiyak sa client na kapag natanggap na ang pinirmahang Release of Claim, isasagawa ng Pioneer ang bank transfer

Cancellation

Hindi pwedeng i-cancel at i-refund ang policy kapag naibigay na ito sa POEA bilang requirement, maliban na lamang kung mayroong **Notice Letter or Consent mula sa POEA**.

Contact Pioneer Insurance

PowerPay+ (P3) Service is a secure and convenient solution that allows partner entities to:

1. Facilitate payroll account opening for employees
2. Disburse payroll to employees

This service is accessible on the online platform called the **GCashBiz Portal**.

Features of PowerPay+

- No maintaining balance and no average daily balance are required to be kept with GCash. Disbursement partners can pre-fund their disbursement wallet only when needed
- Efficient onboarding of payees with a 24-hour turnaround time for payroll account opening and GCash Card Activation
- Real-time payroll disbursements are directly credited to the accounts of the payee

How to apply

1. Discover the **products** that perfectly aligns with your business requirements.
2. Complete the form provided.
3. Upon submission, expect to receive an email confirmation, accompanied by a comprehensive list of necessary documents for submission.
4. A dedicated representative from GCash will reach out to you within 1 to 14 days following your submission.

Requirements

After your initial application, prepare the following documents for submission to GCash for review and start processing your application:

- GXI Non-Disclosure Agreement (NDA)
- Business documents depending on your business structure/entity type (refer to the table below)
- GXI Third Party Information Security Checklist for GCash Card Partner Issuers (this is required for customers who will be ordering and issuing PowerPay Plus cards to their employees)
- Customer Relationship Form (CRF)
- System Access Request Form (SARF)

|||| --- | --- || **Type of Business** | **Requirements** || Sole Proprietorship | - DTI Certificate of Registration

- BIR Certificate of Registration (BIR 2303) or Bureau of Internal Revenue Certificate of Tax Exemption (CTE)
- Valid ID of Authorized Signatory/ies
- Three (3) Specimen Signatures of the Authorized Signatory/ies

At GCash, protecting your privacy is our top priority. We want to give you the tools and transparency to control your personal information.

The new Privacy Choices Dashboard lets you manage your data. With this feature, you can:

- Manage your GCash account info
- Access your GScore
- Update your email address
- Correct personal details
- View your transaction history
- Request GCredit statements
- Review the GCash Privacy Notice
- Choose what data you want to share for ad targeting

Where can I find the Privacy Choices Dashboard?

To access the Privacy Choices Dashboard:

1. Go to your GCash homepage.
2. Tap **Profile**.
3. Tap **Privacy Choices**.

Note:

Basic users will see the GCash Privacy Notice. To unlock the full Privacy Choices Dashboard, you need to be Fully Verified.

Secure your account with GCash's safety features and tips. GCash will NEVER send you links via SMS/email or ask for your MPIN/OTP.

Reset your MPIN

Change your MPIN if you've forgotten it or want to update it for security.

Biometrics Login

Access your account quickly and securely using fingerprint or facial recognition

Account Secure

A security feature authorizes you to register only ONE mobile phone or device to access your GCash account.

Learn how to identify and avoid scams and phishing attempts to protect your personal information and secure your GCash account.

How to identify a scam

Scams can be tricky, but knowing the signs can help avoid them. Here's how to spot a scam transaction:

1. **Unexpected Offers:** Be careful if you get a message or call about winning a prize or getting a big discount or job offer out of nowhere. Scammers lure you of big returns but you are asked first to transfer money to get the prize or reward.
2. **Pressure to Act Fast:** If someone tells you to do something immediately to avoid a problem, take a step back. Scammers often try to rush you so you don't have time to think.
3. **High-yield Investment Offers:** Scammers claim you'll earn money if you invest with them.
4. **Product with Below the Market Price:** If a product they're selling is unbelievably cheap or advertised to have amazing benefits or features that sound too good to be true, it's likely a scam.

Staying alert and knowing these signs can help you avoid getting scammed. If you feel like you have been scammed, [please click here to ask for help](#).

How to detect if your account information is being stolen

Phishing is a common way for fraudsters to steal your personal information, including your GCash account. Here's how you can identify if someone is trying to phish your information:

1. **Weird Links:** Don't click on links from unknown sources, even if it says it's coming from GCash. Fraudsters use fake websites to steal your info.
2. **Calls asking for Personal Information:** GCash will never ask for your MPIN, or OTP over the phone.
3. **Fake GCash Pages.** Social media pages are pretending to be giving customer support. Please report the issue only through Gigi or the GCash Help Center.
4. **People buying or renting your account.** Some individuals may trick you into lending your GCash account and then giving you money in return. Do not engage with them as they may use your name in illegal activities.

Only refer to our Official GCash pages with a blue check mark and our Help Center through the app or [help.gcash.com](#).

If you receive any suspicious links, emails, or SMS, they may be from someone pretending to be GCash in an attempt to steal your details. To report this, visit the GCash [Contact Us page](#) and click **Chat with Gigi**.

Stay alert and **don't share your personal information** to protect your account from scammers.

Full Package*

| **BENEFIT | Package 1 | Package 2 | | --- | --- | --- |** Accidental Death and Disablement/Dismemberment (ADD) Benefit** | PHP 50,000 | Php 300,000 || Accidental Total and Permanent Disability Benefit | Php 50,000 | Php 300,000 || Murder Benefit | Php 25,000 | Php 150,000 || Renewal Bonus Benefit | 5% of ADD | 5% of ADD || Burial Benefit | PHP 5,000 | PHP 5,000 || Accidental Medical Expense Reimbursement | PHP 5,000 | PHP 30,000 || Hospital Income Benefit | PHP 250 | PHP 1,000 |

*The packages that may be selected will depend on the Policy Owner/Life Assured's occupation declared at application.

**The applicable percentage of the ADD Benefit will be paid according to the Schedule of Coverage indicated in the Policy Contract. The range is from 1% to 100% of the ADD Benefit amount

Note: Your policy will not terminate if the Hospital Income Benefit is paid to the Life Assured.

Accidental Death and Disablement Benefit

The Accidental Death and Disablement (ADD) benefit is payable for injuries or accidents that are not caused by certain circumstances such as self-inflicted injury, alcoholism, or resisting lawful arrest, among others. For the full list of these circumstances, you may refer to the **Exclusions section** of your Product Terms and Conditions or Policy Contract.

The percentage of the ADD benefit is payable to the Policyowner-Life Assured depending on the type of injury sustained.

For example, should the Policyowner-Life Assured suffer from a loss of one hand, 50% of the ADD benefit will be payable, while 100% of the ADD benefit is payable to the Life Assured for the loss of both hands. You may refer to your Product Terms and Conditions or Policy Contract for the Schedule of ADD Benefit Coverage.
