9. You will be redirected to the GCash App to pay for your policy. Tap **Agree**
10. Review details of your transaction and tap **Proceed**
11. You will receive a payment confirmation of your successful purchase of the PruPersonal Accident

Note: You will receive an SMS and email confirmation of your PruPersonal Accident Policy containing the product name and your reference number. Within twenty-four (24) hours from policy purchase, another email will be sent which includes all policy documents, including the Policy Contract.

If you have an existing PRUPersonal Accident plan, you **cannot upgrade, downgrade, or purchase another policy**. You will only be allowed to purchase another, upgrade or downgrade to a different policy if the existing plan is expired or is voluntarily cancelled.

You **cannot be covered by multiple policies** at the same time regardless of the channel it will be purchased. If you happen to be covered under multiple policies, only the first policy purchased will be payable in the event of a claim. We shall refund the premiums of the other policies.

Should you wish to have another PRUPersonal Accident policy or a PRUPersonal Accident policy with higher coverage, you may contact your agent or contact.us@prulifeuk.com.ph. Your application in this regard may be subject to full underwriting.

View Policy Contract

Your Policy Contract and other Policy Documents are sent within twenty-four (24) hours to the Policy owner's email address.

A printed copy of the Policy Contract may be requested via email to contact.us@prulifeuk.com.ph, subject to a printing and delivery fee of PhP500.00. This fee is subject to change and prior notice shall be sent before any such change is implemented.

Beneficiary

If you choose not to register a beneficiary immediately or were not able to nominate a beneficiary before your PRUPersonal Accident policy is issued, your policy application will still be valid.

The nominated beneficiaries are set by default as primary and revocable and with equal sharing. If you wish to elect and/or change your beneficiary, change a beneficiary designation to irrevocable (or otherwise) or change the percentage of sharing of the insurance proceeds, or add more than two (2) beneficiaries, you may do so at any time during the coverage period of your policy by sending an email to contact.us@prulifeuk.com.ph.

In case you are unable to name a beneficiary, or you do not wish to name one, the death benefit will be paid to the persons then surviving in the following order of preference:

- Legal spouse and children
- Parents
- Brothers and sisters

- Insured's estate

Renewal, Claims, and Cancellation

Renewal

You may renew the policy up to **age seventy-two (72)**. The renewal of the policy is subject to compliance with eligibility requirements and the payment of the applicable premium.

Further communications will be sent to your contact details prior to your Coverage End Date for the renewal process.

Claims

You may submit your claims request via business centers or by sending an email to contact.us@prulifeuk.com.ph. Claims submissions are subject to evaluation. We reserve the right to ask you or your claimant to provide at your own expense documents or evidence to help Pru Life UK assess the claim.

Hospital Income Benefit

To file a claim on **Hospital Income Benefit**, you or your claimant must give us a written notice of hospitalization within thirty (30) days from the start of your hospital confinement. The claims requirements must be submitted via any Pru Life UK business center or by sending an email to contact.us@prulifeuk.com.ph within ninety (90) days from hospital discharge.

If you get hospitalized due to an accident the day after you purchased the policy, you may immediately claim the **Hospital Income Benefit**.

The following are the requirements for Hospital Income Benefit claims submissions:

- Accomplished claimant's statement
- Attending physician's statement
- Admission summary & discharge clinical abstract summary
- Duly certified statement of account of hospitalization; and
- Two (2) valid IDs of Life Assured

Accidental Death Benefit

As a beneficiary of the Accident Policy, you claim the **death benefit** by submitting the requirements to any Pru Life UK business center or by sending an email to contact.us@prulifeuk.com.ph. The following are the requirements for death claims submissions:

- Accomplished claimant's statement

- Attending physician's statement
- Original death certificate or certified true copy
- Birth or baptismal certificate of the Life Assured and primary beneficiary/es
- Current Policy Data Page; and
- Two (2) valid IDs of Life Assured and Primary Beneficiary/ies

Note: The policy will terminate if the claim for Accidental Death Benefit is paid. If it is a claim for Accidental Disablement Benefit that is paid, the policy will not terminate unless the claim amount is equivalent to 100% of the Sum Assured.

Cancellation

You will be given a period of fifteen (15) days from your Policy Receipt Date to review your Policy. This is called the Free Look Period.

Pru Life UK will send a confirmation that the Policy has been issued and is in force to your email address on record. Within twenty-four (24) hours from policy purchase, another email will be sent which includes all policy documents, including the Policy Contract. The date that the email with the policy documents is sent shall be considered as your policy receipt date and your 15-day Free Look Period will begin on this date. The Free Look period is applicable at the initial purchase of the Policy only.

If you decide that this Policy is not suitable to your needs and wish to cancel it, you must immediately notify PruLife UK through Cancel My Policy button in My Insurance tab under G insure within Gcash app within the Free Look Period. Pru Life UK will refund the premium you paid in full upon completion of the processing of your cancellation request.

Once the Free Look Period has ended, the Cancel My Policy button will no longer be available, and any notice of cancellation must be sent via email to contact.us@prulifeuk.com.ph.

Pru Life UK shall also provide a full refund of the premiums paid at the time of purchase and cancel the Policy if any of the following occur:

1. If you are found ineligible to purchase this Policy; or
2. If you are found to be ineligible to be designated as the Life Assured.

REVENUE MEMORANDUM CIRCULAR NO. 8- 2024

SUBJECT

: Clarifying the Provisions of Revenue Regulations No. 16-2023 Imposing Withholding Tax on Gross Remittances Made by Electronic Marketplace Operators and Digital Financial Services Providers to Sellers/Merchants

TO

All Internal Revenue Officers and Others Concerned

Revenue Regulations (RR) No. 16-2023, which further amended RR No. 2-98, was issued to impose a withholding tax on gross remittances made by electronic marketplace (e-marketplace) operators and digital financial services providers (DFSP) to sellers/merchants.

This Circular is hereby issued for the guidance of all concerned to prescribe the timeline and implementation procedures of RR No. 16-2023 in compliance with Section 3 of the said RR, and to address the potential issues and concerns which may arise from the implementation thereof.

Q1 : When is the effectivity of RR No. 16-2023?

A1 : Pursuant to Section 6 of RR No. 16-2023, the withholding tax obligation of e-marketplace operator and DFSPs shall take effect after fifteen (15) days following its publication in a newspaper of general circular or the Official Gazette, whichever comes first. RR No. 16- 2023 was first published in Manila Bulletin on December 27, 2023. Thus, RR No. 16- 2023 shall take effect on January 11, 2024.

Q2 : Is there a transitory period?

A2 : Yes. The e-marketplace operators and DFSPs are allowed a period of ninety (90) days from the date of issuance of this Circular to comply with the relative policies or requirements of other government agencies, if any, and to give them an opportunity to adjust and properly comply with the provisions of RR No. 16-2023 prior to the actual imposition of the prescribed creditable withholding tax. Further, existing unregistered sellers/merchants shall comply with the applicable requirements enumerated in Q4 - A4 of this Circular within the same prescribed period.

Q3 : What constitutes the annual total gross remittances of P500,000.00 to an online seller/merchant for purposes of not subjecting it from the prescribed creditable withholding tax?

A3 : The gross remittances of P500,000.00 shall consist of the total amount of remittances received by the online seller/merchant from ALL e-marketplace operators and DFSPs; provided, however, that, in case any of the e-marketplace operators and DFSPs has determined that the gross remittances in its online platform exceeded P500,000.0 anytime during the taxable year, the prescribed withholding tax shall be automatically deducted

from the particular remittance exceeding the said threshold and the same shall be imposed on subsequent remittances.

Q4 : What are the obligations of sellers/merchants under RR No. 16-2023?

A4 : Sellers/Merchants are required to observe the following:

1. Register their business with the Bureau of Internal Revenue (BIR) and submit a copy of the BIR-issued Certificate of Registration as part of the documentary requirements by e-marketplace operator prior to the use of the e-marketplace facility.

If the gross remittance received from the e-marketplace operators or DFSPs is determined and/or expected not to exceed the threshold of P500,000.00, submit a Sworn Declaration (SD) duly received by the BIR and in the form prescribed in Annex "A" of this Circular upon application (or within the transitory period in case of existing participant sellers/merchants of e-marketplace operators and DFSPs) with emarketplace or DFSP declaring that the total gross remittance to be received from the e-marketplace operators or DFSPs shall not exceed P500,000.00. The BIR-received SD shall be submitted thereafter on or before the \$20^{\mathrm{th}}\$ day of the first month of each taxable year.

In case of failure to submit the prescribed SD, regardless of the actual total income or gross remittance, the withholding tax imposed by RR No.16-2023 shall automatically be deducted by the e-marketplace operator or DFSP.

Should the gross remittances exceed the P500,000.00 at any time during the taxable year, the prescribed BIR-received SD shall be immediately submitted to the emarketplace operators or DFSPs by the sellers/merchants.

Illustration:

Taxable year is from January to December 2024.

In March 2024 (the month of application or within the transitory period for existing participant seller/merchant), a BIR-received SD is submitted by the seller/merchant to the e-marketplace operators and DFSPs declaring that the threshold is determined (from previous year) and/or expected (current year) to not exceed P500,000.00. Consequently, all gross remittances starting March 2024 will not be subjected to withholding tax.

However, in August 2024, it was determined by the seller/merchant that the gross remittances exceeded the threshold, hence, a BIR-received SD indicating that the gross remittances exceed P500,000.00 shall be submitted by such seller/merchant to the e-marketplace operators and DFSPs declaring such and withholding shall commence. On January 20, 2025, withholding of taxes continues and there is no need to submit a BIR-received SD considering that it qualifies under Section 2.57.2(X) of RR No. 2-98, as amended by RR No. 16-2023.

If it was determined that the total gross remittances for taxable year 2025 to the seller/merchant have not exceeded the threshold, it shall submit on or before January 20, 2026 to the e-marketplace operators and DFSPs a BIR-received SD declaring that the threshold is determined (from previous year) and/or expected (current year) to not exceed P500,000.00. Therefore, all gross remittances during taxable year 2026 will not be subjected to withholding tax.

2. If a seller/merchant is exempt from income tax or subject to a lower income tax rate pursuant to any existing law or treaty, submit a duly issued certification to the emarketplace operator as proof of exemption or entitlement to a lower tax rate pursuant to the provisions of Section 2 of RR No. 16-2023, which states:

(c) if the seller/merchant is duly exempt from or subject to a lower income tax rate pursuant to any existing law or treaty. Provided that, the concerned seller/merchant is able to secure the necessary certification, clearance, ruling, or any other document serving as proof of entitlement to the said exemption or lower income tax rate. The said proof of entitlement shall be submitted by the seller/merchant to the e-marketplace operator or digital financial services provider concerned.'

Q5 : Are existing unregistered sellers/merchants selling goods and services in an emarketplace or DFSP required to register with BIR?

A5

Yes. All existing sellers/merchants selling goods and services in an e-marketplace not yet BIR-registered shall register their businesses with BIR pursuant to the National Internal Revenue Code of 1997, as amended (Tax Code). Moreover, after the transitory period prescribed under this Circular, e-marketplace operators and DFSPs shall not allow unregistered businesses to sell goods and services in their platform/facility.

What are the obligations of e-marketplace operators and DFSPs under RR No. 16- : 2023?

5 : E-marketplace operators and DFSPs are required to observe the following:

1. Ensure that all sellers/merchants applying for the use of the e-marketplace or DFSP platforms are registered with the BIR by requiring the submission of their Certificate of Registration (BIR Form No. 2303) prior to allowing sellers/merchants to use the marketplace facility or DFSP platform, as the case may be.
2. Require sellers/merchants who are duly exempt from or subject to a lower income tax rate pursuant to any existing law or treaty to submit the necessary certification or any other document as proof of entitlement to the said exemption or lower income tax rate.
3. Require sellers/merchants to submit a copy of the BIR-received SD. In case the sellers/merchants failed to submit the BIR-received SD, regardless of the actual income or gross remittances, the withholding tax shall be automatically deducted under RR No.16-2023.

Further, when the seller/merchant failed to submit the required BIR-received SD to the e-marketplace operator or DFSP within the prescribed period, the withholding tax shall likewise be automatically deducted.

4. Monitor the gross payments of buyers/customers and deduct the withholding tax prescribed under RR No. 16-2023 before subsequently remitting the same to the concerned sellers/merchants.
5. Provide sellers/merchants the Certificate of Creditable Tax Withheld at Source (BIR Form No. 2307) within the period prescribed under the Tax Code, and other relevant revenue issuances, or upon request by the sellers/merchants.

Q7 : When will the withholding tax obligation of the e-marketplace operator and DFSP commence in cases where the accumulated gross remittances to a seller/merchant exceed the prescribed P500,000.00 threshold?

A7 : The withholding tax obligation shall commence:

1. Upon receipt by the e-marketplace operator and DFSP of the BIR-received SD indicating that the sellers/merchants have exceeded the P500,000.00; or
2. When the seller/merchant failed to submit the required BIR-received SD to the e-marketplace operator or DFSP within the prescribed period; or
3. When the e-marketplace operator or DFSP has determined that its total gross remittances to the concerned seller/merchant have exceeded the P500,000.00 threshold.

Q8 : Are sellers/merchants allowed to receive payments through their personal/individual accounts instead of a business account?

A8 : No. The sellers/merchants are not allowed to receive payments through their personal/individual accounts. In all payments/remittances/transfers covered under RR No. 16-2023, the seller/merchant's account shall, at all times, be under the BIR-registered trademark of the seller/merchant. The BIR shall monitor usage of account under the registered trademark of the seller/merchant.

Mr. Mark is a rider of Go Movers, a platform for carriage of goods \$\\therefore\$ and merchandise. Go Movers offers a purchase service wherein their rider will buy and pay for the goods and deliver the same to the buyer. Upon delivery, the buyer will pay the cost of goods and delivery fee and purchase service fee, if any, directly to the rider.

Ms. Glyza booked a purchase service in the Go Movers mobile application and set the location of the store as the pick-up point and her location as the drop-off point. She messaged Mr. Mark, the assigned rider for her booking, with the list of goods to be bought. Mr. Mark purchased the goods at the store and delivered the same to Ms. Glyza. She paid the cost of goods, the delivery fee and purchase service fee in cash directly to Mr. Mark.

Is this scenario subject to withholding tax under RR No. RR 16-2023?

A9

This scenario is not subject to withholding tax considering that Go Movers did not collect the payment of the buyer, in behalf of the seller; hence, the platform does not remit income payment to the seller or store. Rather, Mr. Mark advanced the payment to the store and received the payment from the buyer only upon the delivery of the goods.

In case the e-marketplace platform accepts or collects payment for the goods and remits the same to the seller, this shall be subject to withholding pursuant to RR No. 16-2023 where withholding tax shall be deducted before its remittance of the income payment to the seller.

Q10: CashLess is a digital financial services provider where users deposit funds into their account and utilize the cash value to settle payments.

Mr. Daniel uses CashLess to settle his monthly electric bills payable to Light Supply, an electricity provider company. Light Supply is listed as a merchant at CashLess

where users may settle their electric bills using CashLess' online platform. Mr.

Daniel uses his funds at CashLess to settle his bills.

CashLess has contracted PayNow as its payment aggregator/facilitator of payments to accredited billers/merchants.

Who shall deduct the withholding tax before remittance to the seller/merchant pursuant to RR No. 16-2023?

A10 : In the event that the payment is transmitted to the seller/merchant through different facilities, the last facility which has control of the payment before completely remitting the same to the seller/merchant shall be liable to withhold the taxes under RR No. 16-2023. In this case, only the remittance of payment from PayNow (payment aggregator) to Light Supply (the seller/merchant) shall be subject to withholding tax under RR No. 16-2023.

Q11 : What BIR form and Alphanumeric Tax Code (ATC) shall be filed and used by emarketplace operators and DFSPs?

REVENUE MEMORANDUM CIRCULAR NO. _55-ZO2 {#revenue-memorandum-circular-no-_55-zo2}

REVENUE MEMORANDUM CIRCULAR NO. _55-ZO2

SUBJECT : Extension of the Ninety-Day Period for the Actual Imposition of Withholding Tax on Gross Remittances Made by Electronic Marketplace Operators and Digital Financial Services Providers to Sellers/Merchants Prescribed under Revenue Regulations No. 16-2023

TO

:All Revenue Officials, Employees and Others Concerned

The provisions of Revenue Memorandum Circular (RMC) No. 8-2024 allowed the electronic marketplace operators and digital financial services providers a transitory period of ninety (90) days from the date of its issue to comply with the relative policies or requirements of other government agencies, if any, and to give them an opportunity to adjust and properly comply with the provisions of Revenue Regulations (RR) No. 16-2023 prior to the actual imposition of the prescribed creditable withholding tax.

In order to provide the said taxpayers a sufficient time to comply and adjust to the requirements of RR No. 16-2023 and other government agencies, if any, the prescribed transitory period is hereby extended to an additional ninety (90) days or until July 14, 2024.

All revenue officials, employees, and others concerned are hereby enjoined to give this Circular as wide a publicity as possible.

What is the SIM Registration Act?

The SIM Registration Act requires ALL SIM cards to be registered with their telco providers as a requirement for their activation. Registration aims to protect consumers from illegal activities such as mobile scams, smishing, and fraud.

Until when can I register my SIM?

Registration with telco providers ended **July 25, 2023**.

What happens to my GCash account or wallet if I do not register my SIM?

Your GCash account and your funds will remain secure. You may [update the mobile number linked to your GCash account](#) to recover your GCash account linked to your deactivated or unregistered SIM.

I received an email that my GCash will be restricted due to the SIM Registration Act and is directing me to input my details. What should I do?

SIM registrations will only be collected and processed by your telco providers through the channels they have provided. GCash will not ask for any information on behalf of the telco provider.

Please also be reminded that **GCash****will never send links via SMS, emails, or any other messaging apps**. Remember never to share your GCash credentials such as MPIN or OTP to anyone or anywhere except when you are logging in to the GCash app. Learn

more about how to keep your account safe.

If you think you've been a target of phishing, learn how to spot and report unauthorized transactions in your account.

What happens to my GCash Account if I successfully register my SIM to my telco?

Your GCash account will remain as is and you may continue to enjoy all GCash services. Your successful SIM registration ensures that the mobile number registered to your GCash account will continue to be active.

I want to change my number. How do I move my funds to my new account?

You may update the mobile number linked to your GCash account to recover your GCash account linked to your deactivated or unregistered SIM.

Please make sure that your new mobile number is registered with your own telco provider to ensure its activation.

Am I required to register all my SIMs linked to my GCash accounts with telco providers?

Yes, all the SIM cards linked to all your GCash accounts with your respective telco provider must be registered.

My child has a GCash Jr account, is s/he required to register his/her SIM Card as well?

All SIM cards are required to be registered according to the SIM Registration Act. For minors, the registration of the SIM shall be under the name of the minor's parent or legal guardian.

I am Foreign National (not a Filipino) with a GCash Account, am I required to register my SIM cards as well?

All Philippine SIM cards are required to be registered according to the SIM Registration Act. Foreign Nationals will also be included in the SIM Registration process.

I am a Globe user with a fully verified GCash account. What happens if I do not register my SIM?

You may visit the Globe SIM Registration page to comply with your Telco's SIM Registration guidelines.

You may reach out to your Telco provider via the Globe Stores or Globe Facebook Messenger for more information.

The amount for payment will be **automatically deducted** from your GCash e-wallet on the premium due dates. Please make sure you have enough balance in your GCash e-wallet to keep your policy active.

Cancellation and Claims

Cancellation of Policy

If you cancel your policy within **15 days** after you receive it, we will return all premiums paid. Your policy is considered received after we have sent the e-Policy to your registered email.

Claims

You can claim benefits from your insurance upon the **effectivity of your policy.**

For Dengue & COVID-19, you can file a claim after **15 days** from the effective date of your policy.

To file a claim, please contact Singlife. Their Case Managers will assist you in filing a claim. Singlife will contact you if they require additional documents.

The review of the claim will only start once the **complete requirements** have been submitted.

Accredited Hospitals

You can avail of the benefit as long as the hospital or clinic where the confinement or treatment was done is a DOH Licensed Government and private hospital. For COVID-19 patients, however, the confinement has to be done in a DOH-licensed COVID-19 hospital for the benefits to be accepted.

Check out the list of Singlife Accredited hospitals.

Eligibility

You can avail of this product if you are:

- 18-60 years old
- A Fully Verified GCash user
- In good health and are not suffering from any existing or pre-existing conditions
- A Filipino citizen or a foreigner who is a legal resident of the Philippines

Note: You cannot buy a policy for someone else directly. However, your spouse/life partner, you can cover them as dependents when you buy a policy for yourself.

For your Spouse/Life Partner to be covered under this product he/she must be:

- 18 to 60 years old and in good health
- A Filipino citizen or foreigner who is a legal resident of the Philippines
- Living with you for at least 2 years and can be of the same or opposite sex. (For Life Partners)

Coverage

When availing of Singlife Cash for Funeral Costs, you will have the following benefits:

Lifetime Insurance Protection

If you pass away, your loved ones will receive a cash benefit to help them prepare for any funeral or burial expenses.

Yearly Coverage Boost

Your Cash for Funeral Costs gets more valuable over time because your coverage increases every year without additional cost as long as you are keeping your policy active by paying your premiums

Protection for each family member

With just one plan, your spouse or life partner is also covered without needing to transfer or share plans. Additionally, starting from the 2nd policy year, you can also cover your children under the plan, and the cost will be on Singlife.

Immediate funeral assistance

Upon confirmation of death of policy holder, Singlife will give an initial amount to your beneficiaries to help with the immediate Funeral expenses while we process the claim. Upon approval of the claim, your beneficiary will receive the remaining amount.

Funeral Care Support

If you pass away, Singlife can assist your beneficiary/ies which providers they can use for the services needed for your Funeral service.

Note: Your policy includes **Extended Term Insurance**. It is a feature of your policy that will continue your policy in case you fail to pay your premium within the grace period. Your cash value will be used to extend the term of your coverage (based on benefit amount at the due date of the earliest premium unpaid) up to a defined period.

Purchase Singlife Cash for Funeral Costs

Note: Only Fully Verified GCash users can purchase this policy. You may buy multiple policies as long as the coverage amount (benefit amount plus coverage boost) of all policies you are covered in (either as a primary insured or insured dependent) with Singlife does not exceed PHP 6 million.

Follow the steps below to avail of Singlife Cash for Funeral Costs:

1: On the GCash App, tap **GInsure > Personal**

2: Select **Cash for Funeral Costs**

3. Verify your profile and answer the questions and provide details

4. Review the details of your purchase

5. Pay the required premium.

You will be led to a page that confirms your successful purchase of Singlife Cash for Funeral Costs.

Disclaimer: By purchasing the product, you are giving consent to automatically deduct your monthly investment from your GCash account. Please ensure that you have read and understood the terms and conditions related to the product before completing your purchase, which includes the schedule of deduction of your monthly investment and other things you need to know.

Claims and Cancellation

Claims

If you or your family need to make a claim, you can contact us through these channels, and our Claims Ambassador will assist you with the requirements:

- Email: help@singlife.com
- Hotline: +632 8299 3737 (Mon to Sun, 9am to 8pm)

Singlife will contact you if we need any additional information and/or documents(s). Please note that the review of the claim will only start once the complete requirements have been submitted.

Cancellation

You can cancel your Cash for Funeral Costs policy at any time. However, there is a difference on what you will receive depending on when you cancelled your policy.

- If you cancel within 15 days from purchase of your policy, you will receive a refund for your initial payment.
- If you cancel after 15 days from purchase of your policy and you do not have any cash value, you will not receive any refund and your cancellation will be effective from your earliest unpaid due date.
- If you cancel after 15 days from the purchase of your policy and you have a cash value, you will receive the Cash Surrender Value, and your policy will be canceled from the date of request.

In all scenarios above, you will lose your benefits and your loved ones will not have the proper support in case you pass away.

Eligibility

You are eligible for this product if you fulfill the requirements below:

- 18-55 years old and in good health
- A Filipino citizen or a legal resident of the Philippines
- [Fully Verified](#) GCash account
- In the Philippines when you purchased the Policy

Benefits

Grow your money faster

There are no entry fees (including commissions) so that 100% of your money is invested. The bigger the investment, the bigger the returns. The bigger the returns, the faster you reach your goals.

Insurance Protection

In case you pass away, your beneficiaries will receive a benefit no lower than 125% of the premiums paid less 125% of withdrawals made.

Gives you full control of your money

Needs are always changing, that's why there is no lock-in period. You are highly encouraged to commit to your goal, but if there is an urgent need to withdraw your money, you can do so with zero charges. There won't be an extra charge for missed payments, too!

Easily stay on track (and be rewarded for it!)

Tracking your financial goals is easier with our prescribed payment plan, through the auto-debit feature. Funds are automatically transferred from your GCash wallet to your investments every month, which can start for as low as PHP 500 for the initial payment and scheduled monthly payments. If you stay on track with your goals and reach the target goal date, you'll receive a bonus!

Note: The Target Goal Date for your Singlife Cash for Goals policy is the date when you should expect to achieve your goal. For this product, it will be 6 years after you have fully paid your monthly payments. For example, if you select to pay for 5 years, your target goal date will be set at the 12th year.

Purchase Singlife Cash for Goals

Payment

The minimum payment you can make for Singlife Cash for Goals is PHP 500, may it be for the initial payment (or Single Premium), any voluntary additional or scheduled monthly payments (or Top-Up Premiums). The initial payment and scheduled monthly payments will depend on the amounts you selected when you purchase the product.

Note: If you are not able to pay your monthly payment on its due date, Singlife will make several attempts to deduct your monthly payments up to 14 days from the due date.

You are highly encouraged to avail of one of the two Top-Up Premiums to help you reach your goal. It can either be as a **Voluntary Additional Premium** for whenever you want to make additional payments to help in reaching your goals faster or by paying regularly through a **Scheduled Monthly Premium** by auto-deduction from your wallet.

||||---|---|| **Scheduled Monthly Payment** | This is the scheduled monthly premium payment you make. Funds will be automatically deducted from your GCash Account on the provided scheduled dates based on your selected payment plan. || **Voluntary Additional Payment** | This is the additional premium payment that you can make at any time through your GCash App. Payments can start after the first 15 days of purchasing your policy. |

Note: You only need to pay for the initial payment to buy Singlife Cash for Goals. However, this payment may not be enough to reach the amount you wish to have for your goal.

Voluntary Additional Payment

This helps you reach your goal faster. It is also possible to avail this kind of payment in case you miss a scheduled monthly payment so that you will still be on track with your payment schedule.

1. On your GCash dashboard, tap **GInsure**
2. Select “**My Insurance**”
3. Select your Policy
4. Under the Services tab, tap “**Invest More**”
5. Slide the vault
6. Input your desired amount*
7. A confirmation page will appear when successful

Note: The minimum payment is PHP 500. Your additional payment will be invested into your fund within 3-5 business days.

In order for you to know if you need to make Voluntary Additional Premiums other than the Scheduled Monthly Premiums, you may track the performance of your fund in relation to the goal you have set in the Policy Page in your GCash App.

Note: You cannot adjust your scheduled monthly payments, but if you wish to invest more or make additional payments on top of your scheduled monthly payment, you can always make a voluntary additional payment.

If you want to stop the scheduled monthly payment, you may do so by contacting a representative via:

Email: help@singlife.com

Hotline: +632-8626-3289

In case you pass away at any time while your policy is active, your beneficiaries will receive the higher payout of either:

- 125% of the premiums paid – 125% of the partial withdrawals made; or
- 105% of the Available portion of your Current Investment Value at the time of notice of your passing

The allocation of your payments will depend on the investor profile you have selected:

| **Investor Name** | **Type of Investor** | | --- | --- | | **Mary** | A first-time investor who wants to start dipping into the investing pool. Mary will invest 90% of your money to Singlife Smart Investment Fund and 10% to Singlife Global Growth Fund | | **Erica** | A regular investor who wants to achieve a balance of risk and return. Mike will invest 50% of your money in Singlife Smart Investment Fund and 50% in Singlife Global Growth Fund | | **Mike** | An experienced investor who knows how the investment market works. Erica will invest 20% of your money in Singlife Smart Investment Fund and 80% in Singlife Global Growth Fund |

Your money will be invested toward any of the following funds:

| | | | --- | --- | | **Singlife Smart Investment Fund** | Fund managed by the fund manager, ATRAM. This Fund aims to generate positive returns by actively managing the allocation of each fund depending on their performance. The allocation of each fund can range from 0% to 100%, as long as the total allocation is 100%. The fund manager also has the option to use alternate funds not in the pool up to a maximum allocation of 10%. | | **Singlife Global Growth Fund** | An actively-managed fund that seeks to generate long-term positive returns by investing in a diversified portfolio of equity securities in markets throughout the world, including major developed and emerging markets. |

Claims, Withdrawals, and Cancellations

Claims

In order to begin the claims process and receive the benefits of your insurance, access Singlife's Claims & Support link then input the necessary information and documentation.

Withdrawals

You can withdraw from your Available Units starting 15 days after you purchased your policy, with no charges. However, currently, only full withdrawals of your current investment value are available. Partial withdrawals will be available soon. Withdrawal of your entire investment will result in the termination of your policy and you will not be able to achieve your life goal anymore.

Withdrawals are currently unavailable in the GCash App. To withdraw your funds immediately, you may contact a representative via:

- **Email:** help@singlife.com
- **Hotline:** +632-8626-3289.

Eligibility

You can avail of this product if you are:

- 18-55 years old
- A parent of a child aged 0-16 years old
- A Fully Verified GCash user
- In good health, able to work and do daily activities without any help
- A Filipino citizen or a foreigner who is a legal resident of the Philippines.

Benefits

||| --- | --- || **Grow Your Money Faster** | The usual entry fees (including commissions) so that 100% of your money is invested. The bigger the investment, the bigger the returns. The bigger the returns, the faster you reach your goals. || **Protect Your Goals** | In case you pass away before reaching your goal, Singlife will make sure that the money you set for your child's education will be secured. || **Give Yourself Full Control of Your Money** | The Singlife Cash for Goals (Education) Policy is not locked-in. Singlife encourages you to commit to your goal, but if there is an urgent need to withdraw your money, you can do so with zero charges. There are also no extra charges or penalties for missed payments. || **Easily Stay on Track (and be rewarded for it!)** | Singlife has a prescribed payment plan which is highlighted by an auto-debit feature through GCash for as low as PHP 2,500 for the Single Premium and PHP 500 for the Scheduled monthly top-ups. Completing your payments on time entitles you to bonuses as well. || **Target Goal Date of Singlife Cash for Goals (Education) Policy** | The Target Goal Date for your Singlife Cash for Goals (Education) policy will be set at the policy anniversary when your child is 17 years old, the age when Singlife expects your child to start college. || **Minimum Payment for Cash for Goals (Education)** | The minimum payment you can make for Singlife Cash for Goals (Education) is PHP 2,500 for Single Premium (Premium to complete the purchase of your policy) and PHP 500 for Scheduled Monthly Premiums. The payment amounts will depend on the Target Goal Amount and your selected payment plan for your child's education. || **Additional Premiums** | Additional Premiums (or Top-Up Premiums) are additional payments you make after you purchased your policy and while it is active. This helps you reach your target goal amount faster and is recommended to make it easier for you by spreading your payments across a longer period. |

Singlife PH Dynamic Allocation Fund

Your money will be invested in the **Singlife PH Dynamic Allocation Fund**, which is a pool of funds managed by the fund manager, ATRAM. This fund aims to generate positive returns by actively managing the allocation of each fund depending on its performance. The allocation of each fund can range from 0% to 100%, as long as the total allocation is 100%. The fund manager also has the option to use alternate funds not in the pool up to a maximum allocation of 10%.

Singlife PH Dynamic Allocation Fund is composed of the following funds:

| **Asset Class** | **Fund Vehicle for Exposure to Asset Class** | | --- | --- || Cash and Money Market | ATRAM Peso Money Market Fund || Peso Fixed Income | ATRAM Total Return Peso Bond Fund || Peso Fixed Income - Corporate | ATRAM Corporate Bond Fund ||

Purchase Singlife Cash for Goals (Education)

Note: In case you pass away before reaching your target goal date, we will make sure that the target goal amount that you set for your child's education will be available for your child's education on the target goal date.

Payment

The minimum payment you can make for Singlife Cash for Goals (Education) is PHP 2,500 for Single Premium (Premium to complete the purchase of your policy) and PHP 500 for Scheduled Monthly Premiums. The payment amounts will depend on the Target Goal Amount and your selected payment plan for your child's education.

The amount that you have to pay in order to achieve your goal will depend on the specific Target Goal Amount and how long you will be saving for that amount.

Note: This product is designed to help you cover your child's educational expenses in the future.

You only need to pay for a Single premium to buy Singlife Cash for Goals (Education). However, this payment may not be enough to reach the amount you wish to have for your goal. To reach your goal amount faster, we encourage you to make additional payments or **Top-Up Premiums**.

| **Scheduled Monthly Premium** | **Voluntary Additional Premium** | | --- | --- | | These are the scheduled monthly premium payments you can make. They will be automatically deducted from your GCash account on the provided scheduled dates based on your payment plan. | This is the additional premium payment that you can make at any time through your GCash App. This can be done starting from 15 days after you purchased your policy. |

In order for you to know if you need to make Voluntary Additional Premiums other than the Scheduled Monthly Premiums, you may track the performance of your fund respective to the goal you have set on the Policy Page in your GCash App.

Claims

You can claim benefits from your insurance upon effectiveness of your policy. To claim the benefits, you may contact Singlife and the Case Managers will assist you in filing a claim and contact you if they require additional documents.

Withdrawal

Withdraw your Money

You can withdraw from your Available Units starting from 15 days after you purchased your policy, with no charges. We encourage you to stay on track of your goals by avoiding withdrawals. Not only will it affect your goal, but it would also mean that a portion of your Locked Units will be forfeited.

Withdrawal Limits

The maximum withdrawal is up to the fund value of the Available Units with a **minimum withdrawal amount of PHP 10,000**. There are two types of withdrawals that you can make:

- **Full Withdrawal** - withdrawing the total amount of your Available Units. This will result in your policy being terminated
- **Partial Withdrawal** - withdrawing a portion of your Available Units. You need to ensure that there is at least **PHP 1,000 left** after the withdrawal

Coverage

Note: The monthly premium payment plan will be available soon.

Eligibility

You can buy this if you are:

- 18-54 years old
- A [Fully Verified](#) GCash user
- In good health and able to work and do not have any pre-existing conditions
- A Filipino citizen or a foreigner who is a legal resident of the Philippines

Benefits

The insurance provides monthly cash benefits if you get disabled or pass away. The cash benefits are paid to you if you get disabled; or to your beneficiary, if you pass away. You or your family will receive the benefits in monthly installments over 36 months rather

than in a lump sum. This is to assure you and your family that there will be a steady flow of income for daily needs and stay on track with long-term goals.

Beneficiaries

By default, policy benefits will be paid in this standard order:

1. We will first pay the policy benefits to you
2. Or if you pass away, to your surviving family members
 - To your surviving legal spouse
 - Or if non, to your surviving legal child/ren
 - Or if non, to your surviving parents
 - Or if non, to your surviving siblings
3. Or if there is none, to your estate - meaning, your policy benefit will be included in your estate (properties that you will leave behind when you pass away)

You may also choose to name a specific person as your beneficiary. We encourage you to take time considering who to name as a beneficiary to ensure you nominate one who will genuinely suffer or face negative financial impact in case of your untimely passing - these are usually your immediate family and relatives.

By law, you may name a person who you know provided the law does not forbid him/her from receiving any donation, as indicated in Article 739 of the Civil Code of the Philippines. The following donations shall be void:

- Those made between persons who were guilty of adultery or concubinage at the time of the donation;
- Those made between persons found guilty of the same criminal offense, in consideration thereof;
- Those made to a public officer or his wife, descendants and ascendants, by reason of his office.

Disability Benefit

The benefit will be payable based on the following requirements:

1. The accident or illness that caused the disability is not caused by exclusions and expanded accident coverage, we will pay 100% of the benefit
2. The accident that caused the disability is caused by an expanded accident coverage, we will pay 50% of the benefit amount
3. The disability is total and permanent.
4. The Insured has to have an occupation within 6 months before the accident that cause the disability. Also, he/she has to be in that occupation for at least 6 months.
5. The disability should fall into any of the following classifications:
 - Functional Disability - A state or condition that prevents a person from performing at least 3 of the 6 Activities of Daily Living (ADL), which are (i) washing, (ii) dressing, (iii) transferring, (iv) mobility, (v) toileting, and (vi) feeding.
 - Presumptive Disability - A state or condition where you suffer the total and irrevocable loss of (i) the entire sight in both eyes, or (ii) the use of any two limbs at or above the wrist or ankle, or (iii) the entire sight in one eye and the use of any one limb at or above the wrist or ankle."
 - Occupational Disability - A state or condition where you are unable to perform:

- Your current occupation; or
- Any occupation where you can earn more than half of your income prior to being disabled.

Expanded Accident Coverage

These are accidents that happen:

1. While you are at work as a Licensed Pilot, Helmsman, or Paid Driver;
2. While you are in a commercial land vehicle, aircraft, or water-borne craft but not as a fare-paying passenger during any of the following incidents:
 - Body Boarding
 - Kite Surfing
 - Jet Skiing
 - Canoeing
 - Wind Surfing
 - Hang Gliding
 - Paragliding
 - Ballooning
 - Gliding
 - Canopy Piloting
 - Parachuting
 - Skydiving
 - Legal Road Racing
 - Legal Water Racing
3. During any act of terrorism
4. During any nuclear, biological, and chemical attack/warfare

Note: For (4) and (5), the amount of benefit may be adjusted or payment may be delayed.

Death Benefit

In case of death, we will pay the beneficiary/ies 100% of the Total Benefit Amount.

A. The benefit for disability **will not be paid** under your Policy if:

- It is caused by a pre-existing condition.
 - Pre-Existing Condition is any condition for which you may have already had signs or symptoms, and received medical advice, diagnosis, medication, or treatment prior to the effective date or date of last reinstatement, whichever is later.
 - Any condition where a physician has certified that you have fully recovered for at least twenty-four (24) months prior to the effective date or date of last reinstatement (whichever is later) will not be considered as a Pre-existing Condition.
- It is caused by:
 - Any attempted suicide, while sane or insane; or
 - Any intentionally self-inflicted injury; or
 - Any illegal or unlawful act, or any attempt to perform any illegal or unlawful act (including any act of terrorism) committed by you.
- It happens while you are on duty and serving in the armed forces of any country or international authority, whether in the time of war or peace.

B. The benefit for death under your Policy **will not be paid** if it is caused by suicide within one (1) year from the following, whichever is later:

- The effective date; or
- Date of the last reinstatement date; or
- Date of change in coverage

However, if suicide is proven to have been committed while insane, it will be payable regardless of when it happens. If the suicide is not payable, we will refund the premiums paid in full for the policy year.

Purchase Singlife Cash for Income Loss due to Any Cause

You can buy as many policies as you want, as long as the Total Benefit Amount of all life policies does not exceed PHP 6 million.

However, you **cannot** buy a policy for someone else directly. However, you can cover them as dependents when you buy a policy for yourself.

You are covered even when the disability or death occurs outside of the Philippines. The cash benefit payable will be in Philippine Peso.

Disclaimer: By purchasing the product, you are giving your consent for us to automatically deduct your monthly investment from your GCash account. Please ensure that you have read and understood the terms and conditions related to the product before completing your purchase, which includes the schedule of deduction of your monthly investment and other things you need to know.

Payment

We will automatically deduct the amount for payment from your GCash wallet on the premium due date. Please make sure you have enough balance in your GCash wallet to keep your policy active.

The monthly premium payment schedule is available for coverage with a yearly premium of at least PHP 1,000.

Note: Any yearly premium below PHP 1,000 will automatically be available in the yearly premium payment schedule only.

If we are unable to deduct your premium on its due date due to insufficient funds in your GCash wallet, your policy may terminate. We encourage you to keep track of your premium due dates so that during the scheduled deduction dates, your GCash wallet has sufficient funds. However, if we failed to deduct your premium on its due date because of insufficient funds, you have a grace period of 31 days from the premium due date to make sure your GCash wallet has enough funds.

Claims and Cancellation

Claims

To file a claim, [contact Singlife](#). Please note that the review of the claim will only start once you have submitted all the required claim documents. A Singlife representative will contact you if they require any additional information and/or documents.

Validation of a claim for disability or death may take time. To help during this time, we can start paying the monthly cash benefit, to you or your Beneficiaries, **within 3 business days** that you or your Beneficiaries submit the required claim documents and you agree to the conditions for the execution of the advance cash option.

The payout of the advance cash option does not mean that the claim is approved, nor does it mean that we will not ask for additional supporting documents. We may still ask for supporting documents to allow us to decide on the claim.

Cancellation

You may cancel your policy **within 15 days after you receive it** (via email or through the Policy Page in your GCash app) and all premiums paid will be returned. Your policy is considered received after we have sent the e-Policy to your registered email.

Accredited Hospitals

You can avail of the benefit as long as the hospital or clinic where the confinement or treatment was done is a DOH Licensed Government and private hospital. For COVID-19 patients, however, the confinement has to be done in a DOH-licensed COVID-19 hospital for the benefits to be accepted.

Visit the official list of [Singlife Accredited hospitals](#).

Cancellation

You can cancel your policy. If you cancel your policy within 15 days after you receive it, we will return all premiums paid. Your policy is considered received after we have sent the e-Policy to your registered email.

If you cancel your policy after 15 days from the time you received your policy, your refund will be subject to the following:

- **Monthly Premium Schedule:** The cancellation will be effective on the next monthsary and no premium refund will be made.
- **Annual Premium Schedule:** The cancellation will be effective on the next monthsary for the first 6 months and on the next premium due after the 6th month.

The premium refund will be subject to the table below:

No. of months	Percentage (%) of Annual Premium	---	---	2 months or below
40%	3 months	35%	4 months	30%
5 months	25%	6 months	20%	Over 6 months

If someone sent you money from their GCash to your GCash wallet, but it's not listed in your "Transactions," **contact the sender to verify** the following details:

1. **Check if they sent it to the correct mobile number:** The sender may have sent it to a different number. If they mistakenly sent money to the wrong number, learn more [here](#).
2. **Check if their transaction was successful** - The sender should see the Send Money transaction on their "Transactions" page
 - The sender's wallet should have been deducted if it was successfully sent. If there was no deduction, it means the transaction didn't push through

If the sender confirmed both of these scenarios, please [click here to ask for help](#). One of our customer service representatives will verify your transaction and contact you in **24 hours**.

Sometimes, delays can happen when receiving a bank transfer from a GCash Wallet, usually due to **system timeouts or scheduled/unscheduled maintenance**. GCash works closely with partner banks to quickly resolve these issues and make sure the money reaches you soon.

Important Notice for Customers Who Transferred Money to BDO:

We're aware of an ongoing issue where some transfers from GCash to BDO were not received. Our team is actively working with BDO to resolve this. We ensure your funds are safe and will be refunded as soon as possible.

If there's an issue with the transfer, you'll get an SMS update about what's next. The money will either be:

- Returned to the sender's GCash Wallet within **1-2 business days**,
- Credited to your Bank Account within **3-5 business days**

*Note that weekends and holidays are not included in these timelines.

If you don't see the money in your bank account or the sender's GCash Wallet after 5 business days, [click here to ask for help](#). A customer service representative will contact you in **24 hours**.

The amount for the annual premium payment will be automatically deducted from your GCash wallet upon purchase. Please make sure you have enough balance in your GCash wallet to make a successful transaction

You can avail as many car insurance policies as you can depending on the number of cars that you own.

You will receive a confirmation SMS and an email of your Car Protect Policy.

View Policy Contract

Your Policy Contract and other Policy documents are sent to your registered email address within an hour of your successful purchase. If you were not able to receive your policy within 24 hours or if you would like to request an original copy of your policy, please [contact Standard Insurance](#).

Changes in policy

If you have any changes in your policy, please [contact Standard Insurance](#).

Note: Any change or modification in your insured vehicle (i.e. engine no., color, etc.) must be declared in the policy. New details that may be found contrary to the policy that are not properly endorsed may be used as grounds for the denial of the claim.

Insurance transfer

You can transfer the Car Protect policy if you plan to sell your vehicle provided that you secure the approval of the Insurer by contacting Standard Insurance. Please make sure that the policy is endorsed to reflect the new owner of the insured vehicle.

Claims

You can file a claim for loss or damage immediately after the occurrence or up to 60 days. For Acts of Nature claims, you must file your claim within seven (7) days from the date of the typhoon, flood, earthquake, flood, or other convulsions of nature.

To file a claim, go to the Standard Insurance Online Claims Notification. Once you have completed the form and have attached the required documents, a representative from Standard Insurance will email you the next steps necessary to process your claim. You may contact Standard Insurance to follow up.

Requirements for claiming the policy

To file a claim for your Car Protect Policy, please prepare the following documents:

- Certificate of Registration (CR) and Official Receipt (OR) or Certificate of Registration covering loss date
- Driver's license
- Affidavit or police report (if with third party)
- Photos showing the full body of the vehicle that include the plate number/conductions sticker or VIN plate, damages on the unit, and odometer reading.
- Letter of Authority Issued to CASA/Repair Shop or Cash Settlement

Once you have filed a claim and have completed the required documents, it will be processed within 5 days for claims up to PHP 100,000 and 5-20 days for other cases depending on the extent of the damage.

Renewal, Refund, and Cancellation

Renewal

To renew your policy, please register your existing policy for online access on the Standard Insurance website. Registered policies get a renewal prompt 90 days before policy expiration. You may log in to your online access to initiate a renewal or you may contact Standard Insurance.

Refund

You may request a refund and cancel your policy **within seven (7) days after receiving it via email**. All premiums shall be returned to your GCash wallet provided it is made before 12:00 AM (midnight) of the same day of purchase. A representative of Standard

Insurance shall process cancellation requests made after the cut-off. Refund shall be credited back to your GCash wallet or nominated bank account.

If the 7-day cancellation period falls on the following month, pro-rata premium and taxes shall be returned except the documentary stamps.

Cancellation

You may request the cancellation of your policy if your unit has been sold. If you did not file a claim during the policy year, a refund on the basic premium, excluding taxes, will be processed based on the Short Period Rate Scale stipulated in your policy. However, if you have already incurred a claim and collected the proceeds or in process before your request for cancellation, no premium and taxes will be returned.

Coverage

CTPL is a standalone cover and responds first in the event of a third party's bodily injury, death, and medical expenses. Standard Insurance will cover a valid claim of up to PHP 100,000, subject to the policy limits.

Your policy can cover you if the insured vehicle gets into an accident while being driven by another person subject to the following conditions:

- You have authorized/permitted them to operate or drive your insured vehicle.
- The authorized/permitted driver carries a driver's license.
- Subject to all other policy terms and conditions.

Eligibility

You can avail of this product if you are:

- A Fully Verified GCash user
- The owner of a car that can be insured - Requirements: - Private Cars: Sedan, AUV, MPV, Wagon, Van, Pick-up
 - Age of car up to 15 years old
 - Usage must be private

Note: You can avail as many CTPL policies as you can, depending on the number of cars you own. You may also purchase CTPL by Standard Insurance on behalf of someone else.

Purchase Standard Insurance CTPL

Note: The amount for the annual premium payment will be automatically deducted from your GCash wallet upon purchase. Please make sure you have enough balance in your GCash wallet to make a successful transaction.

Your Policy Contract and other Policy Documents will be sent **within an hour** to your registered email address. If you were not able to receive your policy within 24 hours or if you would like to request an original copy of your policy, please contact Standard Insurance.

Your CTPL policy will commence based on the last digit of your vehicle's plate number:

1 | 1 | --- | --- | **Plate Number** | **Start Date** | | Ending in 1 | February 1 | | Ending in 2 |

Policy Renewal

To renew your policy, please register your existing policy for online access on the Standard Insurance website.

Registered policies get a renewal prompt 90 days before policy expiration. You may renew your policy by contacting Standard Insurance.

Claims

Note: Once you have filed a claim and have completed the required documents, reimbursement will be evaluated within 5 days.

You can file a claim for third-party bodily injury immediately after the occurrence or up to 90 days. To file a claim, please fill out the Standard Insurance Online Claims Notification form.

Once you have completed the form, attach the necessary requirements:

- Certificate of Registration (CR) and Official Receipt (OR) covering loss date
- Photocopy of Driver's license and official receipt
- Original Police Report
- Original Medical Certificate

- Original hospital bills/receipts
- Birth Certificate (For Minors only)

A representative from Standard Insurance will email you the next steps necessary to process your claim. Claims proceeds may be availed either through check or online transfer. To follow up on your claims, please [contact Standard Insurance](#).

Policy Updates and Cancellations

Update of CTPL details

If you have any changes in your policy, please [contact Standard Insurance](#). Any change or modification in your insured vehicle (i.e. engine no., color, etc.) must be declared in the policy. New details that may be found contrary to the policy that are not properly endorsed may be used as grounds for the denial of the claim.

Refund and cancellation request

You may request a refund and cancel your policy within **seven (7) days** of receiving it via email. All premiums shall be returned to your GCash wallet or nominated bank account, provided it is made before 12:00 midnight of the same day of purchase. A representative of Standard Insurance shall process cancellation requests made after the cut-off.

If the 7-day cancellation period falls on the following month, pro-rata premiums and taxes shall be returned except the documentary stamps.

Unauthenticated CTPL

You should be able to receive a notification that your CTPL needs further authentication in your email. A representative from Standard Insurance will contact you to facilitate the authentication. Additional information (i.e., updated plate no., correct motor/serial number) may be required from you to proceed with the authentication.

Note: There is no limit to owning multiple policies. However, you cannot upgrade your current policy, nor can you apply for someone else's pet. Only the owner of the pet can apply for a policy.

Claims and Cancellation

Claims

You may claim Pet Health by sending an [email to Standard Insurance](#) with the attached documents:

1. Completed Claim Form signed by you and your Vet
2. An itemized invoice showing all vet expenses paid in full
3. Consultation notes
4. Complete the Veterinary history of your pet

Standard Insurance will process your claim in **3-10 business days**

Cancellation of Policy

To cancel your policy, please [contact Standard Insurance](#). The cancellation will be effective once Standard Insurance provides you with confirmation of the request.

Cancellation of policy before 21 day cooling period

If you cancel your policy during the 21 day cooling-off period, provided that no claim is/has been made by you, we will refund any premium paid by you since commencement or renewal, less any transaction costs incurred by us which we are unable to recover, and any taxes or duties that we are unable to refund. You cannot return your policy during the cooling off period if a claim is/has been made by you.

Cancellation of policy after 21 day cooling-off period

If you cancel the policy for whatever reason after the cooling off period and you have paid the annual premium in full, provided no claim has been made, we will refund the premium less:

- The amount covering the period you were insured for;

- The cancellation fee of (which will not be deducted if your cancellation is due to your Pet passing away); and
- Any government or statutory charges we are unable to recover. If you have been paying your premium by installments, there is no premium refund (including for any remaining days of a current installment period). No further premium installments will be deducted

Cancellation of policy for whatever reason

If you cancel your policy for whatever reason (other than your Pet passing away) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid if it has not already been paid. Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of contract.

Cancellation of policy due to death

If you cancel your policy because your Pet has passed away and after having made a claim, your policy will be cancelled in the same way as set in ‘Cancellation where no claims have been made.

Any cancellation refund due will be processed in **10-15 business days**.
